Only 125 Falcon XR8 Devil Rs will be forged. Can you handle the heat?

> There's no denying the new limited edition Falcon XR8 Devil R is about as hot as you can get. Turning up the heat are the features shown above and a fire breathing 260kW V8 engine. Its high-tech design provides drivers with massive reserves of power and scorching responsiveness. Harnessing that power is a 6 speed manual transmission with super smooth shift quality and superb gearing.* Turn into the corner and Control Blade Independent Rear Suspension, the most advanced suspension system on any Australian built car, will have you cornering like a pro. So if you're looking for a hell of a drive, contact your Ford Dealer now. Because when you're behind the wheel of a new limited edition Falcon XR8 Devil R, you can be sure you're in the hottest seat in town.

*Also available with a 4 speed automatic transmission with Sequential Sports Shift as a no-cost option. Excludes government, fleet, taxi and privilege club customers. Limited offer at participating Dealers.
