40<sup>th</sup> Anniversary Limited Edition

## How do you celebrate 40 years of brilliant Honda quality?

Honda is marking 40 years in Australia and to celebrate we've created a truly unique car that embodies the sleek and stylish design for which Honda is renowned - the 40<sup>th</sup> Anniversary Limited Edition Civic.

This exclusive Civic boasts 15" alloy wheels, fog lights, deluxe tailored floor mats, rear park assist, a chrome exhaust finisher and, of course, a 40<sup>th</sup> Anniversary rear badge. What can we say? We've taken a great car and made a new, more extraordinary one.

Striking from every angle, the Civic's low front grille, cut-off tail and one sweep design aren't just for show. Every flowing curve and elegant arch combine to create the ultimate aerodynamic body, making it as enjoyable to watch as it is to drive.

With a 1.8 litre i-VTEC engine producing 103kW of power and 174Nm of torque, the Civic is the perfect combination of style and substance. And by using just 6.9 litres of fuel per 100km\*, it delivers the power you'd expect from a 2.0 litre engine with the fuel efficiency of a 1.5.

So basically, the Civic is all about maximising your enjoyment. And that's why you have the choice between a sporty 5-speed manual, or a smooth automatic transmission. Combined with power steering and a sophisticated suspension system, this kind of 'ultra-intuitive' handling makes country hills and corners a breeze, and zippy city driving an absolute pleasure.

It's also pleasing to note this exclusive model is equipped with front and side airbags and a multiplex-meter, allowing you to safely check your speed while keeping your eyes on the road. Not to mention Honda's ingenious G-Force Control (G-Con) technology and Vehicle Stability Assist that keep you safe and sound.

Over many years, the Civic has become more than just a car. It's a collection of hundreds of clever thoughts that have all come together to create a revolutionary feat of engineering. Now that's something worth celebrating!

But to really join in on the fun you'll have to hurry, because with only a limited number of the 40<sup>th</sup> Anniversary Civics available, they'll be gone in a flash.

**1. Alloy wheels.** The perfect sporty complement to the Civic's sleek lines. **2. Rear park assist.** You'll have peace of mind when reversing with parking sensors that alert you to the presence of obstructions behind the car. **3. Fog lights.** These stylish lights use precision optics to enhance visibility and safety in adverse weather conditions. **4. Chrome exhaust finisher.** This tasteful accessory adds to the well-appointed and modern Civic exterior.

\*The fuel consumption figures quoted are based on ADR81/02 test results for Civic manual transmission.

✳ This Limited Edition Civic is a celebration of our 40 years of achievements.
