FORD LIGHT TRUCKS AND VANS

1 9 9 7 F O R D LIGHT TRUCKS & VANS

QUALITY THAT STANDS APART

With Ford Quality Care Brand Accessories, you can add your own style to your vehicle – and do it with confidence. Every Ford Quality Care Brand Accessory represents:

- A strong commitment to quality, value and integrity
- Rigorous engineering and safety specifications
- Engineering and design that blends seamlessly with Ford-built vehicles
- One of the best warranties in the business*
- Competitive pricing
- Product availability at vehicle release

In addition, *select* accessories are eligible for residualization when added to a Ford Credit Red Carpet Lease.SM

EASY TO ORDER

All Ford Quality Care Brand Accessories are available through your Ford dealer's parts department.

Each accessory description in this catalog includes the Base Part Number to facilitate ordering and help ensure correct part application.

NOTE: The Product descriptions and specifications in this catalog were in effect at the time of printing. Our policy is one of continuous improvement and we reserve the right to change design or specifications without notice and without incurring obligation.

FORD QUALITY CARE BRAND ACCESSORIES

LIMITED WARRANTY INFORMATION

Ford Motor Company will repair or replace any properly installed Ford Quality Care Brand Accessory found to be defective in factory-supplied material or workmanship during the warranted period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides the greater benefit:

- 12 months or 12,000 miles/20,000 km (whichever occurs first)
- The remainder of your new vehicle limited warranty

This means that Ford Quality Care Brand Accessories purchased along with your new vehicle and installed by your dealer are covered for up to the full length of your new vehicle limited warranty – 3 years or 36,000 miles/60,000 km (whichever occurs first). Contact your dealer for complete warranty coverage information.

** For additional information, see Limited Warranty Information.*

***Ford Quality Care Brand Accessories which are eligible for residualization are designated with an asterisk. For a complete listing of qualified accessories, consult your dealer.*

RANGER

EXPLORER

F-SERIES

EXPEDITION

AEROSTAR

WINDSTAR

ECONOLINE

RIGID CARGO LINER

Available for Explorer

- Conveniently helps protect rear cargo area from wear and tear
- Constructed of high-density polyethylene/rubber blend
- Unique, one-piece design conforms exactly to cargo area contours; offers complete access to existing cargo tie-downs
- Grained, skid-resistant surface helps prevent cargo shifting
- Clips included allow use with seatbacks up or down (2-door models only)
- Rolls into compact package for storage
- **Base Part Numbers: 9811600 (2-door); 7811600 (4-door)**

CARGO NETS

Available for all Ford Light Trucks and Vans (except Econoline)

- Helps keep cargo area neat and organized
- Helps prevent damage to cargo (spilled groceries, etc.)
- Nets stretch easily to fit around bulky items
- Soft braided material won't damage finished surfaces
- Easy to install
- **Base Part Numbers:**
Ranger/F-Series Styleside – 99550A66;
F-Series Flareside – 83550A66;
Explorer/Expedition – 78550A66;
Aerostar – 11550A66;
Windstar – 1655066

CARGO ORGANIZER

Available for Expedition

- Features a removable divider system that permits separation and securing of cargo
- Extra deep liner offers increased protection from accidental spills and cargo sliding
- Easy to install and remove; no tools required
- Quality crafted from premium grade polyethylene
- Lightweight and durable
- **Base Part Number: 115A00**

INTERIOR CARGO LINER

Available for F-150/F-250 (Super Cab only)

- Helps protect rear seat when in folded down position
- Two-piece construction with straps for secure fit
- Heavy-duty polyethylene with textured surface to help reduce cargo shifting
- Easily stored under seat
- **Base Part Number: 18642A94**

SOFT CARGO LINER

Available for Explorer, Expedition and Aerostar

- Helps shield cargo area from wear, soiling and stains
- Explorer cargo liner available in medium graphite and saddle
- Expedition available in medium graphite, medium prairie tan, willow and black
- Aerostar model available in black
- Ideal for hauling gardening supplies, fishing gear, construction materials, etc.
- Made of vinyl reinforced with nylon
- Velcro®-like fasteners allow easy installation/removal
- Includes embossed Ford oval
- Folds into compact package for storage
- **Base Part Numbers:**
9811600 (Explorer 2-door);
7811600 (Explorer 4-door);
78642A94 (Expedition);
1211600 (Aerostar)

CARGO TRAY

Available for Expedition

- Constructed of high-strength, industrial polyethylene blend
- Available in black, medium graphite, medium prairie tan and willow
- Chemical resistant
- Raised lip helps prevent spills
- Precisely conforms to Expedition's cargo area
- **Base Part Number: 7811600**

BED MAT/TAILGATE PANEL KITS*

Available for Ranger and F-Series

- Ranger kit includes Bed Mat and Tailgate Panel; F-Series kit includes Bed Mat
- Help protect full length of truck bed and tailgate from scratches, dents and corrosion
- Durable Nyracord (a cord-reinforced, synthetic rubber material) will not crack or break in extreme weather conditions and resists damage from most chemicals
- Molded raised ribs help reduce cargo shifting, make loading and unloading easier and assist drainage
- Bottom surface permits aeration and drying to help prevent mildew and corrosion
- Raised Ford oval adds personalized style
- Ranger Splash Bed Mat features raised lip at outer edge for additional protection against damage by shifting cargo
- Easy to install; Tailgate Panel installation requires some drilling
- **Base Part Numbers:**
99642A94 (Ranger Styleside); 83642A94 (Splash);
99112A15 (F-Series)

CARPETED FLOOR MATS

Available for all Ford Light Trucks and Vans

- Help protect O.E. carpeting from soiling, stains and other damage caused by daily wear and tear
- Designed to provide an exact fit and color match with vehicle interiors
- Feature heavy-duty carpet and surged outer bindings
- Embroidered vehicle identification provides personalized appearance (select models)
- Nibbed backing helps prevent slipping
- Front driver's mat includes positive retention for added security
- **Base Part Numbers: Front – 13086; Rear – 13106**

UNIVERSAL FLOOR MATS

Available for Ranger, Explorer, F-Series and Expedition

- 14 oz. polypropylene carpet fibers help resist soil and stains
- Available with either Ford oval or no identification
- Nib backing and positive retention (on driver's side) help keep mats in place
- Wide range of colors to complement most vehicle interiors
- Packaged two mats per set
- **Base Part Number: 1513086**

*Ford Quality Care Brand Accessory eligible for residualization on Red Carpet Lease.

BEDLINERS*

Over-the-rail bedliners available for Ranger (except Splash). Under-the-rail bedliners available for Ranger and F-Series.

- Only Ford-approved bedliners specifically designed and engineered for Ranger and F-Series
- Helps protect against cargo damage/chemical spills/corrosion
- Conform exactly to pickup box interiors
- Heavy-duty, protective Tailgate Panel included
- Ribbed surface adds extra strength; allows complete drainage and increased airflow between bed and bedliner
- Complete, "no-drill" installation
- Raised Ford oval in liner headwall
- Constructed of 100% recyclable materials
- Over-the-rail models constructed of heavy-duty polyethylene
- Under-the-rail models made of high-density polyethylene/rubber blend that helps reduce cargo shifting by up to 40%
- Lifetime Limited Warranty
- **Base Part Numbers: 9900038 (Styleside); 8300038 (Splash and Flareside)**

MOLDED VINYL FLOOR MATS

Available for Ranger, Explorer, F-Series and Expedition

- Help protect interior carpet with a customized design
- Available to match most Ford vehicle interiors
- Conform to vehicle's interior contours for maximum protection
- Molded grid pattern collects rain, snow, dust and dirt to help shield O.E. floor covering from stains and soil
- Rugged vinyl material provides years of service with minimal maintenance
- Easy to keep clean
- Front driver's side mat includes positive retention for added security
- Packaged in pairs for front or rear
- **Base Part Numbers: Front – 13086; Rear – 13106**

FOG LIGHTS

Available for Econoline and Aerostar

- Designed to penetrate rain, fog and snow for better visibility while driving
- Quartz-halogen bulbs, polished zinc reflectors and optical glass lenses combine to provide optimum illumination
- Weatherproof seal between lens and reflector helps extend service life by guarding against damage by the elements
- Specially designed bracketry and adjusting mechanism allow versatile mounting (above or below bumper)
- Professional installation recommended
- **Base Part Number: 15200**

INTEGRAL FOG LIGHTS

Available for 4x4 F-150/F-250 and Expedition

- Help improve driving safety by penetrating fog, rain and snow
- Integrated into the front bumper
- Utilize Original Equipment lights and switches
- Dealer installation recommended
- **Base Part Number: 15200**

OFF-ROAD LIGHTS

Available for Ranger equipped with Rally Bars (except Splash)

- Designed specifically for off-road rallies and other off-road situations
- Quartz-halogen bulbs, polished zinc reflectors and glass lenses combine to provide optimum off-road illumination
- Weatherproof seal between lens and reflector helps extend service life by guarding against damage by the elements
- Available in rectangular (9" x 5-1/2") or round (7" diameter) models
- Rectangular models feature removable plastic shields with Ford oval imprint
- Round models feature vinyl covers with Ford oval imprint
- Designed to mount on Ford Rally Bars
- Hardware included
- Professional installation recommended
- **Base Part Number: 15200**

RALLY BARS*

Available for Ranger (except Splash)

- Add sporty appeal to any off-road or on-road pickup
- Precision MIG-welded construction for maximum durability
- Heavy-duty sandwich-design mounting helps provide extra rigidity
- Designed and engineered to meet federal high-mount stoplamp visibility requirements
- Includes high-performance, Grade 5 hardware
- Finish resists scratches and corrosion
- Available with electrostatically applied black powder-coat finish
- Professional installation recommended
- **Base Part Number: 99518K00**

DAYTIME RUNNING LIGHTS

Available for all Ford Light Trucks and Vans

- Vehicle's headlamps are illuminated at 75% of normal operating power
- Help improve driving visibility while increasing your presence on the road
- Engineered for complete integration with vehicle's electronic system
- System engages and disengages when ignition is activated
- **Base Part Number: 13B218**

NOTE: Vehicles equipped with Daytime Running Lights may be eligible for insurance discounts in some states. Daytime Running Lights are standard equipment on all vehicles manufactured in Canada.

SOFT TONNEAU COVER

Available for Ranger and F-150/F-250

- Constructed of heavy-duty vinyl
- Aluminum frame attaches to bed rail with specially designed clamp system, providing secure attachment
- Two bows on short bed and three on long bed attach to clamps, helping prevent water and snow build-up on fabric
- Snaps hold fabric to rail system for quick attachment
- Tailgate frames can be easily removed for loading tall objects
- Fabric permanently attached to rail at bulkhead to secure tonneau cover from slipping while driving
- Convenient tie straps secure rolled cover when not in use
- **Base Part Numbers: 99501A42 (Styleside); 83501A42 (Splash and Flareside)**

RETRACTABLE TRUCK BED HOOKS OR LOOPS

Available for Ranger and F-350

- Install easily and securely into existing stake holes
- Hooks or loops rotate up to help secure awkward loads. When not in use, they conveniently retract into pickup box wall
- Approved for use with Ford Over-The-Rail and Under-The-Rail Bedliners
- Constructed entirely of corrosion-resistant "300-Series" stainless steel
- Maximum capacity: 400-lbs./180-kg. per hook or loop
- Packaged in four hooks or loops per kit
- **Base Part Number: 99000A64**

BED HOOKS AND TIE-DOWNS

Available for Ranger and F-350

- Sturdy hooks attach securely to the outside of the pickup box
- Fastening point to tie down bulky or odd-shaped loads to prevent cargo shifting while traveling
- May be used to secure a cover to help protect load from weather
- Bright dipped finish helps enhance overall vehicle appearance
- Packaged individually
- Easy to install; some drilling required
- **Base Part Number: 9900064**

TAILGATE PROTECTORS

Available for Ranger and F-350

- Designed to enhance appearance while absorbing bumps and bangs that could cause damage to top of tailgate
- Help camouflage nicks and scratches that show on unprotected tailgates
- Fits tightly over tailgate lip to help guard against damage while loading and unloading
- Available in silver or black anodized aluminum
- **Base Part Number: 99420K19**

PICKUP BOX RAILS

Available for Ranger and F-350

- Offer convenient means to tie-down cargo, cargo cover or tarpaulin
- Tie-down eyelets rated at 400-lbs./180-kg. maximum capacity
- Rails bolt securely into existing pickup box stake holes (contemporary model)
- Available in 6-foot and 7-foot bright or black anodized aluminum
- **Base Part Number: 9932230**

*Ford Quality Care Brand Accessory eligible for residualization on Red Carpet Lease.

FRONT END COVER

Available for all Ford Light Trucks and Vans

- Helps shield front end surfaces from damage by stones and other road debris
- Custom fit accentuates vehicle body lines
- Two-piece design allows opening of hood without removing cover
- Made of heavy-duty, 22-oz. vinyl with soft flannel backing
- Specially-designed airfoils help reduce flutter
- Features embossed vehicle name and/or Ford logo
- **Base Part Number: 19A414**

SPORT HOOD COVER

Available for Ranger, F-150/F-250 and Expedition

- Helps protect painted metal hood surfaces
- Tapered design adds a stylish accent
- Made of heavy-duty, 22-oz. black vinyl with soft flannel backing
- One-piece construction allows opening of hood without removing cover
- **Base Part Number: 19A414**

SIDE WINDOW DEFLECTORS*

Available for all Ford Light Trucks and Vans

- Help protect vehicle interior and occupants from wind, sun and rain
- Constructed of durable, smoke-colored acrylic
- Packaged two or four deflectors per set, depending on vehicle application
- Easily installed with self-adhesive tape provided
- **Base Part Number: 18246**

AERO HOOD/BUG DEFLECTORS (STANDARD AND WRAPAROUND)*

Standard style available for all vehicles except Windstar.

Wraparound style available for all vehicles except Econoline and Aerostar.

- Help protect the vehicle's front end finish from airborne debris
- Deflect rain, snow and insects up and away from the windshield
- Specially designed vents help reduce wind resistance; allow proper distribution of windshield washer fluid (wraparound model only)
- Vents also help provide improved drainage of deflector unit
- Constructed of virtually unbreakable, smoke-colored G.E. Lexan®
- Attach easily and securely to underside of leading edge of hood
- Kit includes all necessary hardware
- **Base Part Number: 16C900**

REAR AIR DEFLECTORS*

Available for Explorer and Windstar

- Direct airflow over rear window to carry away dust and dirt
- Help keep rear window clear of snow and rain to improve visibility
- Add aerodynamic appearance; specifically designed to allow full visibility of high-mount stoplight
- Constructed of structural foam urethane
- All models provide excellent corrosion and scratch resistance
- Dual support brackets offer added stability
- Black color complements virtually any vehicle exterior; can be painted for an exact match
- Mount directly above rear window; professional installation recommended
- **Base Part Numbers: 9950860 (Explorer); 1650860 (Windstar)**

COMPASS MIRROR

Available for all Ford Light Trucks and Vans

- Mirror dims automatically when it detects glare from trailing headlamps
- Mirror is federally approved as a crash-avoidance safety feature
- Built-in compass continuously re-calibrates itself while driving
- Compass visible during day or night time driving
- Dealer installation recommended
- **Base Part Number: 17A694**

GOOSENECK RECREATIONAL MIRROR

Available for F-350 and Econoline

- 7 1/2" wide x 10 1/2" high mirror helps provide a clear view when towing a load
- Replaces manual door mount mirror on left or right side
- Features premium quality glass and a stainless steel mount
- One mirror per kit
- Dealer installation recommended
- **Base Part Number: 17696**

REMOVABLE TRAILER TOWING MIRROR

Available for F-150/F-250 and Expedition

- Helps improve rear vision when towing a camper or trailer
- Premium glass minimizes distortion and glare
- No drill application, adapts easily to both electric and manual mirrors
- Simply slides over existing mirror
- Packaged in pairs
- **Base Part Number: 17696**

PERMANENT TRAILER TOWING MIRROR

Available for Expedition

- Heavy-duty mirror helps increase field of vision when towing large trailers and RVs
- Positive pivot point prevents mirror from contacting side of vehicle
- Constructed of high grade fiberglass-reinforced material with zinc die cast mounting bracket
- Mount in original O.E. mirror location
- Manual operation
- Dealer installation recommended
- **Base Part Number: 17696**

MANUAL SLIDING REAR WINDOW*

Available for Ranger and F-Series

- Provides extra ventilation for added comfort in cab
- Designed for an exact fit; weather stripping provides a reliable moisture barrier
- Window slides open easily; latches from inside
- Tinted glass helps reduce glare
- Dealer installation recommended
- **Base Part Numbers:**
10422B30 (Ranger Regular Cab);
13422B30 (Ranger Super Cab);
15422B30 (F-Series)

* Ford Quality Care Brand Accessory eligible for residualization on Red Carpet Lease.

* Ford Quality Care Brand Accessory eligible for residualization on Red Carpet Lease.

ECONOLINE ENGINE COVER CONSOLE*

Available for Econoline

- Attractive, functional design makes excellent use of interior engine cover and area under dashboard
- Constructed of durable, molded plastic that's easy to keep clean
- Available in regatta blue, medium graphite and medium mocha
- Attaches easily and securely to interior engine cover using existing hardware
- Features top storage tray and flip-out table with two cup/mug holders and washable surface
- Removable tray holds up to six cassettes or CDs
- Four interior compartments provide room for various small items
- Special feature allows open door to flex 30° and rest on vehicle floor pan — helps prevent accidental damage
- **Base Part Number: 16045A36**

AEROSTAR CONSOLE*

Available for Aerostar

- Creates additional storage capacity for cups, cassettes, garage door opener and other small items
- Constructed of durable, molded plastic
- Available in three colors: mocha, crystal blue and grey
- Top flips up to reveal interior storage compartment
- Two sliding drawers provide back seat passengers with drink holders and storage space
- **Base Part Number: 11044D34**

SPARE TIRE LOCK

Available for F-Series and Econoline

- Helps protect your spare tire from theft
- Quick and easy tire removal
- Easily installed, no drilling required
- Kit includes lock and unique coded key
- **Base Part Number: 1A380**

WINDSTAR CONSOLE*

Available for Windstar

- Provides extra storage space with convenient access
- Durable, molded plastic construction offers attractive appearance with easy cleanups
- Available in lapis blue, medium opal, mocha and willow
- Integral 12-volt "power point" allows use of portable cellular phone, electric shaver, etc. (attaches easily to existing wiring harness)
- Lift top opens to reveal interior storage compartment
- Front and rear trays feature non-slip rubber pads; allow storage of large cups, keys, etc.
- **Base Part Number: 16044D34**

STYLED WHEEL PROTECTOR LOCKS

Available for all Ford Light Trucks and Vans equipped with aluminum wheels

- Help protect wheels and tires from theft
- Solid, one-piece steel construction; no moving parts to jam or freeze up
- Through-hardened for added durability
- Specially coded keys offer security and ability to service with Ford Master Key sets
- Lock nut matched to Ford lug nuts; no counter balance is required
- Attractive polished chrome finish for exposed applications
- Kit includes four lock nuts and matching key tool that fits vehicles' standard lug wrench
- Easily installed and removed
- **Base Part Number: 1A043**

REMOVABLE TAILGATE LOCK

Available for Ranger and F-350

- Helps prevent tailgate theft
- Zinc-nickel coating offers added corrosion resistance
- Locking bolt undergoes two separate heat treatment processes to provide extra strength without brittleness
- Specially coded locking bolt and key provide security
- Kit also includes easy-to-use key tool, hex bolt and complete installation instructions
- Easily installed and removed; no drilling required
- **Base Part Number: 99431K99**

REMOTE KEYLESS ENTRY SYSTEM*

Available for all Ford Light Trucks and Vans (except Expedition)

- Two remote controls lock or unlock doors (if vehicle is equipped with power door locks) and turn the system on or off
- Remote illuminated interior dome light turns on upon system activation to help provide added safety
- Starter lock-out feature for theft prevention
- Offers quicker, easier vehicle entry when hands are full or in inclement weather. Also provides convenient access to trunk or hatch.
- Hand-held remote control attaches to key chain for easy access
- Sleek remote controls with rounded corners designed to slide easily in and out of pockets and purses
- Remote panic alarm is sounded by pressing both remote control buttons simultaneously
- Doors automatically lock when ignition is turned on
- Professional installation recommended
- **Base Part Number: 54220K51**

VEHICLE SECURITY SYSTEMS*

Available for all Ford Light Trucks and Vans

- Two remote controls lock or unlock all doors (if vehicle is equipped with power door locks) from up to 50 ft./15m. away
- Remote control personal protection panic buttons activate the alarm — flashing lights and 125 decibel weather-proof siren (maximum legal decibels)
- An adjustable impact/shock sensor activates the alarm/siren if the vehicle is bumped or glass is broken
- A highly visible flashing red warning light indicates the system is on and operating
- Remotely illuminated interior dome lights turn on upon vehicle entry and exit so that you never enter or leave a dark vehicle
- Valet parking mode switch allows you to safely override the system when utilizing parking attendants, car washes, etc.
- After alarm is triggered, system will sound for 60 seconds then automatically re-arm/re-set to protect the vehicle
- **Base Part Number: 19A361**

NOTE: Vehicles equipped with Ford vehicle security systems may be eligible for insurance discounts in some states/provinces.

SPEED CONTROL

Available for all Ford Light Trucks and Vans (except Expedition)

- Microcomputer-controlled system automatically adjusts to maintain desired cruising speed
- Control disengages when brake or clutch (manual transmission) is depressed, and returns to previous speed when "Resume" feature is activated
- Helps reduce fatigue on long trips
- Helps improve fuel economy and maintain posted highway speed limits
- Kits are custom engineered for each application
- All parts required for installation are packaged in one box with complete instructions
- Speed control units for Aerostar mount on the steering column shroud; all others mount on steering wheel
- **Base Part Number: 9A818**

LEATHER-WRAPPED STEERING WHEEL

Available for F-150/F-250 and Expedition

- Helps improve driver's grip on steering wheel
- Lends attractive, sporty appearance to your vehicle's interior
- Only available for vehicles equipped with speed control
- Available in black
- **Base Part Number: 3606**

AIR CONDITIONING*

Available for Ranger, F-Series, Econoline and Windstar

- Offers optimum comfort with an Original Equipment design
- Designed and engineered for complete integration with vehicles' electronics systems
- System utilizes R-134a, a chlorofluorocarbon-free refrigerant that does not further deplete the ozone
- Eligible for Ford Extended Service Plan coverage (in addition to standard Ford Quality Care Brand Accessory limited warranty**)
- Dealer installation recommended
- **Base Part Numbers: Basic/Condenser Kit — 19B968; Compressor/Engine Kit — 19703; Air Deflector Kit (F-150/F-250 4X4) — 19K603**

*Ford Quality Care Brand Accessory eligible for residualization on Red Carpet Lease.

* Ford Quality Care Brand Accessory eligible for residualization on Red Carpet Lease. ** See your dealer for a copy of the limited warranty.

ORIGINAL EQUIPMENT RUNNING BOARDS*

Available for 4-door Explorer and Expedition

- Create a lower step height for increased convenience, but remain high enough to help keep from "bottoming out" in off-road situations
- Constructed of aluminum substrate for Explorer and steel substrate for Expedition to help provide excellent corrosion resistance
- Available for Explorer in medium graphite and light saddle
- Available for Expedition in black
- Expedition Running Boards have integrated front and rear running lights
- Board supports attach securely to vehicle body, helping to limit road noise and reduce stress damage
- Galvanized steel boards supports and corrosion-resistant hardware included
- "No-Drill" installation, boards bolt directly to vehicle body
- Professional installation recommended
- **Base Part Number: 16450**

ORIGINAL EQUIPMENT TUBULAR RUNNING BARS*

Available for 2-door Explorer Sport

- Tubular design creates a rugged look
- Reduced step height allows easier vehicle entry/exit, while maintaining sufficient height to help prevent "bottoming out"
- Help make loading and unloading roof rack easier
- Elliptical steel construction for added strength
- Plastic step pad helps provide sure footing
- Bars bolt directly to vehicle body (no drilling required)
- Front, center and rear brackets help ensure secure attachment
- Finish complements virtually all O.E. exterior colors
- Include galvanized and E-coated brackets and corrosion-resistant hardware
- Professional installation recommended
- **Base Part Number: 16450**

F-SERIES MOLDED RUNNING BOARDS*

Available for F-150/F-250

- Adds a customized, aerodynamic look with reduced step height
- Constructed of "TPO" plastic for added strength and durability
- Ribbed step pads offer added traction
- Available in all exterior colors
- Available for Regular Cab and Super Cab
- Dealer installation recommended
- **Base Part Number: 16450**

MOLDED RUNNING BOARDS*

Available for Windstar

- Designed to be both functional and stylish
- Aerodynamically styled to provide an O.E. look
- Constructed of high-impact, weather-resistant thermoplastic
- Black finish can be painted to match vehicle exterior
- Custom-designed bracket system included; simplifies and reduces installation time
- Brackets and hardware are E-coated and zinc-plated to help protect against corrosion
- Include a ribbed vinyl step pad for additional traction on step area
- Professional installation recommended
- **Base Part Number: 16450**

HEAVY-DUTY ALUMINUM RUNNING BOARDS*

Available for Ranger, F-350, Aerostar and Econoline

- Available in cab length and full length for Ranger; full length available for Econoline and Aerostar
- Add a bold, low-line look to vehicle
- Anodized aluminum construction offers excellent corrosion resistance and helps protect the underbody from stones and other debris
- Horizontal traction ribs provide sure footing
- Stress damage is avoided by attaching running boards to body
- Extra support provided by center bracket
- Hidden bolt channels on bottom surface of running boards provide additional strength and keep mounting bolts out of sight
- Include E-coated bracing and corrosion-resistant hardware
- Features Ford oval decal
- Professional installation recommended
- **Base Part Number: 16450**

HEAVY-DUTY ALUMINUM RUNNING BOARDS WITH MOLDED END CAPS*

Available for all Ford Light Trucks and Vans (except F-150/F-250 and Expedition)

- Running boards with molded end caps create a sweeping, lowline look
- Reduced step height makes vehicle easier to get in and out of
- Anodized aluminum construction provides excellent corrosion resistance while helping to protect lower body surfaces from stones or other road debris
- Durable, built-in thermoplastic end caps offer additional protection from flying road debris
- Pre-trimmed end caps are designed specifically for each vehicle to help provide a natural fit and quicker, easier installation
- All models feature horizontal ribs and grit tape for extra traction
- Running boards bolt directly to vehicle body, reducing the potential for stress damage
- Available in full length silver or black anodized aluminum for Explorer, Econoline, Aerostar and Windstar. Available in full cab length black anodized aluminum for Ranger 4x2 and 4x4 (except Splash)
- **Base Part Number: 16450**

TIRE STEP

Available for Expedition

- Fits over vehicle's tire to allow convenient access to the roof or engine compartment
- Fully adjustable to accommodate tire sizes
- Folds neatly together for compact storage
- Non-skid step tread allows for surer footing
- Comes with cord and hooks to secure under rear seat or cargo area
- Not recommended for use on Eddie Bauer
- **Base Part Number: 19G215**

*Ford Quality Care Brand Accessory eligible for residualization on Red Carpet Lease.

*Ford Quality Care Brand Accessory eligible for residualization on Red Carpet Lease.

MASTERGUARD REAR STEP BUMPERS*

Available for Ranger (except Splash), F-Series (except Flareside) and Econoline

- Rugged protection with wide stepping surface for convenient rear access
- One-piece construction features #1 prime drawn quality steel
- No seams or exposed welds to rust or corrode
- Bumpers are available in triple nickel chrome-plated, black or silver electrostatically applied polyester paint finishes
- All models (except Econoline) feature license plate lights
- All models feature trailer hitch mounting capabilities (except 9" Drop Center)
- Deluxe Step Bumper (Ranger) offers 350-lb./160-kg. tongue capacity and 3,500-lb./1,600-kg. towing capacity
- Premium Step Bumper (F-Series) offers 600-lb./275-kg. tongue capacity and 6,000-lb./2,750-kg. towing capacity
- 9" Drop Center Step Bumper (F-Series) offers 600-lb./275-kg. tongue capacity and 6,000-lb./2,750-kg. towing capacity
- Deluxe Step Bumper (Econoline) offers 400-lb./180-kg. tongue capacity and 4,000-lb./1,800-kg. towing capacity
- **Base Part Numbers:** Deluxe (Ranger) – FG903;
Premium (F-Series) – FG122;
9" Drop Center (F-Series) – FD902;
Deluxe Step (Econoline) – FG612

TUBULAR REAR BUMPER:

Available for Ranger (except Splash)

- Heavy-duty tubular construction provides solid protection with a rugged, off-road look
- Contoured ends complement vehicle body lines
- Built-in step offers convenient access to pickup bed
- Molded license plate bracket meets all federal requirements
- Black E-coat primer/high gloss powder topcoat finish helps prevent damage caused by road debris
- Black Tubular Rear Bumper features a built-in Class I Trailer Hitch (200-lb./90-kg. tongue capacity and 2,000-lb./900-kg. towing capacity)
- **Base Part Number:** Bumper – 17906

TRUCK COVER

Available for Explorer and Expedition

- Manufactured from three layers of bonded, all-weather fabric that offers protection from acid rain, air- and wind-borne pollutants, dust, dirt and the sun's ultraviolet rays
- Wind relief vents help reduce heat build-up, and minimize ballooning during windy periods
- Front and rear draw cords with draw locks allow the truck cover to be cinched tight around the vehicle
- Reinforced and oversized mirror pockets reduce stress, and create easier installation and removal
- **Base Part Number:** 19A412

CLASS I TRAILER HITCH

Available for Aerostar

- Designed specifically to fit all Aerostar models (standard body, extended body, 2- and 4-wheel drive)
- 2,000-lb./900-kg. towing capacity and tongue weight rated at 200-lb./90-kg.
- Finished with durable black polyester powder paint
- Ball is available in 1-7/8" and 2" sizes (must be purchased separately)
- Can be installed on a vehicle with or without an underbody spare tire carrier
- Professional installation recommended
- **Base Part Number:** 19D520

CLASS II TRAILER HITCH

Available for Ranger, Aerostar and Windstar

- Frame-mounted hitch requires no welding for installation
- Allows for towing of heavier loads than conventional bumper hitches
- Rated at 3,500-lb./1,600-kg. carrying weight and 300-lb./135-kg. tongue weight (Windstar tongue weight 350-lb./160-kg.)
- Ball mount included in kit (hitch ball not included)
- Durable black powder polyester paint finish
- Professional installation recommended
- **Base Part Number:** 19D520

CLASS III TRAILER HITCH

Available for Explorer, F-Series, Expedition and Econoline

- Heavy-duty receiver-style hitch bolts to the frame and requires no welding
- Designed for gross trailer load capacity of 5,000-lb./2,250-kg., tongue weight rated at 500-lb./225-kg.
- Hitch is finished with a durable black powder paint
- Does not require repositioning of underbody spare tire carrier
- When used with a load-equalizing system, loads up to 10,000-lb./4,500-kg. gross trailer weight may be towed (Contact your local trailer dealer for details.)
- Ball is available in 1-7/8" and 2" sizes (must be purchased separately)
- Professional installation recommended
- **Base Part Numbers:** 19D520 (Explorer and Econoline); 17D826 (F-Series and Expedition)

TRAILER LAMP PLUG AND WIRING HARNESS (not pictured)

Available for Explorer

- Manufactured to Ford wiring specifications
- Plugs into Original Equipment trailer towing package wire harness
- Allows for easy connection for trailer lamp operation
- Easily installed and removed
- **Base Part Number:** 15A215

TRAILER HITCH BALLS

Available for all Ford Light Trucks and Vans

- Available in five sizes
- Wrench flat design incorporated to aid in installation and removal
- Forged, one-piece construction for maximum strength
- Durable, corrosion-resistant chrome-plated finish
- **Base Part Number:** 19F503

TRAILER HITCH BARS

Available for all vehicles with Class III Trailer Hitch or a 2" receiver

- Use with 2" square receiver hitch
- Tubular shank with heavy steel ball platform
- May be used in rise or drop position to match tow vehicle to trailer coupler height
- Durable black powdercoat finish
- **Base Part Number:** 19A282

*Ford Quality Care Brand Accessory eligible for residualization on Red Carpet Lease.

FACTORY LUGGAGE RACK

Available for Explorer, Expedition, Aerostar and Windstar

- Versatile, multi-purpose rack provides extra cargo carrying capacity
- Accepts optional adapters for convenient carrying of bikes, skis/snowboards or luggage/cargo basket (must be purchased separately)
- Professional installation recommended
- **Base Part Number: 55100**

REMOVABLE ROOF RACK

Available for Explorer, Aerostar, Windstar and Econoline

- Versatile, multi-purpose rack provides extra cargo carrying capacity and accepts optional sports carrier adapters for bicycles, skis/snowboards, luggage/cargo basket, canoes and kayaks
- Seamless crossbars are zinc-coated and dipped in weatherproof plastic
- Towers are reinforced nylon for extra protection from rust
- Soft, nonslip footpads help prevent damage to rooftop finish
- **Base Part Number: 55100**

NOTE: Optional sport gear adapters must be purchased separately.

TRACK RIDER BARS

Available for Explorer, Expedition and Aerostar

- Increases cross bar length of Factory Luggage Rack
- Mounts to existing Factory Luggage Rack; no tools required
- Can accommodate fork or frame mount bike adapters, ski/snowboard adapters, luggage/cargo basket, canoe adapters or kayak adapters
- **Base Part Number: 55100**

RAISED CROSS BARS

Available for Windstar

- Mount to existing Factory Luggage Rack; no tools required
- Increase the carrying capacity of Factory Luggage Rack
- Can accommodate fork or frame mount bike adapters, ski/snowboard adapters, luggage/cargo basket, canoe adapters or kayak adapters
- **Base Part Number: 55100**

FRAMED LUGGAGE COVER

Available for Explorer and Expedition equipped with Factory Luggage Rack

- Helps protect luggage and other rooftop cargo
- Provides extra cargo capacity
- Rear and side panels feature double pull zipper for easy loading/unloading (zipper may be locked with virtually any small padlock — not included)
- Made of durable 16 oz. exterior-grade vinyl fabric
- Seams are sealed for added water resistance
- Attaches easily to rack side rails
- **Base Part Number: 19B507**

SOFT LUGGAGE COVER

Available for all vehicles equipped with Factory Luggage Rack or Removable Roof Rack

- Helps protect luggage and other rooftop cargo
- Folds into a neat package for convenient storage and accessibility
- Soft construction allows cover to accommodate odd-shaped items
- Made of durable, 22 oz. exterior-grade vinyl fabric
- Attaches easily to rack crossrails with four plastic buckles
- **Base Part Number: 19B507**

LUGGAGE/CARGO BASKET

Available for Explorer, Expedition, Aerostar, Windstar and Econoline

- Fits Factory Luggage Rack (except Explorer), Removable Roof Rack, Raised Cross Bars and Track Rider Bars
- Constructed of vinyl-coated steel wire mesh
- Approximate dimensions are 2-1/2' x 3-1/2' x 2"
- Stretch Net included to help secure additional roof cargo
- **Base Part Number: 55100**

NOTE: Refer to vehicle's Owner Guide for recommended roof capacity load rating.

FRAME MOUNT BIKE CARRIER ADAPTER

Available for Explorer, Expedition, Aerostar, Windstar and Econoline

- Fits Factory Luggage Rack (except Explorer), Removable Roof Rack, Track Rider Bars and Raised Cross Bars
- Each adapter carries one bike
- Triangulated arm for increased rigidity
- Includes two overcenter wheel straps for increased security and stability
- Kraton™ padding and built-in cable guides help protect bike's finish
- Includes integrated lock for added security
- Easily installed and removed; no tools required
- **Part Number: 55100**

FORK MOUNT BIKE CARRIER ADAPTER

Available for Explorer, Expedition, Aerostar, Windstar and Econoline

- Fits Removable Roof Rack, Track Rider Bars and Raised Cross Bars
- Locking 9mm long throw skewer opens to accommodate wheel fork — true "quick release"
- Each adapter carries one bike
- Includes integrated lock for added security
- Front wheel holder available (must be purchased separately)
- Easily installed and removed; no tools required
- **Part Number: 55100**

HORIZONTAL SKI CARRIER ADAPTER

Available for Explorer, Expedition, Aerostar, Windstar and Econoline

- Fits Factory Luggage Rack, Removable Roof Rack, Track Rider Bars and Raised Cross Bars
- Small horizontal racks holds up to 4 pairs of downhill skis or 2 snowboards
- Large horizontal rack holds up to 6 pairs of downhill skis or 4 snowboards
- Includes integrated lock for added security
- Designed to combine convenience, durability and attractive styling
- Ski Rack Adapters are designed to prevent bindings from contacting roof
- Can be easily attached or removed; no tools required
- **Base Part Numbers: 55100; Adapter Mounts: 50148**

KAYAK CARRIER ADAPTER

Available for Explorer, Econoline and Aerostar with Removable Roof Rack; Explorer, Expedition and Aerostar with Track Rider Bars; and Windstar with Raised Cross Bars

- Allows kayaks to be stacked on edge for greater capacity
- Helps minimize side-to-side motion
- Adapters are easily installed and removed; no tools required
- Cargo straps must be purchased separately
- **Base Part Number: 55100**

DIAGONAL SKI CARRIER ADAPTER

Available for Explorer, Expedition, Aerostar, Windstar and Econoline

- Fits Factory Luggage Rack, Removable Roof Rack, Track Rider Bars and Raised Cross Bars
- Holds up to four pairs of skis
- Includes integrated lock for added security
- Designed to combine convenience, durability and attractive styling
- Soft rubber padding protects skis
- Can be easily attached or removed; no tools required
- **Base Part Numbers: 55100; Adapter Mounts: 50148**

CANOE CARRIER ADAPTER (not pictured)

Available for Explorer, Econoline and Aerostar with Removable Roof Rack; Explorer, Expedition and Aerostar with Track Rider Bars; and Windstar with Raised Cross Bars

- Adapters feature cushioned canoe brackets
- Easily installed and removed; no tools required
- Cargo straps must be purchased separately
- **Base Part Number: 55100**

NOTE: Refer to vehicle's Owner Guide for recommended roof capacity load rating.

SPLASH GUARDS

Available for F-Series, Expedition and Econoline

- A low cost way to help protect against dirt, mud, salt, gravel and other road grime
- Tough, durable injection-molded construction for long life and wear
- Models feature customized Ford logo treatment
- Resistant to cracking and corrosion. Able to withstand extreme temperatures yet maintain dimensional stability.
- Include corrosion-resistant fasteners
- Easy to install
- Packaged in pairs
- **Base Part Number: 16A550**

MOLDED SPLASH GUARDS

Available for Explorer, F-150/F-250 and Expedition

- Combine attractive styling with dependable function
- Help protect lower rocker molding from dirt, mud, salt, gravel and other road debris
- "Heavy-duty" construction provides extra flexibility and resistance to cracking
- Explorer and Expedition models features Ford oval
- Packaged in pairs for front or rear
- **Base Part Number: 16A550**

SNOW TRACTION CABLES

Available for Expedition

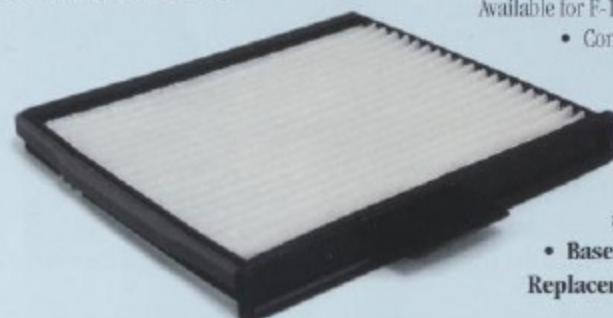

- Helps improve vehicle's traction on snowy or ice-covered roads
- Patented "Z" design allows for greater control
- ABS-compatible
- Close fitting, snug-to-tire design
- **Base Part Number: 17A089**

AIR FILTRATION SYSTEM

Available for F-150/F-250 and Expedition

- Contains electrostatically charged fibers which remove over 90% of pollen, mold spores, road dust and other particulates larger than 3 microns
- Particles are trapped throughout the filter, not just at the surface, helping reduce air flow resistance to maintain heating, ventilation and air conditioning efficiency
- Filters both incoming outside air and recirculated inside air of particulate matter

- **Base Part Number: Kit - 18D477;**
Replacement Filter - 19N619

STEP/SILL PLATES

Available for F-150/F-250

- Cover manufacturing welds in the lower door-jamb while providing an attractive, protective surface
- Minimize scuffing and scratches to the unprotected doorjamb
- Polypropylene/acrylic blends offer durability and attractive appearance
- Plates feature raised ribs for added traction
- Available in medium graphite, mocha, cordovan and willow
- Packaged in sets to fit driver and passenger doorjamb
- Easy to install
- **Base Part Number: 15132A08**

ENGINE BLOCK HEATER

Available for all Ford Light Trucks and Vans

- Helps provide fast cold weather starting with less fuel waste and less battery drain
- Raises coolant temperature higher than outside temperatures; helps passenger compartment heater deliver warm air sooner
- Enclosed heater coil installs permanently in engine block, replacing one freeze plug
- Power cord extends from heater to front grille; features three-prong plug for added safety
- Can be attached to any normal 110-volt electrical outlet by utilizing an extension cord
- Special cap helps protect plug when not in use
- Professional installation recommended
- **Base Part Number: 6D008**

LOCKING GAS CAP

Available for F-150/F-250 and Expedition

- Deters siphoning
- Comes with two keys
- Cap attaches with plastic loop to vehicle
- **Base Part Number: 9030**

FORD MOTOROLA FLIPLESS II PORTABLE PHONE

Available for all Ford Light Trucks and Vans

- Lightweight - 9.6 ozs. with battery
- Battery capacity - 70 minutes of talktime and 12 hours of standby time
- 20 user memory location
- Simplified PIN dialing
- New authentication capabilities for fraud protection
- One year limited warranty
- **Base Part Number: F6FF-19A393-LA**

FORD MOTOROLA SYSTEM LINK™ CELLULAR PHONE KIT*

Available for all Ford Light Trucks and Vans

- Lightweight - 9.6 ozs. with battery
- Battery capacity - 70 minutes of talktime and 12 hours of standby time
- 20 user memory location
- Simplified PIN dialing
- New authentication capabilities for fraud protection
- Hands-free operation
- Fast charging in-vehicle capability
- One year limited warranty
- Comes with 8 pin power harness
- **Base Part Number: F6FF-19A393-MA**

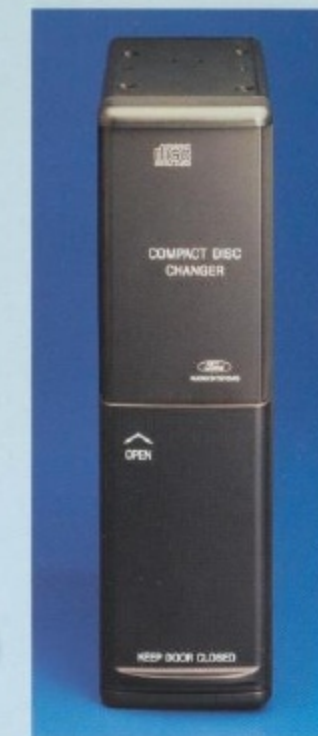

FORD UNIVERSAL MOBILE PHONE KIT*

Available for all Ford Light Trucks and Vans

- Three year limited warranty
- 3 watts of power
- 99 user memory locations
- 9 turbo dial™ locations
- Automatic answer
- Call-in-progress protection
- **Base Part Number: F6FF-19A393-HA5**

Compact Disc Radio for Explorer, Ranger and Econoline

10-Disc Radio-Controlled Changer for Windstar

FORD ELECTRONICS COMPACT DISC CHANGERS

Order either a 6- or 10-Disc Changer compatible with all Ford Light Truck or Van FM radio systems. Changers may be radio- or remote-controlled to operate the various system features, depending on application.

Enjoy premium sound, easy operation and hours of continuous music specifically designed for Ford vehicles. Contact your dealer for application and ordering information.

10-Disc Remote-Controlled Changer

6-Disc Radio-Controlled Changer for Explorer, Expedition, Ranger and Econoline

6-Disc Remote-Controlled Changer
