

RIO

The Power to Surprise

Same name: yes
Same car: no

Australians have always loved the Kia Rio. It's always been economical. It's always been reliable. It's always been safe, and it's always been stylish. Now, thanks to a coupé-like silhouette, Rio's clean, flowing lines combine style with the latest technology, advanced features and low emissions to create a small car you can be proud of.

RIO

SLi model shown

5-DOOR
Style to respect

With the practicality of 5 doors, its sleek and sophisticated profile, dynamic lines and low, wide stance the Rio stands out amongst the crowd for all the right reasons.

3-DOOR
Small yet sporty

The Rio combines sporty style with the latest technology, advanced features and low emissions to make a 3-door car that really delivers. The sportiest of the three Rio body styles, it's sure to impress.

SLS model shown

Leather seats*

Black leather seats add style and comfort. (SLS)

* Leather trim includes some leather-like material on selected high impact surfaces.

Push-button start/stop with Smart Key

Rio has a secure ignition system which requires the smart key to be in your possession to enable you to start the engine with a push of the button. (SLS)

Climate control air-conditioning

The fully automatic air-conditioning system with an eight-level fan adjustment regulates the temperature to maintain optimal cabin climate. (SLS)

Overseas model shown

Convenient rear seat access

The front passenger seat backrest effortlessly folds forward to allow easy entry to the spacious rear seating area.

Well appointed inside and out

Designed by Europe's finest, the Rio means small is no longer cute. The new small is a bantamweight that packs up to 103kW of punch (SLS). The new small is a 6-speed that leaves lesser transmissions for dead. The new small offers a gutsy GDi engine (SLS) that delivers a dynamic and sporty performance. The new small is the Rio.

SLS model shown

A feature story

Full of unique and clever features, the Rio's LED side repeaters (Si/SLi/SLS), daytime running lights and rear combination lamps (SLi/SLS) means it's as bright on the outside as it is on the inside.

SLi model shown

LED rear combination lamps (SLi/SLS)

Centre fascia

The controls of the centre fascia are logically arranged for intuitive fingertip operation, adding to the convenience and driving comfort of the Rio.

Where form meets function

While the ergonomically designed cockpit enhances driver comfort, the dashboard's intuitive design ensures an impressive array of technology and features are always within reach.

Si/SLi model shown

Supervision cluster with trip computer

The clear, backlit trip computer in the centre of the Rio's high-tech supervision cluster provides essential journey information such as distance to empty and optimum fuel consumption. (Si/SLi/SLS)

Si/SLi/SLS model shown

High-tech refinement at your fingertips

Engineered to be a car with features that are cutting-edge yet effortlessly simple to use, the interior of the Rio is full of intuitive design. With switches positioned for ultimate convenience – such as steering wheel-mounted controls for the audio system and cruise control – you can operate numerous controls without having to take your hands from the wheel. What's more, a highly visible supervision cluster incorporates an on-board trip computer, while the steering wheel itself is tilt and telescopically adjustable so that you can find your perfect driving position. (Si/SLi/SLS)

Folding key (S/Si/SLi)
A compact device that locks and unlocks the Rio with the touch of a button.

- 1. Bluetooth®**
Bluetooth® allows you to make and receive phone calls via the touch of a button that's mounted on the steering wheel – plus talk hands-free, and stream your music through the car's audio system*.
- 2. Steering wheel audio remote**
Adjust audio settings using just your thumb for enhanced driving safety.

*Not all mobile phones will be compatible with the vehicles Bluetooth® system. The Bluetooth® word mark is owned by Bluetooth SIG, Inc.

- 3. Telescopic steering wheel**
Can be positioned closer or further away from you for optimum comfort.
- 4. Tilt steering wheel**
Can be tilted higher or lower, allowing you to find the most comfortable steering wheel position.
- 5. Cruise control**
Perfect for motorway driving, the cruise control switch is handily located on the steering wheel. (Si/SLi/SLS models)

A range to respect

Whether you're a daily commuter, a weekend warrior, or a fashion trendsetter, there's a Rio to suit your needs. Choose between the sporty 3-door, or the versatile 5-door to find your perfect level of comfort, economy and functionality.

SLi model shown

Entertainment to respect

Nowadays, a state-of-the-art audio system in a car isn't just an added extra it's a prerequisite. That's why an Arkamys Virtual Sound System that delivers deep bass, consistent mid-range, detailed treble and rich, immersive sound has been fitted in the Rio. You can also enhance the sound quality of your own music with three connection ports so that you can plug in any type of external music device.

- 1. Radio / CDP / MP3**
Deep bass, bright and consistent mid-range, detailed treble. Music lovers will lose themselves in the sound produced by Rio's state-of-the-art Arkamys Virtual Sound System.
- 2. Aux / USB / iPod® port**
Three input ports catering for every kind of personal music device provide maximum connectivity. (iPod® connectivity available on selected models.)

The Bluetooth® word mark is owned by Bluetooth SIG, Inc. iPod® is a registered trademark of Apple Inc., registered in the US and other countries.

Using space intelligently

When something's compact, you do as much with the available space as possible. The intelligent thinking behind the Rio's interior has resulted in an airy, comfortable and deceptively roomy cabin.

Interior colour

Highly practical, yet sleek and sophisticated - the Rio features a classic charcoal black interior.

Black

Stylish and classy, black is always in fashion

#Leather trim includes some leather-like material on selected high impact surfaces.

Comfort and space

Stow your gear

There's a place for everything in the Rio. Wherever you're headed, your luggage and possessions can be securely stowed.

1. 60:40 split folding rear seat

Gives you plenty of flexibility when carrying different size loads.

2. Sliding console armrest

Can be adjusted for the most comfortable arm position when driving. (Si/SLi/SLS models)

SLS model shown

Load up on adventure

With 288 litres of luggage space, the Rio has more than enough space to fit your lifestyle.

Protecting those that matter

Drive the Rio and along with power, efficiency and performance come low emissions and reduced fuel consumption, not to mention safety specifications of the highest order. From a structural framework that absorbs impact forces in both frontal and side-on collisions to a range of active and passive safety measures, the Rio is built to protect those that matter.

VSM (Vehicle Stability Management)
VSM incorporates a number of systems to provide improved braking and handling on wet, slippery and rough roads.

Six airbag system and the strength of steel

Providing protection and reassurance is a six airbag system comprising two front airbags, two curtain airbags and two side airbags. Underneath, a reinforced high tensile steel sub-frame offers strength where it's needed most.

Active Safety

The Rio utilises a variety of advanced active safety technologies, such as Electronic Stability Control, Vehicle Stability Management and Hill-start Assist Control, so that you have ultimate control in potentially dangerous driving situations.

ESC (Electronic Stability Control)

If you have to brake and swerve suddenly, ESC applies the correct amount of brake pressure to each individual wheel so that you maintain control.

HAC (Hill-start Assist Control)

When pulling away uphill, Hill-start Assist Control prevents you from rolling backwards. Brake grip is maintained for 2 seconds.

Static cornering lamps

For increased illumination and safety when entering a bend, the static cornering lamps turn depending on the steering wheel angle and the vehicle velocity to light up more of the road ahead. (SLi & SLS models only)

SLi model shown

Powered by technology

Under the bonnet of the Rio lives your choice of a Gamma series 1.4L MPi petrol engine, or a 1.6L GDi petrol engine. Durable, quiet and smooth-running, the 1.4L engine has been designed to be as reliable as it is economical, while the 1.6L GDi engine remains the only car in its class to offer more than 100kW of power.

Gamma 1.4L MPi Petrol Engine 79kW/135Nm

An all-new unit that delivers extra power while keeping emissions low (135g/km MT, 150g/km AT), the Rio S features a 1.4L petrol engine with single continuously variable valve timing, a silent steel timing chain and offset crankshaft. With the choice of either a standard six-speed manual or four-speed automatic, it delivers 79kW of power, 135Nm of torque and offers impressive fuel efficiency (5.7L/100km MT, 6.3L/100km AT)*.

Gamma 1.6L GDi Petrol Engine 103kW/167Nm

The Rio Si, SLi and SLS variants are powered by a Gamma series 1591cc DOHC 16V 1.6L GDi engine featuring direct injection and dual continuously variable valve timing to deliver a healthy 103kW and 167Nm. This gutsy engine returns incredibly low fuel consumption (5.6L/100km MT, 6.1L/100km AT)* and CO₂ emissions (133g/km MT, 145g/km AT) than most would expect.

Manual transmission

Smooth shifting assured, with the 6-speed gearbox.

Automatic transmission

Smooth shifting and outstanding fuel economy, in a choice of 4 (S model only) or 6-speed.

*Fuel consumption figures are based on ADR81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road and vehicle conditions, driving styles, vehicle loads and options/accessories.

A small car for a big life

Wherever your life takes you, the Rio is the perfect way to get there. With all the safety, all the technology and all the space and comfort - the Rio has been designed for you to enjoy the drive no matter when and where you're headed.

No detail has been overlooked

From an illuminated glovebox to the driver's foot rest, every feature of the Rio has been designed and refined to enhance the driving experience.

Daytime running lights with dusk-sensing automatic headlamps

LED Daytime running lights enhance visibility, offering an extra degree of safety. (SLi/SLS models)

Safety driver's window

Automatically move down if they sense an object in the way.

Bio foam seat pad

Made from ecofriendly materials, replacing petroleum based products.

Rear spoiler

Adds a sporty touch with improved aerodynamics to the Rio.

Aero blade wipers

Keeps the wiper blades in contact with the windscreen at high speeds.

Outside door handles

Are the same colour as the car body for a seamless, modern appearance.

As eco-conscious as you are

So you value sustainable living? We do too. That's why we take pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society.

We set up an environmental research centre to spearhead our drive for the production of clean hybrid and fuel-cell vehicles to lead the way to eco-friendly cars for a greener tomorrow for you, your children and all of us. The concept of eco-friendly cars is adhered to throughout all phases of a vehicle's life. From design through to recycling, we create innovative products, adhering to state-of-the-art Design for Recycling

(DfR) guidelines. Wherever possible, recycled and recyclable materials are being used in the production of every Kia. Even at the end of your car's life, one of our environmental targets is the eco-friendly return and treatment of end-of-life vehicles. Operating a rigid process, we guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection.

As you see, what you do on a small scale with your household recycling, we at Kia Motors do on a large scale around the world.

The Power to Surprise

Kia Motors Australia
350 Parramatta Rd, Homebush, NSW, 2140

www.kia.com.au

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Rio to the Sorento, Kia offers a full lineup of sedans, SUVs and MPVs that are not only practical but downright exhilarating to drive. Keep your eyes on Kia because our best has yet to come.

About Kia Motors Corporation

Kia Motors Corporation (www.kia.com.au) -- a maker of quality vehicles for the young-at-heart -- was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. As part of the Hyundai-Kia Automotive Group, Kia aims to become one of the world's premier automotive brands. Over 2 million vehicles a year are produced in 13 manufacturing and assembly operations in eight countries which are then sold and serviced through a network of distributors and dealers covering 172 countries. Kia today has over 44,000 employees worldwide and annual revenues of over US\$20 billion. It is the major sponsor of the Australian Tennis Open and an official automotive partner of FIFA -- the governing body of the FIFA World Cup. Kia Motors Corporation's brand slogan -- "The Power to Surprise" -- represents the company's global commitment to surpassing customer expectations through continuous automotive innovation.

Unlimited km 5 year warranty. Note: 5 year/130,000km warranty for vehicles used for the following: rental vehicles, hire cars, taxis, courier vehicles, driving school vehicles, security vehicles, bus and tour vehicles.
