

The Audi S5

The Audi S5

Driving redesigned

A new form of coupe: First and foremost the S5 is one hundred percent Audi; the exceptional dynamics, the sports performance, the sophisticated luxury. However in this dynamic model, Audi takes on a new form – with the long sweeping lines, classic wide stance and elegant contours of the iconic coupé.

A new form of power: It's all about your senses. First you hear it. The deep roar of the race-bred 4.2 litre V8 FSI® engine. Then you feel it. The immediate response as it delivers 260 kW of power and 440 Nm of torque. Finally you live it – as the Audi S5 6-speed manual propels you from 0 to 100 km/h in 5.1 seconds towards a top speed of 250 km/h.

A new form of comfort: Slide behind the Audi S5's multifunction sports leather steering wheel, and sink into the embossed leather sports seats, and you're surrounded by luxurious comfort and styling. The interior is elegant and sophisticated. The cockpit is ergonomically designed. Even the instrument panel reflects distinct style with white needles over grey dials.

A new form of agility: It's in the application of this power where the Audi S5 delivers on the promise made so emphatically by its dynamic design. While Audi's quattro® permanent all-wheel drive with variable torque distribution delivers outstanding driving dynamics and excellent road stability.

• = Standard equipment * = Optional equipment, Recommended Retail Price shown NCO = No cost option

^ Prices quoted are Recommended Retail Prices (RRP) excluding dealer delivery charges which may vary from dealer to dealer and statutory charges which vary from state to state. The RRP of each model and factory fitted option* are inclusive of Luxury Car Tax (LCT) at the rate of 33%. LCT is payable on all luxury vehicles with a total purchase price, including the price of factory & dealer fitted optional extras & dealer delivery charges, above the LCT threshold. The LCT threshold is \$57,180 for all vehicles except those with a combined fuel consumption value of 7.0 litres per 100 km# or less which have an LCT threshold of \$75,000. Please inquire at your dealer for further details.

This is a manufacturer's specification sheet and new vehicles must be purchased from dealers.

Fuel consumption figures according to Australian Design Rule (ADR) 81/01. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

Audi music interface connector cable must be purchased separately through Audi Genuine Accessories

Phone cradle must be purchased separately. Please check with your Audi dealer for phone cradle availability and approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

Specifications and pricing are as planned at February 2009 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Limited, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices.

An S5 4.2 quattro manual is pictured with optional 19" alloy wheels, metallic paint and Silk Nappa leather trim. An overseas model is shown.
