

# A3

Audi A3 Sportback e-tron Australian Specifications

## Technical Data

	A3 Sportback e-tron
<b>Engine Type</b>	4 cylinder petrol engine with direct fuel injection and turbocharging
Capacity (cc)	1,395
Power (kW/rpm)	110 / 5,000 – 6,000
Torque (Nm/rpm)	250 / 1,600 – 3,500
<b>Plug-in hybrid drive<sup>1</sup></b>	
Electrical power (kW)	75
Electrical torque (Nm)	330
Combined system power (kW)	150
Combined system torque (Nm)	350
<b>Driveline</b>	Front wheel drive
<b>Transmission</b>	6-speed S tronic with integrated electric motor
Acceleration (sec) 0-60 km/h – electric	4.9
Acceleration (sec) 0-100 km/h – hybrid	7.6
Top speed (km/h) – electric	130
Top speed (km/h) – hybrid	222
<b>Fuel Consumption (combined)<sup>2</sup></b>	
Litres per 100km	1.6
CO <sub>2</sub> emissions grams per km	37
Power consumption kWh/100km	11.8
<b>Range</b>	
Electric (km) <sup>3</sup>	up to 50
Combined (km) <sup>4</sup>	up to 920
<b>Battery type</b>	8.8 kWh lithium-ion battery system
<b>Charging times<sup>5</sup></b>	
Industrial socket (230V / 16A)	Approx. 2.5 hours
Household socket (230V / 10A)	Approx. 5 hours
<b>Weight</b>	
Unladen weight in kg <sup>6</sup>	1,615
Gross vehicle weight in kg	2,050

• = Standard | \* = Optional equipment, Manufacturers List Price shown

## Standard Equipment and Options

	A3 Sportback e-tron
<b>Safety</b>	
Airbags for driver and front passenger	•
Side airbags at front	•
Head level curtain airbag	•
Driver's knee airbag	•
Electronic stabilisation control (ESC) with ABS, ASR and EDL	•
Electromechanical speed sensitive steering	•
Safety steering column with tilt and telescopic adjustment	•
<b>Wheels and Brakes</b>	
17" alloy wheels in 15-spoke turbine design	•
18" alloy wheels in 15-spoke turbine design	\$1,800*
18" alloy wheels in 5-arm dynamic design, part polished	\$1,800*
18" alloy wheels in 5-arm rotor design, matt black	\$2,200*
18" alloy wheels in 10-spoke design, matt titanium look	\$2,200*
Tyre pressure monitor	•
<b>Interior Features</b>	
Light and rain sensor	•
Automatic air conditioning with dual zone climate control	•
Electric climate control - vehicle is pre-conditioned while the e-tron charging system is connected to an external power source or the charge status of the high-voltage battery in the vehicle permits	•
Convenience key	•
Cruise control system	•
Driver Information System (DIS); Colour	•

---	----------

• = Standard | \* = Optional equipment, Manufacturers List Price shown

\* Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately exclude LCT. If the total price for the vehicle (excluding statutory charges) exceeds the LCT threshold then total price will need to be recalculated including LCT. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from April 2015, model year 2015, and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and price. For individual prices please contact your local authorised Audi dealer.

- Briefly.
- Combined figures as per ADR 81/02 (weighted combined averages of electric only and petrol only modes). Figures calculated on the basis of 17 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories and equipment that may be fitted (including without limitation, wheel size fitted).
- Combined figure based on ADR 81/02 (pure electric range). Figure calculated on the basis of 17 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories and equipment that may be fitted (including without limitation, wheel size fitted).
- Based on a maximum pure electric range of 50 km (as set out above) and a maximum petrol only range of 870 km (based on ADR 81/02 and UN ECE R101 combined consumption figures). Figure calculated on the basis of 17 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories and equipment that may be fitted (including without limitation, wheel size fitted).
- Charging time may vary depending on factors including but not limited to: electricity supply, state of charge and environmental conditions.
- Unladen vehicle weight includes driver (68kg), 7kg of luggage and fuel tank 90% full, calculated in accordance with the current version of EC Directive 92/21/EEC. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.
- Please note Audi music interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories.
- Digital radio coverage dependent on vehicle location.
- MMI Navigation functional features may differ or not be available for the Australian market, sight-seeing information, city modes in 3D, points of interest, vehicle support and speed limit display based on navigation data function, voice control destination entered as whole words or in one statement and Audi connect services are not available for Australian vehicles. Please refer to your Audi dealer for up-to-date information.
- Certain sections of the leather appointed seat upholstery contain man-made material.

Please refer to the corresponding A3 Sportback e-tron brochure for further specifications details. Options described in the brochure may differ or not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information. Vehicle pictured is an Audi A3 Sportback e-tron with optional metallic paint and Assistance package. Overseas model shown.
