

Focus Coupé-Cabriolet

Leather trimmed sports seats and dual zone climate control means you enjoy every journey in total comfort.

Focus Coupé-Cabriolet comes standard with stylish 17" alloy wheels[†] and fog lamps.

A journey to remember, rain, hail or shine.

There's something about the new Ford Focus Coupé-Cabriolet[†] that triggers those spur-of-the-moment decisions. Those impulsive plans that in hindsight always seem inspired. The forecast looks promising, nothing is planned, so why not throw some clothes in the overnight bag and take off for the weekend? Now. In next to no time you're on your way. As the city disappears in the rear view mirror, you switch on the cruise control, retract the roof, then sit back in the leather trimmed seats and soak up the sun. And what's a journey without a soundtrack? Slide a favourite into the Sony 6-stacker CD audio system and the 8 speakers bring the music to life like never before. It's MP3 compatible[#] too, so you can also bring along your iPod[®]. Of course, should the weather ever take a turn for the worse, more of that renowned Focus German engineering will go to work. Simply push a button and the electrically retractable hard top roof quickly locks into place so you're protected from whatever mother nature might have in store. You'll also be able to snuggle in the comfort and warmth of the heated front seats. And wherever your journey takes you, it's reassuring to know you're protected by a host of safety features including ABS and dual front and side airbags^{*}. Every journey is different and whether you're heading downtown or out of town, life's never dull behind the wheel of the smooth new Focus Coupé-Cabriolet.

[†]Set of 4. [†]Available late 2007. [#]Connection cable sold separately. iPod[®] is a trademark of Apple Computer Inc., registered in the United States and other countries. ^{*}For driver and front passenger.

A journey to remember, rain, hail or shine.

1. All performance data measured using 95RON fuel. **2.** These figures are obtained from controlled tests conducted to Australian Design Rule 81/01, which requires use of 95RON fuel for petrol models and are provided to assist you in comparing the fuel consumption of Focus with other vehicles. Note the actual fuel consumption you achieve will depend on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. **3.** Connection cable sold separately. **4.** Dynamic Stability Control is also known as Electronic Stability Control.

New Focus Coupé-Cabriolet available from late 2007. Ford reserves the right to discontinue or change any of the exterior colours referred to in this brochure at any time without notice. Every effort has been made to depict vehicle colours and trims as realistically as possible in this brochure, however some variation may occur due to printing limitations. See your authorised Ford Dealer to view actual colours.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of their products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
