# WELCOME TO HYUNDAI

---

As a testament to our worldwide commitment to quality, Hyundai is now one of the world's fastest growing automotive brands. The success we have achieved over the past decade has come about by producing cars that embody quality, innovation and individuality... cars that are underpinned by 5-star quality in design, build, features and safety.

If these are the qualities you're looking for in your next vehicle, we warmly welcome you to Hyundai's vast global family of astute and highly satisfied drivers.

# NEW THINKING. NEW POSSIBILITIES.

---

Each new Hyundai vehicle is the product of new thinking – of looking afresh and questioning the way things have been done in the past. And from new thinking comes new possibilities.

To realise the transformative power of this approach, we have invested in world-class manufacturing and recruited some of the world's best automotive engineers and designers. At every opportunity we have also looked at how to use world-leading automotive technologies to make your driving experience more comfortable, more enjoyable and much safer than ever before.

In every way, and from every angle, each new Hyundai vehicle embodies this philosophy and our total commitment to the concept of new thinking and new possibilities.

i30 Series II Premium in Dazzling Blue

# FLUIDIC DESIGN

---

Hyundai's Fluidic Design philosophy is inspired by nature and life itself. It blends the natural and fluid elements that surround us all with the more rigid surfaces and structures of each vehicle to create an impression of constant graceful motion.

We consider it an integral part of our DNA, for although each Hyundai has its own individual character, Fluidic Design constitutes a common platform that connects each and every vehicle in the range via a distinctive and stylish look; one that is unmistakably Hyundai.

Our unique Fluidic Design approach gives every new Hyundai a sense of style and perpetual motion. But there's more to it than meets the eye; our Small Car Range also incorporates aerodynamics that translate directly into improved performance, at both high and low speeds, along with reduced fuel consumption.

Elantra Series II Premium in Platinum Silver

# THE NEW STANDARD IN CUSTOMER CARE AND SUPPORT

---

At Hyundai, we believe that designing and building vehicles with an uncompromising approach to quality is just the first step to ensuring many years of enjoyable motoring. The next step is to provide you and your new Hyundai with the highest levels of ongoing service and support, through the Hyundai iCare program.

Customer Care Centre 1800 186 306  
[www.myhyundai.com.au](http://www.myhyundai.com.au)

i30 Series II Premium in Sparkling Metal

#### **LIFETIME SERVICE PLAN<sup>#</sup>**

Protect your car with genuine servicing, flexible online bookings and competitive quotes for every Hyundai model.

#### **ROADSIDE SUPPORT PLAN<sup>\*</sup>**

A helping hand when you need it – Roadside Assist for up to 10 years when you service with us at a Hyundai iCare Service Centre.

#### **5 YEAR UNLIMITED KILOMETRE WARRANTY<sup>^</sup>**

We're so confident in the quality of our passenger vehicles, we back them with a 5-year unlimited kilometre warranty.

#### **SATNAV UPDATE PLAN<sup>+</sup>**

For vehicles equipped with satellite navigation, you can stay on track with updated maps – refreshed twice in the first 3 years, when you service with Hyundai.

#### **GENUINE SERVICING; GENUINE PARTS**

Your Hyundai iCare Service Centre offers the assurance of factory-trained technicians, using Genuine Hyundai Parts.

#### **CUSTOMER CARE CENTRE**

Our Australian-based Customer Care Centre is available Monday to Friday between 8:30am and 7pm (AEST), on 1800 186 306. Feel free to call if you have any questions.

To learn more about the benefits available to Hyundai owners, simply go to [www.hyundai.com.au/owners](http://www.hyundai.com.au/owners)

<sup>#</sup>**Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at [www.hyundai.com.au](http://www.hyundai.com.au), apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicle's for their lifetime.

<sup>\*</sup>**Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date).

<sup>^</sup>**5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for "commercial application" as defined in the vehicle warranty policy, for which a 5 year /130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions.

<sup>+</sup>**SatNav Update Plan:** Only applies to new vehicles with factory-fitted satellite navigation.

Find out more about all Hyundai iCare plans and offers, including terms and conditions, by visiting [www.hyundai.com.au/icareterms](http://www.hyundai.com.au/icareterms)

# HYUNDAI SMALL CARS

## Small cars designed to make a big impression

Hyundai offers you an impressive range of small cars that are big on design, build quality, agility and performance, yet with all the appointments and space you'd expect from a larger vehicle.

Choose from the eye-catching, new i30 Series II range, available in Active, Active X, Tourer, Tourer Elite, SR, SR Premium and Premium variants, powered by petrol or diesel engines; or the sleek Elantra Series II in Active, SE, Elite and Premium variants, which gives you an exceptionally high level of standard inclusions and specifications in addition to even greater levels of comfort and safety.

No matter which model you choose, you can be assured of a driving experience more enjoyable than ever before.

# COMBINING POWER WITH EFFICIENCY

---

At Hyundai, we believe that the heart of a great vehicle is its engine. That's why we've designed a class-leading range of advanced Petrol and Diesel (i30 Series II only) engines especially for our Small Car Range that not only match their sporty good looks with impressive performance, but also incorporate sophisticated engineering techniques and advanced technologies that work together perfectly to deliver impressive levels of fuel efficiency and lower CO<sub>2</sub> emissions.

i30 Series II SR and SR Premium Petrol engine shown

i30 Series II Active, Active X, Premium, Tourer and Tourer Elite Diesel engine shown

i30 Series II Premium in Dazzling Blue

## 1.8 MPI Petrol engine

Elantra Series II engine shown

**LATEST TECHNOLOGY ENGINES. PETROL OR DIESEL**

In addition to the 1.8 MPI Petrol engine, the i30 Series II also features a more powerful 2.0 litre GDi variant, as well as a 1.6 litre Diesel engine, which offers exhilarating, off-the-line acceleration with up to 300 Nm of torque (with Dual Clutch Transmission at 1,750 – 2,500 RPM) in combination with exceptional fuel efficiency.

The Elantra Series II features a highly advanced 1.8 litre MPI Petrol engine made of strong yet light aluminium that delivers up to 110 kW of power and 178 Nm of torque (peak power and torque at different RPM).

Available with a choice of two transmission systems, this light engine also incorporates Continuously Variable Valve Timing technology on both cam shafts, helping to deliver significantly greater fuel efficiency – as little as 5.6L/100km on a highway cycle. When combined, the Elantra Series II's powerful performance, exceptionally low fuel consumption and reduced CO<sub>2</sub> emissions all add up to one of the best performers in its class.

**FINE-TUNED FOR AUSTRALIAN CONDITIONS**

Hyundai's small cars offer quick and nimble driving in the city, and real touring performance out on the open road.

Featuring steering and suspension systems that have been rigorously tested and fine-tuned for Australian road conditions, each vehicle in the Small Car Range incorporates an array of intelligent driver assistance technologies to help you reach your destination in relaxed style.

# GIVING NEW MEANING TO 'STYLE'

---

Hyundai's new Small Car Range reflects a further evolution of our unique Fluidic Sculpture design philosophy. Sporty looks and dynamic proportions set both the i30 Series II and Elantra Series II apart from all their competitors, with a look that is both eye-catching and sophisticated.

Shaped and styled to impress and perform, the new i30 Series II boasts a host of design enhancements including an upgraded front grille incorporating black slats with satin chrome inserts, along with a new hubcap design for its 16" steel wheels (Active only) and a new 16" alloy wheel design (Active X, Tourer and Tourer Elite only).

The i30 Series II SR, SR Premium and Premium variants now feature stylish new LED daytime running lamps, a new sports front grille and new 17" alloy wheels in gunmetal grey finish.

The Elantra Series II incorporates a stylish new headlamp design, an updated front bumper and new rear bumper design, plus a range of new head-turning alloy wheel designs (SE, Elite and Premium only).

# MAKING YOUR SAFETY A PRIORITY

---

At Hyundai, every vehicle in our Small Car Range is designed with safety at the top of our mind, right from the very beginning. It's also a key element throughout every phase of engineering and production, and the reason why every i30 Series II and new Elantra Series II incorporates high-tensile strength steel applied to safety-critical areas for a super-strong chassis. Along with steel reinforced door modules and intrusion beams to provide greater protection in the event of a collision.

Drive any vehicle within our Small Car Range and you can be assured it's been designed and built to achieve Australia's maximum 5-star ANCAP safety rating; because at Hyundai your safety is our priority, first and foremost.

# ACTIVE SAFETY

## ANTI-LOCK BRAKING SYSTEM (ABS) WITH ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

To help keep you out of danger in emergency situations, the ABS with EBD work to help prevent the brakes from locking up and optimises braking pressure between the front and rear wheels to shorten braking distances.

## BRAKE ASSIST SYSTEM (BAS)

BAS measures the speed with which the brake pedal is depressed. When panic braking is detected, the Brake Assist System automatically develops maximum brake boost in order to mitigate a driver's tendency to brake without enough force.

## TRACTION CONTROL SYSTEM (TCS)

The TCS assists by reducing wheel spin on slippery or uneven road surfaces.

## VEHICLE STABILITY MANAGEMENT SYSTEM (VSM)

If you find yourself in a situation where your vehicle begins to skid away from your intended direction, VSM applies steering assistance, guiding you to the correct steering position to help you maintain control.

## REAR PARK ASSIST

When reversing, rear sensors emit an audible warning sound to alert you to objects that might be outside your field of vision.

## AUTOMATIC DUSK SENSING HEADLIGHTS

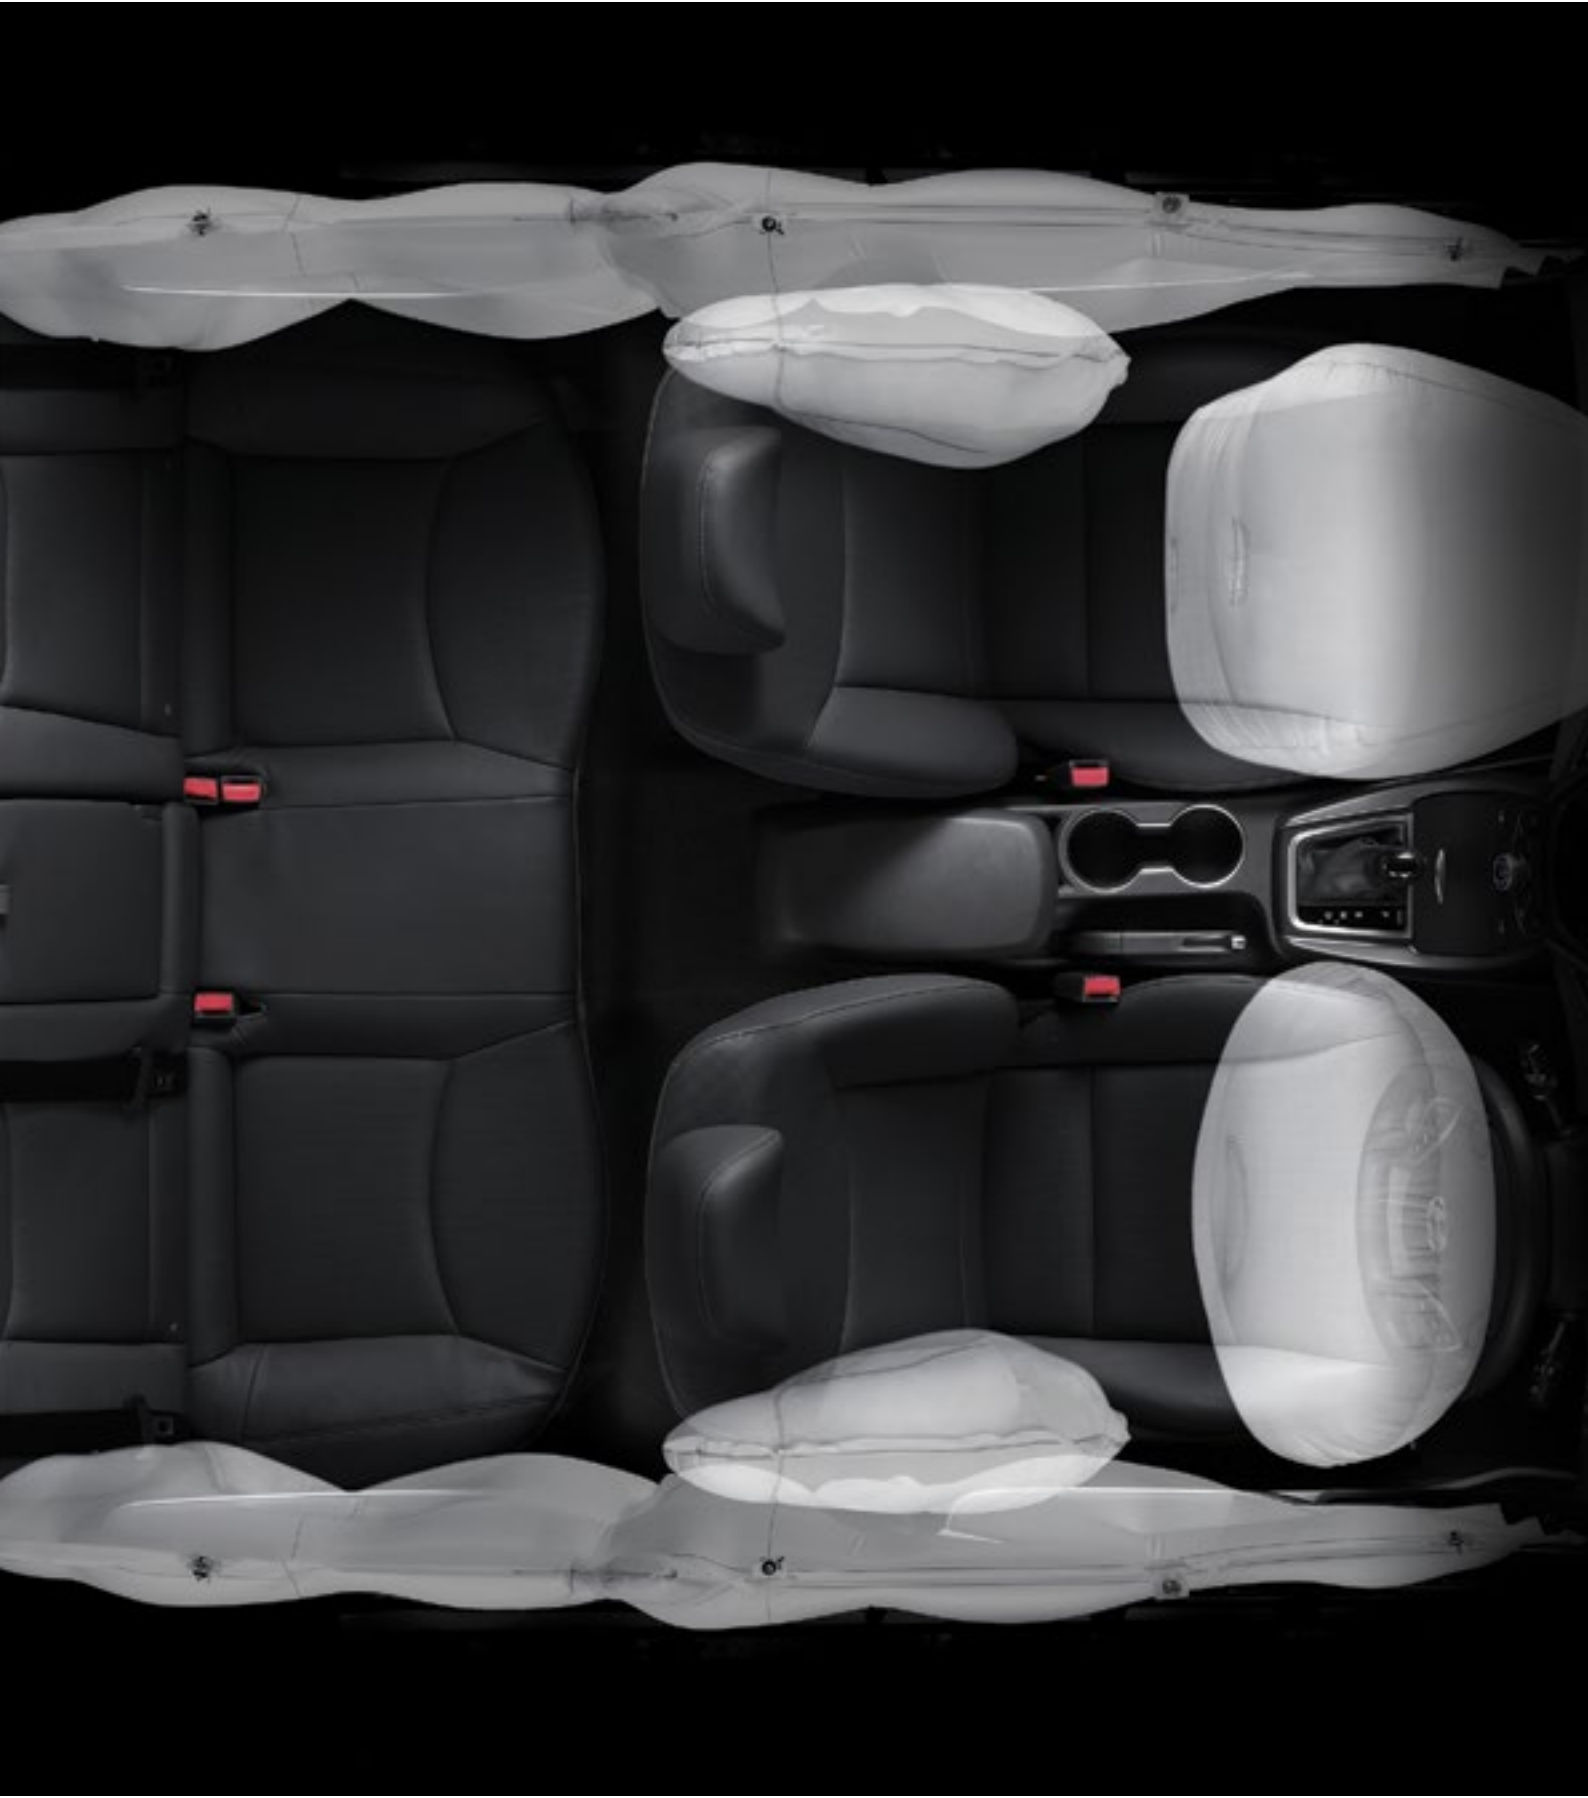

To increase driving safety and the visibility of your vehicle to other drivers, headlights are automatically turned on as daylight begins to fade. (Not available in Active, Active X and Tourer variants on the i30 Series II and Active and SE variants on the Elantra Series II).

## LED DAYTIME RUNNING LAMPS (DRL)

LED DRLs create a striking impression and increase visibility of the vehicle to other road users. (Available only in SR, SR Premium, Premium, Tourer and Tourer Elite variants of the i30 Series II).

## REAR VIEW CAMERA

To assist you while parking in tight spots and to help avoid accidents, a rear view camera displays the area behind the vehicle. (Available in all variants of the i30 Series II and in Elite and Premium variants of the Elantra Series II).

# PASSIVE SAFETY

---

In the event of an impact, a range of passive safety features will help protect you and your passengers.

## **i30 SERIES II**

### **7-AIRBAGS**

The i30 Series II is equipped with a comprehensive seven airbag safety system, including driver and front passenger airbags (to reduce head and neck injuries in the event of a head-on collision), nearside and offside curtain airbags (improving protection for the head in case of a side collision) and front side thorax airbags (to protect the chest and pelvis more effectively) and driver's knee airbag. (Available only in the i30 Series II model range).

### **KNEE AIRBAG**

Installed just below the steering column in the i30 Series II, the knee airbag is designed to reduce the risk of serious injuries to the driver's legs and knee in the event of a frontal collision. (Available only in the i30 Series II model range).

## **ELANTRA SERIES II**

### **6-AIRBAGS**

The Elantra Series II model range offers six airbags, including driver and passenger airbags, two side thorax airbags at the front seating positions plus front and rear passenger side curtain airbags. (Available only in the Elantra Series II model range).

# INTRODUCING SMART AUTOMOTIVE TECHNOLOGY

---

Hyundai's new Small Car Range boasts an array of cutting edge technology innovations and inclusions designed to make driving safer and more enjoyable than ever before. They're also designed for you and the modern world in which we all live: switched on, always connected and highly mobile.

i30 Series II Premium model shown

Just some of the leading edge technology features available in models across the range include:

#### **IN-DASH LCD TOUCH SCREENS**

Driving never looked so inviting, or hi-tech, with all i30 Series II and Elantra Series II models featuring attractive in-dash touch screens for audio, communications or satellite navigation.

The i30 Series II (Active, Active X and Tourer only) incorporates a 5" touch screen audio system with AM/FM tuner, USB/AUX and MP3 capability, six speakers, media ripping/storage and Pandora® Internet Radio capability when connected to a Smartphone with mobile data access.

Elantra Series II (Active and SE only) have a 5" touch screen audio system with AM/FM tuner and MP3 capability, single CD player, six speakers, USB/AUX input, and Bluetooth®.

Both model ranges offer a 7" LCD Colour touch screen\* Satellite Navigation system that incorporates SUNA™ live traffic updates^ and if you service your vehicle at any participating authorised Hyundai Service Centre you will be entitled to 2 complimentary HERE® SatNav updates.#

#### **PANDORA® INTERNET RADIO†**

Available only in the i30 Series II model range (Active, Active X and Tourer), with just a simple touch of your finger, Pandora® internet radio gives you and your passengers the music they love anytime, anywhere, through personalised radio stations created instantly from a single song or artist. The display screen also has a Pandora icon to stream internet radio from a wide variety of connected devices - iPhone or Android.

#### **BLUETOOTH CONNECTIVITY**

Each vehicle's audio system includes Bluetooth® connectivity as standard, providing you with a safe, convenient, hands-free way to stay in touch with business, family and friends when out on the road.

#### **STEERING WHEEL-MOUNTED AUDIO AND CRUISE CONTROLS**

To help you keep your eyes on the road, ergonomically positioned steering wheel-mounted switches, located near the thumb area, allow you to control audio, Bluetooth® (available in Elite, Premium, SR and SR Premium variants) and cruise control functions. In the Active variants of the i30 Series II and Elantra Series II, Bluetooth® controls are located on the dash unit.

#### **DUAL ZONE CLIMATE CONTROL\***

The fully automatic climate control system offering dual zone functionality that allows the driver and front passenger to select separate temperature settings for maximum individual comfort.

#### **PROXIMITY SMART KEY AND PUSH BUTTON START\***

The proximity Smart Key allows you to unlock and lock your vehicle without handling the vehicle's key and turn on the engine by simply pushing the start button and depressing the brake pedal.

\*Not available in the Active, Active X and Tourer variants of the i30 Series II and Active and SE variants of the Elantra Series II.

^SUNA™ Traffic channel coverage is available in the following metropolitan areas: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney and the following regional areas: Geelong, Bendigo, Ballarat, Hobart, Darwin, Newcastle, Central Coast, Wollongong, Sunshine Coast and Ipswich.

#SatNav Update Plan: Plan only applies to new vehicles with factory-fitted satellite navigation. HERE® is a registered trademark of Nokia Corporation. Maximum number of two updates, delivered on an annual cycle within 3 years of the vehicle's initial purchase. Free map updates only apply if the vehicle completes a scheduled service at a participating Hyundai dealer.

† Pandora, the Pandora logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc. used with permission. Pandora requires a compatible mobile device from which data streaming can occur. This may incur data charges, check with the data provider for your mobile device. Pandora functionality depends on the level of compatibility of the mobile device. Bluetooth® is a registered trademark of Bluetooth SIG, Inc.

# REACHING NEW LEVELS OF COMFORT AND LUXURY

---

All i30 Series II and Elantra Series II models feature inviting interiors that combine high quality, soft touch materials for maximum comfort and a touch of luxury, plus smart ergonomic design for maximum convenience and enjoyment.

You appreciate immediately the thought and planning behind all interior appointments, for each has been meticulously designed to deliver exceptional driving comfort: space is maximised and every control, button or handle has been logically positioned for ease of use.

## HIGH QUALITY SEATING FOR SUPPORT AND STYLE

Throughout the Hyundai small car range, finely upholstered seating with multiple adjustments offer elegantly contoured style as well as exquisite comfort. For both short and long journeys. The model range also offers you a choice of smart, long-wearing woven cloth options right through to premium leather appointed seats\* in the i30 Series II Active X, SR Premium and Premium variants and the Elantra Series II SE and Premium variants.

## HEATED FRONT SEATS

Available in SR Premium and Premium variants of the i30 Series II and the Premium variant of Elantra Series II, front seats offer two levels of heating capability (in the Elantra Series II) and three levels of heating capability (in the i30 Series II) for extra warmth and comfort in winter and relief of any aches and pains.

## FLEX STEER™

Hyundai's innovative Flex Steer™ function allows you to customise your steering to the environment you are in. Normal mode is perfect for day-to-day driving; Sport mode enhances your drive on the open road; while Comfort mode provides a lighter steer and easier manoeuvrability in slow moving inner-city traffic.

\* Leather appointed seats mean parts of the seats have a combination of genuine and artificial leather, but are not wholly leather.

# i30: ONE OF AUSTRALIA'S BEST SMALL CARS

---

The all-new i30 Series II hatchback range redefines the possibilities of small car motoring, with a range of models to suit every lifestyle.

Available with either Petrol or Diesel engines, each model in the new range builds upon the multi-award winning success of previous models, with a modern fluidic design, maximum 5-star ANCAP safety rating plus significant performance, style and feature enhancements.

i30 Series II Premium in Fiery Red

i30 Series II Premium model shown

## SPORTY AND STYLISH OUTSIDE. LOADS OF SPACE INSIDE.

---

The i30 Series II interior actually invites you to come inside. Radiating comfort and a real sense of luxury, it offers plenty of head, leg and shoulder room, plus more than a long-weekend's worth of cargo space for cases, bags and sports gear – as well as a whole lot more. With 60:40 split rear seats, the i30's total carrying capacity is more than impressive.

You'll be impressed by a wide range of advanced-technology interior enhancements, including a touch screen multimedia system, heated and air ventilated (Available only in SR Premium and Premium variants only) front seats and dual zone climate control (Available only in SR, SR Premium, Premium and Tourer Elite variants). There's even a handy glove box cooler, ideal for Australian summertime conditions.

You'll also be amazed at just how quiet the new i30 Series II is. Noise is a major factor in the quality of a driving environment, and Hyundai's engineers were relentless in the quest to reduce interior noise levels.

SR Premium or Premium model shown

# NEW TECHNOLOGIES FOR A NEW DIMENSION IN COMFORT, CONVENIENCE AND PERFORMANCE

---

The i30 Series II has been designed for the way we live today. It's the car for people whose world travels with them – not just their family and friends, with an array of seamlessly integrated technologies that work in tandem with smart ergonomic design to continuously enhance comfort, convenience and safety.

The i30 Series II range also exceeds your expectations by offering an array of intuitive and advanced features that add that extra dimension to each and every drive.

## **RAIN SENSING WIPERS**

Windscreen sensors automatically turn on the wipers, providing hands-free comfort and safer driving during rainy weather. (Available in SR, SR Premium, Premium and Tourer Elite variants only).

## **LED PUDDLE LAMPS**

Puddle lamps located underneath the side mirrors automatically switch on when the vehicle is unlocked, making entry to the front seats easier and safer. (Available in SR, SR Premium, Premium and Tourer Elite variants only).

## **ELECTRO-CHROMATIC REAR VIEW MIRROR (ECM)**

The electro-chromatic Premium interior mirror automatically dims when it senses headlight glare from following vehicles. (Available in SR Premium and Premium variants only).

## **ELECTRONIC PARK BRAKE (EPB)**

Easy to initiate and release, the electric park brake eliminates the need for a parking brake lever or pedal. (Available in SR Premium and Premium variants only).

## **REAR VIEW CAMERA**

For added safety, every vehicle in the i30 range has a rear view camera to assist you whilst you park in tight spots and help you to avoid accidents. The rear view camera displays the area behind the vehicle on the i30 Series II's centre console touchscreen.

# ACTIVE AND ACTIVE X

---

If you're seeking a dynamic and stylish small car that's a cut above the rest, then the i30 Series II Active or Active X may be exactly what you need.

Both variants offer you a choice of either Hyundai's nimble 1.8 MPi Petrol engine or its gutsy, fuel efficient 1.6 CRDi Diesel engine. No matter which model you choose to spoil yourself with, you can be assured that the smooth power within is perfectly matched by its eye-catching exterior.

## PANDORA®

An upgraded audio system also incorporates the advanced Pandora® internet radio† system when connected to a compatible iOS or Android smartphone. You are able to interact with the Pandora® app on your smartphone via the in-dash 5" multimedia display to provide you and your passengers with the music you love anytime and anywhere with the touch of your finger.

With a slightly sportier look and feel, the i30 Series II Active X comes with 16" new-design alloy wheels and electric folding external mirrors with integrated LED side repeater lights that blend beautifully with the vehicle's graceful, flowing lines. It also looks great on the inside, with an interior that is spacious, comfortable and inviting featuring leather appointed seats,\* a premium steering wheel, gear knob, door trims, and dash cluster hood.

\*Leather appointed seats mean parts of the seats have a combination of genuine and artificial leather, but are not wholly leather.

† Pandora, the Pandora logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc. used with permission. Pandora requires a compatible mobile device from which data streaming can occur. This may incur data charges, check with the data provider for your mobile device. Pandora functionality depends on the level of compatibility of the mobile device.

**ACTIVE X**

i30 Series II Active X Gear Shift

i30 Series II Active X Radio with Pandora® internet radio

# i30 SERIES II TOURER

---

The new i30 Series II Tourer combines European styling with an abundance of extra space and versatile seating. In fact, this intelligently designed and versatile vehicle boasts a total storage capacity of up to 1,642 litres, which is more than enough room for all your sporting and leisure equipment.

Hyundai's acclaimed Fluidic Sculpture design principles have been carefully integrated into the overall design, with new features such as our LED daytime running lamps (DRL) adding a touch of real style to this versatile vehicle.

The spacious new i30 Series II Tourer is further enhanced by the addition of roof rails as standard.

## **UNDER FLOOR STORAGE**

When it comes to extra storage space, the Series II Tourer makes every square centimetre count. The clever under floor storage compartment is a great place to store smaller or more fragile items.

## **MODULAR FOLDING REAR SEATS**

No matter what you take on your weekend adventures, the Series II Tourer's versatile seat layout allows for your cargo to be loaded and unloaded with ease. And with the rear seats down, a massive cargo area of 1,642 litres (rear seats folded) ensures you'll have room for items of every shape and size.

## **CARGO BLIND**

To keep your precious cargo away from prying eyes, the Series II Tourer comes complete with a cargo blind. And a safety barrier net will help keep larger items or taller loads secure in the rear of the vehicle.

# i30 SERIES II SR AND SR PREMIUM

---

The stylish new i30 Series II includes SR and SR Premium variants that are both tailor-made for fun. They offer a sportier look thanks to road-gripping 17" alloy wheels in a gunmetal grey finish, an updated sports front grille, LED Daytime Running Lamps (DRL) and a lower rear diffuser. The good looks continue inside with the addition of leather appointed seats\* to the already premium interior and in the SR premium variant, the cabin is filled with light from the Panorama glass roof.

But the real fun comes from the SR range's increased performance. Both variants are powered by a 2.0 GDi Petrol paired with your choice of 6-speed manual or automatic transmission, offering more power and more torque than the other 1.8 MPi Petrol engines in the Active range, as well as a bespoke, sports suspension developed for Australian conditions. The result is a sporty and engaging drive - plus it's faster and has more responsive handling.

\*Leather appointed seats mean parts of the seats have a combination of genuine and artificial leather, but are not wholly leather.

# ELANTRA SERIES II

---

---

The new Elantra Series II boasts a wide range of exterior and interior enhancements, and is now available in four variants, the Active, SE, Elite and Premium. Each combines smart design, technology and engineering to deliver the manoeuvrability and agility of a compact car, yet with all the appointments and space you'd naturally expect from a larger vehicle.

Its suspension has been developed specifically for Australian roads, delivering enhanced handling and a more comfortable ride. With the inclusion of numerous cutting-edge passive and active safety technologies, you can enjoy the ride with complete peace-of-mind. And with an exceptionally high level of standard inclusions and finishes, you'll love driving the Elantra Series II.

Elantra Series II Premium in Marina Blue

# A SMARTER INTERIOR ...DESIGNED FOR IMPROVED COMFORT AND CONVENIENCE

---

The Elantra Series II's stylish interior features a wave-like dashboard and a new 7" colour touch screen multimedia system (Elite and Premium only) with integrated Satellite Navigation with SUNA™ Live Traffic updates,<sup>^</sup> iPod® and Bluetooth® connectivity<sup>†</sup>; so both your music and friends are closer than ever.

The supervision cluster features an OLED centre display (Elite and Premium only) which provides all vital drive information at a glance and thanks to convenient steering wheel-mounted controls, all key audio functions are within easy reach so you can simply focus on the road.

With loads of legroom, generous headroom and shoulder room for both front and rear-seat passengers, the Elantra Series II delivers all the luxurious space you'd expect in a much bigger car.

## **GLOVE BOX COOLER**

The glove box cooler offers an ideal place to store drinks and snacks, while keeping them cool and fresh.

<sup>^</sup> SUNA™ Traffic channel coverage is available in the following metropolitan areas: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney and the following regional areas: Geelong, Bendigo, Ballarat, Hobart, Darwin, Newcastle, Central Coast, Wollongong, Sunshine Coast and Ipswich.

iPod® is a trademark of Apple Inc. registered in the US and other countries. The Bluetooth® wordmark is owned by Bluetooth SIG Inc.

<sup>†</sup> Please check your Bluetooth® device's capabilities to ensure compatibility.

Elantra Series II Premium Heated Front Seats

# INNOVATION MEETS INTELLIGENCE

At Hyundai, we believe in making innovation accessible to everyone. That's why the Elantra Series II is packed with an even wider array of smart features and technology.

Enjoy advanced functionality such as Push Button Start with proximity Smart Key, and dual zone climate control in the Elite and Premium variants.

The Elite and Premium variants also come equipped with numerous intuitive technologies, such as rain sensing wipers, automatic dusk sensing headlamps and electric folding mirrors.

Meanwhile in the Premium variant, heated front seats and an electric driver's seat with lumbar support help you to find the most comfortable position.

Elantra Series II Push Button Start

Elantra Series II HID Xenon Headlamps (Premium model shown)

# DRIVING PERFORMANCE

---

At the heart of the Elantra Series II lies a highly advanced engine (purpose-designed and built by Hyundai) that's coupled to a choice of two transmission systems.

The 1.8 litre MPi engine delivers up to 110kW of power at 6,500 RPM while producing 178 Nm of torque at 4,700 RPM.

This light engine, together with the use of Continuously Variable Valve Timing technology on both cam shafts, helps deliver great fuel efficiency.

An electronic throttle control accurately manages air intake and engine torque, which further improves driveability, responsiveness and economy.

In addition, Elantra Series II's suspension has been tuned specifically for Australian conditions, providing you with an effortless and assured road-hugging drive.

## ECO-DRIVING SYSTEM

The Eco-driving indicator in the instrument panel displays a green LED light to indicate fuel-efficient driving and an ECO indicator displays a green light on A/T only. M/T variants have a shift indicator suggesting most efficient shift points.

## 6 SPEED AUTOMATIC TRANSMISSION

The Elantra's optional six speed automatic transmission is lighter and shorter than previous generations and has less moving parts to optimise engine performance and boost fuel economy.

## 6 SPEED MANUAL TRANSMISSION

The smooth six speed manual transmission is economical, quiet and ultra-smooth, designed to deliver many years of trouble free operation.

# SOMETHING FOR EVERYONE

---

---

## Elantra Series II **Elite**

The Elantra Series II Elite offers you a range of upgraded features including a rear view camera, automatic dusk sensing headlights, dual-zone automatic climate control and a 7" satellite navigation system.

## Elantra Series II **SE**

The Elantra SE offers you all the features of the Active variant in addition to stylish, sporty 16" alloy wheels, premium steering wheel and gear knob plus luxurious, leather appointed seats.\*

\*Leather appointed seats mean parts of the seats have a combination of genuine and artificial leather, but are not wholly leather.

## Elantra Series II **Active**

The Elantra Series II Active offers you a spacious and comfortable interior with stylish woven cloth seating plus a range of technology-rich features including a 5" touch screen audio system with AM/FM tuner and MP3 capability, single CD player, six speakers, USB/AUX input and Bluetooth®.

## Elantra Series II **Premium**

In addition to what the Active, SE and Elite variants have to offer, the Elantra Series II Premium takes the styling and technology to the next level. This top-of-the-range model provides everything you would need in a small car, with its powerful 1.8 litre engine including 17" alloy wheels and projector beam HID Xenon headlamps with LED positioning lamps.
