

RS Q3

 Audi RS Q3 performance Australian Specifications

Technical Data

	RS Q3 performance
Engine Type	5 cylinder inline petrol engine with direct fuel injection, turbocharging and intercooling
Capacity (cc)	2,480
Power (kW/rpm)	270 / 5,550 – 6,800
Torque (Nm/rpm)	465 / 1,625 – 5,550
Transmission	
7-speed S tronic	●
Acceleration 0-100km/h (seconds)	4.4
Top speed (km/h)	270
Driveline	
quattro	●
Fuel Consumption (combined)*	
Litres per 100km	8.8
CO ₂ emissions grams per km	206
Weight	
Unladen weight in kg ¹	1,730
Gross vehicle weight in kg	2,215
Towing capacity (braked) in kg ²	1,900
Safety	
Audi side assist	●
Airbags for driver and front passenger	●
Side airbags at front	●
Head level curtain airbags	●
Electronic stabilisation program (ESP) with ABS, ASR and EDL	●
Electromechanical speed sensitive steering	●
Safety steering column with tilt and telescopic adjustment	●

● = Standard | NCO = No cost option | □ = Optional equipment

Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 20 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

Standard Equipment and Options

	RS Q3 performance
Wheels and Suspension	
20" alloy wheels in 5-twin spoke design, matt titanium finish	●
20" alloy wheels in 5-twin spoke design, matt black finish	NCO
20" alloy wheels in 5-V spoke design, matt titanium finish	NCO
Tyre repair kit	●
Tyre pressure loss indicator	●
RS sport suspension	●
RS sport suspension plus with damper control	□
Exterior Features	
LED headlights and LED tail lights with dynamic indicators	●
Audi parking system plus with rear view camera	●

● = Standard | NCO = No cost option | □ = Optional equipment

Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 20 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of EC Directive 1230/2012. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

2 Towbar, ball and tongue must be purchased separately through Audi Genuine Accessories.

3 MMI Navigation functional features may differ or not be available for the Australian market, sight-seeing information, city modes in 3D, points of interest, vehicle support and speed limit display based on navigation data function, voice control destination entered as wholewords or in one statement and Audi connect services are not available for Australian vehicles. Please refer to your Audi dealer for up-to-date information.

4 Please note Audi music interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories.

5 Digital radio reception coverage dependent on vehicle location.

6 Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility.

Vehicle pictured is an overseas RS Q3 performance with the additional options of metallic/pearl effect paint and extended matt aluminium styling package.
