# **RANGER FX4 MAX**

# WORK HARD, PLAY ROUGH

Introducing the Ranger FX4 MAX

The off-road tuned front and rear suspension comes with increased travel and overall ride height, this suspension has been crafted to soak up punishing impacts and smooth out bumps and ruts with ease, while still providing comfortable on-road driving.

### **Off-Road Side-Steps**

Featuring a non-slip finish, providing off-road styling and functionality without sacrificing FX4 MAX's 256mm ground clearance.

### BFGoodrich® All-Terrain Tyres with 17" Alloy Wheels

These tyres boast a precise tread pattern and tougher side walls than standard factory tyres. Combine that with the newly designed 17" Bolder Grey alloy wheels, featuring a +42mm offset for 26mm increase in wheel track width for greater stability in unforgiving terrain.

### FORD Grille and Sports Bar

The F-O-R-D grille and long-legged tubular sports bar create an athletic profile that demands a second look. The sports bar also features a high-level lamp so you can access the load box whenever and wherever you go.

# **Upfitter Auxiliary Switch Pack**

Ranger FX4 Max's upgraded 250A alternator is matched to an upfitter auxiliary switch pack allowing you to control your aftermarket accessories from the comfort of the driver's seat.

**FX4 MAX Embroidered Seats** 

Going off grid has never been this comfortable with Ranger FX4 MAX's unique embroidered leather accented seats with Miko suede inserts, contrast stitching and carbon-look accents.

### 2021.25MY Ranger FX4 MAX Specifications Visit ford.com.au for full details.

Body Type	
Double Cab Pick-Up	
Drivetrains	
4x4	
Bi-Turbo Diesel Engine	
Engine Type	Inline 4 Cylinder
Engine Size (cm³)	1996
Maximum Power	157kW @ 3750rpm
Maximum Torque	500Nm @ 1750-2000rpm
Fuel Management System	Turbocharged direct common rail injection
Combined Fuel Economy (L/100km) <sup>1.</sup> (Auto)	8.0
CO² Emissions (g/km)¹ (Auto)	210
Fuel Tank Capacity (L)	80
Fuel Type	Diesel
Transmission	10 Speed Auto
