Room for Seven

You don't have to sacrifice style and excitement to have the space and practicality necessary for today's hectic lifestyles. With distinctive European styling, coupled with maximum versatility and cutting-edge safety and convenience features, the Rondo is a truly innovative family car - with room for 7.

Whether you're travelling with the family or just exploring Australia, the Kia Rondo's ample and spacious cabin has you covered.

Cool and Chic

The Rondo brings a whole new level of design to the People Mover segment, and feels right at home whether parked in your driveway or in the trendiest part of town. With versatility as its hallmark, this the Rondo is ahead of the pack with generous space, flexible seating configurations and clever storage compartments.

Striking HID headlights with LED Daytime Running lights add a sense of class to the Kia Rondo's exterior. (Platinum models only)

Always in Control

The Kia Rondo's ergonomically designed cockpit puts driver comfort first. Control is effortless with intuitive fingertip operations and high-tech features, while a low windscreen base and wide sweeping dashboard gives you excellent visibility. Available on Platinum models is a large 7-inch touch-screen navigation system with reverse camera that is perfectly suited to the active family lifestyle.

A variety of seating configurations allows for 7-seat occupancy through to fully-flat seating, allowing vast cargo storage.

Seven Seat Space

Kia's engineers not only succeeded in creating an interior cabin that boasts expansive roominess, but they considered the use of space down to the very last detail. Designed to facilitate active family lifestyles, you'll soon discover why the Rondo is much more than just a People Mover. Details such as the panoramic sunroof are unique, and offer fresh air and sunlight directly into the cabin. (Platinum model only)

Intuitive Features

7" Touch Screen Navigation System

Available on Platinum models is a 7" colour touch screen satellite navigation system, reverse camera and Bluetooth* connectivity.

*Not all mobile phones will be compatible with the vehicles Bluetooth system. Bluetooth capability allows you to receive calls using steering wheel controls and speak on the telephone hands free while focusing on driving.

Rear Parking Sensors + Reverse Camera

Standard across all models are rear parking sensors + reverse camera, which both take the hassles out of tight parking situations..

LED Daytime Running Lights (DRL)

LED daytime running lights enhance the Kia Rondo's on-road presence whilst making you more visible to other drivers. (SLi and Platinum models only)

4.2" TFT LCD Trip Computer

A high visibility screen centrally positioned between the supervision cluster gauges displays essential vehicle information. (SLi and Platinum models only)

Dual-Zone Climate Control with Clean Air System

Separate temperatures can be set according to driver and front-seat passenger preferences, while the clean air system generates cluster ions to purify and deodorise the cabin. (SLi and Platinum models only)

Auto Light Control

The Kia Rondo's headlights automatically turn on during low-light scenarios.

Efficient Engines

2.0L GDi Petrol Engine

A powerful 2.0 Litre four cylinder engine with Gasoline Direct Injection (GDI) provides 122 kW of power with 213 Nm of torque.

1.7L Turbo Diesel Engine

A technologically advanced turbo diesel engine delivers a clean 100 kW of power with 320 Nm of torque.

Advanced Safety

Electronic Stability Control (ESC)

Electronic Stability Control (ESC) improves stability in low-grip driving conditions.

Hill-Start Assist Control (HAC)

Hill-Start Assist Control (HAC) ensures that the vehicle does not roll backward when taking off from an incline.

Six-Airbag System

Driver, passenger, front side and curtain airbags help minimise the risk of serious injury as the final line of defense in the event of a collision.

ANCAP 5-Star Safety

Protect your loved ones on the road with the assurance of an ANCAP safety rating of 5-stars.
