Sound without *focus* is just noise...

Power without *focus* is just wasted energy...

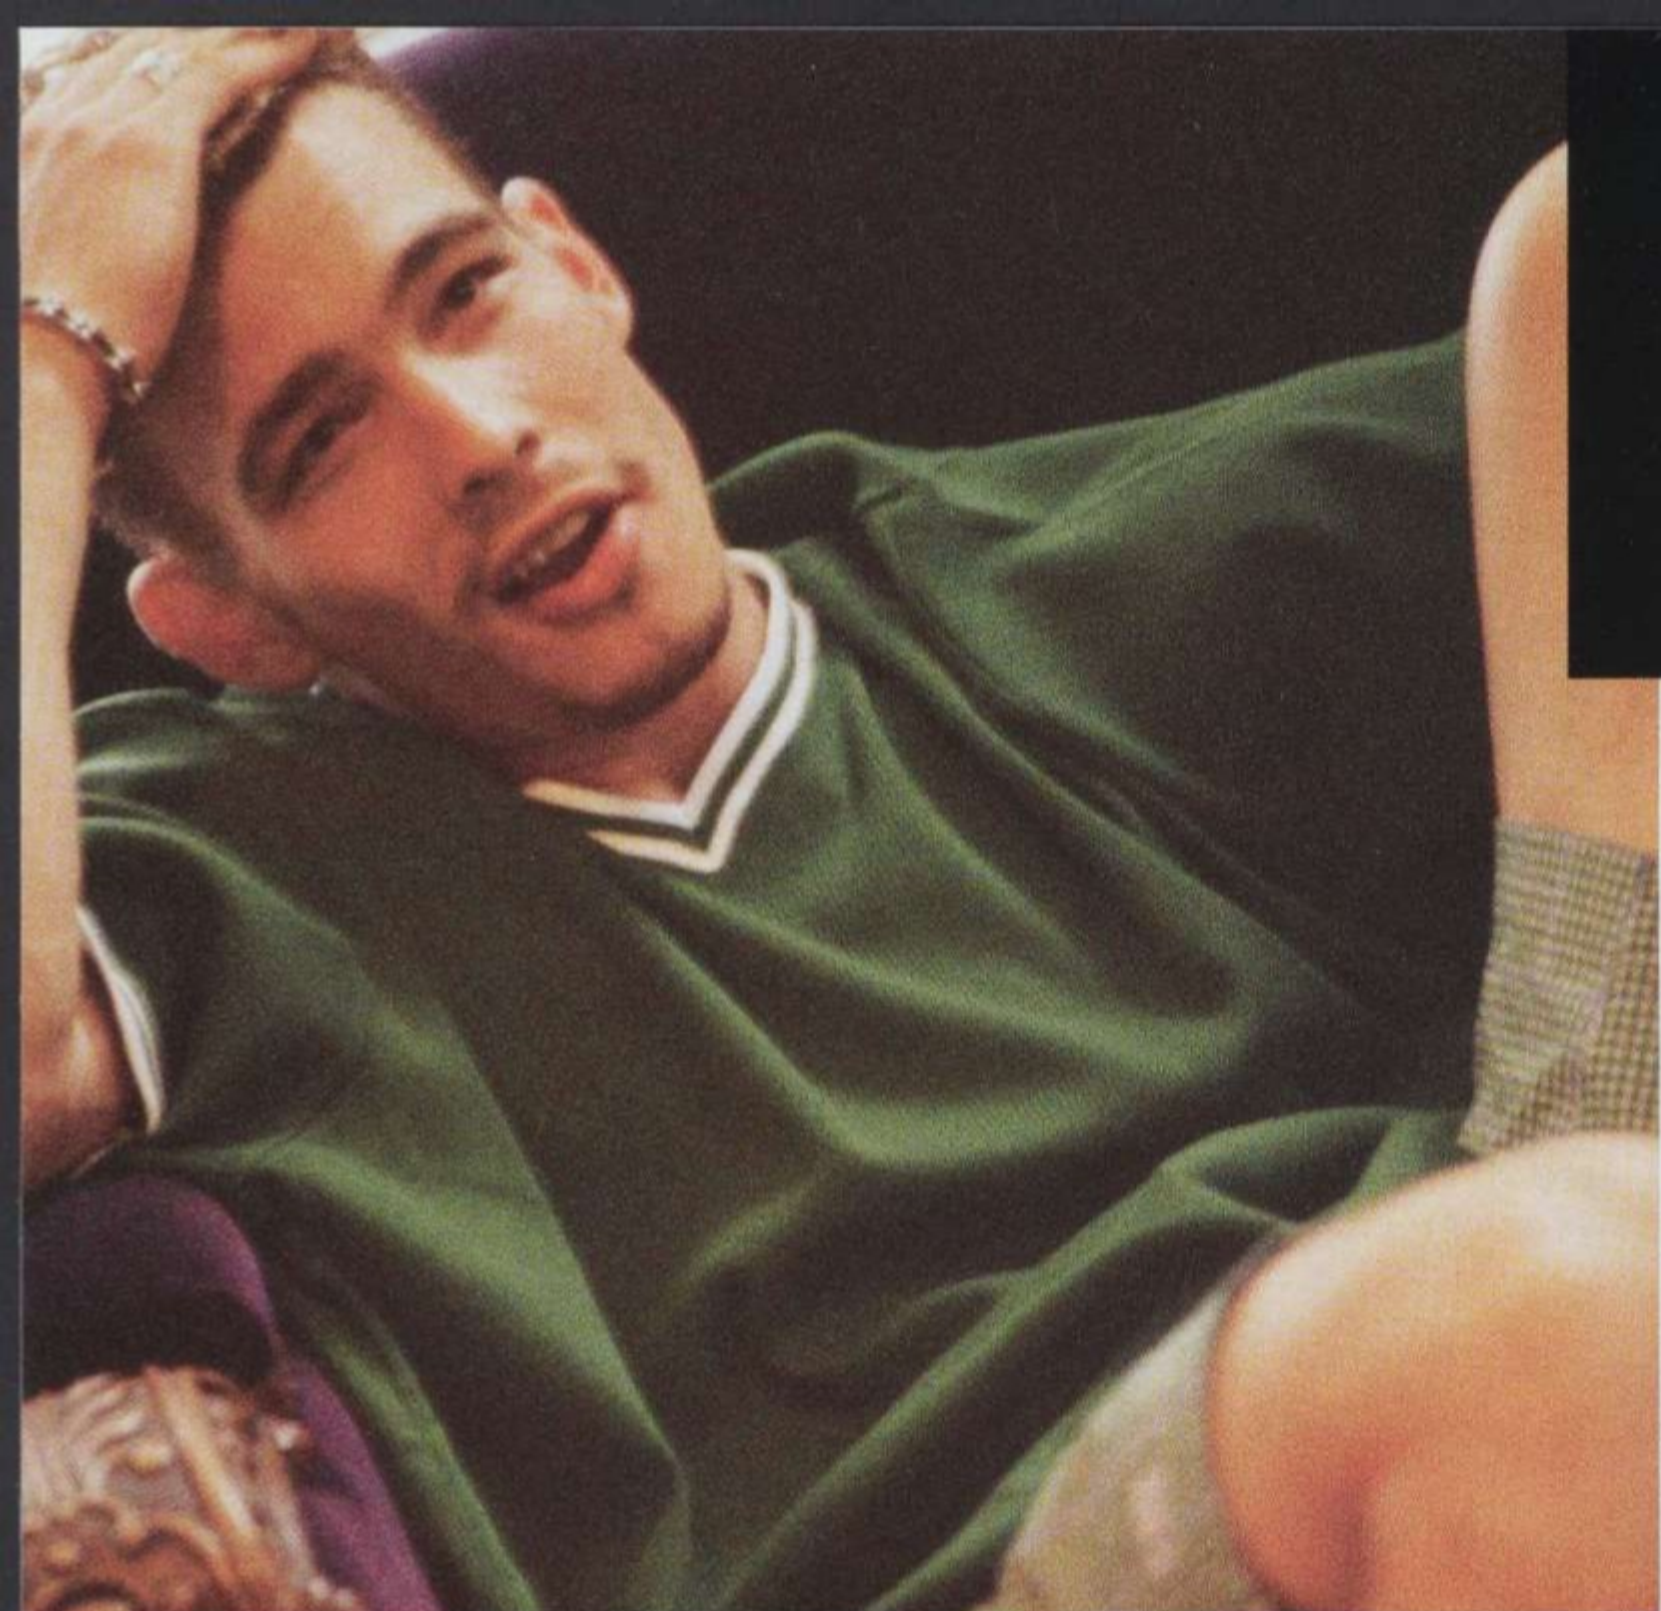

Living without *focus* is only existing...

A Focus without Ford Accessories is just a car...

...So put your car back in focus by personalizing it with Ford Accessories. The accessories in this catalog are designed specifically to enhance the Focus experience. We offer trim kits to dress-up your interior with spoilers and chrome exhaust trim available to tweak the exterior styling. We have floor mats to help protect your carpeting and cargo organizers and convenience nets to help you keep things secured. Front end covers and splash guards are available to help protect the exterior finish on your car. Roof racks add utility to your new Focus. Air conditioning, speed control and even a leather-wrapped steering wheel are available to make your everyday driving even more enjoyable!

Take a few minutes to browse through our catalog and see if we have anything for you. Chances are you'll focus in on something...

1. LEATHER WRAPPED STEERING WHEEL

Enhance your driving experience with the feel of genuine leather. Our Leather Wrapped Steering Wheel is manufactured to original equipment specifications and your car will look like it came from the factory equipped with it. Wheel is offered in colors to match your car's interior, available with or without speed control. Installation by your Ford dealer recommended.

Base Part No: 3600
Available For: All

2. SPEED CONTROL

Our integrated microprocessor-based controller and actuator automatically adjusts the throttle to maintain the desired cruising speed. System automatically disengages when the brake or clutch pedals are depressed. Controls are conveniently located on the steering wheel for easy, fingertip control of all functions. Includes a leather wrapped steering wheel for added comfort. Constructed of original equipment parts for that factory-installed look and performance.

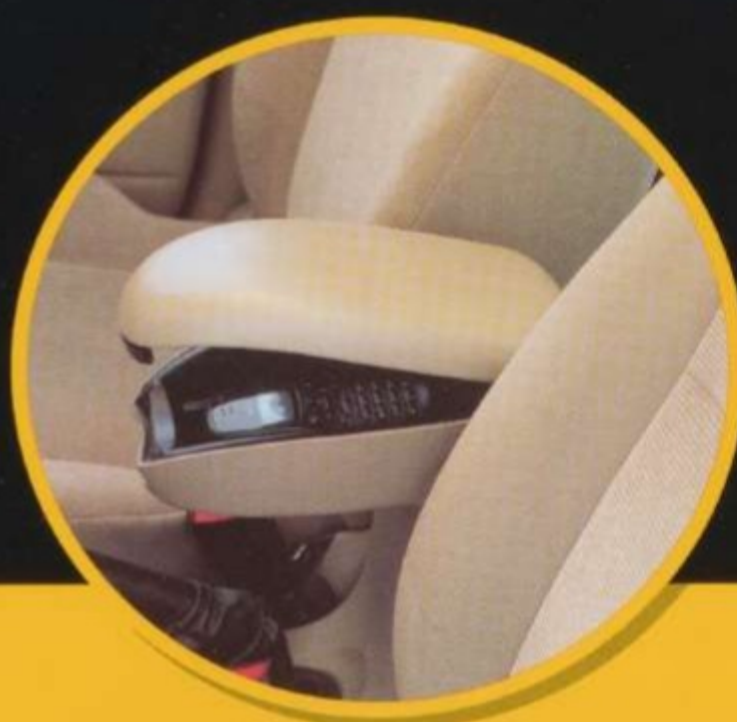

Base Part No: 9A818
Available For: All

3. INTERIOR TRIM KITS

Dress-up the interior of your car with an Interior Trim Kit. Available in simulated Burlwood, Carbon Fiber or Alloy-lock (not shown) finishes. Designed for a precision fit, our Trim Kits fit the contours of your center dash panel and door pull handles. The 3M adhesive backing provides a secure bond and an innovative topcoat guards against fading. (Burlwood Woodgrain trim is not intended for use with gearshift knob or handbrake cover.) Easy to install.

Base Part No: 5404288
Available For: All
(Woodgrain and Carbon Fiber only for 3-door)

4. ARMREST/CONSOLE

If you need a spot to store your cell-phone or sunglasses on those cloudy days, our Armrest/Console provides the perfect storage space. Offering an original equipment appearance, our Armrest/Console is constructed of a durable "soft-touch" padded lid for added comfort. Flips up between the seats when not in use. Available in colors to match the interior of your Focus.

Base Part No: 54045A36
Available For: All

5. CHROME EXHAUST TRIM

Put a finishing touch to your exhaust pipe with our Chrome Exhaust Trim. Slips over the end of the exhaust pipe, adding a classy look to your car. Constructed of nickel-plated steel for long life. Easily installed, no drilling required.

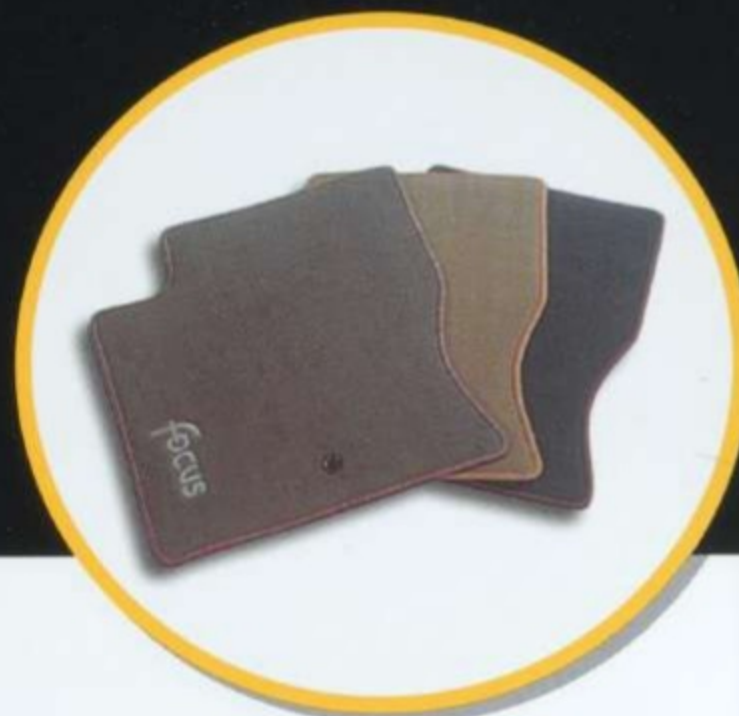

Base Part No: 5K238
Available For: All

6. REAR SPOILER

Complement the sporty good looks of your new car with one of our Rear Spoilers. Offered in most factory colors. Our Rear Spoilers are manufactured to precision original equipment specifications for that factory-installed look. Installation by your Ford Dealer recommended.

Base Part No: 5444210
Available For: Sedan only

7. CARPETED FLOOR MATS

Custom fit to the contours of your car's floor, our Carpeted Floor Mats feature premium 18-oz. carpeting with your vehicle's name embroidered along the sides of the front mats. Driver's side mat has a positive retention feature and all mats have a special nibbed backing to help prevent mat from sliding. Offered in sets of two for the front or rear.

Base Part No: 5413086 - Front
5413106 - Rear
Available For: All

8. MOLDED VINYL FLOOR MATS

Our Molded Vinyl Floor Mats feature a molded grid pattern that collects water, slush, mud and dirt to help shield your vehicle's carpeting from soil and stains. The driver's side mat has a positive retention feature, and all mats have a special nibbed backing to help keep them in place. Mats are offered in colors to match your car's interior. Rugged vinyl construction ensures years of service. Sold in sets of two for the front or rear.

Base Part No: 1513086 - Front
5413106 - Rear
Available For: All

9. UNIVERSAL FLOOR MATS

Available with or without the Ford Oval logo, our Universal Floor Mats are constructed of a durable polypropylene carpet fiber and are offered in a wide variety of colors to match or complement your car's interior. The driver's side mat has a positive retention feature; all mats have a nibbed backing to help keep them in place. Sold in sets of four for the front and rear.

Base Part No: 5413300
Available For: All

10. FLAT SPLASH GUARDS

Flat Splash Guards offer an economical way to help protect the sides of your vehicle from the stones, gravel, mud and other debris that inevitably gets thrown up by your tires. Constructed of a durable thermoplastic, each kit includes two splash guards with the vehicle's name or logo embossed into the guards, installation instructions and all hardware. Easily installed.

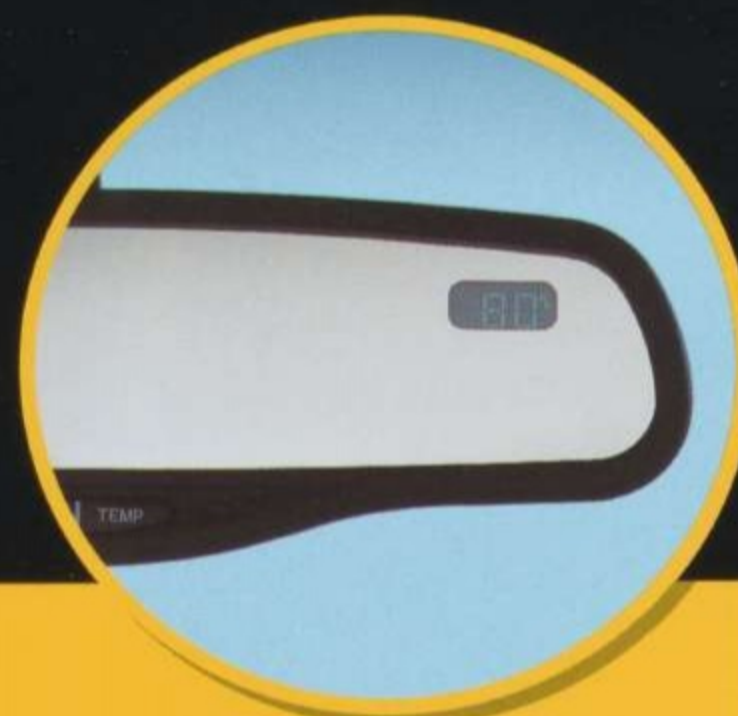

Base Part No: 16A550
Available For: All

11. ELECTROCHROMIC COMPASS MIRROR

Our Electrochromic Compass Mirror not only tracks the direction you're heading, but will also automatically "dim" the mirror when headlight glare from the car behind you is detected. LCD display in the upper right hand corner of the mirror shows compass heading. Installation by your Ford dealer recommended.

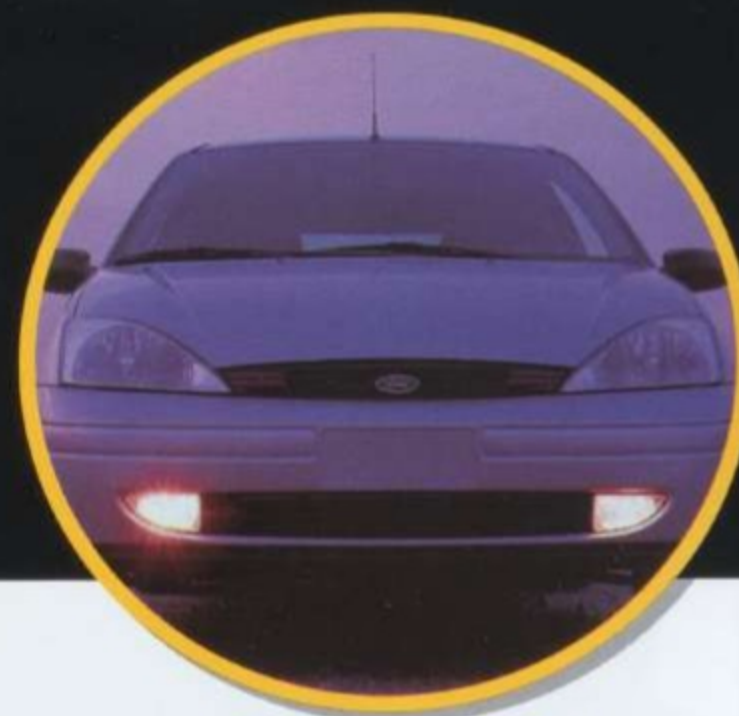

Base Part No: 17700
Available For: All

12. ELECTROCHROMIC COMPASS MIRROR WITH TEMPERATURE DISPLAY

Works like our Electrochromic Compass Mirror, but with the additional feature of an outside temperature display. Switch allows you to toggle between compass and temperature readings. Thermometer can be set up to read either Fahrenheit or Celsius scales. Installation by your Ford dealer recommended.

Base Part No: 17700
Available For: All

13. INTEGRAL FOG LIGHTS

Our Integral Fog Lights penetrate fog, snow and rain to help make you more visible to other motorists and help improve driving safety. Designed to mount in the lower fascia of your car's front bumper, original equipment design ensures proper fit. Installation by your Ford dealer recommended.

Base Part No: 15200 - Lamp Kit
Available For: All

14. DAYTIME RUNNING LIGHTS

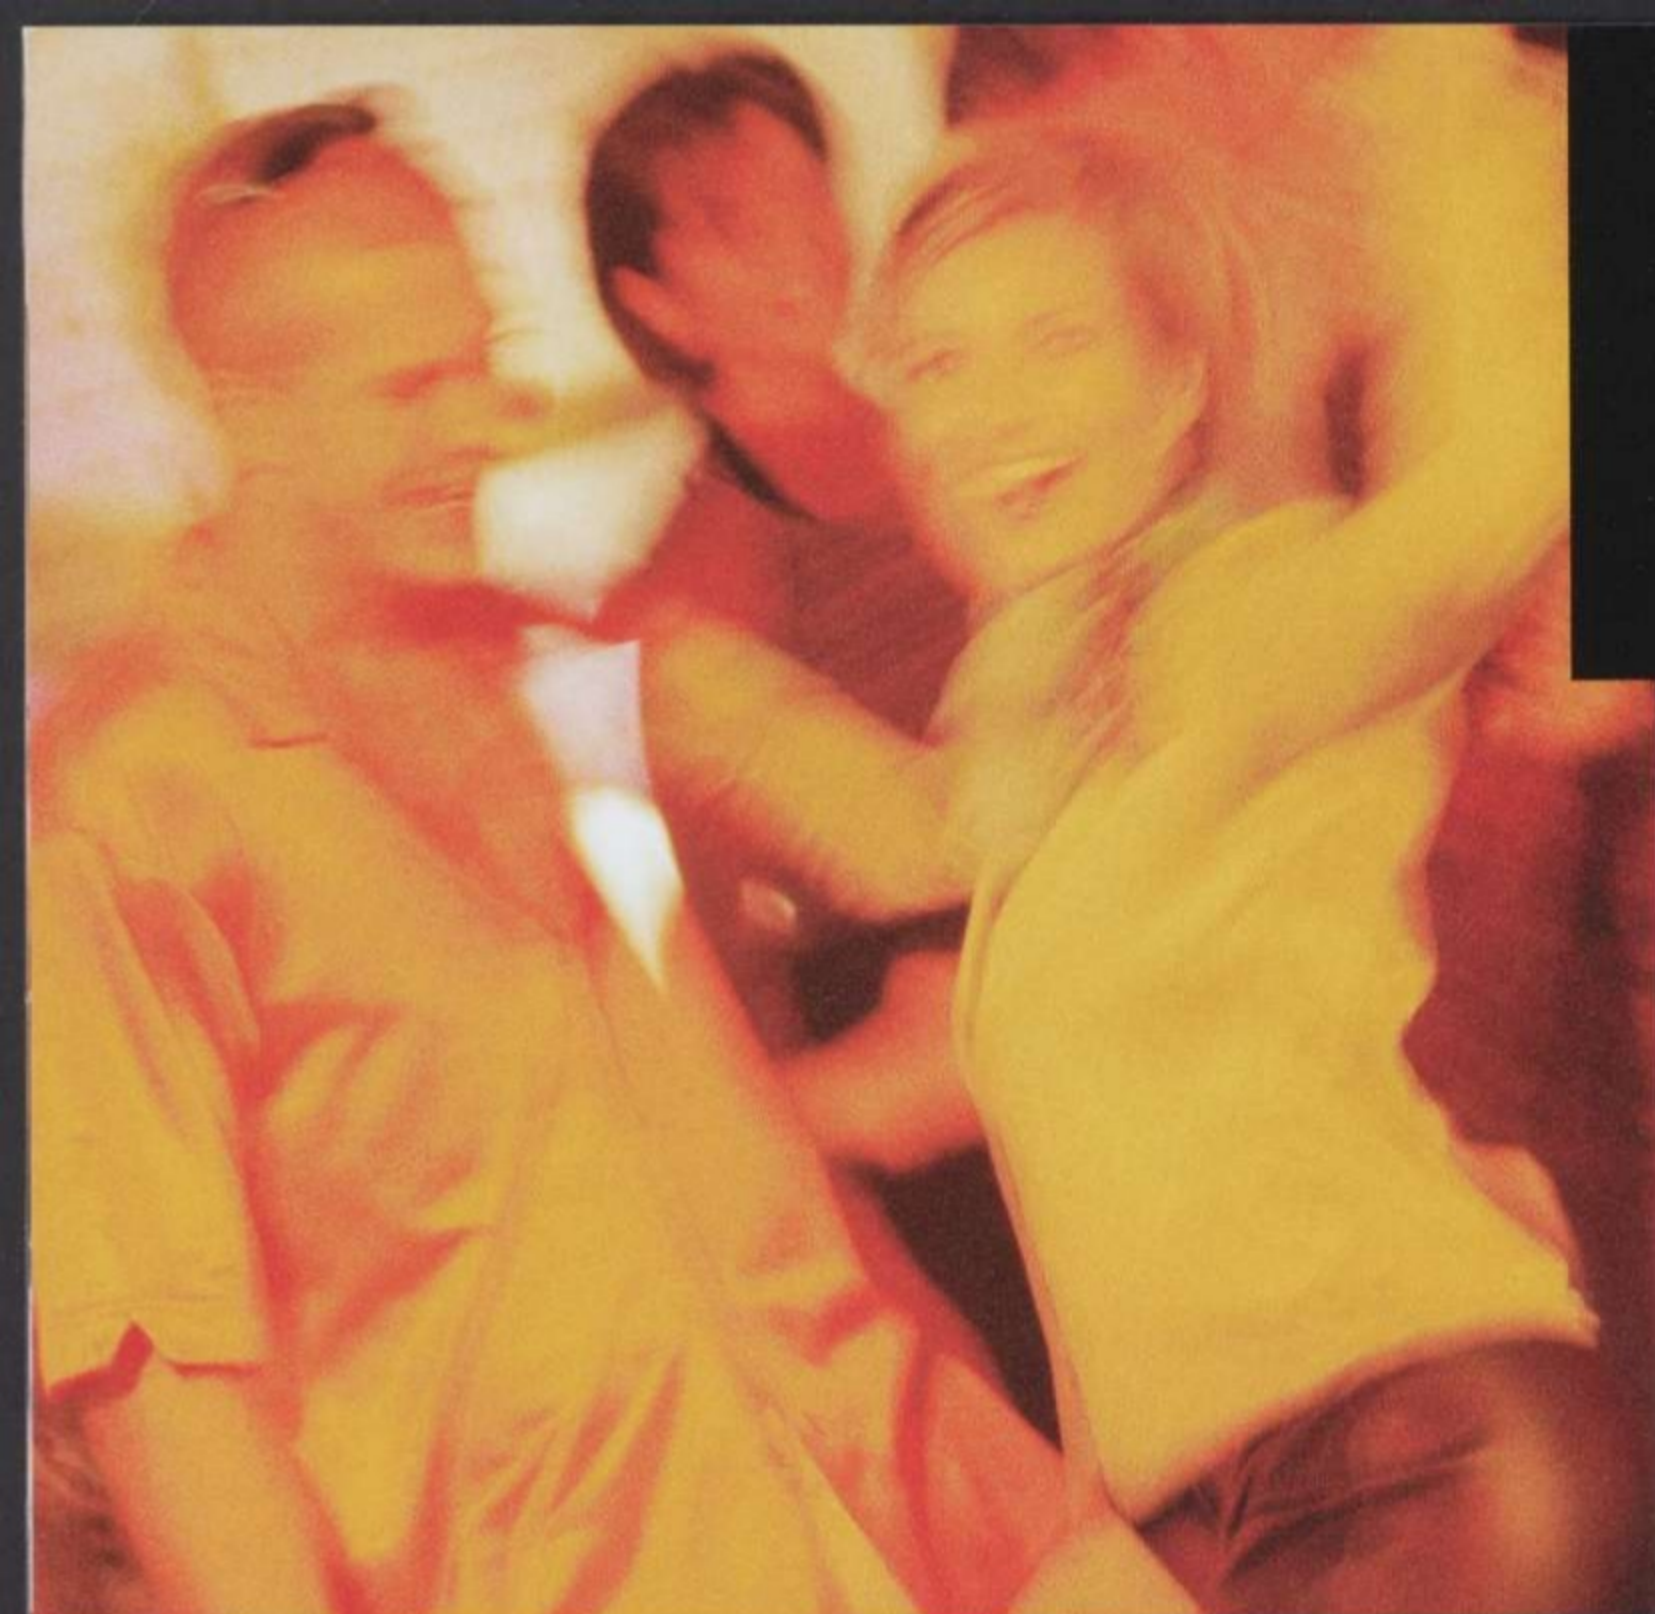

Help make your car more visible to other motorists with our Daytime Running Lights. When installed, our system automatically activates the vehicle's low-beam headlamps at 75% of normal operating power whenever the ignition is in the "on" position. Engineered for complete integration with your car's electrical system, installation by your Ford dealer is recommended.

Base Part No: 13B218
Available For: All

15. AUTOMATIC HEADLAMP SYSTEM

Bring light to the night without having to turn on a switch with our Automatic Headlamp System. System is designed to integrate with your car's headlamp switch, and once set, will automatically turn on your headlamps whenever darkness is sensed. Time delay feature leaves the lights on after parking the car so you won't have to walk to your house in the dark. Also has a Daytime Running Light feature that can be activated prior to installation that will make your car more visible to other drivers during the day. Installation by your Ford dealer recommended.

Base Part No: 13B218
Available For: All

16. AIR CONDITIONING*

Keep yourself cool on those hot summer days with our Dealer Installed Air Conditioning. Designed for integration with your car's electronics and ventilation systems. Our Air Conditioning system uses R-134a, a chlorofluorocarbon-free refrigerant that does not harm the Earth's ozone layer. Eligible for Extended Service Plan coverage, see your Ford dealer for information.

Base Part No: 19B968
Available For: All

19. VEHICLE SECURITY SYSTEM*

Help protect your car and its contents from theft with our Vehicle Security System. Our systems include 2 hand-held remotes, a control unit and a 125dB siren. Features include illuminated entry which turns on the dome lights when using the remote unit to lock or unlock the vehicle, passive starter kill, valet parking mode switch, and a one button panic/personal protection button that automatically activates the alarm when pressed. Installation by your Ford dealer recommended.

Base Part No: 19A361
Available For: All

Note: Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces.

20. KEYLESS ENTRY SYSTEM*

Our Remote Keyless Entry System allows you to lock and unlock the doors from up to 50 ft. (15 m) away — especially convenient when it's raining or your hands are full! System features remote illuminated entry which turns on the dome light when system is activated, one button personal protection panic button which activates the vehicle's horn when pressed. Doors automatically lock when vehicle is turned on. System includes 2 hand-held remotes. Installation by your Ford dealer recommended.

Base Part No: 54220K51
Available For: All

21. FULL FRONT END COVER

Help protect the front end of your new car from stones, gravel, salt or other road debris with a Full Front End Cover. Custom fit to complement the aerodynamic styling of your car. Constructed of a heavy-duty, ultraviolet ray resistant 22-oz. vinyl with a soft flannel backing. Easy to install or remove, our multi-piece design allows the hood to be opened without removing the cover. The vehicle name or logo is embossed above the driver's side headlamp.

18. HAND BRAKE COVERS

If you're individualizing your new car, you may want to consider adding a tasteful Handbrake Cover. Offered in simulated Dutch Elm Woodgrain, Gunmetal Grey, and Alloy-Look for all models. Easy to install, simply slide-off the existing cover and replace with the new one.

Base Part No: 2760

Available For: All

22. MINI-MASK FRONT END COVER

Our Mini-Mask Front End Cover helps shield the leading edge of your vehicle's hood and front fenders from stones, gravel, salt and other road debris. Constructed of a heavy-duty, ultraviolet ray resistant 22-oz. vinyl with a soft flannel backing. Easy to install or remove, our multi-piece design allows the hood to be opened without removing the cover. The vehicle name or logo is embossed above the driver's side headlamp.

Base Part No: 19A413

Available For: All

23. REMOVABLE ROOF RACK BY YAKIMA

Our easy-to-install Removable Roof Rack allows you to carry skis, snowboards, bikes or luggage when you purchase the carriers (sold separately). The soft, non-skid footpads help prevent damage to the roof's surface. Integral locks help guard against theft. Kit includes all hardware, tools and installation instructions.

Base Part No: 5455100
Available For: Sedan, 3-door

24. CRANK ARM BIKE CARRIER BY YAKIMA

If you're using one of the new full-suspension mountain bikes, conventional frame-mount bike carriers might not work for you. Our Crank Arm Bike Carrier can accommodate almost any bike because it grabs the bicycle's crank arm. Overcenter wheel straps hold wheels in place. Integral lock helps guard against theft. For use with our Removable Roof Rack or Raised Cross Bars (sold separately).

Base Part No: 7855100
Available For: All

25. FORK MOUNT BIKE CARRIER BY YAKIMA

You can take your bikes along on your next vacation and mount them securely to your roof rack using our Fork Mount Bike Carrier. Easily installed and removed, this carrier uses a locking 9 mm long-throw skewer which opens to accommodate the fork and works as a true quick-release. Each carrier holds one bike and includes an integrated lock for added security. For use with our Removable Roof Rack or Raised Cross Bars (sold separately). Front Wheel Holder is available and sold separately.

Base Part No: 7855100 - Bike Carrier
7850148 - Wheel Holder
Available For: All

26. FRAME MOUNT BIKE CARRIER BY YAKIMA

On your next mountain biking adventure, you can haul your bikes to the trailhead with our Frame Mount Bike Carrier. Each carrier holds one bike and features a locking arm with a durable Kraton™ padding that clamps onto the downtube of the bicycle and protects the bike's finish. Built-in cable guides guard against damage to brake or shifter cables. Overcenter wheel straps hold wheels securely in place, and integral locks add security. Fits our Removable Roof Rack or Raised Cross Bars (sold separately) or the factory rack on wagon models.

OUTSTANDING QUALITY AND ATTENTION TO DETAIL

When you personalize your vehicle with Ford brand accessories, you can be confident of the outstanding quality and attention to detail that goes into each accessory. Ford accessories are designed, engineered, tested and approved specifically for your vehicle. Each Ford accessory receives:

- Our strong commitment to quality, value and integrity
- Engineering and design that blends seamlessly with your vehicle
- Rigorous testing to ensure each accessory meets Ford original equipment standards
- Excellent warranty coverage

In addition, many accessories purchased and installed by the dealer at lease inception are eligible for residualization under the provisions of a Ford Credit Red Carpet Lease. Which means you can pay for the accessory with your monthly lease payment and there will be some residual value left at the end of the lease term.

EASY TO ORDER

All Ford accessories are available from your local Ford dealer. Prices shown in this catalog are manufacturer's suggested retail prices only - actual prices may vary by dealer. Prices shown in this catalog do not include installation, labor, painting (if required) or taxes.

LIMITED WARRANTY INFORMATION

Ford Motor Company will repair or replace any properly dealer-installed Ford accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides you the greatest benefit:

- 12 months or 12,000 miles (20,000 km) - whichever occurs first, or
- The remainder of your new vehicle limited warranty

This means that Ford accessories purchased along with your new vehicle and installed by the dealer are covered for the full length of your new vehicle's limited warranty - 3 years or 36,000 miles/60,000 km (whichever occurs first). Contact your dealer for details and a copy of the warranty.
