

NEW THINKING.
NEW POSSIBILITIES.

GENESIS

Genesis with Ultimate pack model shown in "Coast Blue"

THIS IS NEW THINKING THIS IS HYUNDAI

As a testament to our worldwide commitment to quality, Hyundai is now one of the world's fastest growing automotive brands. The success we have achieved over the past decade has come about by focussing on producing cars that embody quality, innovation and individuality... cars that are underpinned by 5-star quality in design, build, features and safety.

Each new vehicle is the product of new thinking; of questioning the way things have been done in the past. Along the way, we have invested in world-class manufacturing, recruited some of the most respected and astute automotive engineers and designers, and at every opportunity leveraged the transformative powers of leading edge technologies.

In every way, and from every angle, our newest and most exciting creation exemplifies this commitment and dedication to new thinking.

INTRODUCING GENESIS

The arrival of Genesis not only reflects the evolution of Hyundai, but also demonstrates the exceptional end result that can be achieved when new thinking is applied to design, innovation and performance. Genesis is the result of not thinking in terms of 'now', but rather through imagining 'what's next'.

It provides the next iteration of safety to make both car and driver more responsive to potential hazards. And it harnesses innovative technologies to keep you connected to your world, and provide superior on-road performance.

By combining all of this, Genesis delivers a deeply satisfying driving experience.

Genesis. This is New Thinking.

Genesis with Ultimate Pack model shown in "Polished Metal"

THE EVOLUTION OF FORM AND FUNCTION

In designing Genesis, we set out to re-imagine the premium sedan. To create a vehicle that's emotional and evocative, yet restrained and elegant. One that balances its striking road presence with a highly rewarding driving experience.

This approach has already led to the 2015 Genesis capturing the imagination of both motorists and the motoring media.

When it comes to its brilliant use of technology, Genesis was named by the CES International Consumer Electronics Show, TechHive and PC World, as winner of the 'Best Car Tech' category.

Other accolades have included: 'Highest Ranked Midsize Premium Car in Initial Quality' for two years in a row by the industry rating agency J.D. Power, while Kelly's Blue Book named it one of the 'Top 10 Best Luxury Cars' in its category.

"Genesis took nearly four years in development. Throughout, we always kept the basics in mind... the balanced stance, the proportions, a lower overall height, a shorter overall overhang at the front and the rear, having a great sporty profile, and having a great sculptural design, as well as a great surface contrast."

Casey Hyun, Creative Design Manager
at Hyundai Design Centre

Genesis with Ultimate Pack model shown in "Marble White"

A FLUIDIC DESIGN SCULPTURE PHILOSOPHY

The sleek flowing lines and assured exterior styling of Genesis embody the second generation of our Fluidic Sculpture design philosophy. Combined with a reinforced high-strength steel structure this aerodynamic form further enhances the exceptional driving dynamics, while the premium hexagonal grille heightens the sophisticated contemporary look.

For its design aesthetics, Genesis was a winner at the prestigious European 'Red Dot Design Awards' in 2014.

*Available with the Ultimate Pack.

Genesis with Ultimate Pack model shown in "Onyx Black"

WIDE PANORAMA GLASS ROOF

The fluidic design philosophy extends to the twin-panel panorama glass roof*. Flooding the cabin with light, it also provides shade and insulation from wind, and offers relief from the heat and external noise. At the touch of a button, the front roof panel opens for an even sportier driving experience, while a wind deflector reduces the vibration effects of wind.

Genesis model shown in "Marble White"

ENGINEERED FOR EXHILARATION

Whether you're just looking from the outside or sitting behind the wheel, every aspect of Genesis speaks to the perfect balance of sports performance, comfort and handling. And it delivers.

To achieve this, Genesis was subjected to tireless world-class testing on global and local roads and racetracks, including the famous Nürburgring circuit in Germany and Hyundai's own proving grounds in the Mojave Desert, USA.

To deliver luxury sedan handling with Australian comfort and dependability, Genesis was subjected to a 12-month localisation and tuning program. This covered thousands of kilometres and hundreds of individual evaluations across urban and country roads, as well as dirt, gravel and corrugated surfaces. It was also heat and dust tested on outback roads. As a result, Genesis provides the highest levels of agility, responsiveness and balance in all Australian driving conditions.

AN ENTIRELY NEW BREED OF PERFORMANCE

Genesis matches its elegant, dynamically sculpted shape with an exhilarating performance that's delivered by an athletic, and highly-advanced, all-aluminium Lambda II 3.8-litre GDI V6 engine.

This powertrain is coupled with a Hyundai-developed eight-speed Shiftronic® transmission that seamlessly delivers power to the road for smoother and more refined acceleration, while paddle shifters put lightning fast manual gear changes at your fingertips.

With its finely tuned suspension, elongated wheelbase and high-strength steel body, you'll enjoy confident handling, whether driving in the city or on the open road, as well as an exceptionally smooth ride.

Genesis model shown in "Polished Metal"

Genesis produces an exhilarating power output of 232 kW at 6,000 rpm and 397 Nm of torque at 5,000 rpm.

Genesis model shown in "Onyx Black" using Smart Cruise Control

A HIGHLY INTELLIGENT DRIVE

In questioning the way things have been done in the past, we've re-thought the driving experience and sought out cutting-edge innovations that can make it even better. As a result, Genesis features a wide range of seamlessly integrated smart and intuitive technologies that add safety, ease and enjoyment to every drive.

HIGH INTENSITY DISCHARGE (HID) HEADLAMPS WITH LED DAYTIME RUNNING LIGHTS

The HID headlamps cast a significantly brighter and longer light beam, and are complemented by high visibility LED daytime running lights.

STATIC BENDING LIGHTS

Cornering headlights, activated by the steering direction, give greater night time visibility, so even blind spots are illuminated.

SMART HIGH BEAM

For added driver convenience, a camera at the front of Genesis detects the headlights of oncoming cars and the backlights of cars in front, and automatically adjusts the high beam.

SMART CRUISE CONTROL (SCC)

The SCC system varies your pre-set speed by using data from a radar to maintain a consistent distance behind the vehicle ahead.

AROUND VIEW MONITOR*

When parking or driving in narrow spaces, the Around View Monitor (AVM) displays images collected by pantoscopic cameras installed on four sides of the vehicle on the centre console touchscreen, providing you a bird's eye view of the vehicle and obstacles.

*Sensory and Ultimate Packs only.

EVERY DETAIL ENGAGES THE SENSES

Open the doors, and you'll see that every inch of the spacious, ergonomically designed interior is a showcase of first-class, traditional workmanship enhanced by contemporary thinking and modern techniques.

The well-balanced cabin space exudes comfort that's characterised by the use of high quality materials, while soft touch surfaces, such as the beautifully detailed leather* seats and cloth covered pillars, accentuate the feeling of luxury throughout. Likewise, convenience and ergonomic design are constantly evident, such as through the placement of buttons, knobs and switches, which feel precise to your touch and are where you intuitively expect them to be placed.

The electric adjustable driver and front passenger seats provide four-way lumbar support, with the driver's seat featuring an adjustable seat cushion extension with an air-powered bolster, as well as an integrated memory system^ that remembers the settings for up to 16 different adjustment options. Plus, a myriad of accessible storage solutions make it easy to keep everything you need within reach, yet discreetly tucked away.

*Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof. ^Sensory and Ultimate Packs only.

CHALLENGING THE CONCEPT OF WHAT IS INCLUDED AS 'STANDARD'

From behind the wheel of your Genesis, you have fingertip access to a stunning array of advances and innovations that elevate the driving experience. The centre console is highlighted by a high-end, state-of-the-art lifestyle, multimedia and navigation system featuring a 9.2" high-definition touchscreen.

The system also incorporates Nokia HERE® maps that include thousands of points of interest such as parking stations, restaurants, ATMs and much more, while SUNA™ live traffic updates^ help you find the smartest way to get across town.

HERE® is a registered trademark of Nokia Corporation.

^SUNA™ Traffic channel coverage is available in the following metropolitan areas: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney and the following regional areas: Geelong, Bendigo, Ballarat, Hobart, Darwin, Newcastle, Central Coast, Wollongong, Sunshine Coast and Ipswich.

Genesis with Ultimate Pack model shown in Beige Two Tone Premium Leather Appointed Interior

SURROUND YOURSELF WITH 17-SPEAKER SOUND

Genesis is equipped with a Lexicon® audio system, one of the world's most advanced automotive sound systems.

Featuring discreet LOGIC7® surround sound processing, it immerses you with pristine audio from a system of 17-speakers. This GRAMMY® Award-winning technology delivers sound via high-output speakers and amplifiers that are strategically placed to provide the optimum performance, no matter where you're sitting.

And for an even greater level of sound purity, noise reducing glass shuts out the noise of the world outside*.

*Available with the Genesis Ultimate Pack only. GRAMMY® is a registered trademark of National Academy of Recording Arts and Sciences, Inc. 2014 Technical GRAMMY® Award received by Lexicon.

Genesis with Ultimate Pack model shown in Beige Two Tone Premium Leather Appointed Interior

Genesis with Ultimate Pack model shown using Smart Air Conditioning System

INTUITIVE BEYOND BELIEF

Genesis is intelligently equipped with intuitive technologies that add greater comfort and safety.

THE WORLD'S FIRST CO₂ SENSOR.

A smart air conditioning system* automatically activates the ventilation system when elevated levels of carbon dioxide are detected in the vehicle's cabin. By initiating the addition of fresh air, this CO₂ sensor helps improve driver alertness and reduce the risk of drowsiness and fatigue.

HANDS-FREE SMART BOOT

When standing for more than three seconds within a metre of the rear of the Genesis with the proximity smart key, the Smart Boot senses your presence and with no extra movement, motion or effort on your part, it automatically opens to allow you to store your cargo hands-free.

SOFT CLOSE DOORS

If the doors have been partially closed, sensors embedded in the door latches activate a motor that will close them automatically.

*Available with the Sensory and Ultimate Packs only. ^Available with the Ultimate Pack only.

SAFEST CAR EVER TESTED BY ANCAP*

Genesis includes Sensory Surround Safety™, a suite of sensor-based technologies including the Lane Departure Warning System, Autonomous Emergency Breaking and Smart High Beam, all of which have been designed to help increase awareness of the situation around you, and help you maintain control in all driving environments.

Given the comprehensive active and passive safety features, it's little surprise that Genesis has been given the highest ANCAP safety rating score ever awarded.*

*Overall score of 36.88 out of 37 points is a record in 21 year ANCAP testing history as at 23 October 2014. This ANCAP safety rating applies to all variants. Tests were conducted under ANCAP's Niche Vehicle Policy.

ANCAP

Safety ★★★★★

Some believe the most luxurious of journeys
should also be the safest.

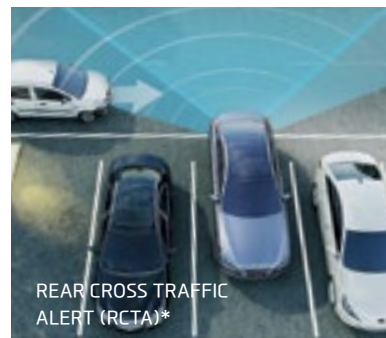

AUTONOMOUS EMERGENCY BRAKING (AEB)

LANE DEPARTURE WARNING (LDW)

BLIND SPOT DETECTION (BSD)*

REAR CROSS TRAFFIC ALERT (RCTA)*

Genesis with Ultimate Pack model shown in "Marble White"

SENSORY SURROUND SAFETY™

AUTONOMOUS EMERGENCY BRAKING (AEB)

Combining radar and camera data, the AEB system autonomously activates the brakes when it detects dangerous and sudden braking by the car ahead.

LANE DEPARTURE WARNING (LDW)

A camera mounted on top of the windshield enables Genesis to recognise the markings on the lane you're driving in and, if it detects an unintended departure, initiates an alert to the driver.

LANE CHANGE ASSIST (LCA)

The LCA system provides a visual warning when radars detect a vehicle that is approaching rapidly from the rear. When the turn signal is being used, a flashing warning as well as an audible and haptic alert (delivered via the steering wheel), notify the driver of the potential hazard.

BLIND SPOT DETECTION (BSD)*

When driving at a speed of 30km/h or higher, the BSD function will alert the driver to blind spot objects in close proximity, including during lane changes.

REAR CROSS TRAFFIC ALERT (RCTA)*

When reversing Genesis at a low speed, objects approaching on the left and right side of the vehicle are detected and an alert is given to safely navigate a potentially dangerous situation.

(Activated when moving in reverse at 10km/h or slower with the transmission mode in reverse)

PARK ASSIST SYSTEM (PAS)

When parking, eight surround sensors emit an audible warning sound to alert you to objects that might be outside your field of vision, while the area behind the vehicle is also displayed on the centre console HD touchscreen.

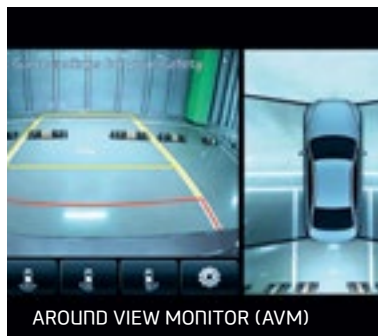

AROUND VIEW MONITOR (AVM)

With the Sensory and Ultimate packs, this image is enhanced by the Around View Monitor, which provides a bird's eye view of the entire area surrounding the vehicle.

*BSD; RCTA features available only on Sensory and Ultimate Packs.

PARK ASSIST SYSTEM (PAS)

AROUND VIEW MONITOR (AVM)

DESIGNED TO DELIVER DRIVING CONVENIENCE, COMFORT AND CONFIDENCE

Smart technologies and intelligent ergonomic design ensure that Genesis delivers the utmost in driver comfort and convenience, allowing you to feel confident in every driving situation.

AUTONOMOUS EMERGENCY BRAKING (AEB)[#]

In an emergency, you have the confidence that the AEB will supplement your own reflex reactions by autonomously activating the brakes when required. When travelling at 80km/h and below, the vehicle will come to a complete stop.

AROUND VIEW MONITOR (AVM)[^]

The AVM displays a bird's eye 360 degree view of the Genesis on the centre console multimedia screen, providing you with the assurance of knowing what's immediately around you, and the ability to manoeuvre with confidence.

HEAD-UP DISPLAY (HUD)[^]

The HUD system allows you to stay focussed on the road ahead, while at the same time viewing key driving information that's projected onto the front windscreen, including current speed, radio, BSD, LDW, SCC. This allows you to concentrate on driving while also using the available information to optimise your drive.

HANDS-FREE SMART BOOT[#]

When Genesis detects the smart key in close proximity of the boot for more than three seconds, it will automatically open the Smart Boot – making it convenient when you have your hands full.

FULLY ADJUSTABLE LEATHER SEATS

Experience the ultimate comfort with bespoke power seating that is adjustable up to 16 ways and includes an integrated memory system*. Not only can it store your preferred seating configuration, but both driver and passenger seats include three-level cooling and heating options*, to ensure total comfort on every drive.

[^]HUD and AVM – included in Genesis with Sensory and Ultimate Packs only.

[#]Smart Boot and AEB – included in the standard Genesis.

*Seating features detailed included in the Genesis with Ultimate Pack only.

HEATED SEATS

REFLECTING YOUR PERSONAL PREFERENCE

The rich list of features that are standard on Genesis, boldly challenge conventional thinking within the category, however if you wish to take advantage of even more technologies, the Sensory and Ultimate packs elevate the experience even further.

*Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof. HERE® is a registered trademark of Nokia Corporation. ^SUNA™ Traffic channel coverage is available in the following metropolitan areas: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney and the following regional areas: Geelong, Bendigo, Ballarat, Hobart, Darwin, Newcastle, Central Coast, Wollongong, Sunshine Coast and Ipswich.

GENESIS

The following features come as standard with every Genesis:

AUTONOMOUS EMERGENCY BRAKING (AEB)

To protect occupants and minimise damage, the AEB autonomously activates the brakes when it detects dangerous and sudden brake activation by the car ahead.

SMART HIGH BEAM

A camera mounted on top of the windscreen adjusts your high beam when it detects the headlights of an oncoming vehicle or the tail light of one in front.

LANE DEPARTURE WARNING (LDW)

The Genesis recognises lane departures that are not accompanied by a turn signal and initiates an alert to the driver.

18" ALLOY WHEELS WITH HANKOOK TYRES

The Genesis' elegant looks are further enhanced by stylish 18-inch alloy wheels.

LEATHER INTERIOR TRIM

The luxurious interior features leather* detailed seats and soft touch surfaces.

12-WAY ADJUSTABLE FRONT SEATS

The electrically powered driver's and front passenger's seats both feature 12 different setting options.

HEATED FRONT SEATS

Heated front seats add a sense of luxury and comfort to journeys on cold days.

9.2" SATELLITE NAVIGATION

The 9.2" touchscreen incorporates a driver information and multimedia system with satellite navigation that includes HERE® maps and SUNA™ live traffic updates^.

LEXICON 17-SPEAKER PREMIUM AUDIO SYSTEM

The GRAMMY® Award winning Lexicon® audio system, with discrete LOGIC7® surround sound processing and 17 speakers, produces brilliant sound quality and virtual 3D audio output.

REAR-VIEW CAMERA WITH PARKING GUIDE

When reversing, a rear-view camera provides a colour image on the Genesis' centre console touchscreen, showing the area behind the vehicle.

9 AIRBAGS

The Genesis is equipped with a roll-over sensor and a comprehensive system of nine airbags, offering maximum protection in the event of a collision.

SEATBELT REMINDER ALL SEATS

To ensure all occupants are securely wearing their seat belts, a reminder system works across all seats, front and back.

PARK ASSIST SYSTEM (PAS)

When parking or manoeuvring into tight spaces, four sensors front and rear emit a warning sound to alert you to objects that might be outside your field of vision.

SOLAR GLASS

To increase comfort for all occupants, the Genesis' windows utilise solar glass to reduce heat.

SMART KEY AND PUSH BUTTON START

The proximity smart key allows you to unlock and lock your Genesis without using the key, and turn on the engine by simply pushing the start button.

RAIN SENSING WIPERS

Windscreen sensors automatically turn on the wipers, providing hands-free convenience and safer driving during rainy weather.

ALL AUTO POWER WINDOWS

Power windows feature front and rear auto up/down and incorporate 'pinch protection', which stops the window's movement when an object is in its path.

STATIC BENDING LIGHTS

Night driving visibility and safety are enhanced by cornering headlights that are activated by the steering direction to illuminate blind spots.

AUTO HIGH INTENSITY DISCHARGE (HID) HEADLAMPS WITH LED ACCENTS

The HID headlamps with LED accents and washer, cast a brighter and longer beam, while automatic headlight-leveling capability ensures correct beam direction, regardless of load.

ELECTRO-CHROMATIC INTERIOR MIRROR

The electro-chromatic interior mirror automatically dims during night time driving to reduce rear-view mirror glare.

ELECTRIC PARK BRAKE (EPB)

The EPB eliminates the need for a conventional parking brake lever or pedal. Activating the 'Auto Hold' function keeps the vehicle stationary until the acceleration pedal is depressed.

ELECTRIC FOLDING SIDE MIRRORS WITH PUDDLE LAMPS

The aerodynamically designed side mirrors fold at the push of a button, while puddle lamps are automatically activated when the driver approaches the car.

INTERIOR MOOD LAMPS

LED ambient lighting in the Genesis' interior creates a relaxing environment for driving at night.

POWER REAR BLIND

The power rear blind ensures that rear-seat passengers enjoy maximum comfort even on the hottest and brightest day.

TYRE PRESSURE MONITORING SYSTEM (TPMS)

Displayed in the central instrument cluster, the TPMS alerts you when the tyre pressure is low, so you can avoid a potentially dangerous situation arising.

HANDS-FREE SMART BOOT

The Smart Boot release opens the boot automatically whenever the smart key is detected in close proximity for more than three seconds.

GENESIS WITH SENSORY PACK

The Sensory Pack upgrades the standard Genesis with the following features:

BLIND SPOT DETECTION (BSD)

When the BSD system detects traffic in blind spots, it provides illuminated warnings on the side-mirrors. If the turn signal is activated, it also issues an audible alert.

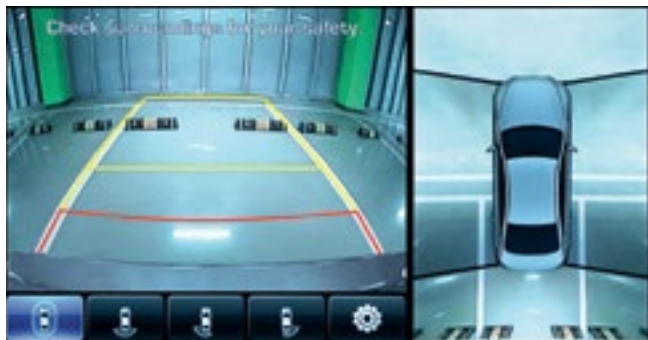

REAR CROSS TRAFFIC ALERT

When reversing, Genesis alerts you to objects detected that are approaching on the left and right sides of the vehicle.

AROUND VIEW MONITOR (AVM)

The AVM uses pantoscopic cameras installed on four sides of the vehicle to display a bird's eye 360 degree view of the vehicle, showing the obstacles around it.

HEAD-UP DISPLAY (HUD)

The HUD system projects a wealth of key information onto the front windscreen, including speed and safety alerts, to ensure you always have your eyes on the road.

PREMIUM LEATHER PACKAGE

The soft comfort of leather* is extended to the steering wheel and gear shift knob as well as to other interior surfaces.

POWER BOLSTER AND EXTENDABLE BASE (DRIVER'S SEAT)

Genesis allows each driver to find the ideal and most comfortable position by injecting air to bolster the seat and extending it for further leg support.

DRIVER'S SEAT MEMORY SYSTEM

The electric 16-way adjustable power seat features a two-setting integrated memory system to store your preferred setting.

POWER TILT AND TELESCOPIC STEERING

With power tilt and telescopic steering it's easy to adjust the Genesis steering wheel for optimum driving comfort.

LED FRONT FOG LAMPS

In adverse driving conditions, the Genesis' LED front fog lamps improve visibility in conditions with dense fog.

ELECTRO-CHROMATIC EXTERIOR MIRRORS

The electro-chromatic outside mirrors automatically dim when they detect the lights of vehicles following, to reduce glare and ease driving strain at night.

CO₂ SENSOR

When the sensor detects elevated levels of CO₂ in the cabin, it automatically activates the ventilation system to add fresh air.

SMART CRUISE CONTROL (SCC)

The SCC system is regulated by a radar that monitors the vehicle ahead of you and continually adjusts your pre-set speed to match the traffic conditions.

LANE CHANGE ASSIST (LCA)

The LCA system provides a visual warning when radars detect a vehicle that is approaching rapidly from the rear. When the turn signal is being used, a flashing warning as well as an audible and haptic alert (delivered via the steering wheel), notify the driver of the potential hazard.

*Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.

GENESIS WITH ULTIMATE PACK

Including all the features of the standard model and Sensory Pack, the Ultimate Pack also offers the following technologies and appointments:

19" ALLOY WHEELS WITH DUNLOP TYRES

For a totally premium sports presence on the road, the Ultimate Pack includes 19" alloy wheels.

PANORAMA GLASS ROOF

Adding an extra accent to the exterior design lines, the wide panorama glass roof floods the cabin with light and offers the thrill of driving with the roof open.

NOISE REDUCING GLASS

To create a sense of real privacy and shut out the noise of city traffic, noise reducing glass also lets you enjoy your music without distractions.

HEATED AND VENTILATED FRONT SEATS

The driver and front passenger seats offer a three-level cooling and heating option, enabling you to adjust the level of ventilation of seat backs and cushions.

7" LCD CENTRE CLUSTER

The driver's instrument cluster incorporates a 7" TFT-LCD monitor that delivers key driving information via colour images and sounds.

POWER BOOT LID

This enables the driver to stay in the vehicle and open the boot for passengers approaching with cargo.

ILLUMINATED SCUFF PLATES (FRONT DOORS ONLY)

The Genesis logoed door-entry scuff plates are illuminated at night, adding a touch of style and allowing for safer entry to the vehicle.

REAR DOOR SIDE CURTAINS

For extra privacy and shade for rear seat passengers, discreet rear door side curtains are included.

HEATED REAR SEATS

Rear seat passengers also enjoy the comfort of heated seats when travelling during cold days or at night.

SOFT CLOSE DOORS

When the doors are only partially closed, sensors embedded in the door latches activate a motor that automatically closes them completely.

EXTERIOR COLOURS

EXTRAORDINARY DESIGN, INSIDE & OUT

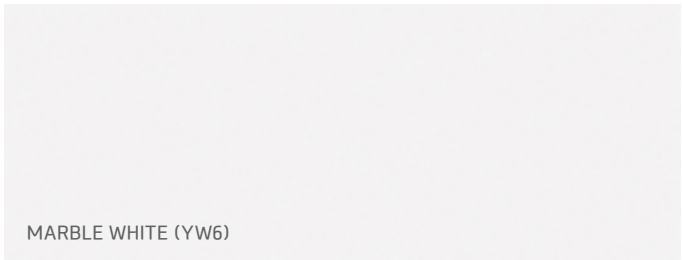

The Genesis' colour palette and choice of trim have been carefully selected and coordinated to create a harmonious interior design.

A NEW STANDARD IN CUSTOMER SERVICE AND SUPPORT

GENESIS 5 YEAR / 75,000KM INCLUSIVE SERVICE PLAN[^]

At Hyundai, we believe that designing and building vehicles with an uncompromising approach to quality is just the first step to ensuring many years of enjoyable motoring. The next step is to provide you and your new Genesis with the highest levels of ongoing service and support.

Our commitment to this promise is delivered through the inclusive service plan, which incorporates free scheduled services for the first 5 years or 75,000km of ownership (whichever occurs first), so you can rest assured your Genesis is getting the best possible care. This includes all 'Scheduled Maintenance' items for the first 5 years or 75,000km (whichever occurs first) and includes standard items such as labour, parts, lubricants and sundries such as oil and workshop supplies. The program also offers the following benefits:

LIFETIME SERVICE PLAN[#]

Once your vehicle has received all of the free scheduled services to which it is entitled (under the 5 year/75,000km Inclusive Service Plan), it will then be covered by our Lifetime Service Plan, so you'll always know the maximum cost of your next scheduled service, for the lifetime of your car.* No hidden fees, no surprises and complete peace of mind.

5 YEAR UNLIMITED KILOMETRE WARRANTY^{*}

Your new Genesis comes with the peace-of-mind of Australia's first 5 year unlimited kilometre warranty.

SATNAV UPDATE PLAN[†]

Each Genesis is equipped with factory-fitted satellite navigation. Through the Hyundai iCare SatNav Update Plan, you can receive up to 3 years of complimentary map updates.

ROADSIDE SUPPORT PLAN^{oo}

Your new Genesis is supported by 5 years of complimentary Roadside Support. Then, maintaining through servicing at a Hyundai iCare Service Centre, your cover can extend up to 10 years.*

GENUINE SERVICING; GENUINE PARTS

Your Hyundai iCare Service Centre offers the assurance of factory-trained technicians, using Genuine Hyundai Parts.

GENESIS CUSTOMER CARE CENTRE

Our Australian-based Genesis Customer Care Centre is available Monday to Friday between 8:30am and 7pm (AEST). Feel free to call our Genesis Customer Care Centre on 1800 121 600 if you have any questions.

*For more details about the full iCare service offering, as well as full terms and conditions, exclusions and eligibility details visit www.hyundai.com.au/icareterms

[^]**Hyundai Genesis 5 Year / 75,000km Inclusive Service Plan:** Applies to new Genesis models, private and nominated small business customers only, for the first 5 years / 75,000km, whichever comes first. Vehicles sold to rental, government, not-for-profit and fleet customers are not eligible. Eligible vehicles are entitled to free standard scheduled maintenance (i.e. logbook) services at participating authorised Hyundai dealers. Free scheduled maintenance services must be redeemed within specified service windows and are of limited scope. [#]**Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at www.hyundai.com.au, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. ^{*}**5 year/unlimited km warranty:** 5 year unlimited km warranty only applies to new passenger vehicles used for private/domestic purposes. Vehicles used at any time for 'commercial application', as defined in the vehicle warranty policy are excluded. Refer to full warranty terms & conditions for details and exclusions. [†]**SatNav Update Plan:** Only applies to new vehicles with factory-fitted satellite navigation. Maximum number of 2 updates, delivered on an annual cycle and must be undertaken within 3 years of the vehicle's initial purchase. Complimentary map updates only apply if the vehicle completes a scheduled service at a participating Hyundai dealer. ^{oo}**Hyundai Genesis Roadside Support Plan:** Hyundai Genesis Roadside Support Plan offer applies to all new Hyundai Genesis vehicles sold from 1 November 2014. Complimentary 60 months (5 years) Roadside Support Plan when you purchase a new Hyundai Genesis vehicle. A further maximum 60 months (5 x 12 months) extensions are available when the vehicle is serviced at a participating authorised Hyundai dealer. Roadside Support Plan extensions are valid for 12 months from the date of scheduled maintenance service beyond the complimentary 60 month (5 year) period, and where the vehicle is serviced at a participating authorised Hyundai dealer. Does not apply to vehicles when they reach 120 months (10 years) from original new car sale date. For vehicles older than 108 months (9 years) from the original new car sale date, the offer is limited to complimentary Roadside Support Plan from the date the vehicle is serviced until the date the vehicle reaches 120 months (10 years) from the original new car sale date.
