

EXPRESS

YOUR PERFECT BUSINESS PARTNER.

WITH ALL THE FEATURES YOU NEED, IN A CHOICE OF FOUR DIFFERENT BODY DESIGNS, MITSUBISHI EXPRESS KNOWS HOW TO GET DOWN TO BUSINESS. THE ECONOMICAL, YET HARD WORKING EXPRESS DELIVERS THE POWER AND TORQUE YOU NEED TO GET ON WITH THE JOB. PLUS FIRST CLASS MANOEUVRABILITY AND ADVANCED SAFETY HAVE MADE IT ONE OF AUSTRALIA'S FAVOURITE LIGHT COMMERCIAL VANS.

EXPRESS

EASY RIDER

The tilt adjustable, soft grip steering wheel and driver's footrest (auto only), look after your comfort levels and help prevent driver fatigue. And for parking in those impossibly tight spots, power steering is standard on all models and optional on manual SWB.

POWER TO GET THE JOB DONE

Express Walk-Thru and MWB feature a 2.4 litre 4 cylinder SOHC, 16 valve multi-point fuel injected petrol engine which produces 97kW of power and 192Nm of torque. The Express SWB feature a reliable 2.0 litre 4 cylinder SOHC, 16 valve petrol engine which produces 78kW of power and 150Nm of torque. Both engines are LPG Compatible.

SUPERIOR BRAKING CONTROL
Express Walk-Thru is available with optional Anti-lock Braking System (ABS) to give you more confidence and control, when you need to stop in a hurry.

EASY ACCESS

All side and rear doors open to roof height to make it easy to accommodate tall and bulky items, while the flat floor lets you make the most of all the available space.

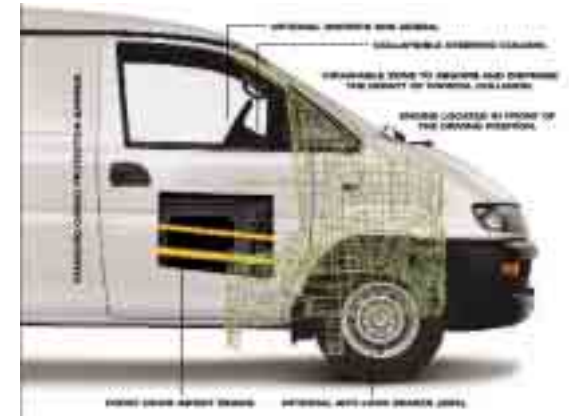

A LOAD OFF YOUR MIND

To make loading and unloading easier and to improve your productivity, Express MWB features two sliding doors so you can retrieve deliveries from either side of the van.

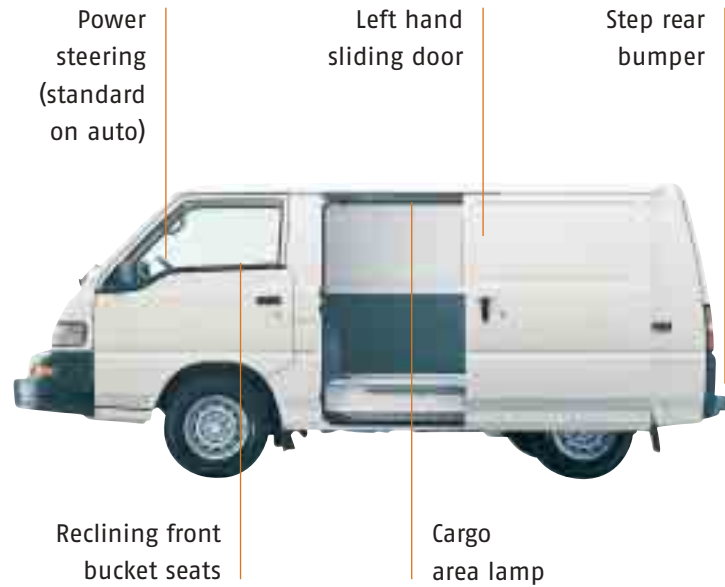

OUR BODY IS DESIGNED TO PROTECT YOURS

The monocoque body design of all Express Vans ensures high levels of occupant safety in the event of a frontal collision. Inbuilt crumple zones absorb impact energy to protect occupants from harm on the Express Walk-Thru.

EXPRESS SWB

The functional design and size of the SWB means that it can easily carry your loads while the optional power steering available on SWB models make it easy to park in those impossibly tight parking spaces.

EXPRESS SWB WINDOW

Reliability. Your reputation depends on it and the unstoppable Express range has been built on it. But being reliable, also means staying safe. The Express Window van boasts a range of great safety features which make it both cargo friendly and people friendly.

The remote rear and side door lock provides convenient access and security.

Tilt adjustable steering wheel and driver's lumbar support provide comfort to help prevent driver fatigue.

Cloth covered seats fully recline and the driver's seat lumbar adjuster provides comfort behind the wheel.

The rear three passenger bench seat can fold out of the way when not needed.

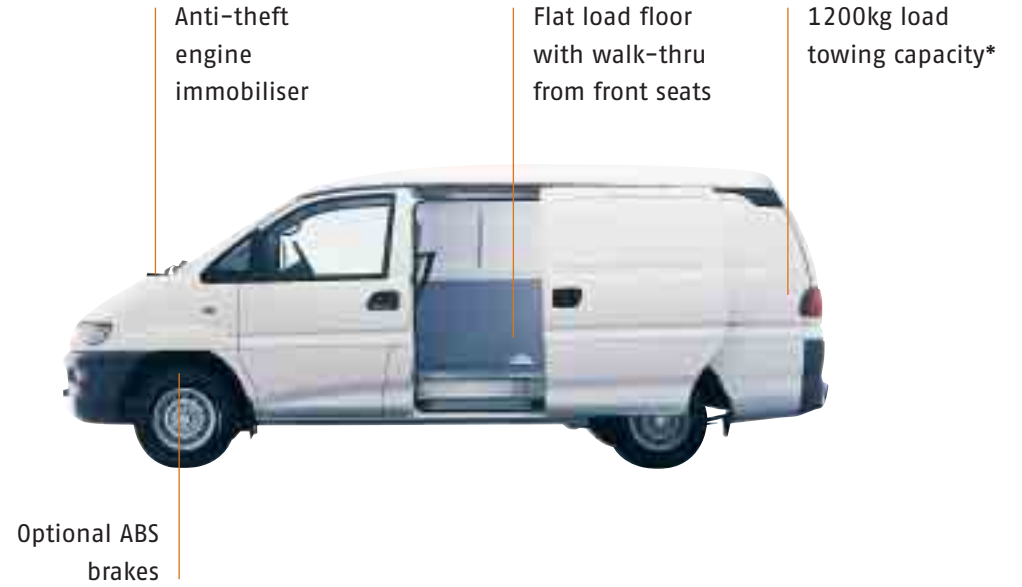

EXPRESS MWB

The stylish, aerodynamic body is pleasing to the eye, while the sturdy build of the Express reflects a unique inner strength. Purpose built to take whatever the job demands, Express is a perfect combination of laid back comfort and true blue Aussie work ethic.

EXPRESS MWB WALK-THRU

Express comes with all the luxury and safety features expected by those who are constantly on the road, day in and day out. The anti-theft engine immobiliser installed in the Express Walk-Thru helps to protect your livelihood.

*With trailer brakes.

A cargo protection bar and cargo tie down rings, prevent loose loads from moving around in transit.

All doors open to roof height so large bulky items can fit easily.

The optional driver's SRS airbag, a wise investment for driver safety.

Tune into the AM/FM radio cassette to help pass the hours on the road.

MITSUBISHI RANGE

VERADA

The distinctive looking, new 2003 Verada continues to set the benchmark in quality and refinement. Verada comes with all the new features that are standard on Magna, plus a ten-way adjustable power driver's seat, traction control and a premium audio system with 6-disc, in-dash CD changer. Verada models include Ei, Xi, GTVi, Wagon and AWD which boasts outstanding stability, superior roadholding and improved cornering control for safer, more spirited driving.

MAGNA

The new look 2003 Magna features an impressive line up of standard features including driver, front passenger and side air bags, a six-way adjustable power driver's seat, cruise control, climate control air conditioning and power windows. Magna models include ES, LS, Wagon and AWD which boasts outstanding stability, superior roadholding and improved cornering control for safer, more spirited driving.

MAGNA VR & VR-X

With new street smart styling the 2003 Magna VR/VR-X are more impressive than ever. The newly tuned engine delivers a powerful performance, while luxury and safety are enhanced by passengers and side air bags, a six-way adjustable power driver's seat, cruise control, climate control air conditioning and power windows. The motorsports styling also includes new seat trims, white faced instruments and a leather wrapped steering wheel.

LANCER

With a proud rally heritage, Lancer sedan boasts a range of impressive features, including INVECS II 'Smart Logic' 4 speed automatic transmission. The VRX also features 4 speed 'SPORTS MODE' sequential gear shifting. Lancer Sedan is powered by a 2.0 litre SOHC 16 valve multi-point fuel injected engine. The Wagon features a 1.8 litre SOHC 16 valve engine.

MIRAGE

Compact, 3 door hatch featuring a zippy 1.5 litre 12 valve, multi-point fuel injected engine. Available as a 5 speed manual or with INVECS II 'Smart Logic' 4 speed automatic transmission. Features include SRS driver's airbag, power steering, ample room and plenty of style.

PAJERO

The leader in its class, Pajero delivers a powerful performance, renowned reliability, generous interior space and superior safety. Powered by a 3.5 litre V6 24 valve fuel injected engine, with the option of a 3.2 litre intercooled turbo direct injection diesel (Di-D).

CHALLENGER

A luxurious and sporty all terrain 4WD with advanced aerodynamic styling and superior ride comfort. Features a 3.0 litre V6, LPG compatible 24 valve multi-point fuel injected engine with an impressive maximum towing capacity of 2270kg.

OUTLANDER

A compact, all wheel drive offering a unique combination of sports styling, flexible interior space, ride comfort and unprecedented safety. Seats five people in comfort and features a range of cargo carrying options, while the automatic transmission boasts 'SPORTS MODE' sequential gear shifting.

TRITON

A tough, hard working ute available in a range of powerful engine capacities and fuel types. The range of Triton models includes Cab Chassis, Double Cab and Club Cab in 4x2 and 4x4.

NIMBUS

A stylish, award winning people mover. Nimbus comfortably seats seven adults with a variety of different seating and storage configurations. Powered by a 2.4 litre SOHC 16 valve, electronic multi-point fuel injected engine.

Diamond Finance

Take the burden out of financing your new Mitsubishi vehicle with our competitive, reassuring and completely flexible range of finance products developed by Mitsubishi Motors Australia Ltd and St.George Motor Finance Limited.
