

Vorsprung durch Technik www.audi.com.au

The compact SUV for progressive drivers.

The all new Audi Q5.

World leading technology, revolutionary design and unsurpassed driveability come together in perfect unison in the progressive new Audi Q5; a compact SUV that challenges convention with a strikingly streamlined design that still affords luxurious space and comfort.

Offering the full range of Audi-engineered automotive advances, this beautifully crafted SUV also features a 7-speed S tronic dual clutch gear box, quattro® permanent all-wheel drive with 40:60 torque split and much more. A choice of FSI® petrol or performance

turbo TDI® diesel engines deliver a powerfully efficient driving experience which stands the all new Q5 apart. The latest generation of Electronic Stability Programme (ESP) intelligently manages the dispersion of weight when the standard roof cross-members are attached for safer driving in all conditions.

Individually, these distinctive attributes represent the cutting edge of automotive engineering. Collectively, they synchronise to create an overall driving experience so progressive, it will change the way the world sees the compact SUV forever.

• = Standard O/S RRP* = Optional extra - = Not available NCO = No Cost Option

*Prices quoted are Recommended Retail Prices (RRP) excluding dealer delivery charges which may vary from dealer to dealer and statutory charges which vary from state to state. Where the RRP is below the Luxury Car Tax (LCT) threshold that price excludes LCT. Where the RRP shown, plus the dealer delivery charge, is above the LCT threshold that price is inclusive of LCT at the rate of 33%. The LCT threshold is \$57,180 for all vehicles except those with a combined fuel consumption value of 7.0 litres per 100 km** or less which have an LCT threshold of \$75,000. LCT is payable on all luxury vehicles with a total purchase price, including the price of factory & dealer fitted optional extras & dealer delivery charges, above the LCT threshold.

** Individual recommended retail prices (RRP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your dealership for further details.

Excludes phone cradle which must be purchased separately. Please check with your Audi dealer for phone cradle availability and approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

Excludes Audi Music Interface connector cable which must be purchased separately through Audi Genuine Accessories.

*** Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

*** Please note 3D Imagery of key city models, sightseeing information and topographical details displays will not be active until end of 2009 with a later mapping update.

Specifications are as planned at February 2009 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Limited, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices.

Vehicles pictured in this specification sheet is an overseas Audi Q5 3.0 TDI quattro S tronic featuring the additional options of Metallic paint, 20" 5-arm design alloy wheels, Xenon plus headlights, Audi parking system plus front & rear, second Audi Q5 pictured also features, in addition to the above vehicle options a Panorama glass sunroof.
