

# ESCAPE Ford

Go Further

# EFFORTLESS CONNECTION

Enhance the everyday with the reimagined Ford Escape. With an Embedded Modem paired with the FordPass App, remote features make life easier than ever. The All-New, European-styled Escape – including ST-Line, Vignale and Ford's first-ever Plug-In Hybrid available from 2022 – is designed for experience and built for connection.

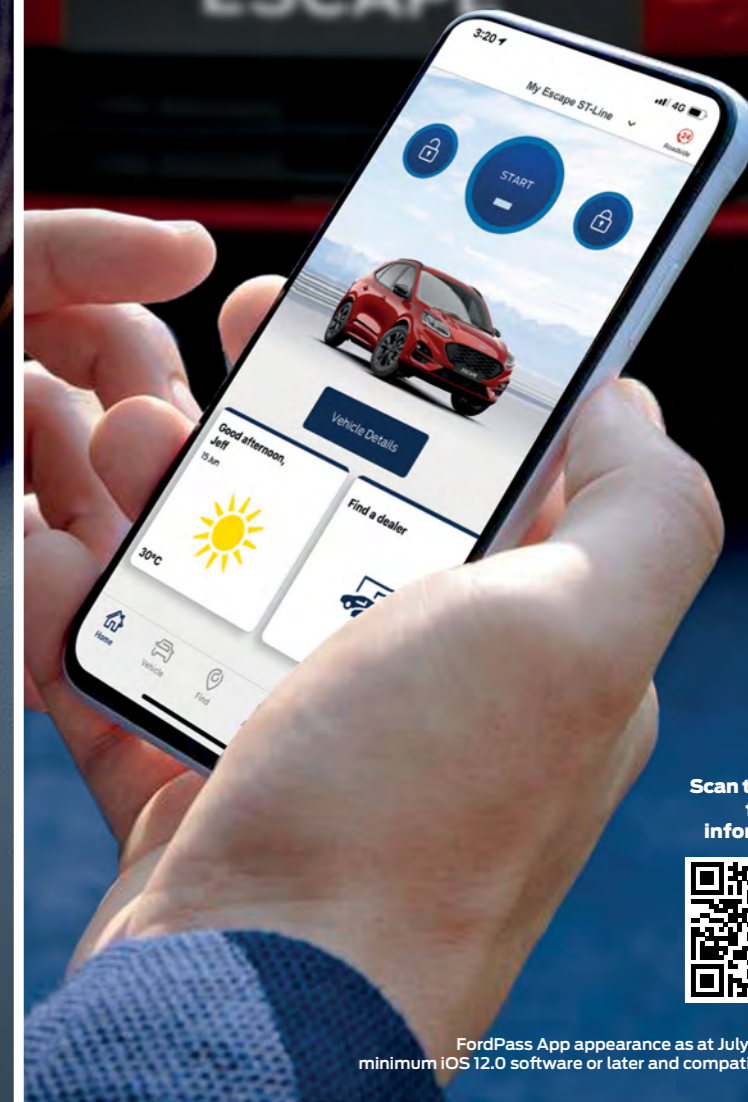

ST-Line model shown.

# WELCOME TO THE WORLD OF FORD CONNECTIVITY

Every Escape will arrive fitted with an embedded modem. Using the FordPass App on your mobile device<sup>9</sup>, you can locate your vehicle<sup>10</sup>, lock and unlock the doors, and even start the engine remotely to heat or cool the cabin to the last known setting<sup>11</sup>.

Scan this code for more information.

FordPass App appearance as at July 2020 with minimum iOS 12.0 software or later and compatible device.

## THE ACCESSORY TO ADVENTURE

Sleek and spacious, the All-New Ford Escape is an SUV built for adventure. Adaptive cruise control Stop & Go<sup>1,2</sup> helps tackle long distances with ease, while SYNC<sup>3</sup> infotainment system<sup>3</sup> and wireless charging for your compatible device keeps you connected to what matters back home. With FordPass Connect, your Escape can help you avoid traffic with live traffic updates.<sup>4</sup> Powerful and energy efficient, the Escape takes you as far as the road will go. Access more of the every day.

### The World At Your Fingertips

Sophisticated and intuitive, the SYNC<sup>3</sup> Infotainment System<sup>3</sup> ensures you remain safely connected while you drive. Use voice commands to find your nearest restaurant, make hands-free phone calls and listen to text messages. Seamlessly integrate your compatible smartphone through Apple CarPlay, Android Auto™ or Applink<sup>®</sup> for hands-free control of your favourite apps.<sup>5,6</sup>

### Technology with Purpose

Replacing the conventional shifter is an Electronic Shifter. This slim design offers a sleeker interior and makes accessing the console and controls easier than ever. Plus, the sharp new 12.3-inch digital cluster on Escape ST-Line and Vignale enables you to display the features that suit you best while you are driving. It may even help reduce driver distraction by showing only the information you need.

### 2.0L EcoBoost

183 kW @ 5,700 RPM  
Fuel Efficiency 8.6 (L/100km)<sup>7</sup>

### PLUG-IN Hybrid<sup>8</sup>

167 kW @ 6,250 RPM  
Fuel Efficiency 1.5 (L/100km)<sup>7</sup>

### Notes

Notes

### Wireless Charging

The interior of the Escape is designed to maximise space and convenience. Hassle-free wireless charging is available for compatible smartphones so you won't have to remember your phone charger cord again.

### Adaptive Cruise Control with Stop & Go

Long distances made easy with Escape. Set your cruising speed and automatically maintain a fixed distance from the vehicle in front with the press of a button. Sensors scan the road ahead, if they sense that traffic slows, so does the Escape. Once the traffic clears, it returns to your pre-set speed.<sup>1,2</sup> Enjoy the journey.

### Hands-Free Power Tailgate

No more rummaging for your keys, hands-free power tailgate<sup>12</sup> makes access to your Escape load compartment easy, even when your hands are full. Kick your foot under the rear bumper and the hands-free power tailgate<sup>12</sup> opens and closes automatically.

### Sliding Rear Seats

The All-New Escape is designed to be ready for anything. A dynamic new interior design gives you ultimate freedom and adapts to every journey. Need more boot-space for a big trip or prefer the luxury of extra legroom in the back? Flexible rear seating slides forward or backward to suit your needs, so you can focus on where you're going rather than what you'll need to leave behind.

### Premium Sound System (B&O PLAY)

Whatever your taste in music, it deserves to sound as the artist intended. The advanced 10-speaker, 575-watt set-up has been specifically developed and fine-tuned for your Escape ST-Line Plug-In Hybrid<sup>®</sup> & Escape Vignale by specialist B&O sound engineers. So, turn it up and enjoy your favourite bands and songs in the concert hall that is your car's cabin.

### Power To Do More

Powerful and capable, the 2.0L EcoBoost<sup>™</sup> petrol engine provides up to 183 kW of power and 387 Nm of torque. It's got the extra power and ability whenever you need it, whether you're moving house or travelling with a small boat. The Escape 2.0L EcoBoost<sup>™</sup> petrol engine can tow up to 1800kg<sup>13</sup>.

### Plug-In Hybrid, The Best of Both Worlds

Available from 2022, the All-New Escape Plug-in Hybrid uses two sources of power to get you there more efficiently. For longer journeys, the conventional combustion engine ensures you can go as far as you need to, using power split technology to help recharge the Hybrid battery as you drive. While energy captured through regenerative braking also helps to extend your electric range.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. 2. ACC has a minimum operating speed of 30km/h. The Stop & Go functionality of this system operates as low as 0km/h in traffic jam situations. 3. Not all SYNC<sup>3</sup> and SYNC<sup>3</sup> features are compatible with all phones. For compatibility, see [ford.com.au/sync](http://ford.com.au/sync). 4. Live traffic updates included with FordPass Connect for three years, commencing on the Ford Express New Vehicle Warranty start date. 5. Bluetooth<sup>®</sup> is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 6. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android<sup>™</sup> (as applicable), active data service, and connection cable (sold separately). SYNC<sup>3</sup> does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink<sup>®</sup> is available on selected SYNC<sup>3</sup> models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 7. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 8. Escape ST-Line Plug-In Hybrid is available from 2022. 9. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on [ford.com.au/fordpass](http://ford.com.au/fordpass) and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. 10. Vehicle Locator only available when Vehicle Location setting is on. 11. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. 12. Hands-Free Power Tailgate is standard on Escape Vignale and available as an option at additional cost on Ford Escape and ST-Line. 13. Maximum braked towing capacity when fitted with a genuine Ford Tow Pack. Subject to State and Territory regulations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owner's Manual for guidance. 14. Traffic Message Channel is currently provided through an arrangement with Intellematics Australia Pty Ltd (Intellematics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Intellematics cease for any reason. 15. AEB with Pedestrian and Cyclist Detection operates at speeds between 5km/h and 80km/h. 16. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off.

1. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles delivered from 1 May 2018. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees. 2. Available at participating Ford Dealers on 2019MY Endura onwards, 2019MY Focus onwards, 2019.75MY Ranger onwards, 2019.75MY Everest onwards, 2020MY Mustang onwards, 2020.25MY Fiesta ST onwards, 2020.25MY Focus ST onwards, 2020.75MY Escape onwards and 2020.75MY PUMA onwards vehicles first purchased by a Private or Blue Fleet customer or as a dealer demonstrator/service loaner (CCLV) vehicle excluding vehicles purchased under Ford's Privilege Club or Ford's Dealership Employee Program. Offer valid for 4 years or 60,000km (whichever occurs first) commencing on the date of delivery to original owner except for demonstrator/service loaner (CCLV) vehicles, in which case it commences on the date it was first registered by a Ford Dealer. A or B Scheduled Service Items (and Additional Scheduled Maintenance Items which are not included) are set out in the Customer Assistance and Warranty Guide with the vehicle. See HYPERLINK "<http://www.ford.com.au/service/t-and-c>" [www.ford.com.au/service/t-and-c](http://www.ford.com.au/service/t-and-c) for full terms. 3. Available at participating Dealers. See [www.ford.com.au/owners/service/](http://www.ford.com.au/owners/service/) for full terms and conditions.

This brochure details specifications and features of the 2021.25MY Escape onwards Range. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire 2021.25MY Escape onwards Range. Please visit our website [www.ford.com.au](http://www.ford.com.au) for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and Illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
