The specifications and major features listed herein are accurate as at the date of printing (September 2010/10 YM). However, Honda Australia Pty. Ltd. reserve the right to change or modify specifications and major features at any time without prior notice. Due to ordering, shipping and freight factors, some colour and model availabilities may vary from time to time. Check with your Honda Dealer for current information on availability. Automatic transmission available for an extra cost. Only Genuine Honda Accessories are made to fit Honda vehicles. For a Genuine Honda Accessory brochure contact your Honda Dealer or Honda Australia on 1800 804 954. The fuel consumption figures quoted in this brochure are based on ADR81/02 test results. You may experience different results depending on driving conditions and the condition of the vehicle. Honda warranties apply where due care is exercised by the owner and the vehicle is maintained in accordance with the vehicle's owners manual. Please refer to Honda's warranty documentation for exclusions and conditions. Honda Australia Pty. Ltd. recommends careful examination of all official Honda warranty documentation before purchasing. This brochure is printed on 91% recycled paper, 80% post consumer fibre and 20% totally chlorine-free pulp. It is FSC certified mixed source paper which ensures that all virgin pulp is derived from well managed forests and is manufactured by an ISO 14001 certified mill. Civic Limited Edition shown on cover. HON8596

What if a car loved by eight out of ten people got even better?<sup>^</sup>

The Honda Civic is elegant, clever, safe and fun to drive. But we weren't content to stop there. So we're happy to introduce the new Civic Limited Edition.

What's new? 15" alloy wheels, rear park assist, Bluetooth® phone system\*, deluxe tailored floor mats and, because we're proud of the result, a Limited Edition badge.

The Civic's sporty front bumper and one sweep design aren't just good to look at - they ensure the Civic is beautifully efficient, too.

Really, really efficient, so it's kinder to the earth and your wallet, yet still a thrill to drive. Because the Civic's 1.8 litre i-VTEC engine produces 103kW of power and 174Nm of torque while using just 6.9 litres of fuel per 100km\*. So you've got the power you'd expect from a 2.0 litre engine with the fuel efficiency of a much smaller engine.

You're also in safe hands with front, side and full-length curtain airbags, front active head restraints, front seatbelt pre-tensioners and Anti-lock Braking System (ABS). But we never want you to be in harm's way, so there's also a multiplex-meter dash display

which lets you check your speed while keeping your eyes on the road, Vehicle Stability Assist (VSA) with Traction Control to help regain traction if there's any wheel-slip, and our ingenious Advanced Compatibility Engineering (ACE) body structure that disperses the force of a frontal impact.

But enough talk. Now you need to test drive the Civic Limited Edition at your nearest Honda Dealer. Just don't wait too long because stock is limited, and eight out of ten people who come in and drive a Honda Civic, buy one.

1. Alloy wheels

Help make the Civic's sporty good looks, even sportier.

2. Rear park assist

Reverse parking is simple with sensors that beep when you're too close to objects.

3. Bluetooth® phone system\*

Stay connected when on the road with our hands-free phone system.

4. Deluxe tailored floor mats

Show off with these tailor-made floor mats.

Introducing the even-easier-to-love Civic Limited Edition
