## Welcome to the world of Ford connectivity

Every vehicle in the Transit Commercial Range will arrive fitted with an embedded modem known as FordPass Connect. Using the FordPass App on your smartphone<sup>17</sup>, you can locate your vehicle, lock and unlock the doors, and even start the engine remotely to heat or cool the cabin to the last known setting.<sup>18</sup>

Scan to find out more about **FordPass**

FordPass App appearance as at May 2021 with minimum iOS 13.0 software or later and compatible device.

# The van that can

Delivering bold design, the versatility to take on tight streets and enough load space to keep your business moving, the Transit Commercial range is built tough. The advanced 2.0L EcoBlue diesel engine delivers an impressive 125kW of power and 390Nm of torque in Transit Custom, Van, Bus & Cab Chassis models, and up to 136kW and 405Nm in Transit Custom Sport models. Along with the latest smart technology, every Transit Commercial Vehicle is powerful, capable and intelligent, ready to become your next mobile office.

## Advanced safety

### Adaptive Cruise Control<sup>13</sup>

Adjusts to the flow of traffic, slowing down when it senses a vehicle in front and returning to your pre-set speed once it clears.

### Autonomous Emergency Braking (AEB) with Pedestrian Detection<sup>13</sup>

Detects if the car in front stops unexpectedly, or a pedestrian steps onto the road, and can automatically apply the brakes if you don't.

### Lane Keeping Aid with Lane Departure Warning<sup>13</sup>

Monitors road markings to detect if you unintentionally move out of your lane, and vibrates your steering wheel to warn you.

### Auto Wipers / Headlights (inc. High Beam)<sup>13</sup>

Automatically turns high beams on and off depending on light levels and surrounding vehicles. Auto Wipers automatically turn on and adjust speed, depending on how heavy the rain is.

### Reverse Camera & Rear Cross Traffic Alert<sup>13, 15</sup>

Park with confidence. When reversing, Rear Cross Traffic Alert can detect approaching vehicles, or other hazards, and warn you.

### Blind Spot Information System (BLIS)<sup>13, 15</sup>

If another vehicle enters your blind spot, the system activates a warning indicator light in the side mirror.

### Tyre Pressure Monitoring System (TPMS)<sup>16</sup>

Available on Transit Custom Sport models, it will notify you if one of your tyres is significantly under-inflated.

### MyKey™

Program restricted driving mode settings (like top speeds) into your keys, encouraging responsible driving for those who may use the van.

## Peace of mind inside and out

### Six airbags standard

Every Transit has airbags positioned at the front, on both sides and at the head to protect the driver and front passengers.

### Room for the whole crew

With up to 6 seats available on the 340L Custom Double Cab and 7 seats on the Double Cab Chassis, Transit is the perfect solution for moving crew and cargo.

## Colour Range

### 100+ Special Vehicle Option (SVO) Paint options\*

## Notes

\* Prestige Paint is an option that incurs an additional charge. SVO Paint not available on Transit Custom Sport models.

### SYNC® 3 with Apple CarPlay™ Android Auto™<sup>1, 2</sup>.

Our fully integrated Sync® 3 system seamlessly connects compatible smartphones so you never miss a beat. Get to your next worksite with the optional Satellite Navigation system,<sup>3</sup> make hands free calls and listen to text messages.

### Transit Custom Sport

Delivering an upgraded 136kW/405Nm of torque, Transit Sport comes with 17" machine alloy wheels, sports body kit and unique stripes. Driver comfort is enhanced with partial leather seat trims, 8" touch screen & standard satellite navigation.

### Advanced EcoBlue Diesel Engine with optional Auto Transmissions<sup>4</sup>.

The high performance EcoBlue diesel engine is now available with 6-speed auto across the Transit Custom range and 10-speed auto for Transit Van, Bus and Cab Chassis models. Plus, save time and money with the 30,000km/12mth interval between services.

### Flexible cargo space and Load Area Protection<sup>5</sup>.

Transit maximises space and practicality, with up to 3.4m load length<sup>6</sup> in Transit Custom and up to 4.2m<sup>7</sup> in Transit Van. Protect cargo with a fixed bulkhead, sealed load floor, hardboard lining and multiple tie-down hooks.

### High roof

Sometimes you just need some extra height. With an optional high roof available for Transit Custom and Transit Van, expand your max cargo volume up to 8.3m<sup>8</sup> and up to 15.1m<sup>9</sup> respectively so you'll never need to compromise.

### Rear liftgate door and dual side load doors<sup>9</sup>.

All Transit vans come standard with barn doors, with the option of a rear liftgate door to let you load and unload even in the rain. And cargo is easily accessed from both sides with versatile dual side load doors!<sup>10</sup>

### Impressive towing ability

With up to 2,800kg<sup>11</sup> maximum towing capacity on Transit Custom and up to 3,500kg<sup>12</sup> on Transit Van and Cab Chassis models, every model includes impressive safety features like Trailer Sway Control, Side Wind Stabilisation and Load Adaptive Control.<sup>13</sup>

### Integrated Roof Racks<sup>14</sup>.

The Transit Custom's Integrated Roof Racks fold flat to give you increased vehicle height clearance, and reduce wind noise and fuel consumption when not in use. Lightweight and aerodynamic, the sturdy roof base allows you to carry a range of loads easily.

### Transit Bus

The 410L Transit Bus comes with 12-seats, a versatile 10-speed automatic transmission and a power-operated left-hand side loading door. The optional high roof comes with overhead storage and LED reading lamps for your passengers.

# Ford Service Benefits

## Our commitment to you

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your vehicle serviced. Feel at ease knowing that your vehicle is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do. Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience – **Now that's what service should be.**

GENERAL TIRE

1. Available at participating Dealers. See [www.ford.com.au/owners/service/](http://www.ford.com.au/owners/service/) for full terms and conditions. 2. Available at participating Ford Dealers on 2021.25MY Transit onwards and 2021.25MY Transit Custom onwards vehicles first purchased by a Private or Blue Fleet customer or as a dealer demonstrator/service loaner (CCLV) vehicle excluding vehicles purchased under Ford's Privilege Club or Ford's Dealership Employee Program. Offer valid for a maximum of four A or B scheduled services up to 4 years/120,000kms (whichever occurs first) excluding any Additional Service Items, as per the Customer Assistance Warranty and Service Guide, commencing on the date of delivery to original owner except for demonstrator/service loaner (CCLV) vehicles, in which case it commences on the date it was first registered by a Ford Dealer. A or B Scheduled Service items (and Additional Scheduled Maintenance Items) are set out in the Customer Assistance and Warranty Guide with the vehicle. See [www.ford.com.au/owners/service/t-and-c](http://www.ford.com.au/owners/service/t-and-c) for full terms and conditions. 3. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicle Warranty applies to new, demonstrator and service loaner vehicles delivered from 1 May 2018. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees.

This brochure details specifications and features of the 2021.75MY Transit Range. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire 2021.75MY Transit Range. Please visit our website [www.ford.com.au](http://www.ford.com.au) for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Image and illustrations are for information purposes and are indicative only. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.

# TRANSIT CUSTOM

2021.75MY Transit Custom

## Van load capacity and payload

## Double Cab-in-van load capacity and payload

## Transit Custom Dimensions & Weights

Measurements Dimensions (mm)	Transit Custom 340S SWB	Transit Custom Sport 320S SWB	Transit Custom 340L LWB	Transit Custom Sport 320L LWB DCiV	Transit Custom 340L LWB DCiV
A. Overall Length	4,973	4,973	5,340	5,340	5,340
B. Overall Width With Mirrors	2,272	2,272	2,272	2,272	2,272
C. Overall Height (Low Roof / High Roof)*	1,925 - 2,060 / 2,286 - 2,366	1,925 - 2,060 / -	1,922 - 2,039 / 2,285 - 2,343	1,922 - 2,039 / -	1,922 - 2,039 / -
D. Wheelbase	2,933	2,933	3,300	3,300	3,300
E. Front Of Vehicle To Front Wheel Centre	1,012	1,012	1,012	1,012	1,012
F. Rear Of Vehicle To Rear Wheel Centre	1,028	1,028	1,028	1,028	1,028
G. Side Door Entry Width	1,030	1,030	1,030	930	930

\* Height dimensions show a range from min. to max. of a fully laden, lowest payload vehicle to unladen highest payload vehicle. These illustrations are for guidance only. All dimensions (shown in mm) are subject to manufacturing tolerances and do not include additional equipment. VDA - This is the method used by the Verband der Automobilindustrie (VDA) in Germany. A VAD figure is determined by filling the load space with 'litre' blocks, each measuring 200x100x50mm. The blocks are then counted, and the numerical result is converted into cubic meters. The actual weight will always be subject to manufacturing tolerances which may result in payload variations between this guide and actual weight. If intending to load the vehicle close to the maximum payload, we suggest a margin of 5% to Kerb Mass figure to reduce risk of overloading.

Maximum Load Volume (with Bulkhead) (cu.m) (Mid Roof / High Roof)	11.0 / 12.4	11.5 / 13.0	- / 15.1	- / 15.1	- / 15.1
Euro Pallet Capacity (1,200mm x 800mm)	4	4	5	5	5

\* Height dimensions show a range from min. to max. of a fully laden, lowest payload vehicle to unladen highest payload vehicle. These illustrations are for guidance only. All dimensions (shown in mm) are subject to manufacturing tolerances and do not include additional equipment. **SRW** - Single Rear Wheel. **DRW** - Dual Rear Wheel. **VDA** - This is the method used by the Verband der Automobilindustrie (VDA) in Germany. A VAD figure is determined by filling the load space with 'litre' blocks, each measuring 200x100x50mm. The blocks are then counted, and the numerical result is converted into cubic meters. The actual weight will always be subject to manufacturing tolerances which may result in payload variations between this guide and actual weight. If intending to load the vehicle close to the maximum payload, we suggest a margin of 5% to Kerb Mass figure to reduce risk of overloading.

3. Apple/CarPlay™/Android Auto™ requires phone with compatible version of Apple ios/ Android™ (as applicable), active data service, and connection cable (sold separately). Sync® does not control Apple CarPlay™/Android Auto™ while in use. Apple/Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay™, Apple Maps, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected Sync® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 4. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on ford.com.au/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass Connect Modem and FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. 5. Not all SYNC® features are compatible with all phones. For compatibility, see www.ford.com.au/sync. 6. Regular Production Options are optional and available at additional cost.

2022MY Transit Bus

## Transit Bus Dimensions & Weights

Measurements Dimensions (mm)	Transit Bus 410L RWD 12-SEAT
A. Overall Length	5,981
B. Overall Width With Mirrors	2,474
C. Overall Height (Mid Roof / High Roof)*	2,438 - 2,528 / 2,677 - 2,764
D. Wheelbase	3,750
E. Front Of Vehicle To Front Wheel Centre	1,023
F. Rear Of Vehicle To Rear Wheel Centre	1,208
G. Side Door Entry Width	1,200
H. Side Load Door Entry Height	1,564
I. Rear Door Entry Width	1,520
J. Rear Door Entry Height (Mid Roof / High Roof)	1,597 / 1,836
K. Space between wheel arches	1364
Measurements Weights & Loads (kg) (3 seats)	
Payload (Mid Roof / High Roof)	1,253 / 1,208
Gross Vehicle Mass	4,100
Maximum Kerb Weight (Mid Roof / High Roof)	2,844 / 2,889
Gross Combined Mass	6,100
Front / Rear Axle Plated Mass	1,850 / 2,500
Maximum Braked Towing Capacity**	2,500

SRW - Single Rear Wheel. DRW - Dual Rear Wheel.

\* Height dimensions show a range from min. to max. of a fully laden, lowest payload vehicle to unladen highest payload vehicle. These illustrations are for guidance only. All dimensions (shown in mm) are subject to manufacturing tolerances and do not include additional equipment. The actual weight will always be subject to manufacturing tolerances which may result in payload variations between this guide and actual weight. If intending to load the vehicle close to the maximum payload, we suggest a margin of 5% to Kerb Mass figure to reduce risk of overloading. \*\* When fitted with appropriate after-market tow bar and trailer brake controller. Towing capacity subject to regulatory requirements, towbar and vehicle design and towing equipment limitations. Further weight restrictions apply, please consult your authorised Ford Dealer and/or refer to the Owners Manual for guidance.
