Excursion

Spring is in the air. The grass is turning green, buds are on the trees and perennials are sprouting from the garden. After a cold winter you want to get out there and explore your limits...for you know no boundaries.

Maybe it's taking your mountain bike for a heartpounding ride in the hills. Or "antiquing" in the quaint villages along the coast. Perhaps it's cutting through the early morning mist to get to your favorite fishing spot...the one where they're always biting.

And Ford Outfitters have genuine Ford Accessories to outfit your new SUV just the way you want. Whether you're looking to add style or something more functional, this is the place. So take a look through this catalog and see what genuine Ford Accessories can do for you.

Limited Warranty Information

Ford Motor Company will repair or replace any properly dealer-installed Ford accessory found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides you the greatest benefit:

- 12 months or 12,000 miles/20,000km (whichever occurs first), or
- The remainder of your new vehicle limited warranty

This means that Ford Accessories purchased along with your new vehicle and installed by the dealer are covered for the full length of your New Vehicle's Limited Warranty—3 years or 36,000 miles/60,000 km (whichever occurs first). Contact your dealer for details and a copy of the warranty.

50. Dog Guard Take Rover along on your next outing and keep your vehicle interior clean too with our Dog Guard. Designed to fit easily in your vehicle cargo area—no tools required. No more dog fur everywhere. The pooch is happy and you're happy, too!

Base Part No: 7846046 – Escape, Explorer, Expedition and Excursion
9846046 – Explorer Sport

Available For: Escape, Explorer, Explorer Sport, Expedition and Excursion

51. Dog Guard Cargo Area Divider A popular addition to our Dog Guard, the Cargo Area Divider allows you to partition the cargo area of the vehicle. Perfect for salespeople carrying samples or other products. Divider is constructed of steel and attaches directly to the Dog Guard (sold separately). Easy, no-drill installation.

Base Part No: 7846046

Available For: Escape, Explorer, Explorer Sport, Expedition and Excursion

52. Molded Splash Guards Help keep your vehicle lower body free of mud with our Molded Splash Guards. Special contoured design to complement vehicle lines and give maximum protection. Heavy-duty TPO plastic construction resists cracking. Packaged in pairs for front or rear and includes all mounting instructions and hardware. Be sure to specify vehicle trim level (XL, XLT or Eddie Bauer) when ordering.

Base Part No: 16A550

Available For: All

53. Underbody Security Lighting With our Underbody Security Lighting you'll never have to approach a dark vehicle again. Our system provides light to the underside of the vehicle using two powerful lights mounted under the vehicle. By using your keyless entry key fob or manually unlocking the doors, the system automatically lights up.

Base Part No: 13707

Available For: Expedition and Excursion

54. Highway Safety Kit Be prepared to handle most traveling emergencies while on the road with our Highway Safety Kit. Our convenient carrying bag includes items like: a reflective triangle, flashlight, fire extinguisher, bungee cords, thermal blanket, cotton gloves, hose tape, multi-function knife, phillips and slotted head screw drivers, along with a 12-hour light stick.

56. Tow Hooks Besides giving your new vehicle that "tough" look, our Tow Hooks are functional, too. Since they are mounted directly to the vehicle's front bumper bracket frame, you can hook-up some chains to tow your buddy's truck out of the mud. Kits include two hooks, hardened bolts and installation instructions.

Base Part No: 17N808

Available For: Explorer, Explorer Sport and Explorer Sport Trac

57. Soft Tonneau Cover - with Snaps Keep the bed of your vehicle clean and your cargo covered with our Soft Tonneau Cover. The premium soft vinyl construction is lightweight, yet durable and made to fit the exact contours of your vehicle. Attaches easily with no drilling required. The padded aluminum rails and clamps won't damage your painted surfaces. Special tailgate seal keeps the bed dry and allows you to open the tailgate without removing the cover. Rolls up for easy storage when not in use.

Base Part No: 99501A42

Available For: Explorer Sport Trac

58. Hard Tonneau Cover Turn the cargo area of your Explorer Sport Trac into a locking trunk with our Hard Tonneau Cover. Cover is hinged in the center with locking handles at the front and rear. Our design allows the tailgate to be opened without opening the cover.

Base Part No: 99501A42

Available For: Explorer Sport Trac

59. Cargo Area Divider When used with the available Hard Tonneau Cover, you can partition-off the front of the cargo area and turn it into a lockable "trunk." Constructed of a rugged plastic with corrosion-resistant latches.

Base Part No: 99286A72

Available For: Explorer Sport Trac

60. Interior Trim Kit Give your vehicle interior a dressier look with our Interior Trim Kit. Designed for precise fit, these pieces conform to the contours of your vehicle. 89. Snow Traction Cables Our Snow Traction Cables are specially designed for use in mountainous areas where frequent snow storms are the norm. The cables are easily installed and have a patented "Z" design that provides exceptional grip in snow or ice covered roads. The snug to the tire design makes them close-fitting so they aren't loose like other tire chains. Specifically made for use with ABS brakes.

Base Part No: 17A089

Available For: Expedition

90. Bedliner Protect the composite cargo area in your Sport Trac with a bedliner. Not only will it help protect against scratches, it features the exclusive Duraloc cargo restraining system that allows the use of 2 X 4's to compartmentalize loads or create two-tiered stacking. The skid-resistant surface helps keep loads from shifting.

Base Part No: 9900038

Available For: Explorer Sport Trac

91. Stainless Steel Scuff Plate Brighten up the inside of the door sill with our Stainless Steel Scuff Plates. They're designed not only to look good, but to help protect the sill from minor scuffs and scratches. Constructed of stainless steel with the vehicle's identification "etched" into the surface. Adhesive backing makes installation a snap.

Base Part No: 78132A08 – Escape, Explorer Sport Trac and Explorer
98132A08 – Explorer Sport

Available For: Escape, Explorer Sport Trac, Explorer Sport and Explorer

92. Plastic Scuff Plate Kit Help protect the door sill with our Plastic Scuff Plate Kit. Designed to protect against scuffs and scratches with "Escape" molded into the pieces. Comes complete with an adhesive backing to make an easy installation.

Base Part No: 78132A08

Available For: Escape

93. SportRack Cargo Boxes Add some extra cargo capacity for your next vacation with one of our roof-mounted Cargo Boxes. Each box is constructed of a durable, black ABS plastic that complements the styling and color of nearly any vehicle. Our Small Cargo Box is "long & skinny" and is designed to carry up to six pairs of skis, and has a capacity of 11.3 cubic feet (320 liters). Our Medium Cargo Box is "short & stumpy" and is designed to carry larger items like suitcases and other gear. Its capacity is 15.5 cubic feet (440 liters). The large box can carry up to four sets of golf clubs plus shoes, etc. Its capacity is 16.9 cubic feet (480 liters).

Base Part No: 7855100

Available For: All (Small and Medium)
Explorer, Expedition and Excursion (Large)

94. Rear Bumper Guards Help protect the rear bumper surface from those annoying scuffs and scratches. Packaged as a set of two, these guards install quickly and easily with their adhesive backing.

Base Part No: 18419

Available For: Escape

95. Brushed Aluminum Accent Bars These bars add a sporty accent to your vehicle. Constructed of rugged, corrosion-resistant aluminum tubing, they feature a clearcoat finish that resists fading and scratching. Easy to install, no drilling required, all hardware included.

96. Grille Fascia Add some style and help protect the front bumper from minor impacts with our Grille Fascia. Constructed of a heavy-duty plastic, the black finish complements just about any vehicle color. The simulated chrome inserts add that "touch of style." Easy to install.

Base Part No: 8307

Available For: Escape

97. Class II Trailer Hitch Receiver Whether you're hooking up the trailer for a weekend getaway or just toting a load for a friend, you'll love the convenience of our Class II Trailer Hitch Receiver. It bolts directly to the vehicle's frame using existing holes – no drilling or welding required. Designed for a gross trailer load capacity of 3500 lbs. (1600 kg.) with a tongue rating of 350 lbs. (160 kg.). Engine oil cooler included. Draw bars and hitch balls sold separately.

Base Part No: 19D520

Available For: Escape

98. Cargo Area Power Point Outlet This extra outlet is located in the cargo area of your Escape. It provides 12 volts to power things like boom boxes, air compressors, electric coolers, cell phones, etc. Dealer installation recommended.

Base Part No: 19N236

Available For: Escape

99. Brushed Pewter Interior Trim Brighten up your instrument panel with this trim kit. The simulated brushed pewter appliqué is designed for a precise fit and conforms to the contours of the vehicle's radio bezel. Adhesive backing makes it easy to install.

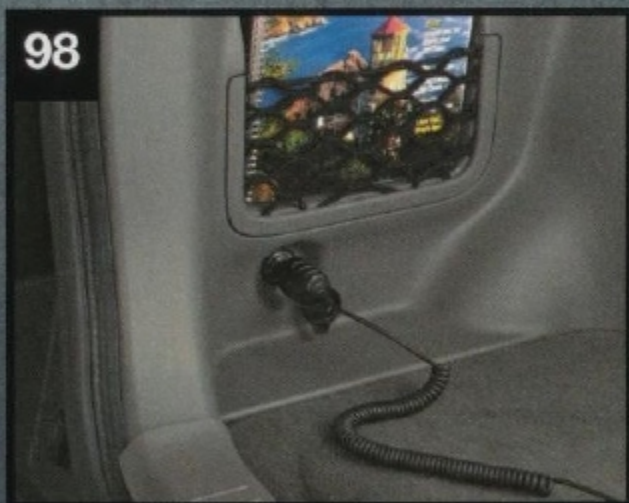

Base Part No: 7804288

Available For: Escape

100. Double Step Running Board Specially designed for the all new 2002 Explorer, this running board adds style and function, without reducing the vehicle's ground clearance. Board features a wide step pad with brushed aluminum trim. The plastic end caps add a finished look. All hardware included, no drilling required, easy to install.

101. Skid Plates For all you off-road fans, our Skid Plates are a must-have. This original equipment kit bolts directly to pre-existing holes in the chassis and helps protect the transfer case and fuel tank from damage from rocks or boulders.

Base Part No: 9C082

Available For: Explorer, Explorer Sport, and Explorer Sport Trac

102. Neutral Tow Kit This handy device allows you to tow your Explorer behind your motorhome with all four wheels on the ground. Available for vehicles equipped with the 4.0L engine and 4WD and an automatic transmission. An LED indicator light is mounted on the lower lip of the instrument panel. Installation by your Ford dealer recommended.

Base Part No: 7H332

Available For: Explorer

103. Battery Warmer For those really cold climates, it's a good idea to keep the battery as warm as possible to provide the most power for starting the engine. The Battery Warmer wraps around the battery and includes an engine block heater as well. Once installed, simply hook it up to any heavy-gauge extension cord (not included) and plug into a standard wall outlet. (Gas engine only).

Base Part No: 10B732

Available For: Expedition and Excursion

104. Wheels A selection of custom wheels is soon to be available for Escape and Explorer models. Wheels will be available with a chrome or painted finish and meet all of Ford's stringent requirements. Check with your local dealer for more details as they become available.
