"TOP 3" PACKAGE

(Order Code 473)

This package includes the three most popular F-150 accessories.

Not available with:

- Bi-Fuel Packages
- Factory-Installed Cab Steps (18E)
- Compressed Natural Gas Package
- 157-inch Wheelbase

Package Includes

- **Aero Hood Deflector** - Durable smoke-colored Lexan® deflector helps protect leading edge of hood from damage caused by flying road debris or insects, while also helping deflect rain away from windshield.
- **Hard Bedliner** - Helps protect pickup bed from dents and scratches. Innovative Duraloc™ cargo restraining system allows

use of 2x4s to horizontally section off bed for compartmentalizing loads or to create two-tiered stacking.

- **Styled Molded Running Boards (Color-Keyed)** - Aero look complements truck styling, while providing a lower step height for easier entry/exit. Ribbed upper surface for more secure footing. Feature sturdy steel substructure with color-keyed finish.

LARIAT UPGRADE PACKAGE

(Order Code 63L)

This package is designed specifically for F-150 SuperCab customers looking for a more dramatic, luxurious step up from the base Lariat.

Not available with:

- Bi-Fuel Packages
- Factory-Installed Cab Steps (18E)
- Manual Sliding Rear Window

Package Includes

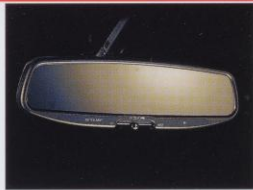

- **Molded Running Boards** – Add a custom look, while reducing step-in/step-out height. Ribbed step pads for added traction. Tough, durable, color-keyed "TPO" plastic.
- **Woodgrain Trim** – Simulated woodgrain provides a rich accent to the instrument panel center pod and door trim panels.
- **Electrochromic Rearview Mirror** – Mirror automatically dims to reduce headlight glare from vehicles behind you.
- **Power Sliding Rear Window** – Provides extra ventilation at the touch of a convenient, dash-mounted switch. Also provides improved security compared to conventional manual sliding rear windows.

"DIAMOND PLATE" PACKAGE

(Order Code 47D)

The bold good looks of bright aluminum Diamond Plate components along with a durable hard bedliner gives the F-150 a tough, rugged image.

Package Includes

- **Diamond Plate Tool Box (Dual-Lid)** – A convenient, secure way to transport your tools. Heavy-gauge Brite-Tread aluminum is powder-coated to help prevent oxidation. Heavy-duty gas-lift lid supports allow smooth, easy opening and closing from both sides. Rubber floor liner helps keep tools from shifting. Locking paddle latches with two keys help safeguard contents.
- **Diamond Plate Bed Rail Caps** – Help protect bed rails and sides from nicks and scratches. Include cutouts which allow access to the existing stake pocket holes.
- **Diamond Plate Running Boards and Front Splash Guards** – Combine the rugged good looks of Diamond Plate with a lower step height for easier cab entry and exit. Diamond tread pattern helps improve traction. Includes front splash guards.
- **Diamond Plate Tailgate Protector** – Completes the bold, rugged Diamond Plate look. Covers inside of tailgate to provide protection, as well as a non-slip surface when tailgate is open. Wraps around top edge of tailgate for added protection and to complement side rails.
- **Hard Bedliner** – Helps protect pickup bed from dents and scratches. Innovative Duraloc™ cargo restraining system allows use of 2x4s to horizontally section off bed for compartmentalizing loads or to create two-tiered stacking.
