

FORD PERFORMANCE VEHICLES

GT SPECIFICATIONS

- Maximum power 315kW
- Maximum torque 551Nm[^]
- High performance 5.4 litre quad-cam 32 valve V8
- 355 x 32mm cross drilled and ventilated front rotors with Brembo 4 piston calipers and 328 x 26mm cross drilled and ventilated rear rotors with single red piston caliper
- TR6060 6-speed manual transmission or ZF 6-speed automatic transmission with Sequential Sports Shift (NCO)*
- FPV 19" x 8.0 Alloy wheel fitted with 245/35ZR 19 Dunlop Sport Maxx tyre
- Dynamic stability control
- Driver and front passenger airbags, curtain airbags plus front seat side thorax airbags

1

The GT has long been the icon of performance motoring in Australia. This FPV GT is without doubt the best GT FPV has ever created, something even the critics agree with. More power from the legendary Boss quad-cam V8 delivering an awesome 315kW and a massive 551Nm[^] of low down torque. Sharper handling and better turn in through new suspension settings. This is true V8 performance motoring unlike any other. It's all about performance and the FPV GT delivers much more than ever.

The GT-P represents the ultimate in high performance motoring, propelled by the most powerful V8 FPV has ever built. This is one serious performer with more torque for get up and go and more power to keep you moving at the top end. The mono tube spring and damper settings guarantee that the power is turned into sharper handling. The Brembo brakes front and rear ensure the control is at both ends of the performance spectrum. With the FPV GT-P nothing is left wanting, this is the epitome of what is called 'Performance Inc.'

GT-P SPECIFICATIONS

- Maximum power 315kW
- Maximum torque 551Nm[^]
- High performance 5.4 litre quad-cam
 32 valve V8
- 355 x 32mm cross drilled and ventilated front rotors with Brembo 6 piston calipers and 330 x 28mm cross drilled and ventilated rear rotors with Brembo 4 piston calipers
- TR6060 6-speed manual transmission or ZF 6-speed automatic with Sequential Sports Shift (NCO)*
- FPV 19" x 8.0 Alloy wheel fitted with 245/35ZR 19 Dunlop Sport Maxx tyre
- Dynamic stability control
- Driver and front passenger airbags, curtain airbags plus front seat side thorax airbags
- 6-way power driver's seat

GTE SPECIFICATIONS

- Maximum power 315kW
- Maximum torque 551Nm[^]
- High performance 5.4 litre quad-cam 32 valve V8
- 355 x 32mm cross drilled and ventilated front rotors with Brembo 6 piston calipers and 330 x 28mm cross drilled and ventilated rear rotors with Brembo 4 piston calipers
- ZF 6-speed automatic transmission with Sequential Sports Shift
- FPV 19" x 8.0 Alloy wheel fitted with 245/35ZR19 Dunlop Sport Maxx tyre
- Dynamic stability control
- Driver and front passenger airbags, curtain airbags plus front seat side thorax airbags
- 8 way power adjustable driver seat with
 3 position memory
- Full body colour bumpers
- Reverse parking camera

For those who want ultimate performance but prefer to keep the excitement a little more under the bonnet, the GT E is here to deliver. With the unbridled power of 315kW, 551Nm^ of effortless torque and the precision handling of a GT-P, this machine is for those who know power is all about how you use it. Styling inside and out is more subtle, but the beast still lies within. The GT E. A new style of performance motoring.

The FPV Pursuit is one serious machine. With 315kW of power and 551Nm[^] of torque combined with highest levels of road handling, this is what happens when performance engineering is applied to a practical workhorse. Get into the cab and take-off and you'll understand why this could be considered the ultimate sports utility. Outstanding performance in a package that's been designed to be both practical and exhilarating.

PURSUIT

PURSUIT SPECIFICATIONS

- Maximum power 315kW
- Maximum torque 551Nm[^]
- High performance 5.4 litre quad-cam 32 valve V8
- 355 x 32mm cross drilled and ventilated front rotors with Brembo 4 piston callipers, and 328 x 26mm cross drilled and ventilated rear rotors with single red piston caliper
- TR6060 6-speed manual transmission or ZF 6-speed automatic transmission with Sequential Sports Shift (NCO)*
- FPV 19" x 8.0 Alloy wheel fitted with 245/35ZR 19 Dunlop Sport Maxx tyre
- Dynamic stability control
- Driver and front passenger airbags, front seat side head/thorax airbags
- FPV soft tonneau

SUPER PURSUIT SPECIFICATIONS

- Maximum power 315kW
- Maximum torque 551Nm[^]
- High performance 5.4 litre quad-cam 32 valve V8
- 355 x 32mm cross drilled and ventilated front rotors with Brembo 6 piston calipers and 328 x 26mm cross drilled and ventilated rear rotors with single red piston caliper
- TR6060 6-speed manual transmission or ZF 6-speed automatic transmission with Sequential Sports Shift (NCO)*
- FPV 19" x 8.0 Alloy wheel fitted with 245/35ZR 19 Dunlop Sport Maxx tyre
- Dynamic stability control
- Driver and front passenger airbags, front seat side head/thorax airbags
- FPV "power bulge" hard tonneau with spoiler

This sports utility has it all. The unrivalled performance of 315kW and 551Nm[^] of torque is matched only by the exterior and interior styling. Make no mistake - this is one serious sports coupe. Even standing still it screams performance. It features Brembos all round, body striping and comes standard with the unique FPV "power bulge" hard tonneau with spoiler. Super performance is what the Super Pursuit is.
