

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future — moving us to a world that’s safer, more sustainable, and exciting.

ARIYA®

2023

^{1e}e-4ORCE cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ²ⁱInformation displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ^{3a}Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. ⁴Nissan is currently not accepting new orders for the Nissan ARIYA — subject to change. Pre-production model shown. Actual production model may vary. ⁵Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁶Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁷Actual route at time of departure may vary due to battery level at trip departure, changes in traffic, etc. that could affect the original trip plan. ⁸Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Horn feature in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates and data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ⁹Availability may vary. NissanConnect Services subscription may be required. Always read and follow Instructions for safe update procedures. You may contact Nissan at 1-800-333-0207 for assistance with software updates. You may also visit your local Nissan dealer, dealership charges may apply. ¹⁰Available feature. ¹¹Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other external device not included. ¹²Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ¹³Information displayed is dependent on how vehicle is equipped. Do not use for extended periods of time. See Owner's Manual for important safety information. ¹⁴ProPILOT Assist and ProPILOT Assist with Nav-Link can't prevent collisions. Driver at all times responsible to maintain safety by monitoring traffic, controlling vehicle, and if needed steer, brake or accelerate. System works only when lane markings detected and does not function in all weather, traffic, and road conditions. See Owner's Manual for safety information. ¹⁵ProPILOT Park is not a substitute for driver's attention to the immediate surroundings. See Owner's Manual for safety information. ¹⁶240-V home charging dock sold separately. Not a Nissan product. Some chargers may not be compatible with your ARIYA. Contact charger manufacturer before purchase for information on compatibility and warranty. Nissan does not warrant and is not responsible for loss, including consequential, incidental, or other damages caused by charger defects, charger incompatibility, or installation services. ¹⁷Charging time and capacity may vary based on battery temperature. ¹⁸Public charging networks are provided by independent companies and are not within Nissan's control. Availability of charging stations not guaranteed. ¹⁹Extra cost option. ²⁰Leather appointments. ²¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ²²Whichever occurs first. ²³2023 MY EPA-estimated range up to 490 km for combined city/highway driving for VENTURE+ FWD. 2023 MY EPA-estimated range up to 465 km for combined city/highway driving for EVOLVE+ FWD. 2023 MY EPA-estimated range up to 348 km for combined city/highway driving for ENGAGE FWD. 2023 MY EPA Fuel Economy Estimates 21 Le/100 km City, 25 Le/100 km Highway for VENTURE+ FWD. Based on EPA formula of 8.9kWh equal to 1 litre of gasoline energy, EPA rated VENTURE+ FWD equivalent to 21 Le/100 km measured as gasoline fuel efficiency in city driving, and 25 Le/100 km in highway driving. 2023 MY EPA Fuel Economy Estimates 22 Le/100 km City, 26 Le/100 km Highway for EVOLVE+ FWD. Based on EPA formula of 8.9kWh equal to 1 litre of gasoline energy, EPA rated EVOLVE+ FWD equivalent to 22 Le/100 km measured as gasoline fuel efficiency in city driving, and 26 Le/100 km in highway driving. 2023 MY EPA Fuel Economy Estimates 22 Le/100 km City, 25 Le/100 km Highway for ENGAGE FWD. Based on EPA formula of 8.9kWh equal to 1 litre of gasoline energy, EPA rated ENGAGE FWD equivalent to 22 Le/100 km measured as gasoline fuel efficiency in city driving, and 25 Le/100 km in highway driving. Actual mileage will vary with trim levels, options, and driving conditions. See Customer Disclosure Form for details. Use for comparison only. ²⁴Preliminary Nissan-estimated combined city/highway driving range up to 330 km for EVOLVE e-4ORCE AWD. Preliminary Nissan-estimated combined city/highway driving range up to 426 km for PLATINUM e-4ORCE AWD & PREMIERE e-4ORCE AWD. Based on Nissan internal simulation results, subject to EPA confirmation. Actual mileage will vary with trim levels, options, and driving conditions. Use for comparison only. ²⁵Nissan calculation using 1-ft rollout testing with long-range battery and e-4ORCE only in Sport Mode and with e-Step off. Actual acceleration may vary. These results are for comparison only and should not be attempted on public roads. ²⁶Nissan advanced safety technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. ²⁷Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ²⁸Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ²⁹Use only when parked in a safe location. Compatible device required. Message and data rates may apply. ³⁰Intelligent Rear View Mirror may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ³¹Use only a 110-120 volt, 15-amp dedicated outlet for charging. ³²e-Step does not bring the vehicle to a complete stop. Monitor traffic conditions and use conventional brake as needed. See Owner's Manual for safety information. ³³Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³⁴Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³⁵Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ³⁶Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³⁷Intelligent Lane Intervention only operates when lane markings are detectable. See Owner's Manual for safety information. ³⁸Intelligent Blind Spot Intervention cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ³⁹Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ⁴⁰Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁴¹Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ⁴²Traffic Sign Recognition (TSR) may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. ⁴³Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ⁴⁴Does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. ⁴⁵Available feature shown. Compatible device and service required. Cloud-based service provided by Amazon Alexa Automotive services. Subject to third party service availability. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. ⁴⁶XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ⁴⁷2022 Sirius XM Canada Inc. The Sirius® XM® and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ⁴⁸Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. ⁴⁹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ⁵⁰Vehicle must be on for the Easy-Fill Tire Alert to operate. ⁵¹Up to 680 kg (1500 lbs) maximum towing for 2023 ARIYA. Towing varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. Cargo and load capacity limited by weight and distribution. Always secure cargo. ⁵²2022 Amazon.com, Inc. or its affiliates. Electrify your life

Experience a new force of wonder. Drive smoothly, quietly, and sustainably with thrilling e-4ORCE™ AWD electric power on tap. Swipe the massive dual displays, touch the haptic feedback controls, or control ARIYA® with your voice. Sit back, relax, and let ARIYA assist you through stop-and-go traffic or into your next parking space. This is what it's like to live electric.^{1,2,3,4,5}

A PREMIERE worth the red carpet

A vehicle this extraordinary deserves special treatment. The ARIYA PREMIERE edition takes an already exceptional design and gives it an even more distinctive look inside and out. From eye-catching bronze 19" wheels to luxurious Nappa leather-appointed seats and exclusive PREMIERE badging – this is one EV that feels right at home in the spotlight.

- 19" Wheels with desaturated bronze-coloured aero covers
- Nappa leather-appointed seats
- Exclusive PREMIERE badging
- Illuminated kick plates
- PREMIERE floor mats

ARIYA® is designed to stun the world

Sleek, aerodynamic lines and a timeless design move ARIYA beyond the confines of a conventional SUV. The Japanese Kumiko style of woodwork inspires ARIYA's front grille, signature light blades, and taillights. This crafted detail also extends into the door panel, digital display, and floor lantern below – intimately interconnecting the exterior to the interior. A stunning experience no matter how you view it.²

Technology that plugs into your senses

Chances are, you've never experienced anything quite like ARIYA.® Instead of traditional buttons, you'll find dazzling illuminated controls that react with haptic feedback when pressed. The integrated display interface features dual 312 mm (12.3") widescreens that are breathtaking to see and simple to use. Communication is seamless, thanks to next-generation voice control. And with Intelligent Route Planner, you can stay on course and on schedule.^{2,5,6,7,8}

- Haptic touch controls
- Integrated display interface²
- Voice control⁶
- Firmware Over-the-Air Updates⁹
- Wireless charging^{10,11}
- Wireless Apple CarPlay® integration⁸

U.S. instrumentation shown.

Wireless Apple CarPlay® integration Equipped with Siri® voice control, wireless Apple CarPlay® brings your contacts, favourite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your ARIYA.^{6,8,11,12}

Advanced Head-Up Display The advanced Head-Up Display projects vital details onto the windshield, merging entertainment and information like never before.^{10,13}

Gravity has finally met its match

Electrify every adventure. A dual-motor, e-4ORCE™ All-Wheel Drive system elevates traction and stability beyond weather. By monitoring energy output and braking response at each wheel, e-4ORCE can produce high-precision control. The kind that can help tame snow-covered roads and wet or icy surfaces.^{1,4,10}

Movement is effortless. Power, seemingly limitless. Press the accelerator, and e-4ORCE responds astonishingly, propelling ARIYA® up to speed with remarkable force and poise. Need to get through a storm? e-4ORCE precisely meters out power to each of its wheels, individually, so you can navigate slippery roads with more confidence.^{1,4,10}

e-4ORCE

NISSAN
INTELLIGENT
MOBILITY™

With ProPILOT® Assist, you can relax and enjoy the drive

With the push of a button, ProPILOT Assist with Navi-link can automatically help you manage ARIYA's speed and distance, so you can flow with traffic. It can even help keep you centred in your lane. And using highway mapping, if an off-ramp appears, it can help you slow down. Tight parking spot? Push the ProPILOT Park button, and let ARIYA take over and glide right into the spot — whether it's back-in or parallel.^{10,14,15}

Charge at home With a dedicated wall charger, you can plug into the easy life and wave goodbye to the gas pump.^{16,17}

Charge smart Schedule your home charging from your smartphone and choose times when electricity rates are lower. That means you can set charging to start while you sleep, and wake up to an ARIYA 100% ready to go.^{8,16,17}

Charge on the go An ever-expanding public charging network, including fast charge stations, lets you venture out there with confidence.^{17,18}

Intelligent Route Planner This digital tool makes every journey seamless — from syncing the climate control system with your departure time, to giving you the quickest route to your destination and locating fast chargers along the way. This is next-level road-tripping.^{6,7,8,18}

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. Please visit our website [Nissan.ca/finance](https://nissan.ca/finance) to explore all of the options available. We have also made it easy to pre-qualify online. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2023 Nissan is covered by a 3 year/60,000 km²² Comprehensive New Vehicle Warranty, a 5 year/100,000 km²² Powertrain Warranty, an 8 year/130,000 km²² Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus® Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.
