

LINCOLN LS

ACCESSORIES

The all new Lincoln LS is the newest member of the Lincoln family of vehicles. These contemporary luxury sedans were designed to spoil you with luxurious interior appointments in a fun-to-drive package. Whether you selected a V-6 or V-8 model, you can be assured that Lincoln quality went into every one we built. Our line-up of Lincoln Brand Accessories is the same way. We offer convenience items like organizers and cargo nets; security items like wheel and air bag lock kits as well as our vehicle security systems; and we offer appearance items like our front end covers.

So take a few minutes to look through this catalog and see what our product line-up can do for YOU! Then visit your local Lincoln dealer who'll be happy to get you the products you want, provide installation if needed, and of course, tell you about our exclusive Lincoln Brand Accessory limited warranty.\*\*

#### Luggage/Cargo Basket 1

Our removable Luggage/Cargo Basket provides you with additional cargo carrying capacity for your next road trip. Constructed of a heavy-duty vinyl-covered steel mesh, its approximate measurements are 30" X 42" X 2" tall (76 cm X 107 cm X 5 cm). A stretch net is included to secure your extra cargo. Installs in minutes on our Removable Roof Rack (sold separately).

#### Diagonal Ski Carrier 2

Our Diagonal Ski Carrier holds up to four pairs of skis for your next trip to the ski lodge. Easy to install on our Removable Roof Rack (sold separately) with no tools required. Carrier features a soft rubber padding to protect the finish on your skis from nicks and scratches, while the integral locks help guard against theft.

#### Horizontal Ski Carriers 3

If you're into winter sports, our ski/snowboard carriers can help you carry your equipment to and from the slopes. Our Horizontal Ski Carriers are available in two sizes and are easily installed on our Removable Roof Rack (sold separately) without using tools. The small carrier can hold up to four pairs of skis or two snowboards; the large carrier can hold up to six pairs of skis or three snowboards. Each carrier features a soft rubber padding to protect the finish of your skis, integral locks help provide added security. A special Snowboard Adapter (sold separately) that keeps the bindings from contacting the roof is recommended for carrying snowboards.

#### 4 Removable Roof Rack

Our easy to install Removable Roof Rack forms the base on which you can add our ski, snowboard, bike or luggage carriers (sold separately). The soft, non-skid footpads prevent damage to the roof's surface. Integral locks help guard against theft. Kit includes all hardware, tools and installation instructions.

#### 5 Fork Mount Bike Carrier

You can take your bikes along on your next vacation and mount them securely to your roof rack using our Fork Mount Bike Carrier. This carrier uses a locking 9 mm long-throw skewer which opens to accommodate the fork and works as a true quick release. Each carrier holds one bike and includes an integral lock for added security. Front Wheel Holders are available and sold separately. Install in minutes on our Removable Roof Rack (sold separately).

#### 6 Frame Mount Bike Carrier

On your next mountain biking adventure, you can haul your bikes to the trailhead with our Frame Mount Bike Carrier. Each carrier holds one bike and features a locking arm that clamps on to the downtube of the bike with a durable Kraton™ padding that protects the bike's finish. Built-in cable guides guard against damage to the brake or shifter cables. Over center wheel straps hold wheels in place and integral locks add security. Installs in minutes on our Removable Roof Rack (sold separately).

#### 7 Crank Arm Bike Carrier

If you're using one of the new full suspension mountain bikes, conventional frame-mount bike carriers might not work for you. Our Crank Arm Bike Carrier can accommodate almost any bike because it grabs the bicycle's crank arm. Over center wheel straps hold wheels in place. Integral lock helps guard against theft. Installs in minutes on our Removable Roof Rack (sold separately).

**Engine Block Heater** 8

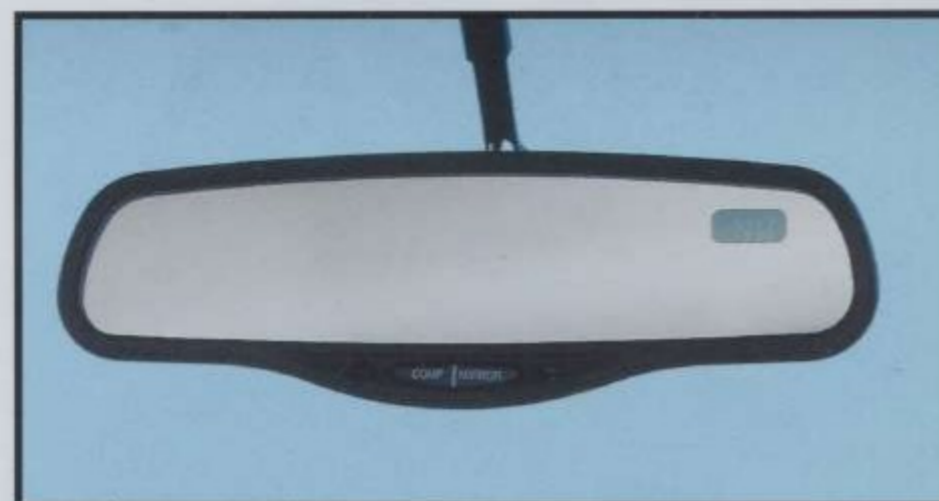

If you live in a cold climate, our Engine Block Heater can help ensure that your Lincoln LS is ready to go when you are. Unit helps keep the coolant in your car's block warm for easier starting, quicker warm-ups, less fuel waste and battery drain. Use a grounded extension cord (not included) to connect the heater to any 110 volt power source.

**Woodgrain Gear Shift Knob** 9

If you prefer the look of woodgrain on your shifter, you can swap your shift knob for one of our woodgrain models. Made of genuine straight-grained walnut and protected by a durable polymer finish. Shift pattern is embossed on top of knob.

**Electrochromic Compass Mirror** 10

Our Electrochromic Compass Mirror not only tracks the direction you're heading, but will also automatically "dim" the mirror when headlight glare from the car behind you is detected. LCD display in the upper right hand corner of the mirror shows compass heading. Installation by your Lincoln dealer recommended.

**11 Moonroof Air Deflector**

An open moonroof is the next best thing to a convertible, but at highway speeds, the wind buffeting can be somewhat bothersome. To help reduce wind buffeting, install our Moonroof Air Deflector. Constructed of a durable acrylic for long life. Easy to install using the self-adhesive strips included in the kit.

**12 Mini-Mask Front End Cover**

Protect the leading edge of your new car's hood from stones, gravel, salt and other road debris with our Mini-Mask Front End Cover. Constructed of a heavy-duty vinyl with a soft flannel backing. Easy to install or remove, our multi-piece design allows the hood to be opened without removing the cover. Features the Lincoln Logo embossed above the driver's side headlamp.

**13 Cargo Convenience Net**

While you're enjoying the precision handling of your new Lincoln LS, you might consider one of our Cargo Convenience Nets to help keep the things you carry in the trunk from sliding around. Our envelope style net can easily hold sporting equipment, groceries or your other day-to-day cargo. Made of a soft, braided cording that stretches easily to hold bulky or odd-shaped items. The soft cording won't scratch finished surfaces, either. Installs in minutes using the special anchors included in the kit.

**14 Trunk Cargo Organizer**

Keep your trunk neatly organized with our Cargo Organizer. Crafted from a premium grade polyethylene and featuring a removable and adjustable divider system to help separate and secure your belongings. Our lightweight organizer is extra deep to help protect your car's trunk from accidental spills and it's washable, too. Easily installed — no tools required.

**15 Molded Cargo Tray**

Protect the inside of your trunk from soil and spills with our Trunk Cargo Tray. Constructed of a heavy-duty polyethylene blend, our liner is shaped to fit the contours of your car's trunk. Raised lip contains spills. Easy to clean with soap and water. Available in black and features an embossed Lincoln logo.

**Molded Splash Guards** 16

Help protect the lower rocker panels of your new Lincoln LS with our Molded Splash Guards. Specially contoured to complement the bodylines of your new car. Heavy-duty construction provides resistance to cracking while deflecting dirt and debris away from the car's finish. Packaged in pairs for either the front or rear. Kits include splash guards, all hardware, and easy-to-follow instructions.

**Premium Carpeted Floor Mats 17**

Help protect your car's carpet from soil, spills and stains with our luxurious Premium Carpeted Floor Mats. Custom fit to the contour of your car's floor, our mats feature premium 21 oz. carpeting with the Lincoln Logo embroidered along the side of the mat. Driver's side has a positive retention feature and all mats have a nibbed backing to help prevent them from moving around. Available in colors to match your interior. Offered in sets of two for the front or rear.

**Carpeted Floor Mats 18**

Custom fit to the contours of your car's floor, our Carpeted Floor Mats feature premium 18 oz. carpeting with "Lincoln" and the Lincoln logo embroidered along the sides of the front mats. Positive retention feature on the driver's side mat helps keep mat from sliding up under the pedals. All mats have a nibbed backing to help prevent sliding. Available in colors to match your interior, sold in sets of two for the front or rear.

**Molded Vinyl Floor Mats 19**

Our Molded Vinyl Floor Mats feature a molded grid pattern that collects water, slush, mud and dirt to help shield your car's carpeting from soil and stains. The driver's side mat has a positive retention feature. And all mats have nibbed backs to help keep them in place. Mats are offered in colors to match your car's interior and are sold in sets of two for the front or rear.

**20 Car Cover**

Help protect your Lincoln LS from the elements with a Car Cover. Our cover is constructed of an advanced technology all-weather fabric and features wind relief vents that help reduce heat build-up and prevent "ballooning" in windy conditions. Built-in draw cords allow you to snug the cover over the car and the cord locks help keep things tight. Convenient carrying bag is permanently attached to the cover.

**21 Vehicle Security System\***

Help protect your car from theft with our Vehicle Security System. Our systems include 2 hand-held remotes, a control unit and a 125dB siren. Features include illuminated entry which turns on the dome lights when using the remote unit to lock or unlock the vehicle, passive starter kill, valet parking mode switch, and a one button panic/personal protection button that automatically activates the alarm when pressed. Installation by your Lincoln dealer recommended.

**22 Styled Wheel Anti-Theft Lock Kit**

Help protect the wheels on your Lincoln LS from theft with our Styled Wheel Anti-Theft Lock Kit. Simply replace one lug nut per wheel with these through-hardened locks for added security. For wheels with exposed lug nuts, select our chrome-plated decorative kit. If the lug nuts are covered, use our economical non-decorative kit. Both kits include four lock lugs and one key.

**23 Reverse Parking Aid**

Our Reverse Parking Aid is a sonar-like system that alerts you to objects in close proximity to the rear of your car when it's in Reverse. Perfect for when you need to parallel park, a dedicated speaker system located in your car's interior "beeps" when objects are detected within 6 feet of your bumper. The beeps become more frequent as you get closer and a continuous tone is given off when you're within 10 inches of an object. Switch allows you to temporarily turn off the system when you're towing a trailer, system automatically reactivates itself when the ignition is turned off. Installation by your Lincoln dealer recommended.

**24 Air Bag Anti-Theft Lock Kit**

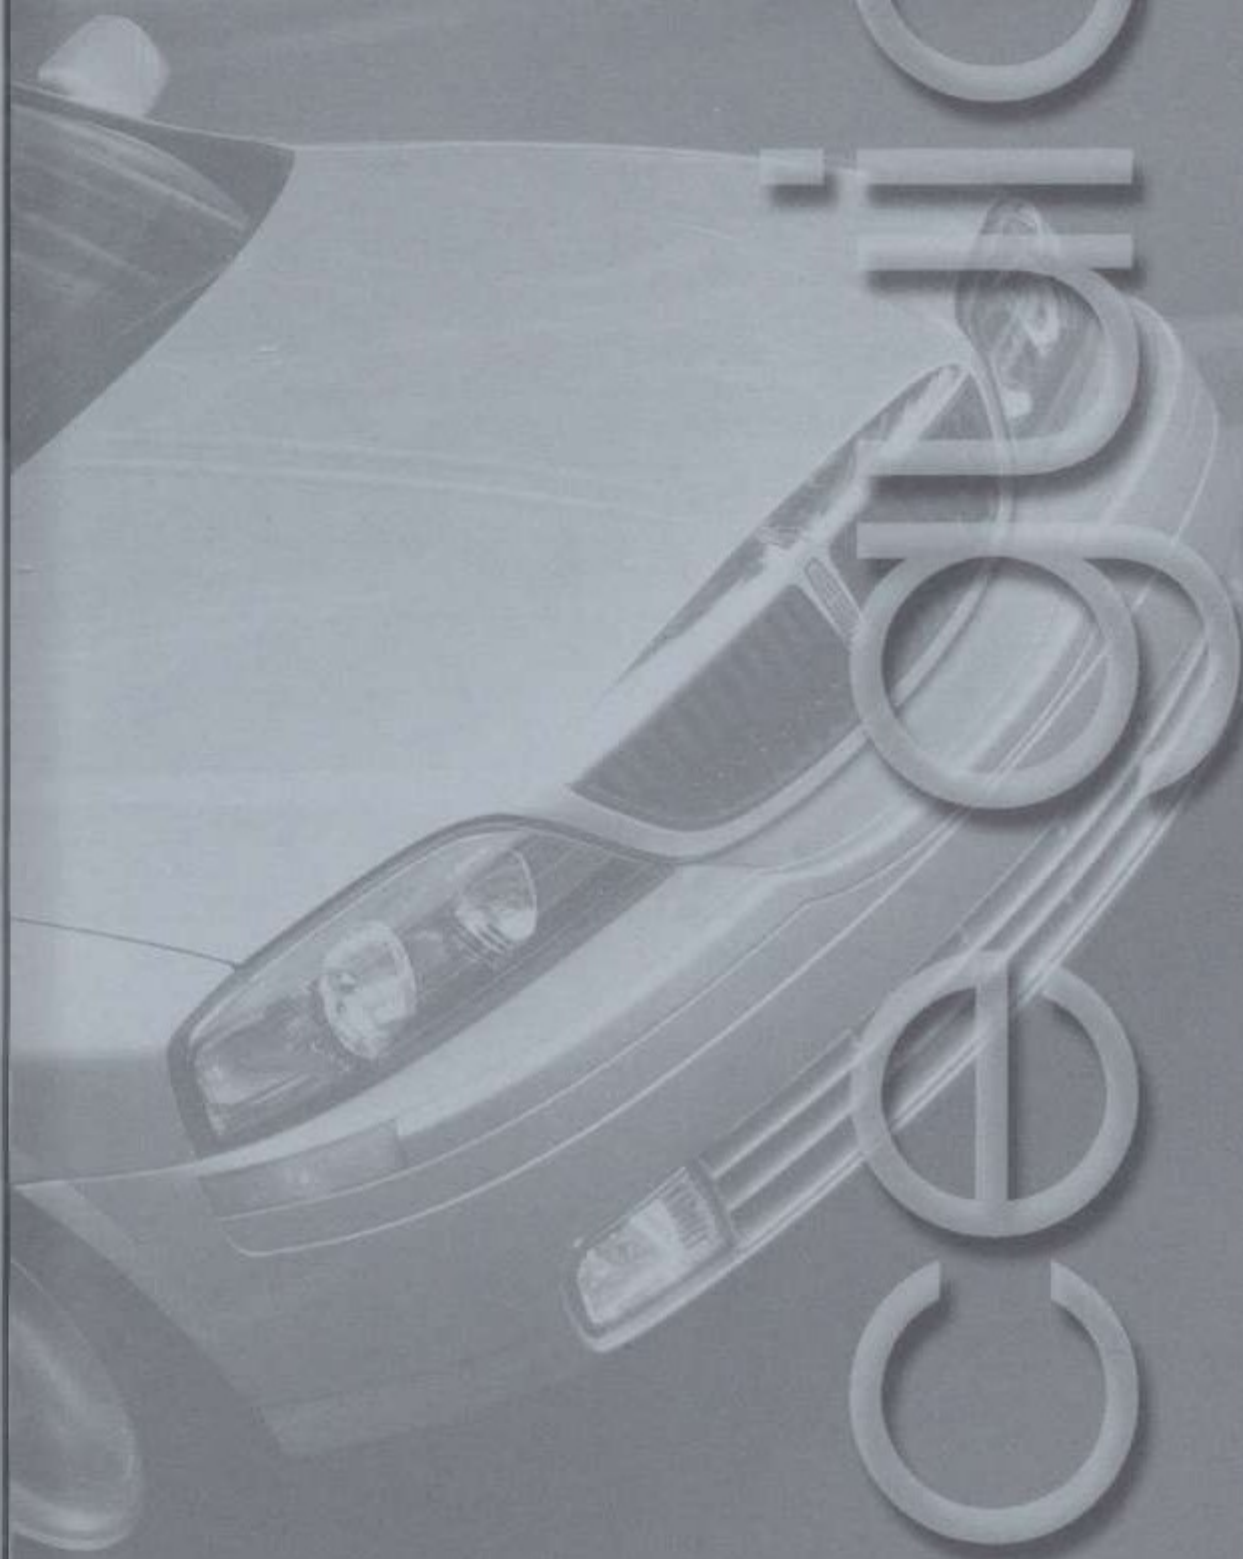

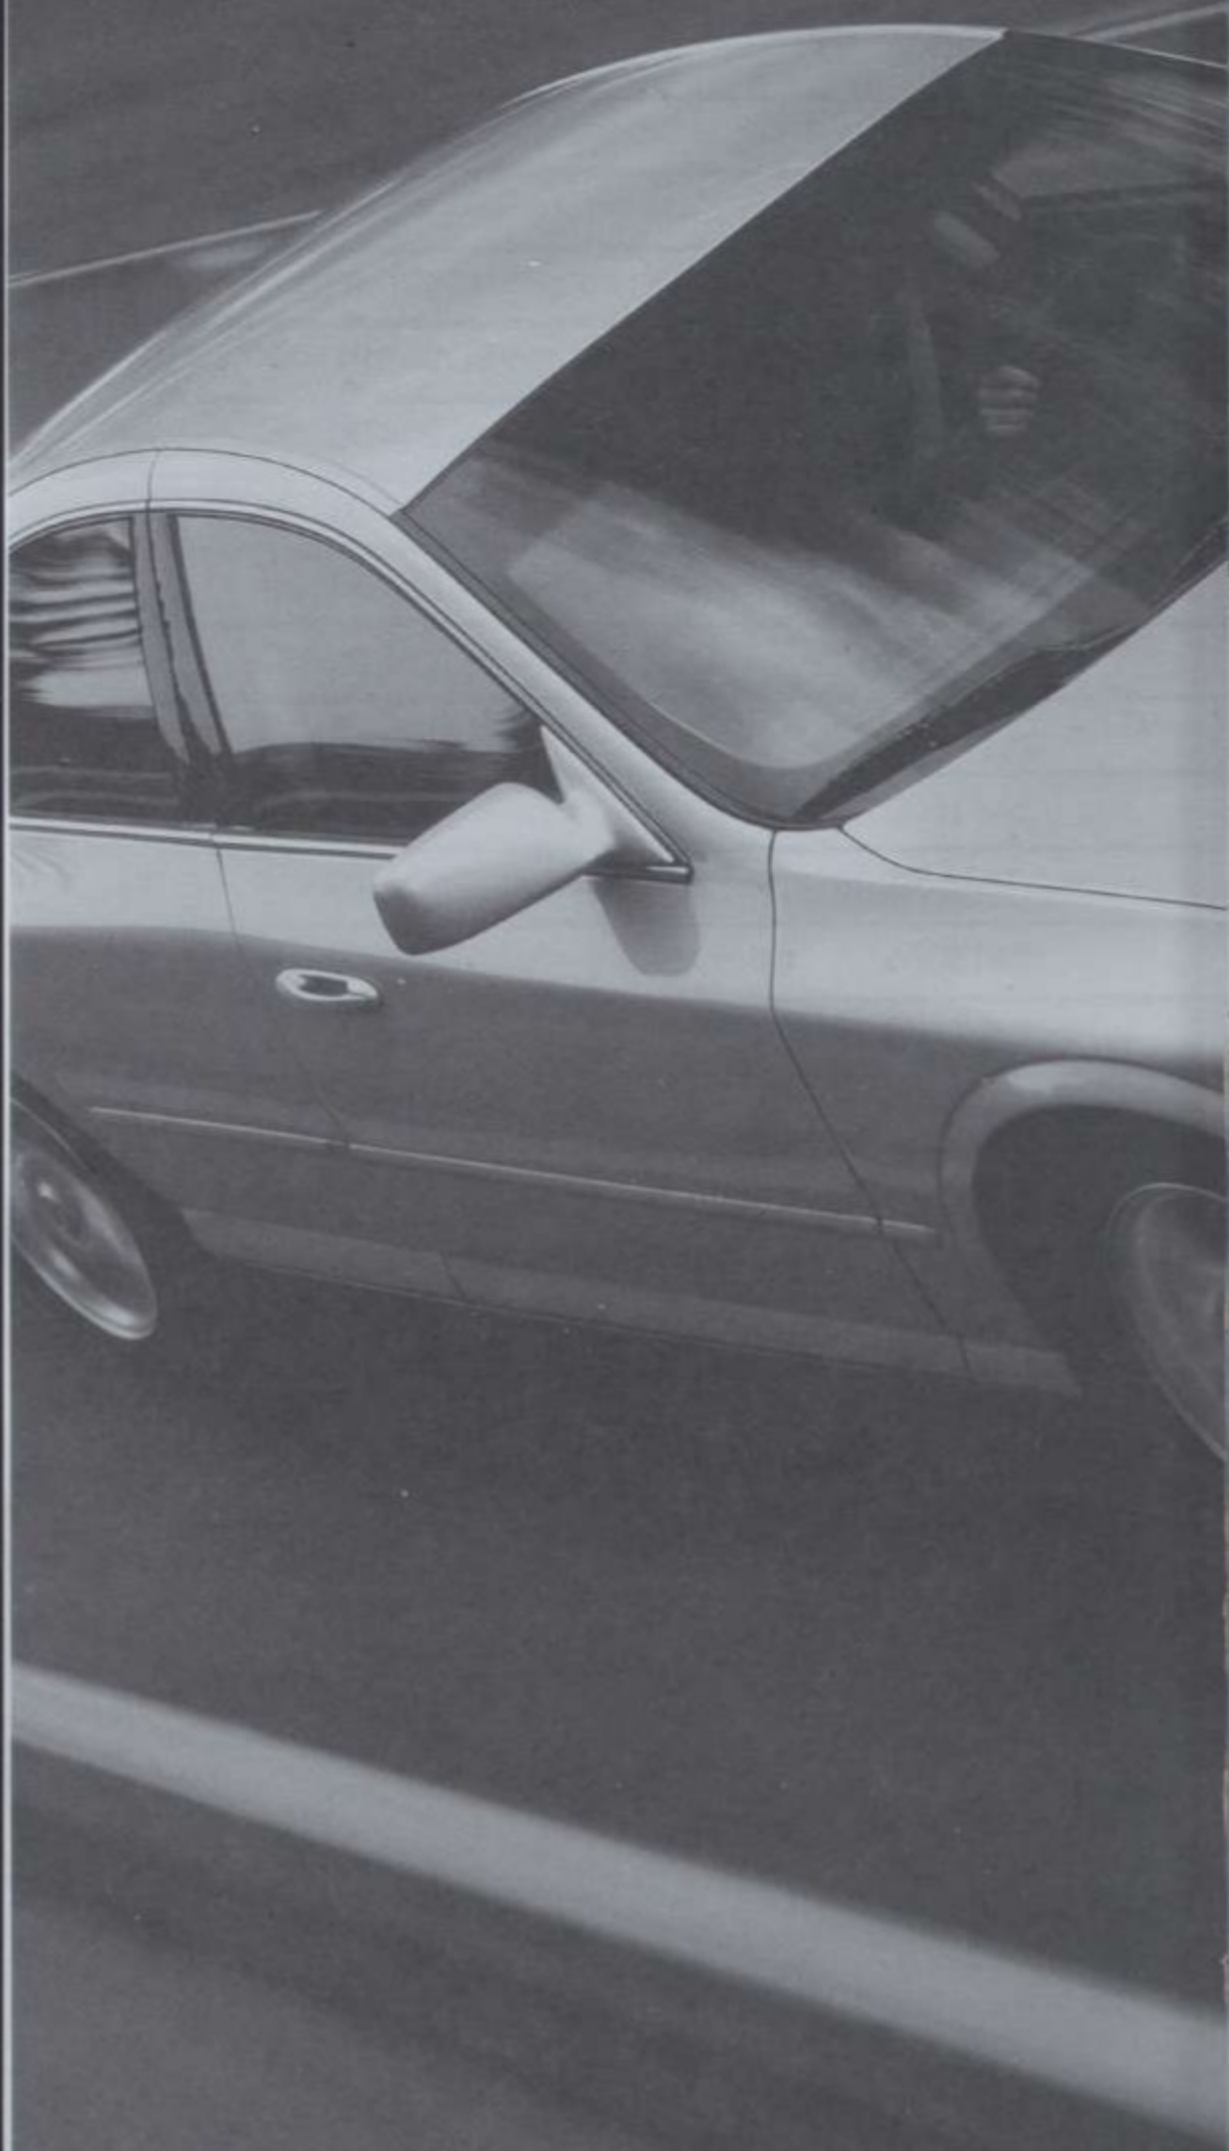

Air bags have become a favorite target of thieves and one way you can guard against the theft of yours is with our Air Bag Anti-Theft Lock Kit. Kit includes specially designed locks and a key to help protect both driver and passenger front air bags. Special window stickers let thieves know you're protected. Installation by your Lincoln dealer recommended.
