NIMBUS

> SURPRISING

SPONTANEOUS > WHEN YOU HAVE A CROWD TO MOVE, YOU'VE GOT TO BE FLEXIBLE. YOU NEVER KNOW WHEN YOU'LL HAVE A COUPLE OF EXTRA PASSENGERS – AND ALL THEIR GEAR. THANKFULLY NIMBUS COMES TO YOUR AID BY EVOLVING BEFORE YOUR EYES AND MAGICALLY ADAPTING TO SOLVE THOSE LOGISTICAL NIGHTMARES.

- > Nimbus will redefine your perception of people movers having won the prestigious Best People Mover award from Australia's Best Cars in 2000 and 2001.
- > Able to comfortably seat seven adults, and store all their gear, Nimbus can adapt to the constantly changing demands of an active, growing family.
- > You can create twelve completely different seating and storage configurations.
- > The 50/50 split back seats in the second row can fully recline or fold forward.
- > Alternatively, the split back twin third row seats can either fully recline, fold forward or you can remove them completely, for even more boot space.
- > Passenger comfort is paramount with supportive, contoured seats, headrests, larger tyres for a smoother ride. The highly effective climate control airconditioning comes as a standard feature, with separate controls in the rear compartment to help keep everyone comfortable.
- > The tilt adjustable steering column takes into account the preferences of different drivers, while the driver's slightly elevated position allows for better all-round visibility.

AGILE > IMBUED WITH A SENSE OF FUN AND ADVENTURE, NIMBUS IS UP FOR ANYTHING. A COMPACT PEOPLE MOVER WITH THE ATTRIBUTES OF A STYLISH SEDAN, NIMBUS HAS BEEN CLEVERLY ENGINEERED TO DELIVER THE BEST OF BOTH WORLDS. POWERFUL, RESPONSIVE HANDLING IS COMPLEMENTED BY A HIGH LEVEL OF CREATURE COMFORTS, WHILE THE GENEROUS INTERIOR PROPORTIONS GIVE THE FAMILY SPACE TO EXPRESS THEMSELVES.

> 01 Even when Nimbus is packed to the rafters, the powerful 2.4 litre SOHC 16 valve, electronic multi-point fuel injected engine handles the load with ease. Zip around town in the 5 speed manual or choose the optional INVECS-II 'Smart Logic' 4 speed automatic transmission. This intelligent engineering allows the transmission to 'learn' the styles of different drivers and then pre-empt them to select the right gear for the situation.

> 02 The dual SRS airbags provide peace of mind.

> 03 A Nimbus option pack includes ABS brakes to deliver enhanced stopping performance and driver control in emergency braking situations, which is important when you have fragile cargo! Also included with the ABS option pack are superbly integrated fog lamps which help you to be seen when visibility is poor and stylish, sporty alloy wheels to enhance Nimbus' ultra modern looks.
