

RENAULT KOLEOS

strength and refinement

refined design

With its assertive silhouette, muscular shoulders, and imposing front grille, Koleos wins you over at the first glance.

Koleos boasts its raised ground clearance, high skid plates on the bumper, and its range of alloy wheel rims. Its signature C-shaped lighting and sweeping tail light design also leaves a lasting impression.

The captivating Koleos is ready to take you anywhere that's waiting.

overseas model shown

raise expectations

Refinement hits you first when entering the KOLEOS. The finish is meticulous, right down to the smallest details: satin chrome for the inserts on the steering wheel and air vents; padded, soft-touch materials on the dashboard and door trims; covered grab handles.

With dual-zone climate control and rear air vents, and a state of the art BOSE® premium sound system*, you could be sitting in your lounge room.

Koleos sets the bar with clever touches, like automatic walk-away door locking^ and a heated and cooled front cup holder, that you'll never know how you lived without.

* Intens only

unique experience begins

overseas model shown

overseas model shown

new vision of comfort

When you take your seat in the Koleos you're met with a new level of comfort. High-quality, Nappa leather* upholstered seats wrap around you and your passengers, and heated^ and ventilated* front seats ensure you are content during every drive. For longer drives, the cushion length extension* in the front seats and driver's seat massage function* keep you comfortable. When somebody else wants a turn, the driver's seat memory adjustment* places the seat in their perfect driving position.

* Intens only

^ Zen & Intens only

* All seats mentioned as being Nappa leather in this document are composed of Nappa leather on the seat cushion, seat back and headrest. Other elements are covered in coated textile.

dominate any terrain

Koleos has the DNA of a true SUV.

Experience each day as a new adventure and drive on all terrains with All Mode 4x4-i technology*. Switch from 4x2 to 4x4 in the blink of an eye and discover real off-road capabilities. Stay in control of the terrain with Koleos's Hill Descent Control system*, which helps to maintain your speed while travelling down a hill without needing to place your foot on the brake.

* 4x4 only. Life and Zen variants are available in 4x2 (front wheel drive), while the Intens variant comes in both options, either 4x2 or 4x4.

overseas model shown

the art of making life easy

Koleos makes daily life easier. Have you got your hands full?

With the automatic tailgate*, place your foot underneath the rear bumper and the motorised tailgate will reveal 458 litres of luggage space. With the "One touch easy folding"* system, the rear seats recline with ease, creating a huge luggage space with a fully flat floor.

For parking manoeuvres, the Easy Park Assist system* simply takes control and parks the vehicle smoothly, without you having to touch the steering wheel. The best of modern technology will help you in your everyday life.

* Intens only

intuitive technology

Safety and comfort are at the heart of Koleos's technology. Smartphone connectivity allows you to take advantage of compatibility with Android Auto™ and Apple CarPlay™. With this, you can access selected smartphone apps from the R-LINK 2 touchscreen multimedia system.

To put your mind at ease while on the road, Koleos received the maximum 5 star ANCAP safety rating and is equipped with a suite of driving assistance features, such as:

1. **Lane Departure Warning** will warn you with a sound if you have strayed into another lane without indicating.
2. **Blind Spot Warning system[^]** will warn you when a vehicle enters your blind spot with lights located on each of your door mirrors.

Koleos strikes the perfect balance of pleasure and peace of mind on board.

accessories

1. **Aluminium roof bars.** Need extra space? If Koleos's class-leading boot space isn't enough for you, you can store extra items on your roof.
2. **Side steps.** Highlight the design of your Koleos's lines with premium sidesteps. These practical sidesteps make it easier to access your vehicle and its roof. They also protect the body from everyday minor impacts.
3. **Towbar.** Take advantage of Koleos's 2-tonne towing capacity and take your boat, caravan or trailer with you anywhere.
4. **Boot sill protector.** Prevent damage to your boot sill when loading larger or heavier items into the back of your Koleos.
5. **Carpet floor mats.** Take comfort and protection to a whole new level with these high-quality floor mats. They also help to keep the foot wells of your Koleos nice and clean.

quality

"From creation in our design studios through to production and finally distribution via our network, striving for quality is what guides us."

Laurens van den Acker – Senior Vice President, Corporate Design – Groupe RENAULT

Quality at first sight

Quality production and in-plant assembly bring the work of the design teams to life. Industrial standards are applied to each detail of the body, from the precision of the panels to the application of paint.

Quality, down to the smallest details

The interior is meticulously crafted from a selection of elegant materials, such as the satin chromes or Nappa leather*. Hand-made and contrast stitched, special attention is paid to the upholstery to ensure durability and long-lasting comfort.

Quality in technology

Koleos Intens boasts a BOSE® premium sound system. This system comes with 11 speakers, a subwoofer and digital amplifier so you are ensured the highest possible quality sound experience during every drive.

Performance guaranteed

2.5L ENGINE: The 2.5L petrol engine gives the Renault Koleos all its power. You'll be delighted by the quiet in-cabin volume and the feeling you get with rapid acceleration, responsiveness and fluidity.

Perfect for drivers who expect their vehicle to not only be economical, but enjoyable to drive as well.

X-TRONIC: The new X-Tronic automatic transmission offers fluid, responsive driving without interruption of torque. X-Tronic adjusts continuously while maintaining optimal engine speed and can also simulate gear shifts, producing even more powerful acceleration.

A wider gear ratio delivers excellent fuel economy, lower CO² emissions, quieter driving at low speeds and stronger acceleration at high revolutions.

* All seats mentioned as being Nappa leather in this document are composed of Nappa leather on the seat cushion, seat back, headrest. Other elements are covered in coated textile.

services

renault at your side

When you choose a Renault, you enjoy years of worry-free motoring, backed by a trusted and reliable brand.

*Conditions apply

Comprehensive Warranty

Renault has been building motor vehicles for more than 100 years. This wealth of experience is reflected in the design, performance and quality of every vehicle we sell. We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all our passenger vehicles.

24/7 Roadside Assistance

As a new Renault owner, you are backed by Renault's 24/7 Roadside Assistance for up to 5 years when you service your vehicle with Renault, regardless of how many kilometres you travel. Available 365 days a year, all across Australia.

Capped Price Servicing

You'll enjoy the benefits of lower maintenance costs for your first 5 years or 150,000 km (whichever occurs first) behind the wheel of your new Renault. The CPS program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services. Renault vehicles only require servicing once per calendar year or every 30,000 km (whichever occurs first) – not every six months like some manufacturers.

Genuine Renault Parts

Parts, lubricants and accessories are of the highest quality and are specifically designed for Renault vehicles. They are purpose-built, guaranteeing fit, function and performance. They are also covered by our 1 year unlimited kilometre warranty.

1 Year of Free Map Updates

As a new Renault owner, you will receive 1 year of free map updates to provide you with the most up to date navigation information in your vehicle.
