i30 SR shown in Continental Silver

The i-catching i30 is the newest and most exciting addition to the Hyundai range and boasts inspired European styling, dynamic refinement and innovative safety technology in a feature-packed hatch or versatile i30cw wagon.

iCare

Hyundai iCare. A new benchmark in service and support.

From the moment you take delivery of your new vehicle, Hyundai iCare is there to provide you with the very best customer service. Hyundai iCare is a comprehensive service and support program designed to help extend the pleasure of owning your new Hyundai long into the future.

Hyundai iCare helps maintain the pleasure of owning a Hyundai long after the new car smell has gone with:

- The peace-of-mind of Australia's first 5 Year Unlimited Kilometre Warranty*.
- The confidence of Hyundai Roadside Assist.
- The convenience of myhyundai.com.au and our Customer Care Centre.
- The assurance of a complimentary 1,000km vehicle inspection.
- The satisfaction of having your vehicle serviced by qualified Hyundai service technicians with Hyundai Genuine Parts.

Hyundai's Australian First 5 Year Accessory Warranty

All Genuine Hyundai Accessories are covered by Hyundai's Australian First 5 Year/Unlimited Kilometre Accessories Warranty. All Accessories are subject to warranty conditions. Warranty only applies to purchases from 1 September 2008. See your nearest Hyundai Dealer or visit our website at hyundai.com.au for full warranty terms and usage recommendation.

Hyundai Genuine Parts

Not all parts are equal, insist on Hyundai Genuine Parts.

The quality and reliability of Hyundai products are key factors in your purchasing decision. Through careful design and engineering, Hyundai automobiles are built to provide you with years of worry free driving enjoyment with minimum maintenance.

For your peace of mind remember that Hyundai Genuine Parts are backed by a 12 month, 20,000 km warranty in order to provide high-quality service and maintenance.

Printed in Australia

* FULL OF surprises

Designed in Germany and distinctly European-inspired, i30 capitalises on an award winning pedigree to deliver contemporary styling, intelligent technology and innovative interior refinement in a dynamic package. Inspiring from every angle and at every turn, i30 is packed with unexpected features as standard to add so much more to your driving experience.

Whether you choose the well-equipped sporty hatch or stylish yet "fun"ctional cw wagon – all in petrol or turbo Diesel engines – there's an i30 to fit your lifestyle.

interior

SPACE

1250

litres of luggage space in the hatch, or 340 litres with the seats up.

1395

litres of luggage space in the wagon, or 415 litres with the seats up.

The inside of every i30 is designed to maximise freedom, flexibility and comfort for driver and passengers. An input for your USB/iPod® or other MP3 player means your music goes where you do, and there are also dedicated storage areas for everything from sunglasses to cups. The i30 comes complete with the Anti-skid Braking System (ABS), Electronic Stability Control (ESC) and Traction Control System (TCS) as standard, while up to 6 airbags provides the ultimate protection.

An elevated seating position provides easy entry and exit along with an enhanced view of the road, the driver's seat is height adjustable, and a tilt/telescopic (reach-adjustable) steering wheel further enhances driver comfort. There's plenty of leg room for all occupants, while load versatility meets the demands of the most active lifestyle. The i30cw wagon also includes a retractable cargo security screen, luggage net and 12 volt charger.

POWER * AND dynamics

1.6 CVVT or 2.0 CVVT petrol engine (as shown)

1.6 CRDi turbo Diesel engine

Inspired chassis design with suspension and steering optimised for Australian conditions. Plus a choice of engines combine to deliver refined responsiveness and sporty exhilaration.

1.6 and 2.0 CVVT petrol

With two DOHC petrol engines available, you can be sure you'll have the combination of lively performance and superb fuel economy that's right for you. The spirited 1.6 litre engine produces 89 kW @ 6200 rpm, delivering a superb 6.5 L/100km.¹ While the 2.0 litre engine produces an impressive 105 kW @ 6000 rpm, with an astonishing 7.2 L/100km.¹ Both engines are engineered with Constantly Variable Valve Timing (CVVT) technology to ensure power and economy are perfectly matched.

1.6 CRDi turbo Diesel

The 1.6 Common Rail Direct injected (CRDi) turbo Diesel engine features a Variable Geometry Turbo (VGT) to minimise turbo lag and increase efficiency at higher engine speeds for smooth delivery of power. The intercooled CRDi engine produces 255Nm of torque for effortless driving with an astonishing fuel economy of 4.7 litres¹ for the hatch and 4.9 litres¹ for the wagon per 100 kms.

Intelligent technology

MacPherson strut front suspension and a sophisticated multi-link rear suspension have been fitted to perfectly complement i30's high design rigidity, while ventilated 280 mm front and solid 262 mm rear discs with 4-channel Anti-skid Braking System (ABS) and Electronic Brakeforce Distribution (EBD) mean road handling is matched to the i30's dynamic appearance.

FUEL*

efficient

4.7

CO₂

Choose your drive

Automatic transmissions are quieter and more efficient than ever before and feature Hyundai intelligent Vehicle electronic control (HiVec) which adapts to your driving style. An ergonomically positioned gate shift also allows more precise control and smoother mode selection. The 5-speed manual transmission has been specifically engineered to give a precise short throw shift as well as reduced noise and maximum durability.

Environmental integrity

The 1.6 Common Rail Direct injection (CRDi) turbo Diesel engine is surprisingly quiet, refined and smooth. More importantly for the environment i30 produces significantly reduced CO₂ emissions (125g/km for the i30 hatch) and EURO IV emission compliance. This makes the i30 a practical alternative to complex and expensive hybrid cars. In fact, the i30cw wagon is one of the most fuel efficient wagons available, with some of the lowest CO₂ emissions of any wagon on the market. Hyundai motor company aims to make up to 95% of the i30 recyclable through developing technologies.

*integrated PROTECTION

The safety of you and your passengers is our highest priority. The technology in i30 meets rigorous safety standards and is designed to provide you with total confidence and control behind the wheel.

ANCAP
Rated ★★★★★

intuitive^{*} SAFETY

5 Star Safety

Meeting Australia and the world's strictest safety measures, all i30 models achieve the maximum possible safety rating – 5 Star ANCAP.*

Protect

Passive safety features help protect occupants and are incorporated for maximum protection including:

- Six airbags (dual front, side and curtain SRS airbags)
- Active anti-whiplash front head restraints
- Seatbelt pretensioners, load limiters & height adjustable upper mounts on front seatbelts
- Impact absorbing, rigid occupant shell

Smart Pedal

All i30 models are equipped with a Smart Pedal[†]. Smart Pedal[†] technology allows the brake to take precedence over the accelerator in circumstances where both are engaged at the same time. This avoids unintended acceleration instead of braking.

Avoid

Active safety features in i30 help you avoid trouble and stay in control. The combination of Anti-skid Braking System (ABS) and Electronic Brakeforce Distribution (EBD) help you avoid wheel lock and maintain control in emergency braking situations. EBD works with ABS to deliver the maximum braking effect to the wheels that need it, regardless of how the vehicle is loaded.

Electronic Stability Control (ESC) with Traction Control System (TCS) help to automatically compensate for over/under-steer to stabilise the vehicle and prevent skidding. In the event of wheel spin caused by over-acceleration, particularly on slippery surfaces, TCS momentarily applies the brakes on the spinning wheel until it regains traction with the road.

The driver and front passenger are also alerted by a seat belt reminder system.

HALO – Your Guardian Angel

With the introduction of the Hyundai Active Locking Operation (HALO), your i30 is even more of a safe haven. HALO is programmed to automatically lock all the doors when the vehicle reaches 20km/h. This prevents unwanted intrusion even when the vehicle is stationary. The driver and front passenger can still exit as normal and doors can be unlocked by pulling the inside door handle. In the event of a collision, the central locking will automatically unlock all the doors.

i30 incredible features

1.

5 star safety

Enjoy the confidence and peace-of-mind of a maximum 5-star ANCAP safety rating. With six SRS airbags, ABS brakes and Electronic Stability Control (ESC) with Traction Control System standard on all i30 models.

2.

Three engine choices

With the option of a sporty 1.6 and 2.0 CVVT petrol engine, or an advanced 1.6 Common Rail Direct Injected (CRDi) turbo Diesel engine, you can choose the level of performance and economy that's right for you.

3.

Telescopic and tilt steering wheel

The steering wheel can be moved to a variety of angles and adjusted easily and quickly to the driver's preferred driving position.

4.

Reverse Park Assist Sensors (cw wagon SLX & Sportswagon)

Sensors on the rear bumper assist the driver in reverse parking, with an audible alert to warn of an impending collision with rear obstacles.

5.

Power windows

Why should one person be in control of everyone's comfort? Power windows throughout the cabin mean individual choice and natural ventilation at the touch of a button.

6.

Keyless entry with alarm

Two sets of European style key fobs including remote keyless entry and rear hatch release.

7.

USB and iPod® media input

Connect your iPod® for full iPod® functionality via the audio unit. You can also attach your MP3 player directly via the USB or auxiliary input to enjoy your favourite music.

8.

Glove box cooler

Air conditioning flows through the glove box to create compact refrigeration for keeping drinks and snacks nicely chilled.

9.

Hyundai Active Locking Operation (HALO)

Preventing unwanted intrusion, this automatic feature adds to your personal security.

10.

Full size spare wheel

No tiny space-saving tyre here, Hyundai provides i30 drivers with a full size spare wheel to the same specifications as the 4 main wheels.

11.

Foglights (SLX, SR & Sportswagon)

Incorporated in the front bumper, dual fog lamps improve visibility in adverse weather conditions and enhance the front profile.

12.

Fully-automated climate control (SLX, SR & Sportswagon)

Control the desired climate within the car. The temperature and fan speed can be pre-set, and pollen filtration helps everyone breathe easy. SX has manual air-conditioning.

13.

Trip computer (SLX, SR & Sportswagon)

The trip computer provides information including distance to empty, average fuel consumption and travel distance.

14.

Navigation System

Standard on SR and Sportswagon. Available as option on other variant.

15.

Rain sensing wipers (Sportswagon)

Maintain your focus on the road and enjoy the convenience of wipers which operate automatically on detection of rain or other significant moisture on the windscreen.
