

LIFE'S A JOURNEY

MAKE YOURS WORTH DRIVING

WITH BUILT-IN EUROPEAN STYLING AND THE ULTIMATE RENAULT TECHNOLOGY, WE'VE GONE TO GREAT LENGTHS TO MAKE THE NEW RENAULT KOLEOS THE PERFECT SUV FOR ANY JOURNEY.

Beautiful design meets pure practicality in the new Renault Koleos. Its new design, as elegant on the inside as it is on the outside, coupled with innovative Renault technology and a list of thoughtfully appointed, lifeenhancing features means you and your family get to enjoy the best of both worlds — capability and luxury.

Whether you're looking for a capable SUV for family snow trips or an affordable car for around town, there's a model to suit you.

The Renault Koleos Expression is spacious, strong and efficient, with a 5-star Euro NCAP safety rating, dual-zone climate control with cabin filter, audio streaming Bluetooth® and 17" alloy wheels.

The Renault Koleos BOSE® adds integrated Satellite Navigation with 7" touch-screen, front and rear parking

sensors, a premium BOSE® sound system, black leather upholstery, privacy glass and extra safety features including Blind Spot Warning (BSW).

Take luxury even further in the Renault Koleos Privilège with 4x4 capability, reversing camera, heated front seats, a panoramic sunroof, beautiful wood grain cabin trim and aviation style tables for the rear seats.

Designed for agile handling and manoeuvrability, the new Renault Koleos can tackle any challenge in effortless European style. Choose from powerful yet efficient 4x2 or 4x4 engines in either petrol or diesel. With impressive safety credentials and a range of innovative safety technologies, you're free to enjoy the road, wherever it leads.

CLEVER STYLE

BALANCING EFFORTLESS LUXURY AND EVERYDAY PRACTICALITY BECOMES AN ART FORM IN THE NEW RENAULT KOLEOS SUV. ITS ELEGANT NEW DESIGN SETS YOU APART AS YOU TRAVEL IN UNMISTAKABLE EUROPEAN STYLE.

The new Renault Koleos has a refined front end and new face incorporating Renault's striking new brand identity highlighted by the prominent Renault logo set within the front grille. The new Renault Koleos is sophisticated from every angle, with sporty front and rear fog lights and LED turn indicators on the door mirrors – features just as practical as they are stylish. The new Renault Koleos also impresses with its cutting-edge new alloy wheel design – the BOSE® and Privilège models look sensational thanks to their two-tone alloy wheels.

The refined look of the Renault Koleos continues throughout the cabin with piano black highlights, brushed chrome or wood grain creating a luxurious interior ambience. The Renault Koleos Privilège gives you greater choice of interior, available in black, brown or beige leather upholstery.

Design that doesn't just look good, it works perfectly too. The Privilège features an electric panoramic glass sunroof, quick release flat folding floor system, folding aviation style tables for the rear seats and satin chrome roof rails to make every journey a breeze. All Renault Koleos models have a functional ski flap in the rear seats to safely store your gear when you're heading to the snow.

Brake Assist (EBA), Electronic Brake-force Distribution (EBD) and Anti-lock Braking System (ABS). This comprehensive array of technologies works to prevent loss of control, correct it if it does happen and actively protect you in case of a collision.

for you and your family, the Renault Koleos Privilège also features a rear view camera so you can keep an eye on what's around your vehicle while reversing.

CAPABILITIES

WHETHER YOU PREFER GETTING BACK TO NATURE OR EXPLORING THE INNER CITY, IN THE NEW RENAULT KOLEOS, THERE'S NO NEED TO COMPROMISE. ITS VERSATILE BUILD, AGILE HANDLING AND CAPABLE PERFORMANCE MEANS YOU CAN HAVE THE BEST OF BOTH WORLDS.

The new Renault Koleos can take you anywhere you want to go – from snowy mountains to city hotspots. Both 2.0L Diesel and 2.5L Petrol engine options provide efficient power, with 126kW of power available from the Petrol engines and 226Nm of torque. The Diesel engines produce an impressive 127kW of power and 360Nm of torque for extra towing strength.

Traversing even challenging surfaces is no problem in the new Renault Koleos 4x4. On steep upward slopes, the invaluable Hill Start Assist safety feature ensures you don't roll backwards when starting off. Perfect for those congested mountain roads during ski season.

Hill Descent Control is invaluable when heading back down the mountain. On particularly steep slopes, the vehicle's speed is limited to a safe, slow pace to ensure you stay in control. The All-Mode 4x4 system maintains the grip of all four wheels, directing power where it's most needed so you can go off-road with ease.

TECHNOLOGY

TODAY, DRIVING ISN'T JUST ABOUT GETTING FROM ONE PLACE TO ANOTHER — IT'S ABOUT ENJOYING THE JOURNEY. THE NEW RENAULT KOLEOS LETS YOU SPEND MORE TIME DOING WHAT YOU LOVE, EVEN WHEN YOU'RE ON THE WAY TO ANOTHER DESTINATION.

The new Renault Koleos takes advantage of the latest developments in driving technology. In the BOSE® and Privilège grades, the premium BOSE® audio system plays all your favourite music with concert-quality reproduction through the subwoofer and digital amplifier.

Access your playlists wirelessly from your smartphone thanks to Bluetooth® with audio streaming in all new Renault Koleos vehicles, with fingertip controls near the steering wheel for answering calls safely.

If you'd rather plug in your iPod® or Flash drive, the multimedia connection box in your new Renault Koleos gives you more connectivity options with auxiliary and USB inputs.

Renault's innovative new R-Link Enhanced Audio and Navigation System is controlled by a 7" touch-screen navigation system in the BOSE® and Privilège models. Maps are displayed in 2D or 3D and the system lets you customise the home screen to allow easy access to the applications you use most.

In the Privilège, the touch-screen also displays the view behind your vehicle when reversing and provides distance guidance lines to help you move safely.

iPod is a registered trademark of Apple Inc.

EXTERIOR INTERIOR

- Electric panoramic glass sunroof*
 Fog lights
 Bi-Xenon headlights*
 Headlight washers*
 Rear mud flaps

Blind Spot Warning^
 Premium BOSE® sound system^
 7" touch-screen navigation system^

 Alarm system
 Electronic Stability Control (ESC)
- 6. Hill Descent Control~

ACCESSORIES

- **1. Mudflap kit** 7711423665
- **2. Tow bar kit** G9162H4510AU
- **3. Bicycle carrier kit (aluminium)*** 771123635B, **Roof bar kit** 7711423180
- **4. Separating grille (for Modularity Pack)** H7600H4510AU
- **5. Carpet mat set (grey)** 7711423597

Also available:

Boot mat – 7711423662

Boot mate 711422430

Car wash cleaning kit box - 7711574925

Cargo net (fits to boot floor) - 7711422533

Cargo net (fits to tailgate) - 7711227502

Carpet mat set (beige) - 7711423589

Protector/tyre change mat - 85010GEN00AR

Rear parking sensor kit - 7711224385

ACCESSORIES

- 1. Snow chain kit 7711423532
- 2. Rear seat tablet bracket B8181PAD00AU
- 3. Coat hanger 7711219816
- 4. Tent kit 7711424122
- **5. Ski carrier kit (4 pairs of skis)*** 7711419628

Also available:

Roof bar kit (Expression, w/out rails) – G3125H4510AU

Roof bar kit (low profile) – G3125H4500AU **Roof pod** – 7711427495

Safety and first aid kit – 7711425749

Separating grille (not for Modularity Pack) – H7600H4500AU

Ski carrier kit (6 pairs of skis) – 7711420779 Surfboard/surf ski carrier kit – 7711419628 Tow bar harness – B4097H4500AU Weathershield kit – 7711424117

VARIANTS

WHATEVER YOUR PRIORITIES, THERE'S A NEW RENAULT KOLEOS MODEL TO SUIT YOUR NEEDS. RENAULT HAS THOUGHT OF EVERYTHING YOU MIGHT WANT FROM A FAMILY VEHICLE AND EXPANDED THE RANGE OF MODERN INTERIORS, TRIMS AND COLOURS.

EXPRESSION

The Renault Koleos Expression provides affordable European style with a luxurious range of features. It looks great on the outside thanks to front and rear fog lights, LED turn indicator lights on the body-coloured door mirrors and satin chrome finish door handles. Inside, the leather wrapped gear knob and dark charcoal upholstery are practical yet comfortable. Technology includes Bluetooth® with audio streaming and fingertip controls, multimedia connection box plus dual-zone climate control with cabin filter and air recycling function. There's also plenty of storage throughout the cabin and a ski flap in the split-folding rear seats.

BOSE®

The new Renault Koleos BOSE® has everything you want and a little extra style thanks to 17" two-tone alloy wheels, black leather upholstery and carbon fibre effect interior. The Continuously Variable Transmission (CVT) combines smooth power and fuel efficiency in either 4x2 or 4x4 petrol engines. Practical satin chrome finish aluminium roof rails can carry bikes, storage pods, skis, surfboards and much more. Electrics include the driver's seat, automatic headlights and windscreen wipers. Satellite navigation is controlled from the 7" touch-screen display, which also controls your premium BOSE® audio system. Front and rear parking sensors make reversing and parallel parking a breeze. The innovation of Blind Spot Warning detects and warns you of objects in your blind spot when changing lanes.

PRIVILEGE

The top of the range new Renault Koleos Privilège takes luxury even further. Building on the advanced specifications of the BOSE® model, it features an impressive array of technology. Bi-Xenon headlights offer supreme visibility, as does the rear view camera and electric panoramic glass sunroof. Choose from black, beige or brown leather upholstery and interior to complement the premium wood grain, brushed chrome and piano black cabin highlights. The sophisticated 18" two-tone alloy wheels add an air of elegance, even when you're traversing the muddiest of tracks with powerful 4x4 capabilities. Even more practical is the quick release flat-fold floor system which lets you fold down the rear seats in one easy move.

EXPRESSION

KEY FEATURES

- Driver and front passenger front, side and rear curtain airbags
- Anti-lock Braking System, Emergency Brake Assist (EBA), Electronic Brakeforce Distribution (EBD), Electronic Stability Control (ESC)
- Emergency response system
- Front and rear fog lights
- Height adjustable rear headrests
- Cruise control with speed limiter
- 3 child seat anchorage points for rear seats
- Remote central locking with Renault Smart Key Card and alarm
- Dual-zone climate control with cabin filter and air recycling function
- 12V sockets in front and centre console
- Multi-function trip computer
- Lidded underfloor storage for rear passengers
- Child minder mirror
- Multimedia connection box (AUX and USB)
- Bluetooth® phone pairing with audio streaming
- 4 speaker, 2 tweeter audio with CD, MP3 and fingertip controls
- Flat folding 60:40 rear seats
- Black and aluminium look cabin highlights
- 17" silver alloy wheels
- Satin finish chrome door handles
- Leather wrapped steering wheel and gear knob

KEY FEATURES

BI-XENON HEADLIGHTS

Provide sharp, vibrant yet safe illumination in the Renault Koleos Privilège. These striking headlights are directional, following the curve of the road to maximise your visibility. Headlight washers ensure the projected light is as clear and unobstructed as possible when you're heading somewhere dusty or dirty.

R-LINK ENHANCED NAVIGATION SYSTEM

The Renault Koleos BOSE® and Privilège models keep you on track to your destination with an R-Link Enhanced Audio and Navigation System featuring 7" touch-screen satellite navigation incorporated into the central dash console. This innovative technology displays routes and audio information in vivid colour, and also controls your audio system and Bluetooth® phone functions, for seamless integration with everyday life.

BLIND SPOT WARNING (BSW)

This innovative safety technology, standard on Renault Koleos BOSE® and Privilège models, warns you of other vehicles in your blind spot when changing lanes. Four sensors located at the front and rear sides of the vehicle detect moving objects like cars and motorbikes, providing a visual warning to help ensure your safety.

TWO-TONE ALLOY WHEELS

The new Renault Koleos looks better than ever thanks to the latest in alloy wheel design and technology. The new 17" Bi-Ton and 18" Bi-Ton two-tone alloy wheels, on the BOSE® and Privilège models respectively, each have a unique design and distinctive dark and light silver effect, with solid, lightweight alloy construction.

HANDS-FREE ENTRY AND ENGINE START 4X2 / 4X4 ENGINE

In the Renault Koleos BOSE® and Privilège models, you don't even need to touch the key to get in and get going. The Renault Smart Card Key can stay in your bag or pocket, unlocking the doors at a single touch of the door handle. Once inside, simply press the start button to start the engine.

Designed for agile handling and manoeuvrability, the new Renault Koleos can tackle any challenge and conditions in effortless European style. Choose from a range of engines including the 4x2 manual or CVT petrol, 4x4 CVT petrol or the economical 4x2 and 4x4 automatic diesel options.

BOSE® PREMIUM AUDIO

The Renault Koleos keeps the music playing. With four speakers throughout the cabin and a range of connectivity options through Bluetooth®, your iPod®, CD or radio, your music sounds incredible in any seat. The BOSE® system in the Renault Koleos BOSE® and Privilège is engineered for premium acoustic performance and features an amplifier and subwoofer.

DUAL-ZONE CLIMATE CONTROL

In the new Renault Koleos, you'll never disagree about the cabin temperature again. Dual-zone climate control keeps both front seat occupants at their ideal temperature. The air purifying cabin filter keeps the nasties out and provides you with only the freshest air so you can breathe a little easier, even in heavy eith traffic

5-STAR EURO NCAP SAFETY RATING

The new Renault Koleos puts safety first, with a range of features including Emergency Brake Assist, Electronic Brakeforce Distribution (EBD) and three point seatbelts in all seats. In an emergency situation, the response system automatically unlocks the doors, cuts the fuel and ignition and activates the warning lights. Six airbags including dual front and side plus rear curtain airbags with dual side impact sensors react in an instant to protect all on-board.

ELECTRONIC STABILITY CONTROL

Electronic Stability Control (ESC) is standard across the new Renault Koleos range. It uses a number of sensors to detect even momentary loss of driver control and immediately applies individual brakes to the required wheel, to keep the vehicle on the road and get your journey safely back on course. ESC helps in many unexpected situations, including accidental under or oversteering, evasive manoeuvres and when traction is reduced by gravel or ice.

HILL DESCENT CONTROL AND HILL START ASSIST

All new Renault Koleos 4x4 models help you maintain control when on steep slopes and rough terrain using the innovations of Hill Descent Control and Hill Start Assist. Hill Descent Control keeps the vehicle at a steady and controlled speed to ensure you don't lose traction – particularly great for off-road driving or when towing. Hill Start Assist applies the brakes momentarily when setting off on an incline, preventing the vehicle from rolling backward before you accelerate.

PARKING ASSISTANCE

Whether reversing down a driveway or finding that last tricky space in the car park, the Renault Koleos makes manoeuvring easier and safer for you and your family. Front and rear parking sensors come standard on the BOSE® and Privilège models and provide an audible warning as you approach objects. The Renault Koleos Privilège model also has a rear view camera, perfectly positioned to provide a clear view behind you when reversing or parking.

OUR QUALITY: YOUR PEACE OF MIND

WHEN YOU PURCHASE A NEW VEHICLE, YOU WANT TO BE SURE IT WILL GIVE YOU YEARS OF ENJOYABLE, WORRY-FREE MOTORING, BACKED BY A TRUSTED AND RELIABLE BRAND. AND WHEN YOU CHOOSE A RENAULT, THAT'S EXACTLY WHAT YOU'LL GET.

GENEROUS COMPREHENSIVE WARRANTIES

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell.

We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with competitive and comprehensive warranty terms on all of our vehicles.

24/7 ROADSIDE ASSISTANCE

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel.

car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

You could run out of fuel, lose your

CAPPED PRICE SERVICING

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 45,000km (whichever occurs first) behind the wheel thanks to Capped Price Servicing.

The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services.

And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

RENAULT SPECIALIST TECHNICIANS

Only Renault authorised dealerships have registered Factory Trained Technicians. Known globally as COTECHs, they're trained by Renault to perform all factory-recommended servicing and repair operations. This ensures your car always receives the quality attention it deserves.

COTECHs use specialised service tools and equipment to ensure your vehicle continues to provide optimum performance, safety, economy and emissions. When you combine this technical expertise with the very best Genuine Renault parts, lubricants and accessories, you can be sure your car is in the safest of hands.

REPAIR & SERVICE COURTESY CARS

Renault quality extends to our customer service.

To minimise your inconvenience while your vehicle is undergoing maintenance or repairs, our authorised Renault Dealers have low cost loan vehicles ready and waiting for you. Simply book a loan vehicle in advance when you book your Renault in for service with your dealer.

Alternatively, most Renault Dealers offer a drop off service to local destinations or to the nearest public transport.

GENUINE RENAULT PARTS

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty.

Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.

RENAULT DEALER NETWORK – THE BENEFITS

Everywhere, at every stage in your car's life, the Renault dealer network is with you, providing quality service, including:

- Personalised reception and advice.
- The use of only Genuine Renault parts.
- The Renault 1-year parts and labour guarantee for all repairs carried out by a Renault dealership.
- Equipment and tools specially designed for your Renault.
- Our pricing structures are simple, clear and transparent, so you can always have your car serviced or repaired with confidence.
