

PUNTO

Life is a set of

choices

Punto.

Punto. Choose to be yourself.

T-shirt and shorts or jacket and tie? A weekend on the slopes or a premiere at the theatre? Whether you are a sporting type or have a yen for elegance, the Grande Punto delivers all you need to express your personality. The two lines, Sportlife and Comfortlife, designed to cater to different requirements and tastes, are perfect both for super-active sports buffs and lovers of comfort, so that you can choose to be exactly who you are.

Sporting.

The line of the Sportlife version can be described in a few brief words. New burnished headlights, sideskirts and even more aggressive alloy wheels that are a feast for the eyes are accompanied by a line-up of brilliant engines that deliver high performance and great fun even on urban routes.

Fun.

If you want to enjoy yourself, you have selected the right outfit. The Sportlife line adorns the Grande Punto with characteristic elements that make even short trips highly enjoyable. Both models, Fun and Sport, have been designed to deliver maximum driving pleasure and to meet the requirements of those who, at the wheel, don't simply want to drive but also to express their emotions.

PUNTO FUN

Main standard equipment

- ABS with EBD
- ESP
- manual climate control system with pollen filter
- leather covered steering wheel and gearlever knob
- burnished lighting clusters
- 16" alloy wheels with 195/55 tyres
- rear spoiler
- fog lights
- driver, passenger, side and window airbags
- centralised lock
- remote door opening/locking
- power windows at front and electric door locking
- Height- and reach-adjustable steering wheel
- driver's seat with mechanical height adjustment
- electrically-adjustable wing mirrors
- Dualdrive™ power steering
- multipurpose tyre repair kit (Fix & Go)
- two rear head restraints
- body-coloured bumpers
- body-coloured handles
- sporting trim

PUNTO SPORT

Main standard equipment (in addition to the Punto Fun contents)

- 17" alloy wheels with 205/45 tyres
- sideskirts
- darkened rear windows and backlight
- radio with CD player
- wing mirrors with defrosting function and with temperature sensor
- chrome exhaust pipe tip
- power windows at rear

Aggressive.

Inside, the Sportlife line features a young and aggressive cockpit. Every detail - from the Carbon-look facia to the hand-stitched steering wheel, to the graphics of the instrument panel - conveys a feeling of dynamism and speed. The Sport versions feature seats with extra containment.

Elegant.

With Giugiaro's unmistakable design cues that underline its sinuous styling, Grande Punto has no difficulty in standing out with unmistakable style. You will be amazed by the new fabrics and latest-generation ergonomic fascia that wraps you in a high class environment, never ostentatious or superfluous.

Alluring.

You have a yen for comfort and elegance? The Comfortlife line enhances the Grande Punto with high prestige finishes, new body colours and, especially, new customisation possibilities. A choice that will take you where you want to go with maximum ease and absolute comfort, without sacrificing style.

PUNTO ACTIVE

Main standard equipment

- ABS with EBD
- ESP
- driver and passenger airbags
- provision for car radio
- steering wheel adjustable for height and distance
- Dualdrive™ power steering
- electrically-adjustable wing mirrors
- power windows at front and electric door locking
- multipurpose tyre repair kit (Fix & Go)
- two rear head restraints
- driver's seat with mechanical height adjustment
- 175/65 R 15" tyres
- body-coloured bumper

PUNTO EMOTION

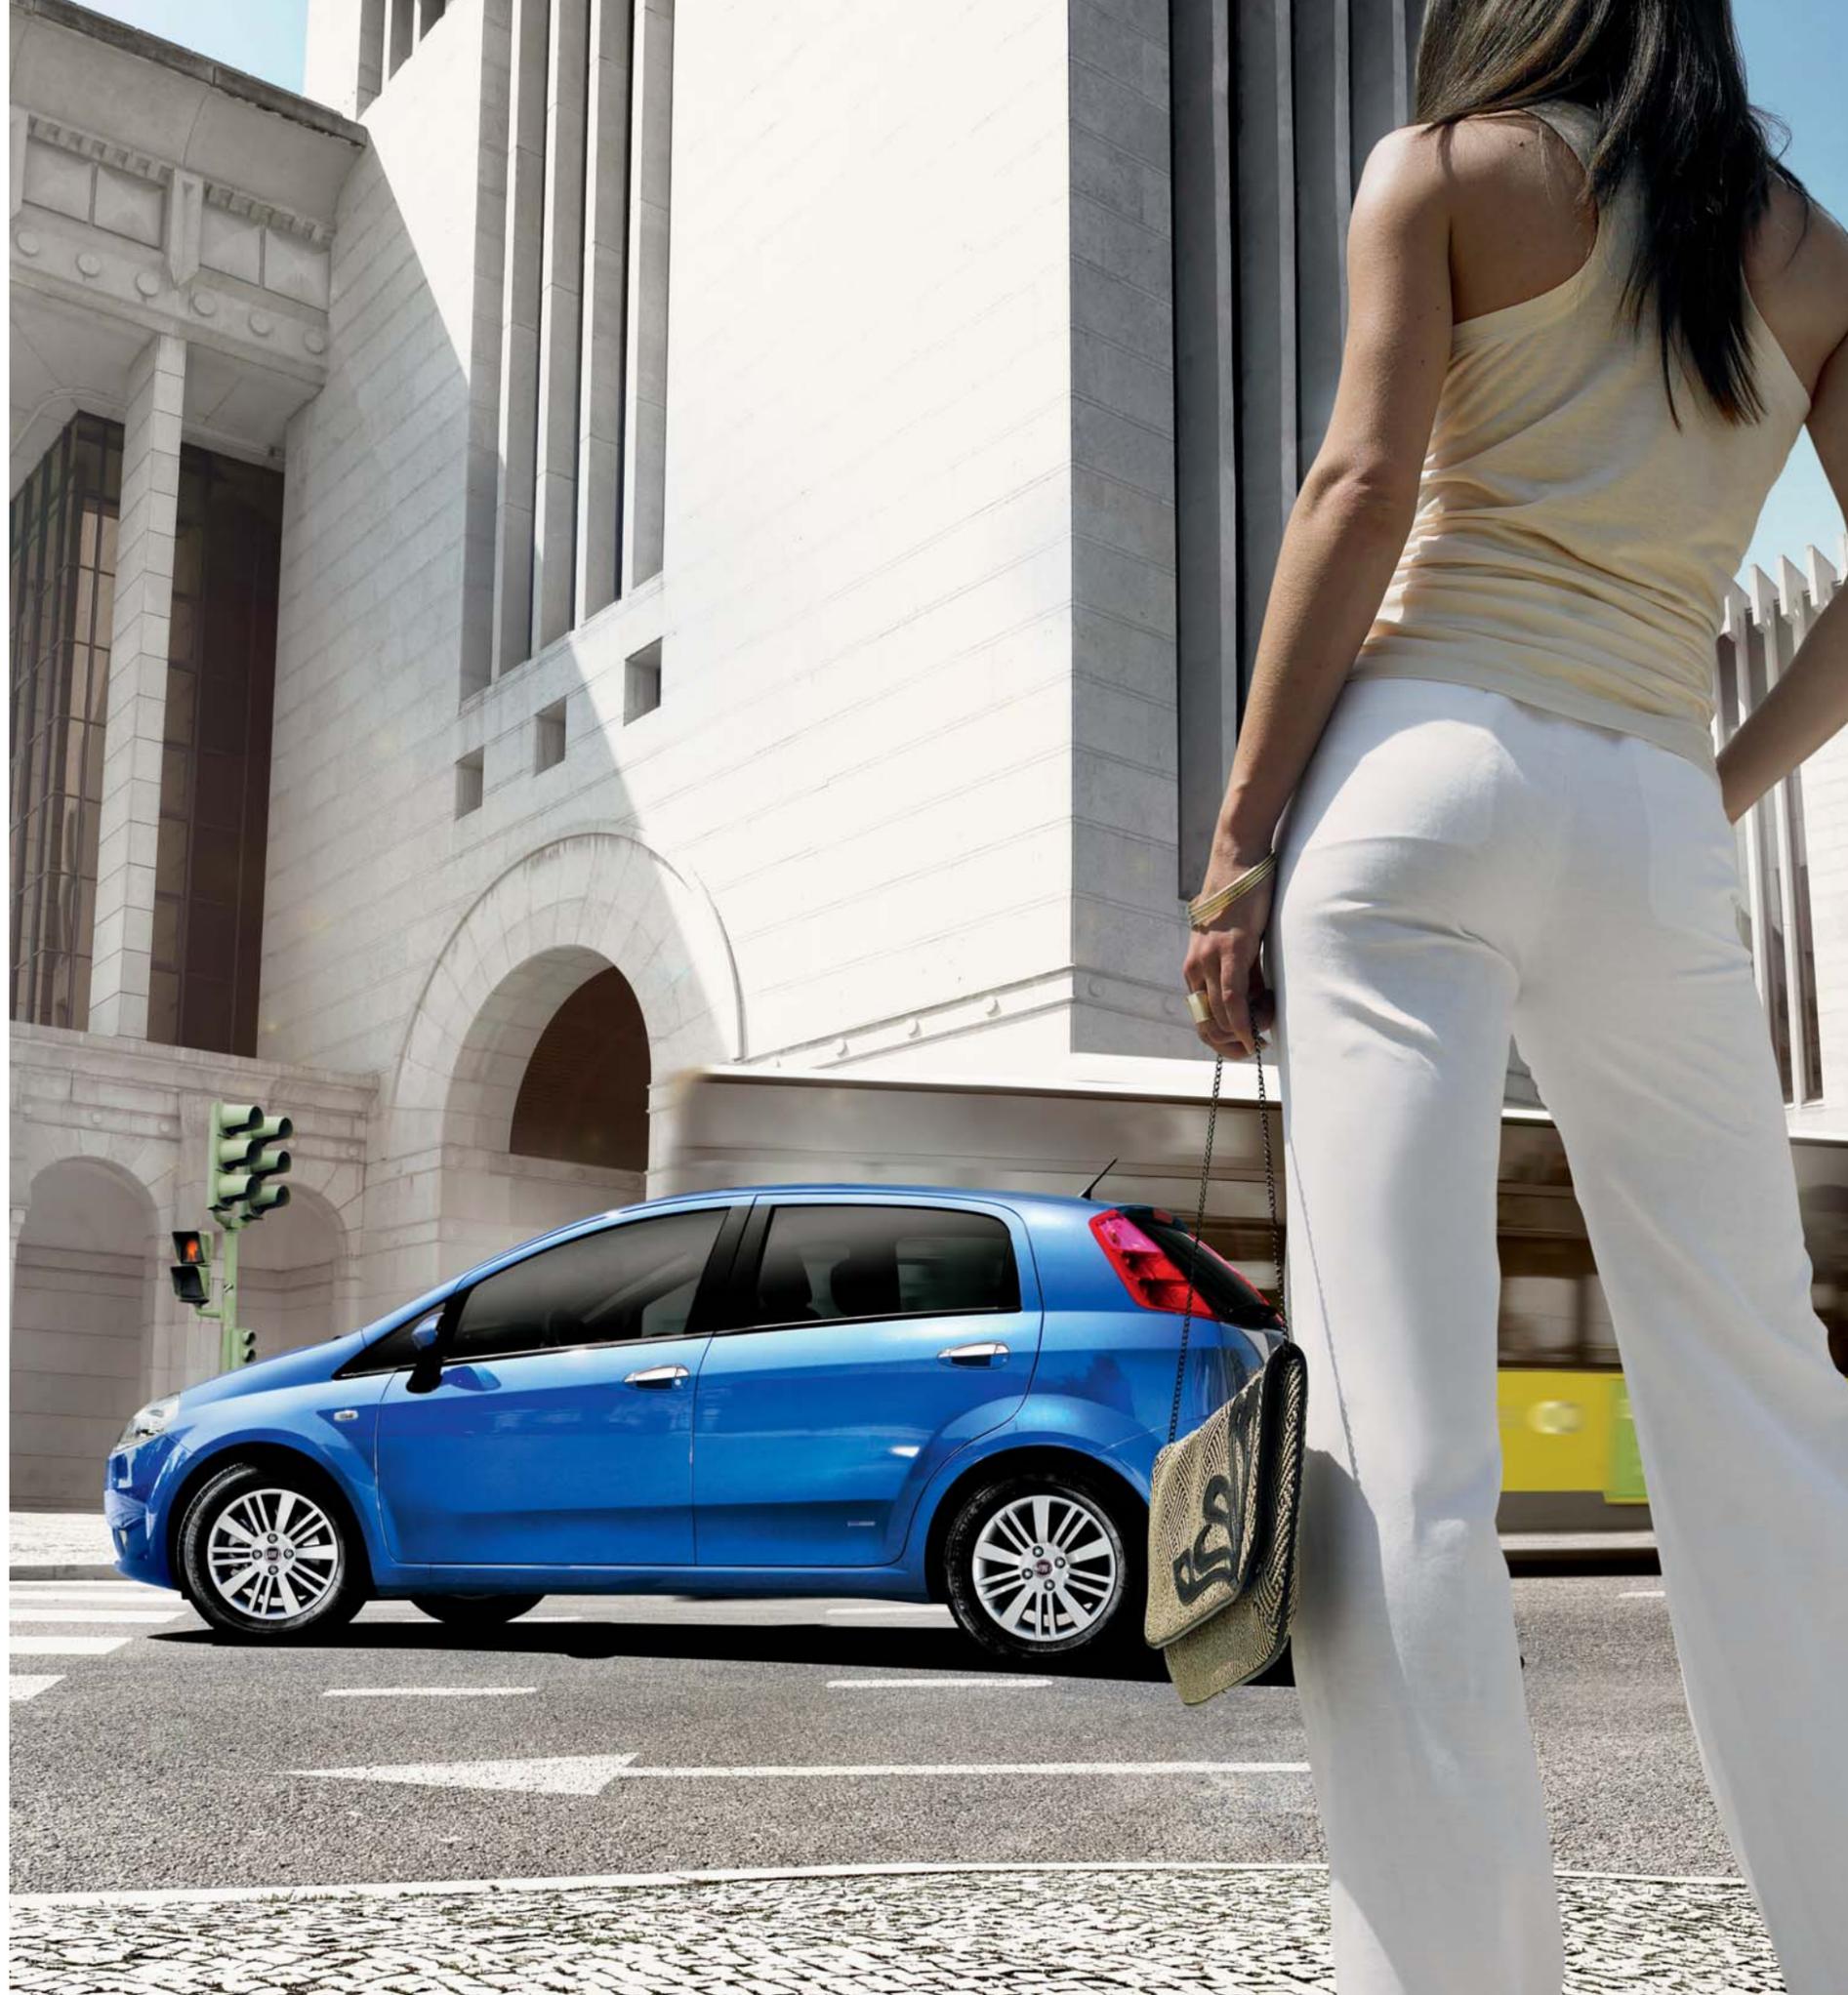

In addition to the Punto Dynamic contents

- dual-zone automatic climate control system
- 15" alloy wheels with 175/65 tyres
- radio with CD player
- power windows at rear
- fog lights
- wing mirrors with defrosting function and temperature sensor
- front armrest with oddments compartment

PUNTO DYNAMIC

In addition to the Punto Active contents

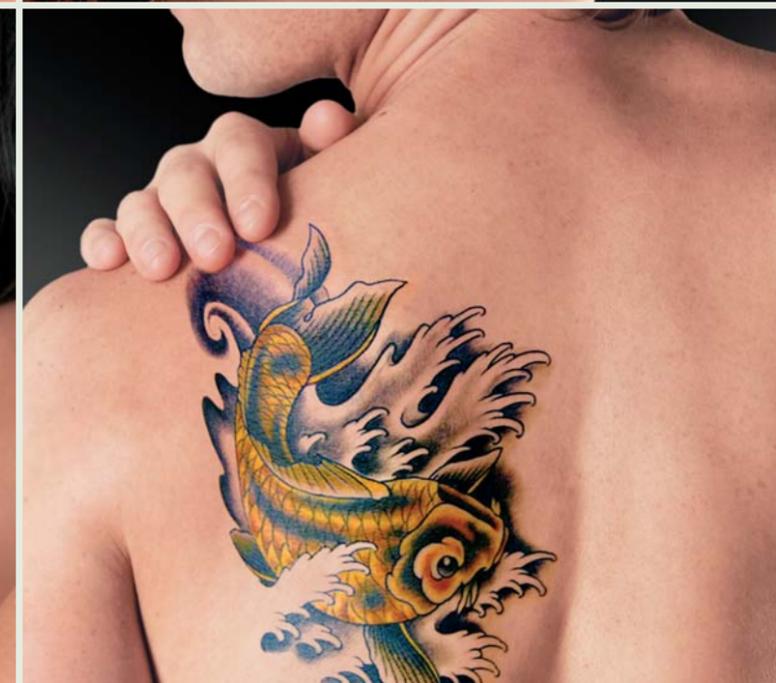

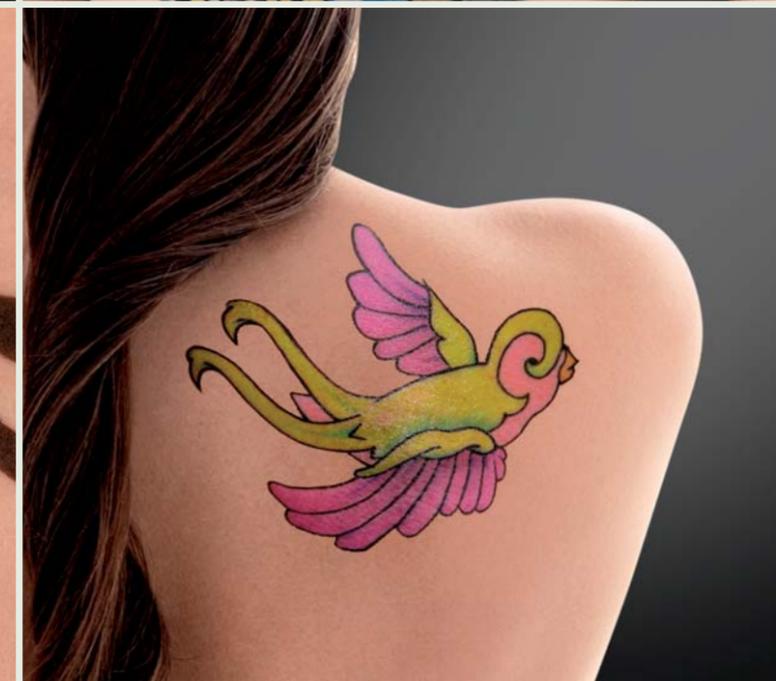

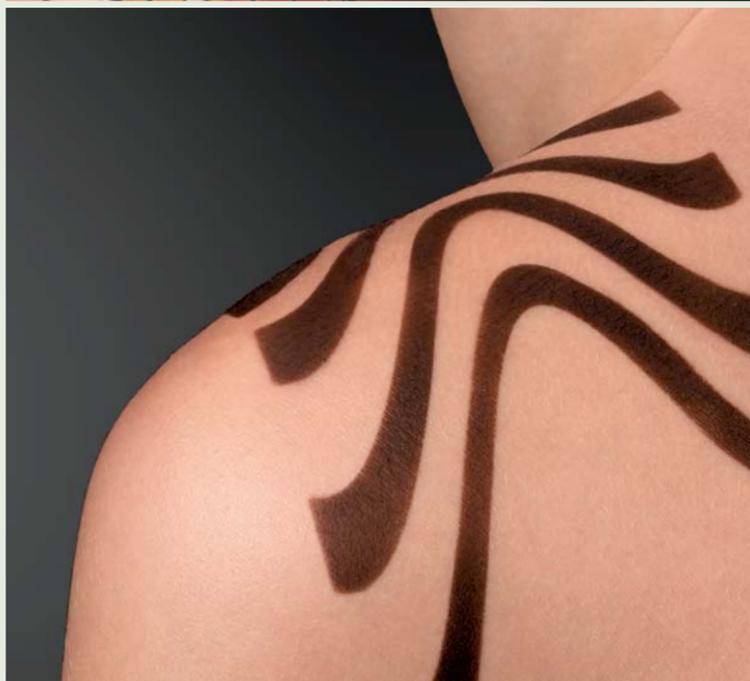

- manual climate control system with pollen filter
- door opening/locking remote
- side and window airbags
- leather covered steering wheel and gearlever knob
- split rear seat (5-door)
- body-coloured wing mirrors
- body-coloured handles

Punto.
CHOOSE to be unique.

Your car says a great deal about you. On the Grande Punto, you can choose between a host of styling details and accessories. Personalise it as you desire.

The aluminium 'Italian Flag' badge is the touch that can make the difference: it stands out on the pillar of the vehicle, thanks to enamelled gems that make it sparkle and shine.

The customised covers of the wing mirrors, in 4 colours, further enhance the customisation of your Grande Punto.

Like a tuxedo with its cuff-links, the key covers coordinated with the external stickers imbue the Grande Punto with a touch of class.

5 different external graphics, in three different shades combinable with the body make the Grande Punto even more unique.

Punto.
Choose
to be communicative.

To be always at the centre of your world, choose Blue&Me™ technology, the integrated system developed in cooperation with Microsoft that guarantees instant access to everything you need without taking your hands off the steering wheel.

The Blue&Me™ and Blue&Me™ Nav devices guarantee maximum control in complete comfort: your music, your contacts, your roads, everything is just a click away.

Technological.

With Blue&Me™, you can make and receive phone calls, listen to received text messages, connect your media player and choose the right sound for each trip without ever diverting attention from the road because Blue&Me™ is always tuned in to your needs via the USB port, Bluetooth® technology and universal voice recognition.

If you want to be constantly informed of the opportunities along your route and reach your destination in complete comfort, choose Blue&Me™ Nav, the device that integrates Blue&Me™ functions with an on-board navigation system.

Blue&Me™ Nav transforms each trip into a world of possibilities. It indicates the best route to reach your destination, allows you to save maps on pen drive USB or media player and provides access to a full set of infotematic services: information about restaurants, museums, stores and SOS calls in an emergency. Also, with the tracking service that makes it possible to locate your car if it has been stolen, you can obtain exclusive discounts on your car policy from all the main insurance companies. A gesture or a word and Blue&Me™ Nav does the rest.

The USB port makes the technology even easier to use. Located in the glove compartment, it allows you to constantly update your playlists, to insert preloaded navigation maps and all the information you need.

Punto. Choose to be brilliant in complete safety.

The hood of Grande Punto hides great engines that deliver class-beating performance and fuel economy. You can choose the most suitable solution from a wide range of petrol and diesel engines, both on the Comfortlife and Sportlife line. With Grande Punto, you also choose safety! With ESP as standard equipment and a complete array of airbags, Grande Punto offers maximum active and passive safety, as guaranteed by its 5 EuroNCAP stars, the most elite award in the field of car safety.

On Grande Punto you can choose between three petrol engines including the brilliant 120 bhp 1.4 Turbo T-Jet and four 75 to 130 bhp Multijet diesel engines

1.2 65 bhp

ACTIVE - DYNAMIC - FUN

Displacement: 1242 cc
Ecology level: Euro 4
Max power output - EC:
48 kW (65 bhp) at 5500 rpm
Peak torque - EC:
102 Nm (10.4 kgm) at 3000 rpm
Gearbox, no. of speeds: 5 + reverse
Top speed: 155 km/h
Acceleration 0 to 100 km/h:
14.5 seconds
Fuel consumption - 1999/100 EC directive
(lit./100 km): urban 7.5
extra-urban 4.9 - mixed 5.9
CO₂ emissions: 139 g/km

1.4 77 bhp

Displacement: 1910 cc
Ecology level: Euro 4
Max power output - EC:
95 kW (130 bhp) at 4000 rpm
Peak torque - EC:
280 Nm (28.5 kgm) at 2000 rpm
Gearbox, no. of speeds: 6 + reverse
Top speed: 200 km/h
Acceleration 0 to 100 km/h:
9.5 seconds
Fuel consumption - 1999/100 EC directive
(lit./100 km): urban 7.8
extra-urban 4.7 - mixed 5.6
CO₂ emissions: 149 g/km

Protected.

To understand why the Grande Punto range has been awarded 5 EuroNCAP stars, just take a look at its equipment.

Active safety with ABS + EBD and standard ESP.

This device, developed in cooperation with Bosch, integrates ASR/MSR/HBA and Hill Holder, the system that facilitates hill starts. Passive safety with two double-stage front airbags, side airbags and curtain airbags, energy-absorbing deformable body, anti-whiplash front seats and seat belts with pre-tensioner and load limiter.

Choose to be particular.

One of the major innovations of the Grande Punto are the burnished lighting clusters that give a more aggressive look to the Sportlife line.

'Would you like an even more aggressive Grande Punto? Then choose the new sporting kit which includes front and rear dam, sideskirts and rear spoiler'.

- 1 Chrome-plated oval exhaust tips.
- 2 Chrome-plated rubbing strip on rear hatch and rounded chromium exhaust tip.
- 3 Armrest with storage compartment
- 4 Grande Punto logo on carbon-look facia.
- 5 Sports type instrumentation.
- 6 Window handle chrome-plated cover.
- 7 Front grills turbo T-JET engine.
- 8 Aluminium sporting type pedal cover
- 9 Fragrance dispenser.
- 10 Chrome-plated kick plate and mats with new Punto logo.
