

FOCUS *Ford*

Go Further

DRIVE IT YOUR WAY

Whether it's a morning surf, the daily coffee run or a night on the city streets, Focus Active is the key to an active lifestyle. It's the perfect accomplice from dusk 'til dawn. Swift and sporty, there's a Focus in the range for everyone. Just get in and go.

Focus Active shown in Moondust Silver

FEEL THE ST-LINE POWER

The Focus ST-Line has been fine-tuned with sports suspension for increased responsiveness on the road. Dynamic to drive and spacious inside, the Focus range puts the fun back in driving.

Focus ST-line shown in Desert Island Blue

WELCOME TO THE WORLD OF FORD CONNECTIVITY

Every 2021MY Focus comes fitted with an embedded modem known as FordPass Connect. Using the FordPass app on your smartphone¹⁵, you can locate the vehicle, lock and unlock the doors, and even start the engine remotely to heat or cool the cabin to the last known setting¹⁶.

MOVE LIKE YOU MEAN IT

Whether it's the ST-Line Hatch or Active, the Ford Focus is more than just a small car. It's a dynamic, agile and powerful companion ready to unleash every ambition. Redesigned from the ground up, this sophisticated car was made with one person in mind. You. The Ford Focus is ready to get you moving like you mean it.

Plenty Of Oomph

With 134kW³ of power and 240Nm³ of torque the 1.5L EcoBoost Petrol engine⁴ is the perfect balance of efficiency and performance. And it's smart too. On highway driving when torque demand is low, the Focus can de-activate one cylinder for greater fuel economy.

Drive It Your Way

Dynamic and highly responsive, the Ford Focus' 8-Speed transmission delivers rapid shifting for effortless acceleration. And, for the ST model only, paddle shifters on the steering wheel give you complete fingertip control.

Rotary e-Shifter

Just a quick twist and you're in gear. Replacing the standard gearstick, all Focus models feature an advanced rotary dial that simplifies the cabin space and creates a more sophisticated interior.

Selectable Drive Modes

Change driving modes to suit your road, or your mood. Choose from Normal, Eco or Sport drive modes and the system will adjust steering feel and gear shift behaviour.

Notes

Stay Focused

The Focus' 180-degree split view camera gives you incredible awareness of your surroundings. You'll be able to spot hazards that can't be seen over your shoulder or in the mirrors.

No Strings Attached

No need for cables thanks to the sophisticated Wireless Charging Pad. Charge your compatible device just by placing it on the pad.

Pre-Collision Assist with Pedestrian and Cyclist Detection²

The Forward Collision Warning will alert you if it predicts an accident. If you don't react the Autonomous Emergency Braking (AEB) system and Dynamic Brake Support will automatically apply the brakes to help avoid or mitigate a collision.

Overseas model shown

Light The Way

The Dynamic LED headlights use camera technology to pre-emptively alter light patterns, helping illuminate corners before you enter them. While the glare-free high beams adjust automatically to avoid dazzling other drivers.

Adaptive Cruise Control with Stop & Go and Lane Centering

Cruise on the freeway with ease. Adaptive Cruise Control with Stop & Go is designed to not only adjust your cruising speed but can also stop and relaunch the engine if traffic slows to a standstill. What's more, when engaged, Lane Centering is designed to provide active steering assistance, by following road markings, to help keep you centered in your lane.²

Speak Up

It's all in the power of the voice. With Apple CarPlay and Android Auto you'll be able to control music, hear text messages and find your nearest restaurant, all with voice commands!¹ Plus, the SYNC[®]3 system allows you to set and clear directions and view traffic conditions.

Blind-Spot Information

The Blind Spot Information System² uses RADAR sensors to see vehicles that may be hidden in your blind spot. They're situated on either side of your Focus and alert you with an orange light, clearly displayed in the side mirror door.

1. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC[®] does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink[®] is available on selected SYNC[®] models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 2. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 3. Performance data measured using 95RON fuel. 4. The 1.5L EcoBoost must be filled with 95RON (or E10) as a minimum. 5. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 6. Roof Rails are not available on Active when the optional Panorama Roof is ordered. 7. Bluetooth[®] is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 8. Traffic Message Channel is currently provided through an arrangement with Intellematics Australia Pty Ltd (Intellematics). The ongoing provision of this feature cannot be guaranteed if Ford's arrangements with Intellematics cease for any reason. 9. Not all SYNC[®] and SYNC[®]3 features are compatible with all phones. For compatibility, see ford.com.au/sync. 10. Wireless Charging not compatible with all phones. 11. ACC has a minimum operating speed of 30km/h. The Stop & Go functionality of this system operates as low as 0km/h in traffic jam situations. If vehicle is stopped for more than three seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation. 12. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off. 13. AEB with Pedestrian and Cyclist Detection operates at speeds between 5km/h and 80km/h. 14. Illuminated Vanity Mirror standard on Active model. 15. Use of FordPass is subject to the FordPass Terms and Privacy Policy available in link above and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and the FordPass Connect modem can only work when both are connected to the telecommunications network. Ford cannot guarantee FordPass will be fully operational at all times and the App may be unavailable or particular services interrupted. Ford is not responsible for any limitations of the telecommunications network or your mobile device. 16. Remote Vehicle Start and Stop on Automatic variants only. Use responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. Vehicle Locator only available when Vehicle Location setting is on.

FORD SERVICE BENEFITS

Our Commitment to You | Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Ford For Good

From supporting national causes to community volunteering, we take our social responsibility seriously. Find out more at ford.com.au/about/community

1. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles delivered from 1 May 2018. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees. 2. Available at participating Ford Dealers on 2019MY Endura onwards, 2019MY Focus onwards, 2019.75MY Ranger onwards, 2019.75MY Everest onwards, 2020MY Mustang onwards, 2020.25MY Fiesta ST onwards and 2020.25MY Focus ST onwards vehicles first purchased by a Private or Blue Fleet customer or as a dealer demonstrator/service loaner (CCLV) vehicle excluding vehicles purchased under Ford's Privilege Club or Ford's Dealership Employee Program. Offer valid for 4 years or 60,000km (whichever occurs first) commencing on the date of delivery to original owner except for demonstrator/service loaner (CCLV) vehicles, in which case it commences on the date it was first registered by a Ford Dealer. A or B Scheduled Service Items (and Additional Scheduled Maintenance Items which are not included) are set out in the Customer Assistance and Warranty Guide with the vehicle. See www.ford.com.au/service/t-and-c for full terms. 3. Available at participating Dealers. See www.ford.com.au/owners/service/ for full terms and conditions.

This brochure details specifications and features of the MY2021 Focus onwards Range. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire MY2021 Focus onwards Range. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
