Admit it! We'd all like to take a break from the everyday grind. Just get away from everything. You know...in an Escape!

Ford brand accessories has everything you need to make your Escape just the way you want.

Floor Mats and Splash Guards help keep your Escape clean; Racks and Adapters to carry stuff in your Escape, Locks and Security Systems help keep your Escape secure. And we have accessories that add extra style to your Escape. So go ahead. Jump in and drive away from the ordinary. You know... in your Escape!

And all our accessories let you drive your Escape in style... your style.

EXCELLENT QUALITY AND ATTENTION TO DETAIL

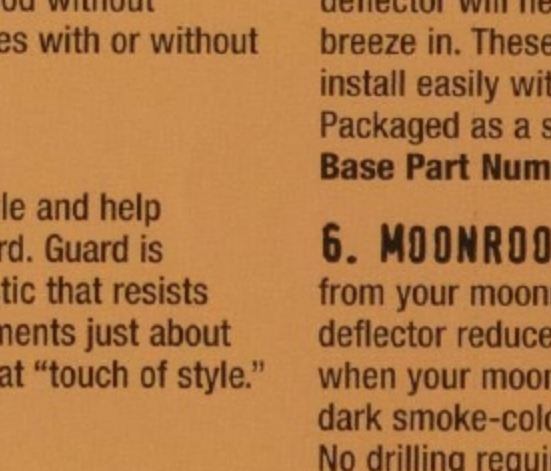

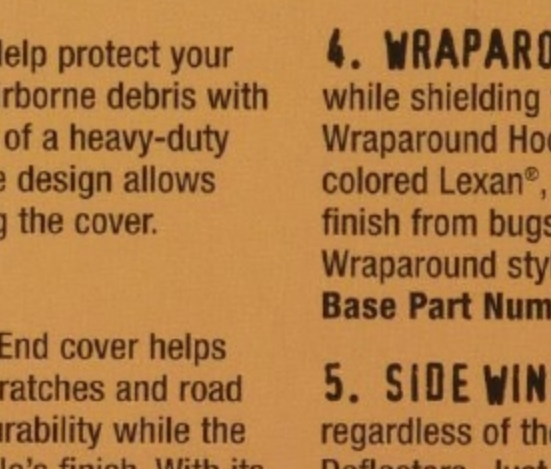

When you personalize your vehicle with Ford brand accessories, you can be confident of the excellent quality and attention to detail that goes into each accessory. Ford accessories are designed, engineered, tested and approved specifically for your vehicle. Each Ford accessory receives:

- Our strong commitment to quality, value and integrity
- Engineering and design that blends seamlessly with your vehicle
- Rigorous testing to ensure each accessory meets Ford original equipment standards
- Excellent limited warranty coverage (see your dealer for a copy)

In addition, many accessories purchased and installed by the dealer at lease inception are eligible for residualization under the provisions of a Ford Credit Red Carpet Lease. That means you can pay for the accessory with your monthly lease payment and there will be some residual value left at the end of the lease term.

EASY TO ORDER

All Ford accessories are available from your local Ford dealer. Prices shown in this catalog are manufacturer's suggested retail prices only. Actual prices may vary by dealer. Prices shown in this catalog do not include installation, labor, painting (if required), or taxes.

1. SPORT FRONT END COVER Help protect your vehicle's finish from stones and other airborne debris with our stylish Sport Front End Cover. Made of a heavy-duty vinyl with flannel backing, the one-piece design allows the hood to be opened without removing the cover.
Base Part Number: 19A414

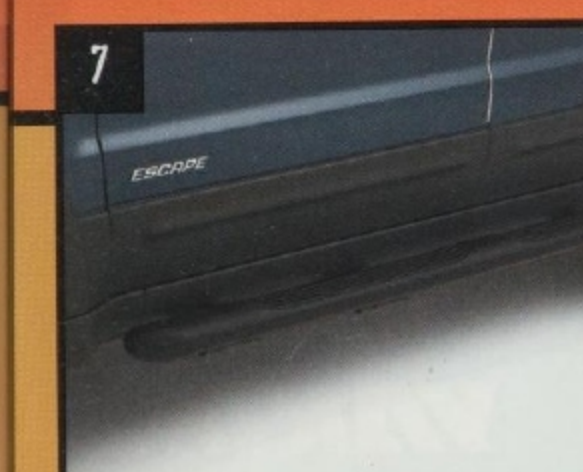

2. FRONT END COVER Our Front End cover helps protect the front of your vehicle from scratches and road debris. The heavy-duty vinyl provides durability while the flannel backing helps protect your vehicle's finish. With its multi-piece design, you can open the hood without removing the cover. Available for vehicles with or without fender flares.
Base Part Number: 19A414

3. GRILLE GUARD* Add some style and help protect the front end with our Grille Guard. Guard is constructed of a rugged yet flexible plastic that resists minor impacts. The black finish complements just about any color and the chrome inserts add that "touch of style." Installs easily with no drilling required.
Base Part Number: 8307

4. WRAPAROUND BUG SHIELD* Add some style while shielding your vehicle's front end with our Wraparound Hood Deflector. Made of a durable smoke-colored Lexan®, our deflector helps protect the vehicle finish from bugs, stones and other road debris. Wraparound styling adds a polished look.
Base Part Number: 16C900

5. SIDE WINDOW DEFLECTORS Enjoy fresh air regardless of the weather with our Side Window Deflectors. Just crack your window and the side window deflector will help keep out rain or snow, while allowing a breeze in. These durable smoke-colored acrylic guards install easily with self-stick adhesive included in the kit. Packaged as a set of 4 for front and rear windows.
Base Part Number: 18246

6. MOONROOF DEFLECTOR Get even more use from your moonroof with our Moonroof Deflector. The deflector reduces wind noise. It also helps keep rain out when your moonroof is partially open. Custom molded dark smoke-colored acrylic deflector installs in minutes. No drilling required.
Base Part Number: 78500K16

7. TUBULAR RUNNING BARS* The same product offered as original equipment, our Tubular Running Bars make entering and exiting your vehicle easier. Constructed of 3" (76mm) round steel tube and featuring step pads, running bars help provide secure footing. By utilizing existing holes in chassis, these bars are easily installed. Available in black finish.
Base Part Number: 16450

8. ACCENT BARS* Give your vehicle a customized look with our brushed aluminum Accent Bars. Constructed of heavy-duty aluminum tubing, they are an attractive addition to your vehicle.
Base Part Number: 16450

9. REAR SPOILER* Add a little extra style to your vehicle with our sporty Rear Spoiler. Designed to complement your vehicles lines and good looks, our spoiler is manufactured to precision original equipment specifications for a factory-installed look. Available in colors to match your vehicle exterior. Dealer installation recommended.
Base Part Number: 78500K16

10. REAR BUMPER GUARD These guards install quickly with double-sided adhesive tape (included). Helps protect rear bumper surface from annoying grocery cart dents and scratches. Packaged as a set of two.
Base Part Number: 18419

* Eligible for residualization under a Ford Red Carpet Lease.

11. TRACK RIDER BARS BY YAKIMA Mounts directly to the tracks of your factory rack with no drilling required. Crossbars can hold up to four of our Frame Mount Bike Carriers, and is required for Kayak and Canoe carriers, sold separately. **Base Part Number: 7855100**

12. HORIZONTAL SKI/SNOWBOARD CARRIER BY YAKIMA Our Horizontal Ski/Snowboard Carrier is available in two sizes. The small carrier holds up to 4 pairs of skis or 2 snowboards; the large carrier holds 6 pairs of skis or 3 snowboards. Both racks feature a soft rubber padding to protect the finish on your skis and integral locks to help prevent theft. Both carriers install easily on vehicle's factory roof rack; no tools necessary. (Shown here with snowboard adapter, sold separately). **Base Part Number: 7855100**

13. FRAME MOUNT BIKE CARRIER BY YAKIMA Take your bike along on your next trip with our Frame Mount Bike Carrier. Each one holds one bike and features a locking arm with a durable Kraton® padding that clamps onto the downtube of the bike to protect the finish. Built-in cable guides guard against damage to brake or shifter cables. **Base Part Number: 7855100**

14. FORK MOUNT BIKE CARRIER BY YAKIMA You can take your touring bikes along on your next trip and mount them securely using our Fork Mount Bike Carrier. Easily installed and removed, this carrier uses a locking 9mm long-throw skewer which opens to accommodate the fork for a true "quick release." Each carrier holds one bike and includes an integrated lock for added security. A front wheel holder is available and sold separately. Use with Track Rider Bars (sold separately). **Base Part Number: 7855100**

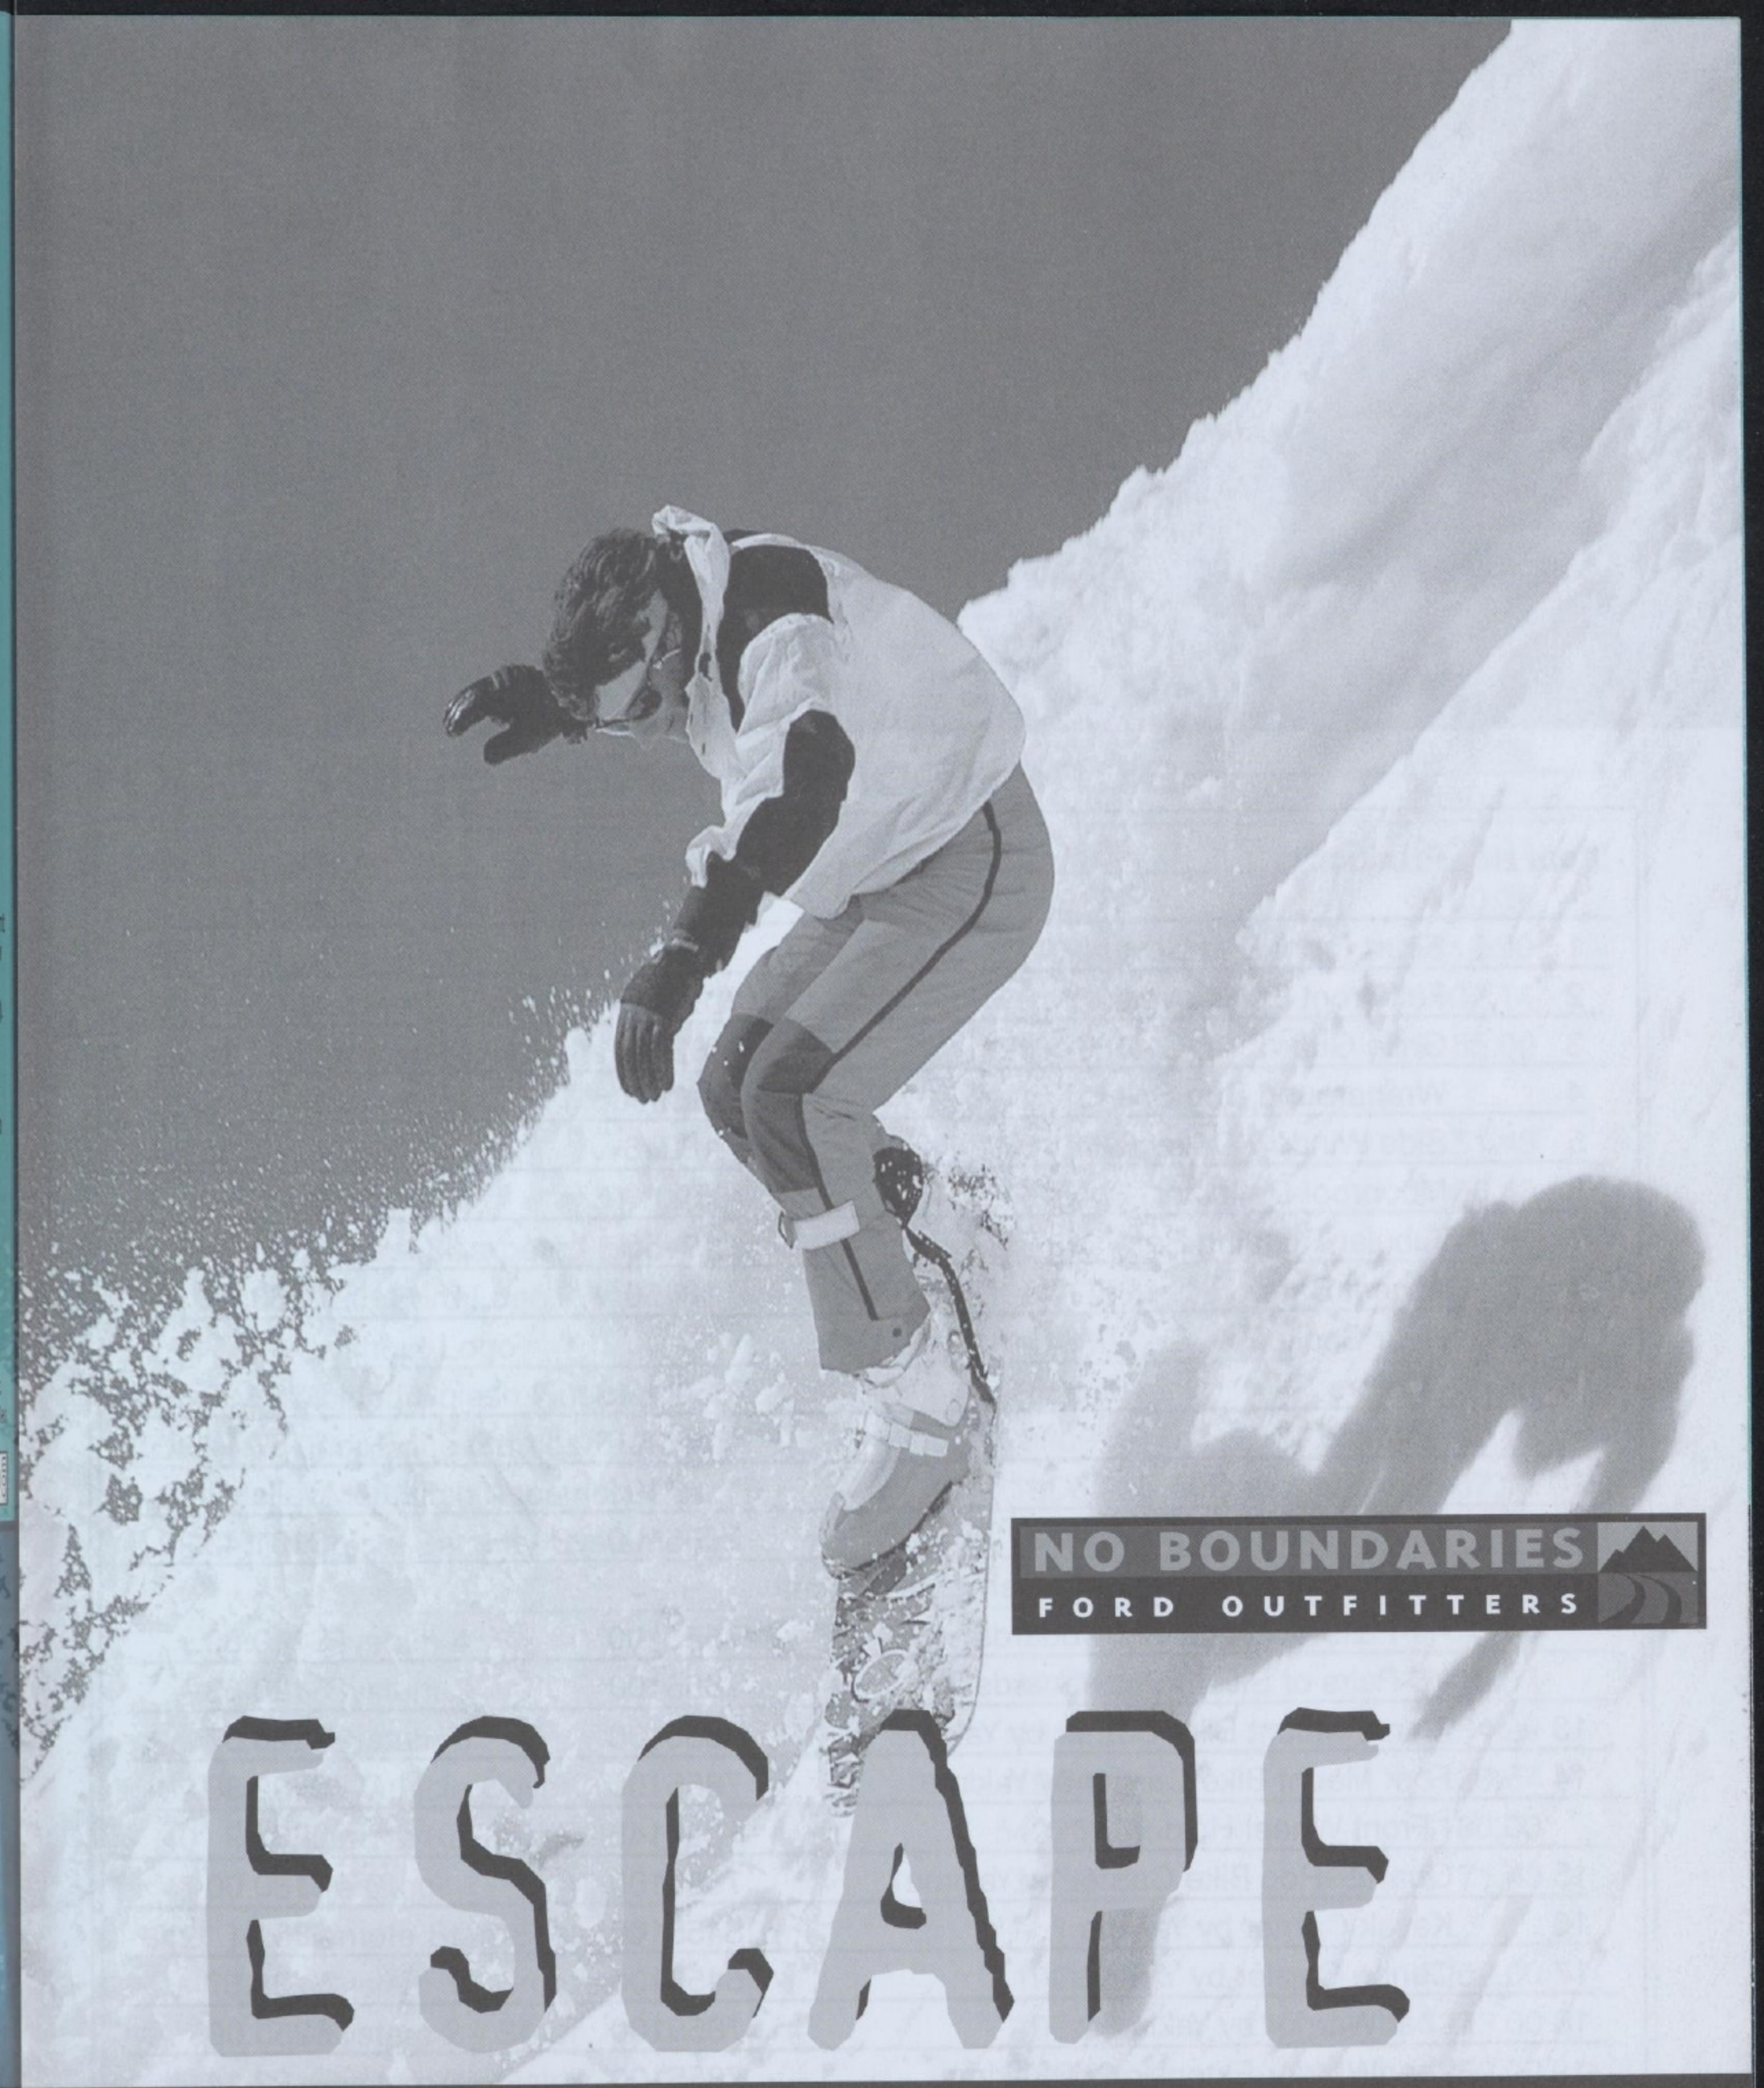

15. QUARTER-ROC® BIKE CARRIER BY YAKIMA For the times when you need all of the cargo space in your vehicle, our Quarter-ROC® Bike Carrier allows you to secure the bikes outside the vehicle. Fits into the hitch receiver with a swing-down feature that allows access to the rear cargo area. The cross bar mounting system holds up to two bikes. **Base Part Number: 7855100**

16. KAYAK CARRIER BY YAKIMA If kayaking is more your style, you'll love our Kayak Carrier. Designed to allow you to carry kayaks on edge while minimizing side-to-side movement. Carrier installs easily; no tools required. Fits Track Rider Bars (sold separately). Cargo straps can be purchased at your local sporting goods store. **Base Part Number: 5455100**

17. CANOE CARRIER BY YAKIMA Take your canoe along on your next weekend getaway with our Canoe Carrier. Installs easily; no tools required.
