

There's something thrilling in every journey

It can be a discovery made

A bedtime story created

or a moment that brings you closer

That only motion can make possible

The next adventure is always ahead

Mazda CX-9 invites seven people along

To experience quiet luxury

that's inspired by sporting spirit

SEVEN SEATS HAVE NEVER MOVED LIKE THIS

Its looks are a long way from those same-same SUVs, and so is the way CX-9 drives.

A smooth 3.7 litre V6 engine lets you effortlessly move people and gear, or really power on when the feeling takes you. You'll barely notice the Activematic transmission shifting through its 6-speeds. Fully independent suspension keeps you blissfully unaware of bumps in the road and corners with the

sort of roll-free composure full size SUVs normally can't deliver. Active Torque Split all-wheel drive extracts every last bit of enjoyment the road has to offer, constantly assessing conditions and distributing torque with grippy precision.

Or opt for the front-wheel drive model, which goes all out to spoil you with space and luxury.

Smooth and strong. V6 engine produces 204kW and 367Nm of torque. It works in powerful harmony with responsive Activematic transmission.

Enjoy the ride. Mazda CX-9 treats you to the smooth ride of supple independent suspension, which combines with Active Torque Split All-Wheel Drive in selected models.

SPOIL THE FAMILY. ESPECIALLY YOURSELF

Talk about being well looked after. There's three-zone climate control to keep everyone in their comfort zone, MP3 connectivity and no end of handy places for coffee, coins and other stuff. The soft leather-wrapped steering wheel adjusts this way and that to position you perfectly and carries cruise and audio controls so you barely have to budge.

A 4.3 inch colour LCD links to the rear-view camera, and also tells you where CD, radio and audio settings are at. Models with sat-nav feature a 7 inch screen that puts you right in the picture – a mere touch, controlling navigation, audio and Bluetooth® for hands-free hook up of phones and tunes.

Sound good? So does the in-dash CD player. Luxury and Grand Touring carry you away on an irresistible 277 watt, ten speaker wave of Bose® audio.

NO WONDER EVERYONE WANTS TO COME ALONG

It doesn't just accommodate seven; it spoils them with personal space.

Jump in the driver's seat in Luxury or Grand Touring models and 3-position memory has your comfort in mind. All seats are full-size and with lots of leg-room, passengers won't trip over the chair in front, or anybody else. One pull of a handle opens the 3rd-row up for access. Both 2nd and 3rd-row go out of their way to make things easy, splitting and folding to take cargo room from generous to enormous.

Leave the seats in place and you'll still make light work of most loads. There are all kinds of places to store all kinds of stuff, from console compartments to cupholders for passengers in the back.

And the comfort just keeps coming. Not content with offering room for the whole family, Mazda CX-9 adds all the extra touches. Classic grade seats you on black cloth trim that feels a cut above. Beyond that it's flat out opulence, with Luxury and Grand Touring boasting rich leather⁷ trim in either elegant sand or black, power adjustable heated front seats and a sunroof.

In fact every model makes your life easy; power windows, rain-sensing wipers and automatic on/off headlamps are included as standard equipment.

Family room. Seven full-sized seats, generous luggage space and impressive versatility just perfect for family life.

Open to anything. Both 2nd and 3rd-row seats can be folded flat to create enormous load space. 50/50 split 3rd-row seats fold easily for added flexibility.

You're sorted. Centre armrest console conveniently opens in two parts, revealing a large storage compartment. Lockable, illuminated glove box extends storage options while rear cupholders make passengers welcome.

Jump in. Just pulling a latch opens up access to comfortable 3rd-row seating.

Clear to see. Instrument cluster lit in distinctive amber-red. Luxury and Grand Touring complement this with indirect blue illumination.

Bluetooth[®] connectivity allows you to talk with hands-free ease and safety.

SOMEWHERE THE FAMILY CAN FEEL SAFE

Mazda CX-9 takes your safety very seriously. The Mazda Advanced Impact Distribution and Absorption System (MAIDAS) augments the extremely rigid passenger cell by absorbing and redirecting impact energy away from it.

Side-impact door beams are integrated and there are front and side-impact airbags, plus full-length curtain airbags covering all three rows as standard.

Front seats feature belt pretensioners and load-limiters plus active head restraints. And it's good to know

Dynamic Stability Control (DSC) is there to help prevent skids or loss of control on slippery roads.

Also on your side are ABS with Electronic Brake-force Distribution (EBD), Emergency Brake Assist (EBA) and Roll Stability Control, which detects potential rollovers and automatically stabilises the vehicle.

Intruders are fended off by remote central locking and an engine immobiliser. Add a rear-view camera for safer reversing and you've got great protection from front to back. Right behind you. Front seats are equipped with active head restraints. In the event of a rear-end impact they instantly move forward, bracing the neck against potential injury.

Before activation

So what if you're faced with an unanticipated hazard on the road and have to react suddenly? DSC acts instantly, braking the inner rear wheel to counter understeer (or outer front wheel to counter oversteer). At the same time, the Traction Control System (TCS) reduces torque to the driven wheels to minimise slip. As a result, control is maintained and the vehicle can be safely steered around the obstacle.

An extra pair of eyes. Shift into reverse and the rear-view camera automatically shows you what's behind on screen.

Safety through and through. 'Triple H' construction combines strong safety cell with front and rear crumple zones. It's all part of our advanced MAIDAS.

Built-in security. Front and side-impact airbags, including full-length curtain airbags, are integrated to ensure all passengers enjoy the highest level of protection.

CX-9 CLASSIC

Mazda CX-9 Classic spoils up to seven people with stylish luxury. It also spoils drivers with responsive performance.

CX-9 GRAND TOURING

CX-9 Grand Touring spoils its occupants in the grandest possible way. Its added technology and luxury take indulgence to the highest level.

Grand Touring features additional to the Luxury include:

- Headlamps (Xenon low beam)
- Remote operated power tailgate (open/close)
- Bluetooth[®] (hands-free compatible)
- Satellite navigation
- Smart keyless entry
- Bluetooth[®] audio (MP3 player compatible)
- CD player, single disc (MP3/WMA compatible)

CX-9

Clear advantage. Xenon headlamps boost night driving safety with clear, powerful light. Integrated washers clean lenses for optimum performance.

GRAND TOURING IN DOLPHIN GREY MICA

It's automatic. Power tailgate unlocks, opens and closes via a button on the remote locking unit.

Keyless means effortless. Smart keyless entry lets you get in and go without searching for keys. By carrying the remote locking fob you simply enter by pressing a button on either front door and start up via a keyless ignition switch.

'TAKUMI' A TRADITION OF MASTER CRAFTSMANSHIP

In Japan outstanding craftsmen are known as 'Takumi'. To reach this level, they must hone their craft over time by closely observing a master. In a way this learning never ends; they always aim for a higher level, to produce something truly exceptional. The superb skill of 'Takumi' is embodied by Japanese sword makers and calligraphers. Guided by tradition, their work is exacting, timeless and beautiful. At Mazda we know it's the skill of our people that allows us to reach the highest standards - so our engineers are fostered in one-on-one training for two years. That way each Mazda is crafted with quality you can appreciate for years to come.

Rest assured - your warranty

Mazda CX-9 is backed up by a 3-year, unlimited kilometre factory warranty and 6-year panel protection warranty.

Maintain that Zoom-Zoom

A car like Mazda CX-9 deserves the best in care. Servicing through the Mazda Maintenance Program gives your car the advantage of factory trained Service Technicians and advanced computer diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

Help is at hand -Mazda Roadside Assistance

Flat batteries, running out of fuel and flat tyres are the kind of hiccups everyone faces from time to time. When the unexpected

happens, Mazda Roadside Assistance is there to keep you moving. You'll be covered 24 hours a day, 365 days a year, anywhere in Australia. Better still, your Mazda will only be worked on by Mazdaapproved technicians. Choose a Standard policy offering everything required to get you going again, or the Premium policy with extra benefits like accommodation, a rental car and vehicle recovery. Either policy can be purchased across the entire Mazda range.

Accessories add enjoyment

Mazda CX-9 spoils you with style and luxury. And Mazda Genuine Accessories make owning and driving one even more special. They let you personalise your vehicle and protect your investment. They also give you superb design, quality, fit and safety, all with the reassurance of a Mazda warranty. Mazda Genuine Accessories let you add even more Zoom-Zoom.
