

Accent

Drive your way

Your way is our way.

Whatever your dreams. Wherever you're going. Whoever you want to be. The discoveries, the adventures, the challenges await. It's your journey and we'll take you there.

Hyundai. Drive your way.

It's your turn behind the wheel. Live your life and shape your future as you see fit. Our promise is to deliver first-class value through innovative technology, advanced safety features and a determination to build the highest quality cars. Our guarantee to you is your satisfaction with cars that perfectly fit your needs and lifestyle. An extensive dealer network and full warranty support means your confidence in your Hyundai need never be compromised.

Ready yourself to be surprised. We've taken all that's good about the Accent and made it better. The Accent breathes more space, comfort and performance into a compact vehicle than even we dared believe was possible. If you're looking for a way to pack more into your day the Accent is made for you.

Accent: Accentuated in every way.

Make the most of each and every day

The Accent Hatch and Sedan are designed for you to get more out of every day. There's more space, more power, more safety features, more style and more choice so you can do more of what you want, when you want.

Choose the Accent Hatch for its sporty ride and handling or the Accent Sedan for the advantages of a full sized car with the efficiency of a compact vehicle. No matter your choice, benefit from Hyundai's renowned value and Australia's first 5 Year Unlimited Kilometre Factory Warranty.

Enjoy your Accent, your way.

Safety comes first

Overseas alloy wheel shown

Engineered for your safety

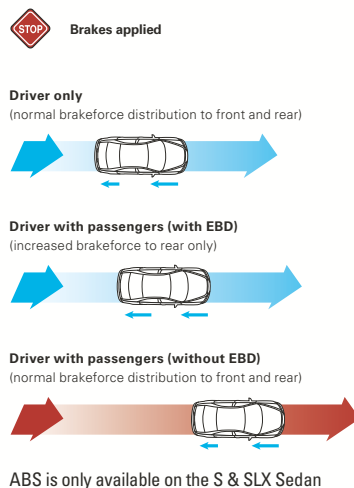

With Accent Hatch and Sedan, the safety is built-in. Front disc brakes, driver and front passenger airbags, side impact bars and front seatbelt pretensioners with force limiters make your Accent safer than ever before. This focus on safety is further extended into the cabin with height adjustable front, centre and rear head restraints along with convenient steering wheel mounted audio controls.

SLX Hatch and Sedan also come equipped with rear disc brakes and Anti-skid Braking System (ABS) with Electronic Brakeforce Distribution (EBD) - while six airbags provide a protective cocoon for all occupants of the vehicle. These consist of driver and front passenger, dual front side front (thorax) and front and rear passenger side curtain airbags.

Your Accent – providing you with supreme confidence behind the wheel at every turn backed by Hyundai's proven reliability and technology.

ABS with EBD

The four-channel Anti-skid Braking System (ABS) with Electronic Brakeforce Distribution (EBD) and 4-wheel disc brakes helps keep you firmly in control. ABS allows you to steer your Accent under full braking power away from danger, where a locked, skidding wheel cannot. EBD evenly distributes braking power to all the wheels, automatically adjusting to changes in total vehicle weight. This life-saving combination reduces braking distance and maximises braking performance, making it safer to stop in all conditions.

Enhanced seat belt safety

During a frontal impact front seat belt pretensioners tighten the shoulder belts to reduce forward movement. Force limiters spread the belt's load across the upper body and height adjustable upper mounting holds you firmly, thus lessening the chance of injury.

Adjustable head restraints throughout

Every detail has been designed with you in mind, including the height adjustable head restraints. These reduce the risk of whiplash by narrowing the gap between head and head restraint while also making for a more comfortable ride.

Structural integrity

Excellent structural integrity is provided by side impact beams, strengthened window sills, safety engineered doors, added knee protection for front seat passengers, and a reinforced chassis that features a rigid cabin and front and rear crumple zones.

Accent Hatch in Blue Onyx

Powerful yet efficient

It's a powerful feeling

Reach down for the gear knob and feel the life in your Accent. With a more powerful engine and improved fuel consumption, averaging 6.8L/100km (Sedan manual) and 7.0L/100km (Hatch manual) per ADR81/01, Accent really is the best of both worlds. You'll enjoy the swift acceleration, knowing that the manual transmission, improved automatic transmission and efficient engine are helping to save you money on fuel and deliver a refined driving experience.

Leather gear knob available on SLX Hatch & SLX Sedan

Accent Hatch in Hip Hop Red

Look under the bonnet

You'll find that there's plenty of power in reserve for safe overtaking. The 16 valve DOHC 1.6 litre, 4 cylinder engine featuring CVVT (Constantly Variable Valve Timing) produces 82 kW of power and 145 Nm of torque.

Active drivers will enjoy the 5 speed manual transmission. Those who prefer to sit back and enjoy the ride will be impressed by the responsiveness of the 4 speed electronic HiVec transmission. HiVec, which stands for Hyundai intelligent Vehicle electronic control, adapts to your driving style to define the driving response that suits you and includes overdrive and lockup torque converter.

Stylish and spacious

Take a closer look. You'll recognise the name badge but there is much that will surprise you. The Accent Hatch makes a statement with its sporty look, rear spoiler and stylish black interior, while the Accent Sedan's clean lines draw attention to its roominess and refinement.

Look inside. You'll love the refined interior and all the space. We've made the cabin larger with more leg and head room, so all your passengers can stretch out in comfort. There's also more storage room. Fold down the rear seats and you'll be able to fit everything into the enlarged boot – whether gym gear, golf clubs or shopping. The seats in the Accent Hatch fold practically flat making it even easier to take along whatever you want. You'll also appreciate how quiet the Accent has become.

From every angle, Accent is driving your way.

Accent Hatch in Space Silver

Fully Featured

Air-conditioning with pollen filter
Now you can control not only the heat of the day but the pollen in the air. It all makes for greater driving comfort. Pictured here in the Accent Sedan.

MP3/WMA/CD Player, FM/AM Tuner
Your favourite driving music will sound better on the Accent's great sound system. Pictured here in the Accent Sedan.

Instrument cluster
Instruments are easy to read, allowing you to focus on enjoying the drive with minimal distractions. Pictured here in the Accent Sedan.

Leather wrapped steering wheel and gear knob (SLX Hatch & SLX Sedan)
The new Accent spoils the driver with the comfort and luxury of a leather steering wheel and a leather gear knob, pictured here in the Accent SLX Hatch.

Illuminated glove box
The illuminated glove box makes it easy to find and store your important personal items. Pictured here in the Accent Sedan.

Power windows with driver's auto down function
Driving is made even more comfortable with power windows, including finger touch auto down function. Controls for the power windows and the power door locks are conveniently located in the driver's armrest. Pictured here in the Accent Sedan.

Steering wheel mounted audio remote controls
Safe driving is all about minimising distractions. With finger tip audio controls your hands remain firmly on the steering wheel as you manage your listening pleasure. Pictured here in the Accent Sedan.

Rear seat fold-down cup holders
Ingeniously placed cupholders in the rear armrest help to keep your passengers' drinks secure and the drive safe. Pictured here in the Accent Sedan.

Larger boot size
The Accent Sedan's boot is 20 litres larger making it even easier to fit luggage, shopping, golf clubs or whatever your active lifestyle requires.

Keyless entry
Enjoy improved security with a keyless entry system that lets you control the power door locks and is linked to the engine immobiliser and alarm. Available in both Accent Hatch and Accent Sedan models.

Convenient compartment in passenger door
Keep the interior of your Accent clutter free by storing your street directory, maps, or other small items in their own home, as shown in the Accent Sedan.

Sunglasses holder (SLX Hatch & SLX Sedan)
Keep your sunglasses close at hand and free of scratches. Pictured here in the Accent SLX Sedan.

AUSTRALIA'S FIRST

5 YEAR UNLIMITED KM WARRANTY

Accent Confidence

Hyundai builds each and every vehicle using state-of-the-art technology to meet the world's highest quality standards. This is evidenced by the fact that the company now offers Australia's First 5 Year Unlimited Kilometre Factory Warranty* on all new Hyundai passenger vehicles as a standard promise of excellence. It is only because of our belief in the research and development behind every vehicle's design, the exceptional quality of materials and workmanship used in manufacturing, pre-delivery testing and an outstanding dealer network that Hyundai can back its product without any qualms, offering you complete confidence and peace of mind.

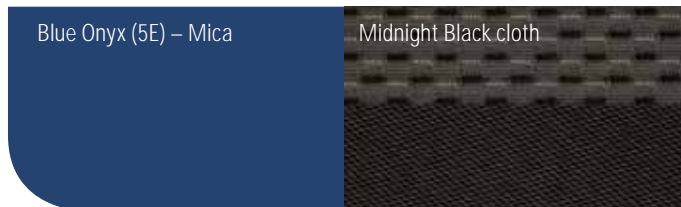

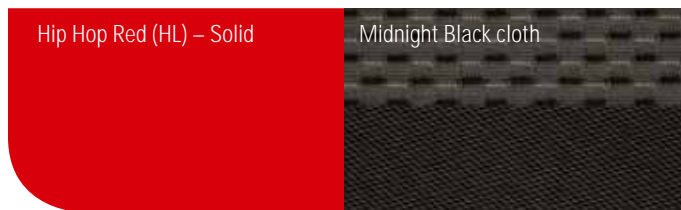

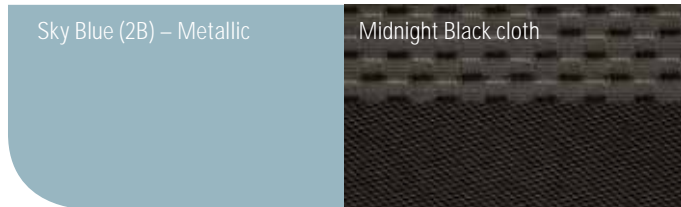

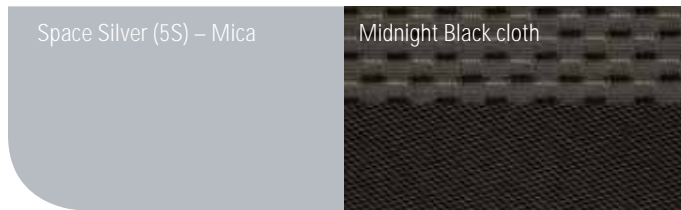

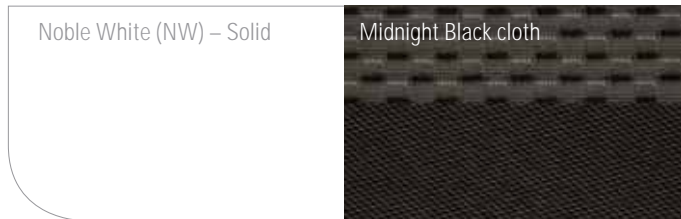

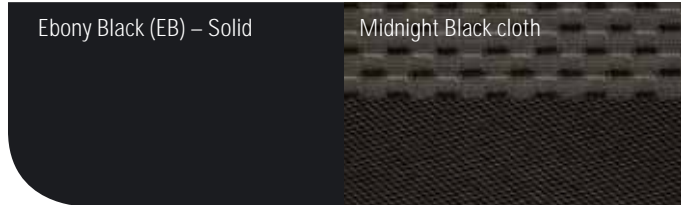

*Note: The warranty extension to Unlimited Kilometres is only applicable to vehicles purchased from 01/03/07 used for private and domestic uses and is not applicable to vehicles used for certain high mileage commercial purposes, i.e. Courier, Security and Rental Cars.
