

CHALLENGER

MITSUBISHI
Spirited Cars for Spirited People

FACE THE CHALLENGE

BECAUSE THINGS ARE DIFFERENT OUT HERE

WHEN ADVENTURE BECKONS, THE CHALLENGER ANSWERS THE CALL WITH A 3.0 LITRE LPG COMPATIBLE 24 VALVE MULTI-POINT FUEL INJECTED V6 ENGINE. CHALLENGER FEATURES MITSUBISHI'S PROVEN 'EASY SELECT' PART TIME 4WD, WITH SYNCHRONISED FRONT FREE WHEELING DIFFERENTIAL FOR ON THE FLY 4WD ENGAGEMENT AND A HYBRID LIMITED SLIP REAR DIFFERENTIAL SO YOU CAN REACH YOUR FAVOURITE SPOT WITH EASE. CHALLENGER LS COMES STANDARD WITH THE CONVENIENCE OF THE 'SMART LOGIC' INVECS II 4 SPEED AUTOMATIC, WHILST CHALLENGER HAS THE SMOOTH SHIFTING 5 SPEED MANUAL STANDARD OR THE OPTIONAL INVECS II 4 SPEED AUTOMATIC.

ANOTHER WEEKEND... ANOTHER CHALLENGE

CHALLENGER IS EQUALLY AT HOME IN THE BUSH OR THE CITY AND YOU WILL ALWAYS ARRIVE IN STYLE, COMFORT AND WITH THE REASSURANCE OF MITSUBISHI'S ADVANCED SAFETY SYSTEMS. DRIVER AND PASSENGER SRS AIRBAGS, AND ABS BRAKES WITH ELECTRONIC BRAKE FORCE DISTRIBUTION (EBD) ARE STANDARD ACROSS THE RANGE TO GIVE YOU OPTIMUM BRAKING CONTROL. THE CONVENIENCE OF POWER STEERING, POWER WINDOWS AND THE STANDARD CRUISE CONTROL ENSURES A MORE RELAXING DRIVING EXPERIENCE ON THE OPEN ROAD.

CHALLENGER & CHALLENGER LS

THE RHYTHM OF THE ROAD

Slip into driving mode while pumping out the music on the security coded 4 speaker AM/FM radio CD player with electric antenna and half mast height adjuster. Challenger LS takes refinement to the next level with an in-dash 6 CD stacker and 6 speaker sound.

HANDS ON CONTROL

Choose from smooth shifting 5 speed manual transmission or the INVECS II 'Smart Logic' 4 speed automatic transmission, which comes standard on Challenger LS. Both models also offer 'Easy Select' part time 4WD for 'on the fly' switching between 2WD and 4WD up to 100kph.

FORM AND FUNCTION

Sleek and stylish, the rear spoiler on Challenger LS not only looks great but also helps keep the rear window clear of dust when you are exploring those far away places.

FINGERTIP CONVENIENCE
Power windows and side mirrors are easily controlled from the driver's side panel which features woodprint on Challenger LS and a titanium look on Challenger.

THE FEEL OF LEATHER

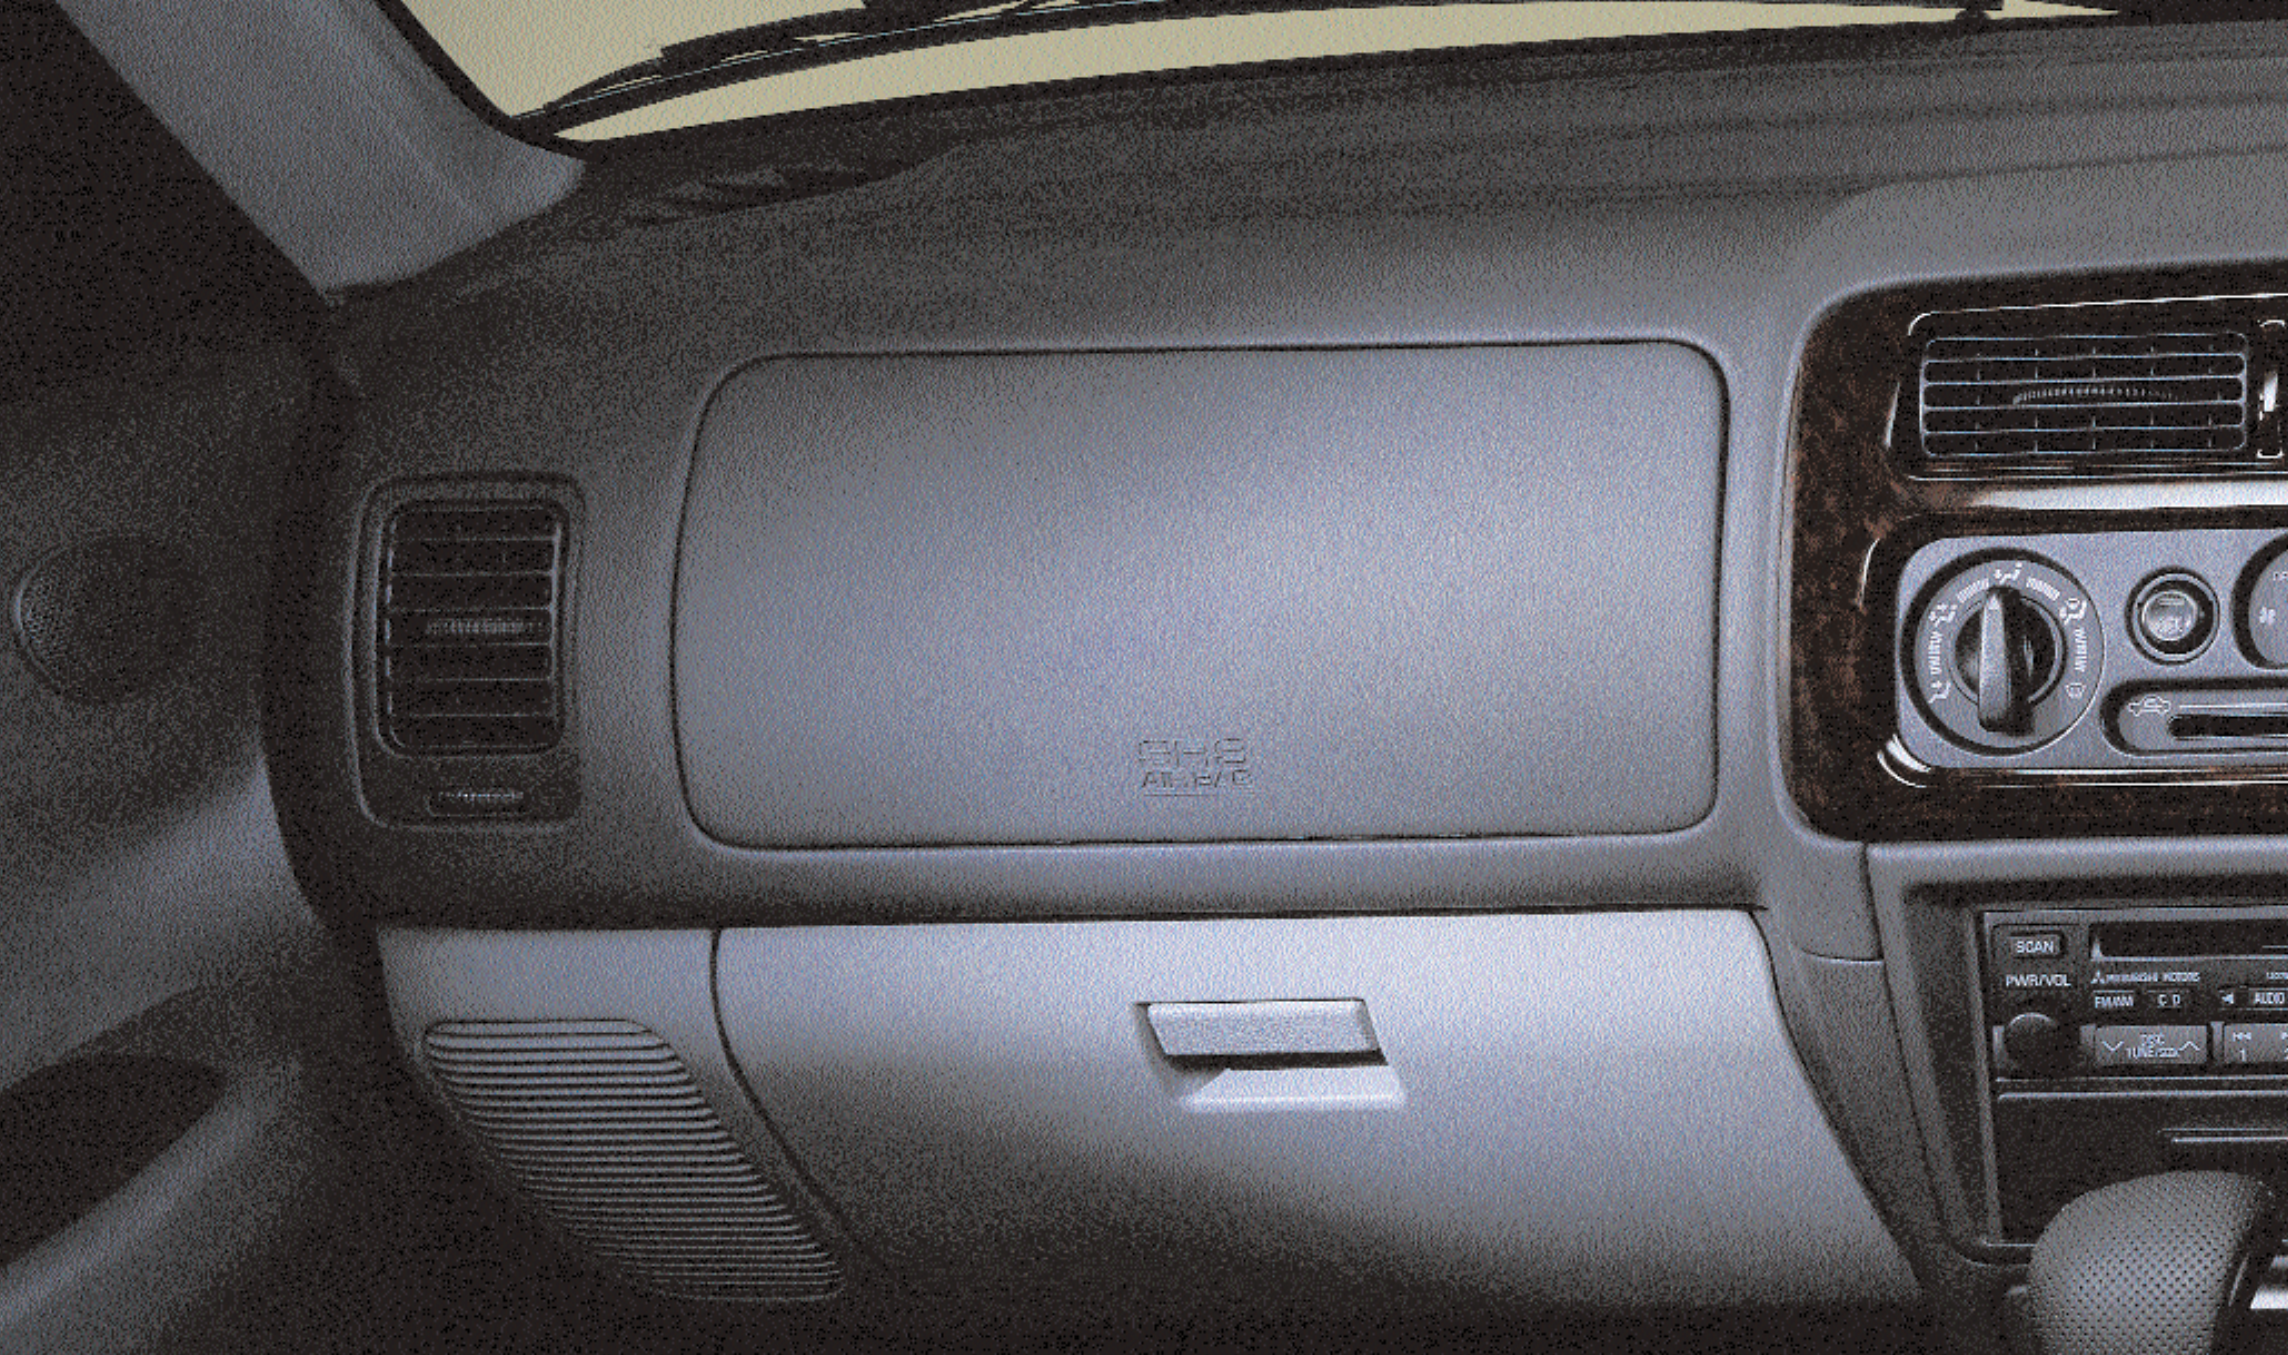

The Challenger LS features luxurious leather seating surfaces, dimple leather covered steering wheel, gear shifter and handbrake lever with silver stitching.

COMFORT ZONE

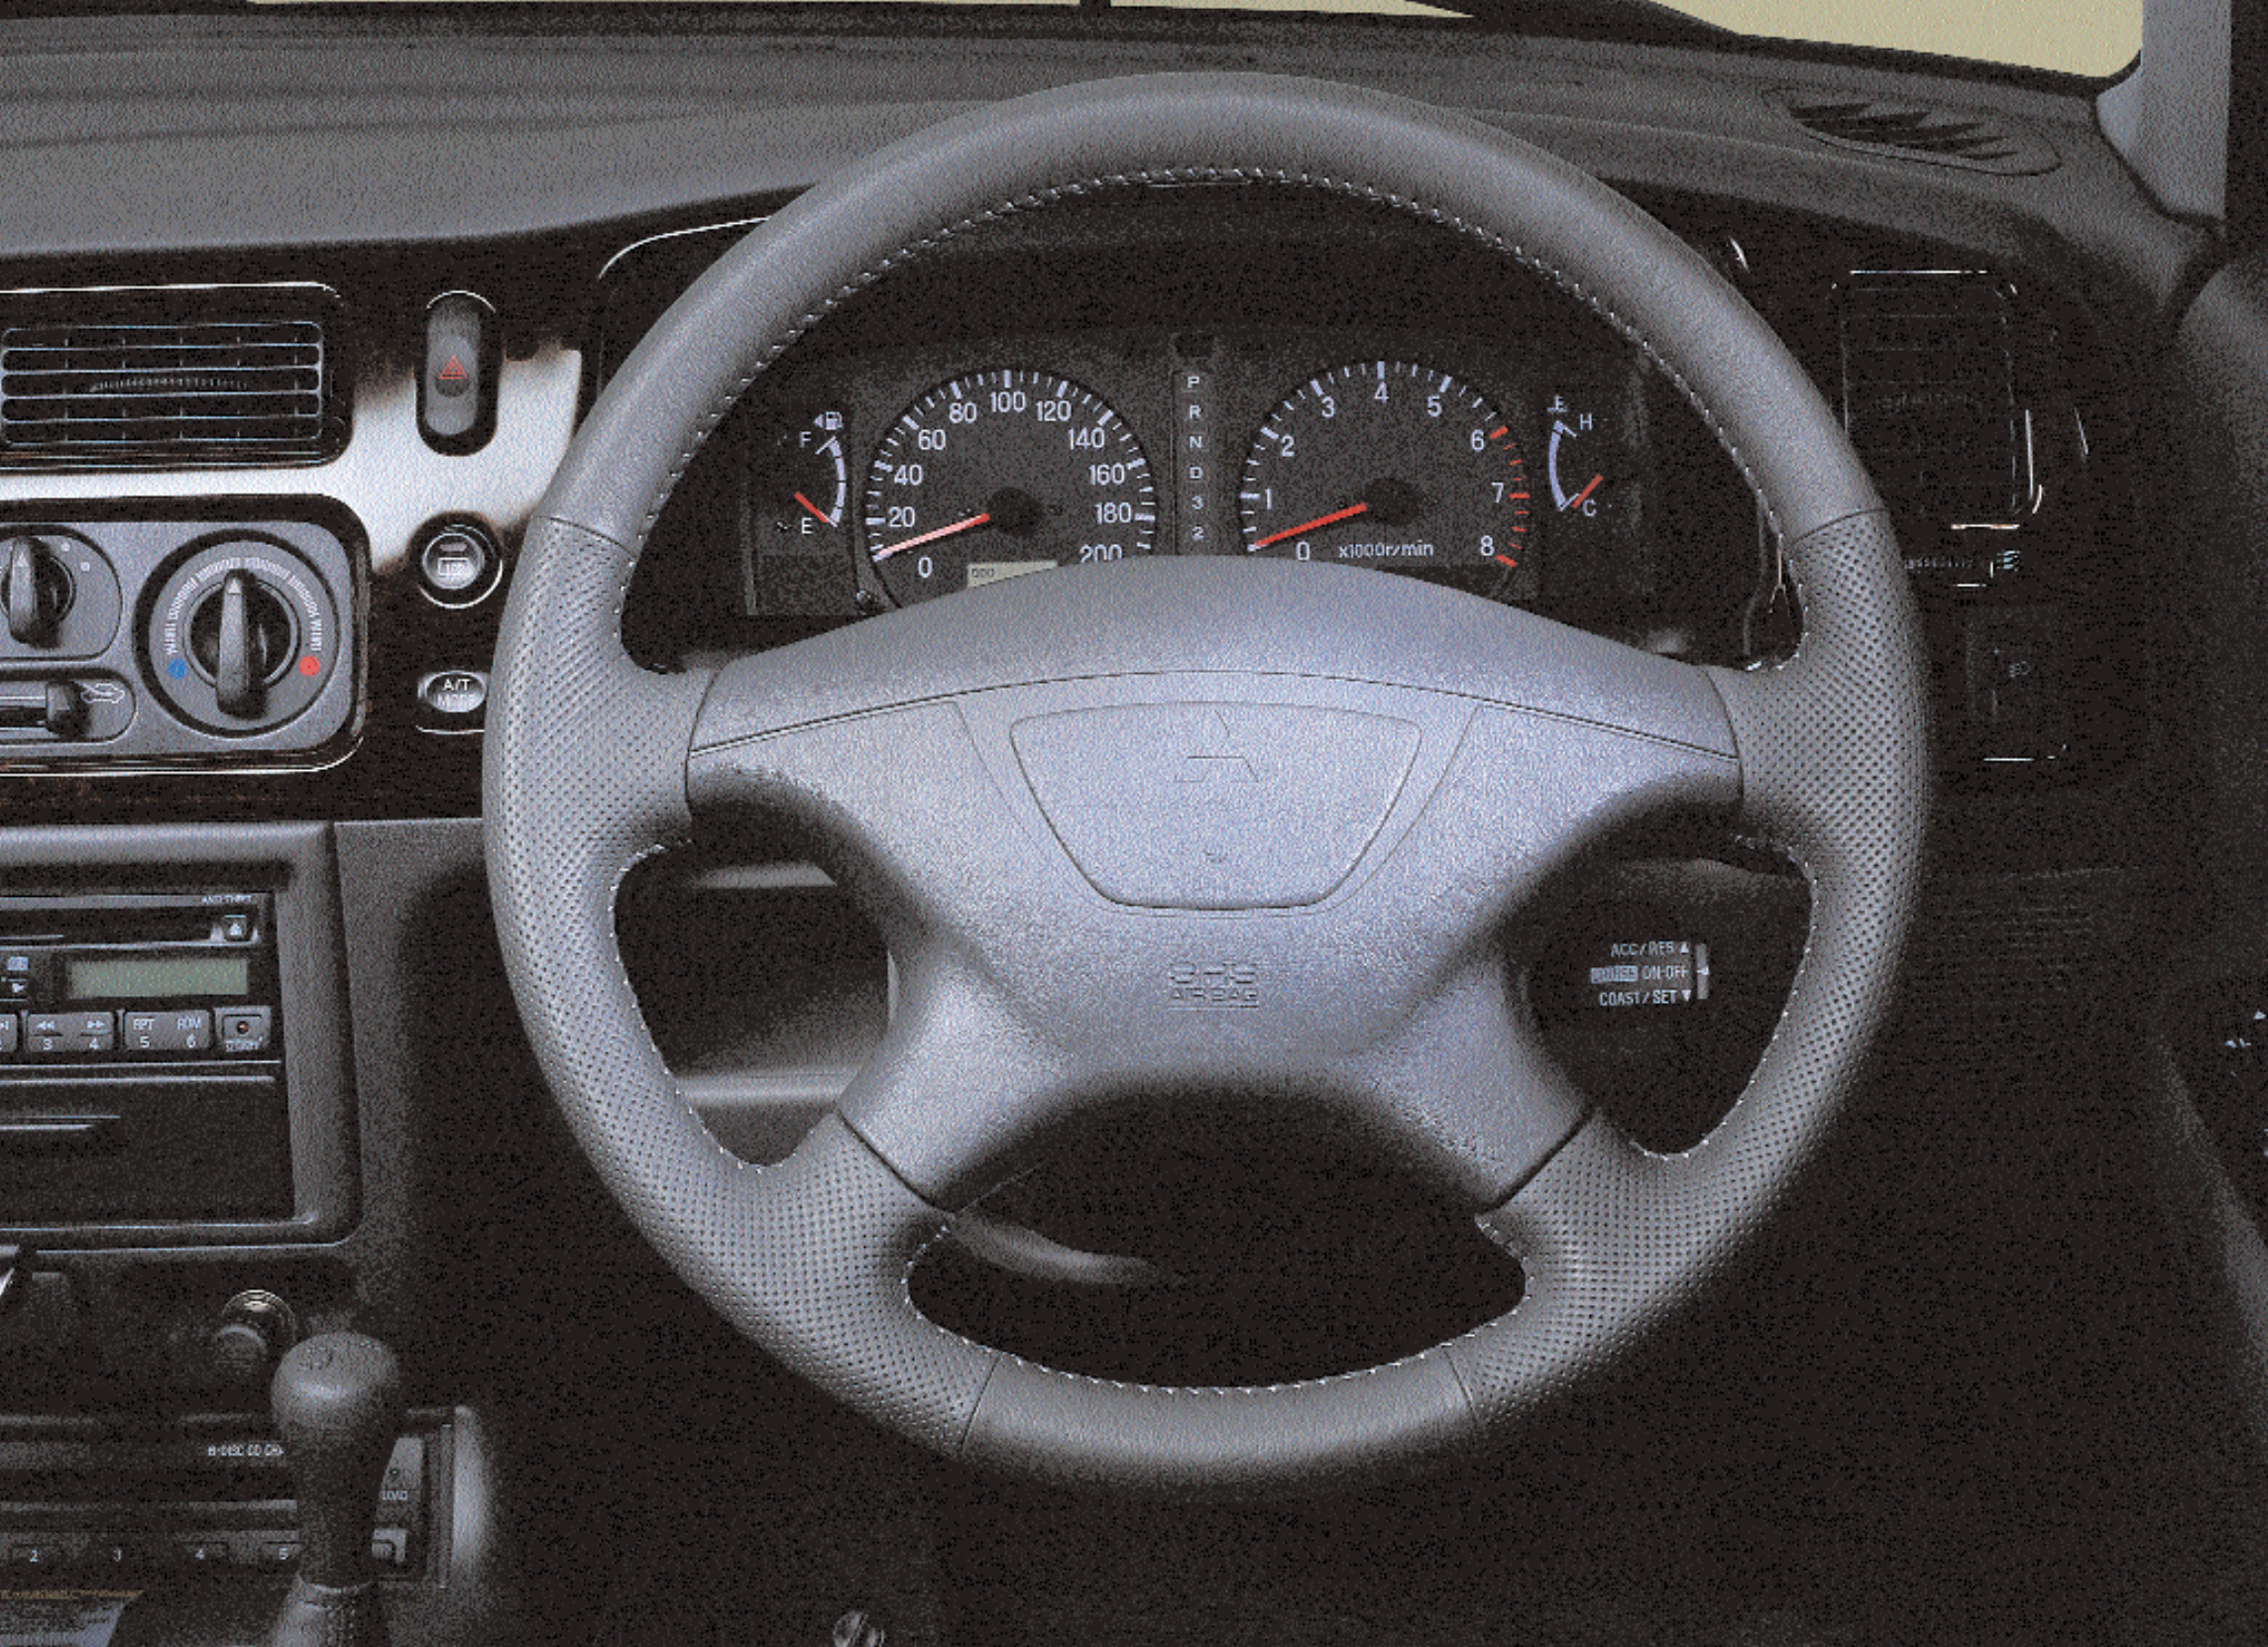

Challenger boasts comfortable new knit style upholstery in rear moulded bench seats that boast a split-fold and tumble forward function, for versatile passenger and cargo carrying options.

THE ONLY LUXURY FOR MILES AROUND

THE THRILL OF OFF ROAD ADVENTURE IS EQUALLY MATCHED BY THE ON ROAD COMFORT, LUXURY AND SAFETY OF CHALLENGER'S CABIN. THE TILT ADJUSTABLE STEERING COLUMN ENABLES YOU TO SELECT YOUR PREFERRED POSITION TO HELP REDUCE DRIVER FATIGUE. AIR CONDITIONING, CRUISE CONTROL AND POWER STEERING MAKE THE MILES PASS WITH EASE, WHILE THE DRIVER AND PASSENGER AIRBAGS PROVIDE EXTRA PEACE OF MIND. THE LUXURY OF CHALLENGER LS IS FURTHER ENHANCED BY THE DIMPLE LEATHER STEERING WHEEL, GEAR SHIFTER, HANDBRAKE LEVER AND SUMPTUOUS LEATHER SEATING SURFACES.

CHALLENGER

It's in the detail that Challenger comes into its own, with ABS brakes and EBD, dual SRS airbags, height adjustable seatbelts, comfortable knit style seat trim and the convenience of remote keyless entry. It also features a standard 4 speaker AM/FM radio with CD, 60:40 split fold seats that can also totally fold out of the way for cargo carrying flexibility.

16" alloy wheels with 8 spoke finish.

Easy to use air conditioning controls in contemporary titanium look instrument panel.

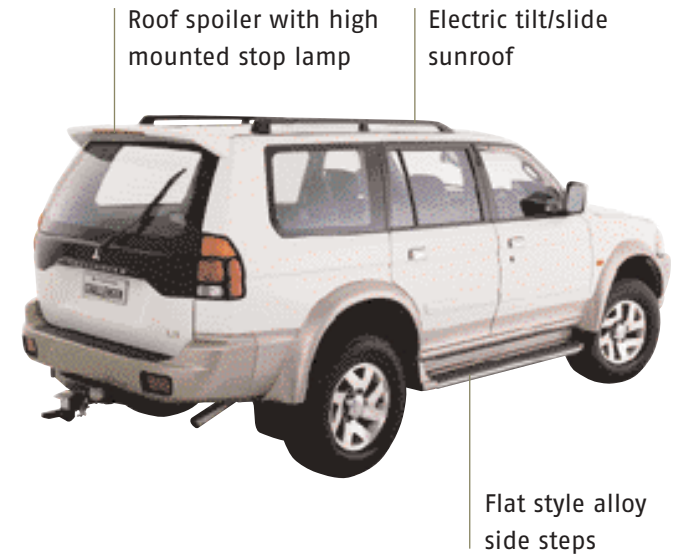

The ease and convenience of cruise control to make long distance driving a breeze.

Easy to read digital clock.

CHALLENGER LS

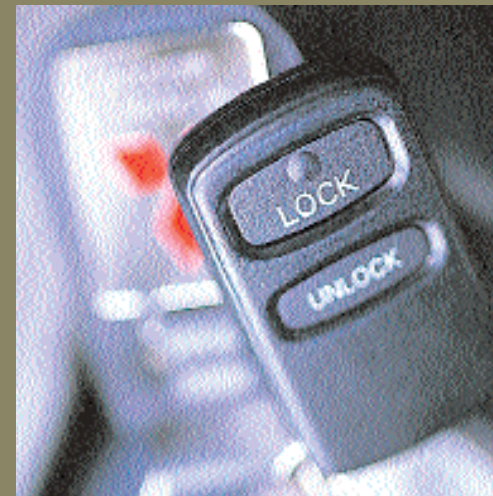

The luxurious LS is a 4WD that will appeal to the most discerning drivers. LS pampers you with a stylish leather steering wheel, gear shifter and handbrake, sumptuous leather seating surfaces and 6 CD stacker with 6 speakers. And, with unique finish alloy wheels, chrome door mirrors, handles and fully integrated fog lamps, side steps and a streamlined rear spoiler, LS reflects your desire for more.

Bright, metallic 16" alloy wheels feature a unique 8 spoke finish.

AM/FM radio with single CD, in-dash 6 CD stacker and 6 speaker audio unit.

Central locking with remote keyless entry.

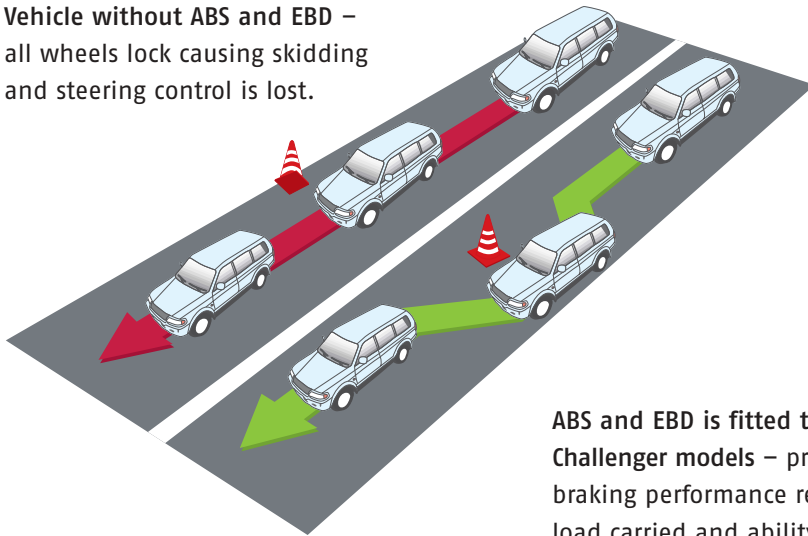

Rear cargo blind keeps your luggage out of sight.

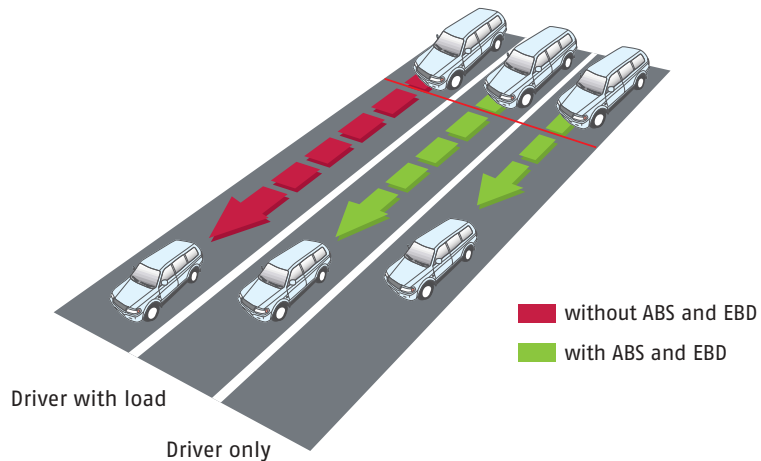

ADVANCED DRIVER CONTROL

The 4 sensor, 4 channel Anti-lock Braking System (ABS) helps the driver maintain steering control, while Electronic Brakeforce Distribution (EBD) allows optimum straight line stopping control and minimum stopping distance regardless of the number of passengers or payload carried.

Vehicle without ABS and EBD –
all wheels lock causing skidding and steering control is lost.

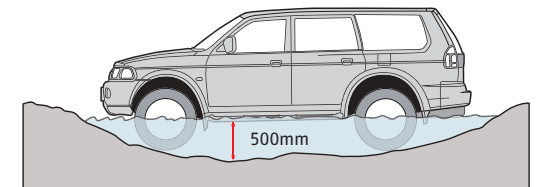

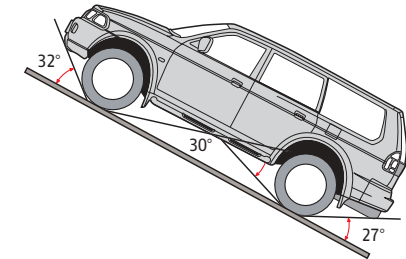

ABS and EBD is fitted to both Challenger models – providing greater braking performance regardless of load carried and ability to steer around vehicles or obstacles.

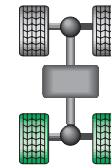

ALL TERRAIN MASTERY

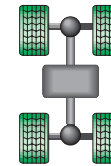

Challenger's generous ground clearance combined with excellent approach, ramp breakover and departure angles allows you to tackle rough terrain with ease. An added advantage is the vehicle's ability to cross streams up to 500mm deep (at 5kph), taking you to even more remote off road adventures.

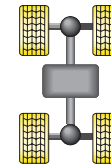

2H (4x2) high

4H (4x4) high

4L (4x4) low

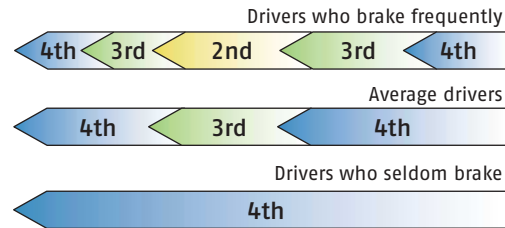

EASY SELECT 4WD

With 'Easy Select' Part time 4WD, Challenger offers you the convenience of switching between 2WD and 4WD without having to leave the vehicle. Challenger's synchronised front free wheeling differential allows 'on the fly' engagement of 4H up to speeds of 100 kph.

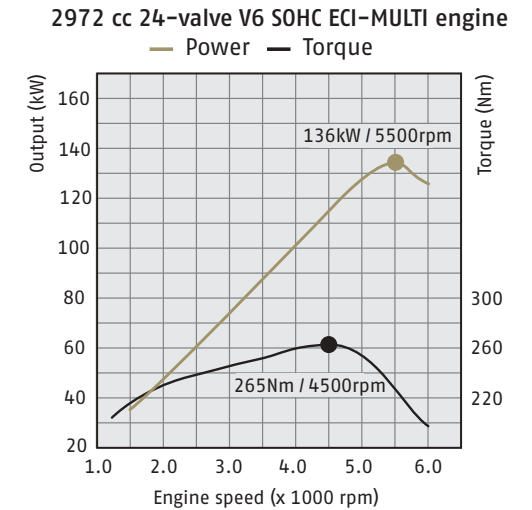

INTELLIGENT TRANSMISSION FOR SMOOTHER SHIFTING

To provide smoother shifting, the INVECS II 'Smart Logic' transmission system's on board computer learns and adapts to each driver's preferences by recording engine, tyre load and foot braking data. The control logic then adapts the gear shift timing to suit the driver's style, while minimising torque fluctuation for effortless acceleration and a more predictable ride.

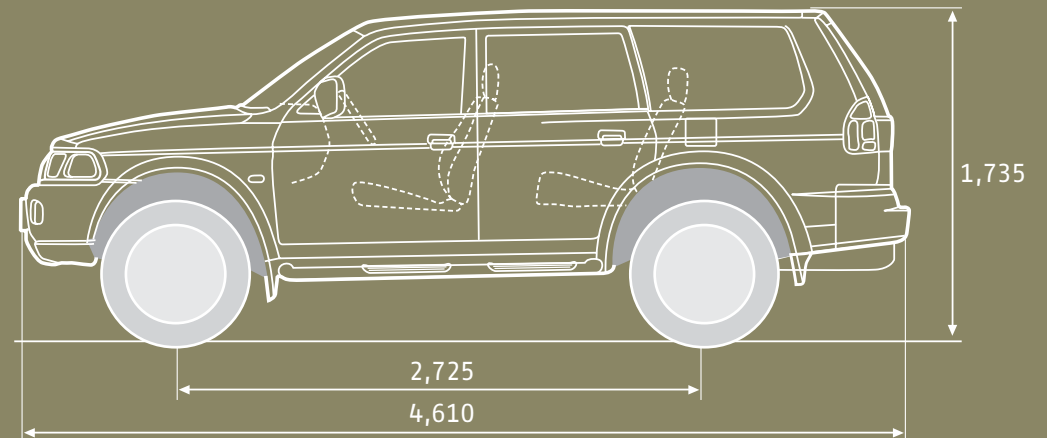

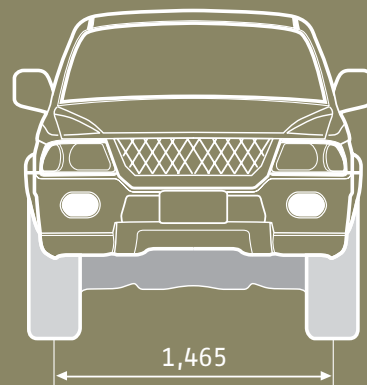

CRUISING POWER AND OFF ROAD TORQUE

The 3.0 litre, 24 valve multi-point fuel injected V6 engine delivers smooth power and efficient fuel economy. With 136kW of power Challenger has the muscle for easy overtaking on the highway, while the 265Nm of torque makes off road driving or towing a breeze.

BEST OF BOTH WORLDS

Challenger's efficient design offers the best of both worlds by combining generous dimensions for comfortable cargo and passenger transport with easy manoeuvrability and handling around town or off road.

MITSUBISHI RANGE

MAGNA

The new look 2003 Magna features an impressive line up of standard features including driver, front passenger and side airbags, six-way adjustable power driver's seat, cruise control, climate control air conditioning and power windows. In addition, VR-X and VR boast new street smart styling including new seat trims, sports style instruments and a leather wrapped steering wheel, combined with the powerful performance of the newly tuned engine. The Magna line up includes ES, LS, VR, VR-X. Wagon variations in ES, LS and VR.

MAGNA AWD & VR AWD

While echoing the new global styling of the Magna range, these models boast Mitsubishi's technically advanced QuadTec™ AWD system. This refined AWD system distributes torque equally to all four wheels, especially in low traction conditions, to deliver superior road holding, outstanding stability and improved cornering control. Magna AWD and VR AWD are also fitted with high performance brakes in conjunction with ABS and EBD to provide superior stopping power on all surfaces.

VERADA

The distinctive looking, new 2003 Verada continues to set the benchmark in quality and refinement. Verada comes with all the new features standard on Magna, plus a ten-way adjustable power driver's seat, traction control and a premium audio system with 6 disc, in-dash CD changer. Verada models include Ei (sedan and wagon), Xi, GTVi and AWD which boasts outstanding stability, superior roadholding and improved cornering control for safer, more spirited driving.

LANCER

The new CH Lancer takes Mitsubishi's rally bred technology to the city streets in a distinct new look with a host of great features. The sporty VRX, with its bold rear spoiler and black interior, boasts 16" alloy wheels, a new strut brace for greater handling and 4 speed automatic transmission with 'SPORTS MODE' sequential gear shifting for hands on control from the new EVO type "Steer-matic" 3-spoke steering wheel.

MIRAGE

This compact, 3 door hatch features a zippy 1.5 litre 12 valve, multi-point fuel injected engine. Available as a 5 speed manual or with INVECS II 'Smart Logic' 4 speed automatic transmission. Features include SRS driver's airbag, power steering, ample room and plenty of style.

PAJERO

An undisputed off road rally champion, Pajero delivers powerful performance, renowned reliability, generous interior space and superior safety. Powered by a 3.8 litre V6 24 valve fuel injected engine, with the option of a 3.2 litre intercooled turbo direct injection diesel (Di-D), Pajero boasts a maximum towing capacity of 2500kg.

OUTLANDER

A compact, 4WD offering a unique combination of sports styling, flexible interior space, ride comfort and unprecedented safety. Seats five people in comfort and features a range of cargo carrying options, while the automatic transmission boasts 'SPORTS MODE' sequential gear shifting.

TRITON

A tough, hard working ute available in a range of powerful engine capacities and fuel types. The range of Triton models includes Cab Chassis, Double Cab and Club Cab.

EXPRESS

One of Australia's favourite light commercial vans, Express features a choice of petrol engines that are LPG compatible. The range of body types includes Short Wheel Base (SWB), Medium Wheel Base (MWB), Window Van (SWB) and Walk-Thru model (MWB).

NIMBUS

A stylish, award winning people mover. Nimbus comfortably seats seven adults with a variety of different seating and storage configurations. Powered by a 2.4 litre SOHC 16 valve, electronic multi-point fuel injected engine.

Diamond Finance

Take the burden out of financing your new Mitsubishi vehicle with our competitive, reassuring and completely flexible range of finance products developed by Mitsubishi Motors Australia Ltd and St.George Motor Finance Limited.

Diamond Leasing

Our tailored fleet leasing services offer innovative, highly competitive features such as card purchasing, roadside assistance, specialist maintenance services, accident and claims management, optional insurance and more.

Diamond Road Side Assist

Peace of mind is guaranteed anywhere in Australia, 24 hours a day, 365 days a year with our fast, comprehensive, flexible roadside service offering assistance, repairs, towing and storage. Our Premium Roadside Assist clients also enjoy the added benefits of accommodation, medical and transport facilities.

Diamond Insurance

With the sound backing of Swann Insurance and Mitsubishi Motors Australia Ltd, Mitsubishi owners can choose between vehicle and personal protection solutions including motor vehicle, gapcover and loan protection insurance as well as a range of tailored warranty policies.

For more information on Diamond Products and Services contact your Mitsubishi Dealer.

Mitsubishi Motors Australia Ltd. offers a 3 year/100,000 kilometre New Vehicle Warranty and a 5 year Perforation Corrosion Warranty on Mitsubishi Challenger.
