THIS IS NEW THINKING THIS IS HYUNDAI

As a testament to our worldwide commitment to quality, Hyundai is now one of the world's fastest growing automotive brands. The success we have achieved over the past decade has come about by focussing on producing cars that embody quality, innovation and individuality...cars that are underpinned by 5-star quality in design, build, features and safety.

Each new vehicle is the product of new thinking; of questioning the way things have been done in the past. Along the way, we have invested in world-class manufacturing, recruited some of the most respected and astute automotive engineers and designers, and at every opportunity leveraged the transformative powers of leading edge technologies.

In every way, and from every angle, our newest and most exciting creation exemplifies this commitment and dedication to new thinking.

INTRODUCING GENESIS

The arrival of Genesis not only reflects the evolution of Hyundai, but also demonstrates the exceptional end result that can be achieved when new thinking is applied to design, innovation and performance. Genesis is the result of not thinking in terms of 'now', but rather through imagining 'what's next'.

It provides the next iteration of safety to make both car and driver more responsive to potential hazards. And it harnesses innovative technologies to keep you connected to your world, and provide superior on-road performance.

By combining all of this, Genesis delivers a deeply satisfying driving experience.

Genesis. This is New Thinking.

THE EVOLUTION OF FORM AND FUNCTION

In designing Genesis, we set out to reimagine the premium sedan. To create a vehicle that's emotional and evocative, yet restrained and elegant. One that balances its striking road presence with a highly rewarding driving experience.

This approach has already led to the 2015 Genesis capturing the imagination of both motorists and the motoring media.

When it comes to its brilliant use of technology, Genesis was named by the CES International Consumer Electronics Show, TechHive and PC World, as winner of the 'Best Car Tech' category.

Other accolades have included: 'Highest Ranked Midsize Premium Car in Initial Quality' for two years in a row by the industry rating agency J.D. Power, while Kelley Blue Book named it one of the 'Top 10 Best Luxury Cars' in its category.

"Genesis took nearly four years in development. Throughout, we always kept the basics in mind... the balanced stance, the proportions, a lower overall height, a shorter overall overhang at the front and the rear, having a great sporty profile, and having a great sculptural design, as well as a great surface contrast."

Casey Hyun, Creative Design Manager at Hyundai Design Centre

A FLUIDIC DESIGN SCULPTURE PHILOSOPHY

The sleek flowing lines and assured exterior styling of Genesis embody the second generation of our Fluidic Sculpture design philosophy. Combined with a reinforced high-strength steel structure this aerodynamic form further enhances the exceptional driving dynamics, while the premium hexagonal grille heightens the sophisticated contemporary look.

For its design aesthetics, Genesis was a winner at the prestigious European 'Red Dot Design Awards' in 2014.

ENGINEERED FOR EXHILARATION

Whether you're just looking from the outside or sitting behind the wheel, every aspect of Genesis speaks to the perfect balance of sports performance, comfort and handling. And it delivers.

To achieve this, Genesis was subjected to tireless world-class testing on global and local roads and racetracks, including the famous Nürburgring circuit in Germany and Hyundai's own proving grounds in the Mojave Desert, USA.

To deliver luxury sedan handling with Australian comfort and dependability, Genesis was subjected to a 12–month localisation and tuning program. This covered thousands of kilometres and hundreds of individual evaluations across urban and country roads, as well as dirt, gravel and corrugated surfaces. It was also heat and dust tested on outback roads. As a result, Genesis provides the highest levels of agility, responsiveness and balance in all Australian driving conditions.

AN ENTIRELY NEW BREED OF PERFORMANCE

Genesis matches its elegant, dynamically sculpted shape with an exhilarating performance that's delivered by an athletic, and highly-advanced, all-aluminium Lambda II 3.8-litre GDi V6 engine.

This powertrain is coupled with a Hyundai-developed 8 speed Automatic transmission that seamlessly delivers power to the road for smoother and more refined acceleration, while paddle shifters put lightning-fast manual gear changes at your fingertips.

With its finely tuned suspension, elongated wheelbase and high-strength steel body, you'll enjoy confident handling, whether driving in the city or on the open road, as well as an exceptionally smooth ride.

A HIGHLY INTELLIGENT DRIVE

In questioning the way things have been done in the past, we've rethought the driving experience and sought out cutting-edge innovations that can make it even better. As a result, Genesis features a wide range of seamlessly integrated smart and intuitive technologies that add safety, ease and enjoyment to every drive.

HIGH INTENSITY DISCHARGE (HID) HEADLAMPS WITH LED DAYTIME RUNNING LAMPS

The HID headlamps cast a significantly brighter and longer light beam, and are complemented by high visibility LED daytime running lamps.

STATIC BENDING LIGHTS

Cornering headlights, activated by the steering direction, give greater night-time visibility, so even blind spots are illuminated.

SMART HIGH BEAM (SHB)

For added driver convenience, a camera at the front of Genesis detects the headlights of oncoming cars and the backlights of cars in front, and automatically adjusts the high beam.

SMART CRUISE CONTROL (SCC)

The SCC system varies your pre-set speed by using data from a radar to maintain a consistent distance behind the vehicle ahead.

360° VIEW CAMERA SYSTEM*

When parking or driving in narrow spaces, the 360° View Camera System displays on the centre console touch screen images collected by pantoscopic cameras installed on front, sides and rear of the vehicle, providing you a bird's eye view of the vehicle and obstacles.

*Ultimate Pack only.

EVERY DETAIL ENGAGES THE SENSES

Open the doors, and you'll see that every inch of the spacious, ergonomically designed interior is a showcase of first-class, traditional workmanship enhanced by contemporary thinking and modern techniques.

The well-balanced cabin space exudes comfort that's characterised by the use of high quality materials, while soft touch surfaces, such as the beautifully detailed leather* seats and cloth-covered pillars, accentuate the feeling of luxury throughout. Likewise, convenience and ergonomic design are constantly evident, such as through the placement of buttons, knobs and switches, which feel precise to your touch and are where you intuitively expect them to be placed.

The electric adjustable driver and front passenger seats provide four-way lumbar support. The Ultimate Pack offers a driver's seat featuring an adjustable seat cushion extension with an air-powered bolster. The Integrated Memory System (IMS) aids drive with seat position, steering wheel, outside mirror and lights' brightness and position. Plus, a myriad of accessible storage solutions make it easy to keep everything you need within reach, yet discreetly tucked away.

*Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.

^Ultimate Pack only.

CHALLENGING THE CONCEPT OF WHAT IS INCLUDED AS 'STANDARD'

From behind the wheel of your Genesis, you have fingertip access to a stunning array of advances and innovations that elevate the driving experience. The centre console is highlighted by a high-end, state-of-the-art lifestyle, multimedia and navigation system featuring a 9.2" high-definition touch screen.

The system also incorporates $Sat\Pi av$ that includes thousands of points of interest such as parking stations, restaurants, ATMs and much more, while $SU\Pi A^{TM}$ live traffic updates help you find the smartest way to get across town.

[^]SUNA™ Traffic channel coverage is available in the following metropolitan areas: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney and the following regional areas: Geelong, Bendigo, Ballarat, Hobart, Darwin, Newcastle, Central Coast, Wollongong, Sunshine Coast and Ipswich.

^{*}Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.

SURROUND YOURSELF WITH 17 SPEAKER SOUND

Genesis is equipped with a Lexicon® audio system, one of the world's most advanced automotive sound systems.

Featuring discreet Logic7® Surround Sound processing, it immerses you with pristine audio from a system of 17 speakers. This GRAMMY® Award-winning technology delivers sound via high-output speakers and amplifier that are strategically placed to provide the optimum performance, no matter where you're sitting.

And for an even greater level of sound purity, noise reducing glass shuts out the noise of the world outside.

GRAMMY® is a registered trademark of National Academy of Recording Arts and Sciences, Inc. 2014 Technical GRAMMY® Award received by Lexicon.

*Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.

^Available with the Genesis Ultimate Pack only.

INTUITIVE BEYOND BELIEF

Genesis is intelligently equipped with intuitive technologies that add greater comfort and safety.

THE WORLD'S FIRST CO2 SENSOR

A smart air conditioning system* automatically activates the ventilation system when elevated levels of carbon dioxide are detected in the vehicle's cabin. By initiating the addition of fresh air, this CO_2 sensor helps improve driver alertness and reduce the risk of drowsiness and fatigue.

HANDS-FREE SMART BOOT

When standing with the Proximity Smart Key within a metre of the rear of the Genesis for more than three seconds, the Smart Boot senses your presence and with no extra movement, motion or effort on your part, it automatically opens to allow you to store your cargo hands-free.

SOFT CLOSE DOORS

If the doors have been partially closed, sensors embedded in the door latches activate a motor that will close them automatically.*

*Available with Ultimate Pack only.

SAFEST CAR EVER TESTED BY ANCAP*

Genesis includes Sensory Surround Safety,™ a suite of sensor-based technologies including the Lane Departure Warning System, Autonomous Emergency Breaking and Smart High Beam, all of which have been designed to help increase awareness of the situation around you, and help you maintain control in all driving environments.

Given the comprehensive active and passive safety features, it's little surprise that Genesis has been given the highest ANCAP safety rating score ever awarded.*

*Overall score of 36.88 out of 37 points is a record in 21-year ANCAP testing history as at 23 October 2014. This ANCAP safety rating applies to all variants. Tests were conducted under ANCAP's Niche Vehicle Policy.

SENSORY SURROUND SAFETY[™]

AUTONOMOUS EMERGENCY BRAKING (AEB)

Combining radar and camera data, the AEB system autonomously activates the brakes when it detects dangerous and sudden braking by the car ahead.

LANE DEPARTURE WARNING (LDW)

A camera mounted on top of the windshield enables Genesis to recognise the markings on the lane you're driving in and, if it detects an unintended departure, initiates an alert to the driver.

LANE CHANGE ASSIST (LCA)*

The LCA system provides a visual warning when radars detect a vehicle that is approaching rapidly from the rear. When the turn signal is being used, a flashing warning as well as an audible and haptic alert (delivered via the steering wheel), notify the driver of the potential hazard.

BLIND SPOT DETECTION (BSD)*

When driving at a speed of 30km/h or higher, the BSD function will alert the driver to blind spot objects in close proximity, including during lane changes.

REAR CROSS TRAFFIC ALERT (RCTA)*

When reversing Genesis at a low speed, objects approaching on the left and right side of the vehicle are detected and an alert is given to safely navigate a potentially dangerous situation.

(Activated when moving in reverse at 10km/h or slower with the transmission mode in reverse)

PARKING ASSIST SYSTEM (PAS)

When parking, eight surround sensors emit an audible warning sound to alert you to objects that might be outside your field of vision, while the area behind the vehicle is also displayed on the centre console HD touchscreen.

360° VIEW CAMERA SYSTEM*

With the Ultimate Pack, this image is enhanced by the 360° View Camera System, which provides a bird's eye view of the entire area surrounding the vehicle.

*LCA; BSD; RCTA; and 360 View Camera System features available only on Illtimate Pack

DESIGNED TO DELIVER DRIVING CONVENIENCE, COMFORT AND CONFIDENCE

Smart technologies and intelligent ergonomic design ensure that Genesis delivers the utmost in driver comfort and convenience, allowing you to feel confident in every driving situation.

HEAD-UP DISPLAY (HUD)^

The HUD system allows you to stay focussed on the road ahead, while at the same time viewing key driving information that's projected on to the front windscreen, including current speed, radio, BSD, LDW, SCC. This allows you to concentrate on driving while also using the available information to optimise your drive.

HANDS-FREE SMART BOOT

When Genesis detects the Proximity Smart Key close to the boot for more than three seconds, it will automatically open the Smart Boot – making it convenient when you have your hands full.

FULLY ADJUSTABLE LEATHER* SEATS

Experience the ultimate comfort with bespoke power seating that is adjustable up to 16 ways and includes an integrated memory system." Not only can it store your preferred seating configuration, but both driver and passenger seats include three–level cooling and heating options, "to ensure total comfort on every drive.

^{*}Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.

^{*}Seating features detailed included in the Genesis with Ultimate Pack only.

REFLECTING YOUR PERSONAL PREFERENCE

The rich list of features that are standard on Genesis, boldly challenge conventional thinking within the category, however if you wish to take advantage of even more technologies, the Ultimate pack elevates the experience even further.

GENESIS

The following features come as standard with every Genesis:

AUTONOMOUS EMERGENCY BRAKING (AEB)

To protect occupants and minimise damage, the AEB autonomously activates the brakes when it detects dangerous and sudden brake activation by the car ahead.

SMART HIGH BEAM (SHB)

A camera mounted on top of the windscreen adjusts your high beam when it detects the headlights of an oncoming vehicle or the tail light of one in front.

LANE DEPARTURE WARNING (LDW)

The Genesis recognises lane departures that are not accompanied by a turn signal and initiates an alert to the driver.

18" ALLOY WHEELS WITH HANKOOK TYRES

The Genesis' elegant looks are further enhanced by stylish 18-inch alloy wheels.

LEATHER INTERIOR TRIM

The luxurious interior features leather* detailed seats and soft touch surfaces.

12-WAY ADJUSTABLE FRONT SEATS

The electrically powered driver's and front passenger's seats both feature 12 different setting options.

HEATED FRONT SEATS

Heated front seats add a sense of luxury and comfort to journeys on cold days.

9.2" SATELLITE NAVIGATION

The 9.2" touch screen incorporates a driver information and multimedia system with satellite navigation and SUNA™ live traffic updates.

LEXICON® 17-SPEAKER PREMIUM AUDIO SYSTEM

The GRAMMY® Award winning Logic7® audio system, with discrete Lexicon® Surround Sound processing and 17 speakers, produces brilliant sound quality and virtual 3D audio output.

REAR-VIEW CAMERA WITH PARKING GUIDE

When reversing, a rear-view camera provides a colour image on the Genesis' centre console touch screen, showing the area behind the vehicle.

9 AIRBAGS

The Genesis is equipped with a roll–over sensor and a comprehensive system of nine airbags, offering maximum protection in the event of a collision.

SEATBELT REMINDER ALL SEATS

To ensure all occupants are securely wearing their seat belts, a reminder system works across all seats, front and back.

PARKING ASSIST SYSTEM (PAS)

When parking or manoeuvring into tight spaces, four sensors front and rear emit a warning sound to alert you to objects that might be outside your field of vision.

SOLAR GLASS

To increase comfort for all occupants, the Genesis' windows utilise solar glass to reduce heat.

SMART KEY AND PUSH BUTTON START

The Proximity Smart Key allows you to unlock and lock your Genesis without using the key, and turn on the engine with simple Push Button Start.

RAIN SENSING WIPERS

Windscreen sensors automatically turn on the wipers, providing hands-free convenience and safer driving during rainy weather.

ALL AUTO POWER WINDOWS

Power windows feature front and rear auto up/down and incorporate 'pinch protection', which stops the window's movement when an object is in its path.

STATIC BENDING LIGHTS

Night driving visibility and safety are enhanced by cornering headlights that are activated by the steering direction to illuminate blind spots.

SMART CRUISE CONTROL (SCC)

The SCC system is regulated by a radar that monitors the vehicle ahead of you and continually adjusts your pre–set speed to match the traffic conditions.

AUTO HIGH INTENSITY DISCHARGE (HID) HEADLAMPS WITH LED ACCENTS

The HID headlamps with LED accents and washer, cast a brighter and longer beam, while automatic headlight-levelling capability ensures correct beam direction, regardless of load.

ELECTRO-CHROMATIC INTERIOR MIRROR

The electro-chromatic interior mirror automatically dims during night-time driving to reduce rear-view mirror glare.

ELECTRONIC PARK-BRAKE (EPB)

The EPB eliminates the need for a conventional parking brake lever or pedal. Activating the 'Auto Hold' function keeps the vehicle stationary until the acceleration pedal is depressed.

ELECTRIC FOLDING SIDE MIRRORS WITH PLINDLE LAMPS

The aerodynamically designed side mirrors fold at the push of a button, while puddle lamps are automatically activated when the driver approaches the car.

INTERIOR MOOD LAMPS

LED ambient lighting in the Genesis' interior creates a relaxing environment for driving at night.

REAR WINDSHIELD ELECTRIC SUNSHADE

The rear windshield electric sunshade ensures that rear-seat passengers enjoy maximum comfort even on the hottest and brightest day.

TYRE PRESSURE MONITORING SYSTEM (TPMS)

Displayed in the central instrument cluster, the TPMS alerts you when the tyre pressure is low, so you can avoid a potentially dangerous situation arising.

HANDS-FREE SMART BOOT

The Smart Boot release opens the boot automatically whenever the Proximity Smart Key is detected close to the boot for more than three seconds.

^{*}Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.

[^]SUNA™ Traffic channel coverage is available in the following metropolitan areas: Adelaide, Brisbane, Canberra, Gold Coast, Melbourne, Perth and Sydney and the following regional areas: Geelong, Bendigo, Ballarat, Hobart, Darwin, Newcastle, Central Coast, Wollongong, Sunshine Coast and Ipswich.

GENESIS WITH ULTIMATE PACK

The Ultimate Pack upgrades the standard Genesis with the following features:

BLIND SPOT DETECTION (BSD)

When the BSD system detects traffic in blind spots, it provides illuminated warnings on the side mirrors. If the turn signal is activated, it also issues an audible alert.

LANE CHANGE ASSIST (LCA)

The LCA system provides a visual warning when radars detect a vehicle that is approaching rapidly from the rear. When the turn signal is being used, a flashing warning as well as an audible and haptic alert (delivered via the steering wheel), notify the driver of the potential hazard.

REAR CROSS TRAFFIC ALERT (RCTA)

When reversing, Genesis alerts you to objects detected that are approaching on the left and right sides of the vehicle.

360° VIEW CAMERA SYSTEM

The 360° View Camera System uses pantoscopic cameras intalled on front, sides and rear of the vehicle to display a bird's eye 360 degree view of the vehicle, showing the obstacles around it.

PREMIUM LEATHER PACKAGE

Premium leather appointed interior surfaces including leather appointed* front centre console, contrasting colour piping on seats and leather appointed* armrest just to name a few.

POWER BOLSTER AND EXTENDABLE BASE (DRIVER'S SEAT)

Genesis allows each driver to find the ideal and most comfortable position by injecting air to bolster the seat and extending it for further leg support.

DRIVER'S SEAT MEMORY SYSTEM

The electric 16-way adjustable power seat features a two-setting integrated memory system to store your preferred setting.

POWER TILT AND TELESCOPIC STEERING

With power tilt and telescopic steering it's easy to adjust the Genesis steering wheel for optimum driving comfort.

LED FRONT FOG LAMPS

In adverse driving conditions, the Genesis' LED front fog lamps improve visibility in conditions with dense fog.

ELECTRO-CHROMATIC EXTERIOR MIRRORS

The electro-chromatic outside mirrors automatically dim when they detect the lights of vehicles following, to reduce glare and ease driving strain at night.

CO₂ SENSOR

When the sensor detects elevated levels of CO_2 in the cabin, it automatically activates the ventilation system to add fresh air.

HEAD-UP DISPLAY (HUD)

The HUD system projects a wealth of key information on to the front windscreen, including speed and safety alerts, to ensure you always have your eyes on the road.

19" ALLOY WHEELS WITH DUNLOP TYRES

For a totally premium sports presence on the road, the Ultimate Pack includes 19" alloy wheels.

PANORAMA GLASS ROOF

Adding an extra accent to the exterior design lines, the wide panorama glass roof floods the cabin with light and offers the thrill of driving with the roof open

SOUNDPROOF ACOUSTIC LAMINATED GLASS

To create a sense of real privacy and shut out the noise of city traffic, soundproof acoustic laminated glass also lets you enjoy your music without distractions.

AIR VENTILATED FRONT SEATS

The driver and front passenger seats offer a three-level cooling option, enabling you to adjust the level of ventilation of seat backs and cushions.

7" LCD CENTRE CLUSTER

The driver's instrument cluster incorporates a 7" TFT-LCD monitor that delivers key driving information via colour images and sounds.

POWER BOOT LID

This enables the driver to stay in the vehicle and open and close the boot for passengers approaching with cargo.

ILLUMINATED SCUFF PLATES (FRONT DOORS ONLY)

The Genesis logoed door–entry scuff plates are illuminated at night, adding a touch of style and allowing for safer entry to the vehicle.

REAR DOOR SIDE CURTAINS

For extra privacy and shade for rear seat passengers, discreet rear door side curtains are included.

HEATED REAR SEATS

Rear seat passengers also enjoy the comfort of heated seats when travelling during cold days or at night.

SOFT CLOSE DOORS

When the doors are only partially closed, sensors embedded in the door latches activate a motor that automatically closes them completely.

^{*}Finishes specified as leather may contain elements of genuine leather, polyurethane leather (leather substitute) or man-made materials, or a combination thereof.

EXTRAORDINARY DESIGN, INSIDE & OUT

The Genesis' colour palette and choice of trim have been carefully selected and coordinated to create a harmonious interior design.

A NEW STANDARD IN CUSTOMER SERVICE AND SUPPORT

GENESIS 5 YEAR / 75,000KM INCLUSIVE SERVICE PLAN[^]

At Hyundai, we believe that designing and building vehicles with an uncompromising approach to quality is just the first step to ensuring many years of enjoyable motoring. The next step is to provide you and your new Genesis with the highest levels of ongoing service and support.

Our commitment to this promise is delivered through the inclusive service plan, which incorporates free scheduled services for the first 5 years or 75,000km of ownership (whichever occurs first), so you can rest assured your Genesis is getting the best possible care. This includes all 'Scheduled Maintenance' items for the first 5 years or 75,000km (whichever occurs first) and includes standard items such as labour, parts, lubricants and sundries such as oil and workshop supplies. The program also offers the following benefits:

LIFETIME SERVICE PLAN#

Once your vehicle has received all of the free scheduled services to which it is entitled (under the 5 year/75,000km Inclusive Service Plan), it will then be covered by our Lifetime Service Plan, so you'll always know the maximum cost of your next scheduled service, for the lifetime of your car.* No hidden fees, no surprises and complete peace of mind.

5 YEAR UNLIMITED KILOMETRE WARRANTY*

Your new Genesis comes with the peace-of-mind of Australia's first 5 year unlimited kilometre warranty.

SATNAV UPDATE PLAN†

Each Genesis is equipped with factory–fitted satellite navigation. Through the Hyundai iCare SatNav Update Plan, you can receive up to 3 years of complimentary map updates.

ROADSIDE SUPPORT PLAN™

Your new Genesis is supported by 5 years of complimentary Roadside Support. Then, when maintained through servicing at a Hyundai iCare Service Centre, your cover can extend up to 10 years.*

GENUINE SERVICING; GENUINE PARTS

Your Hyundai iCare Service Centre offers the assurance of factory–trained technicians, using Genuine Hyundai Parts.

GENESIS CUSTOMER CARE CENTRE

Our Australia-based Genesis Customer Care Centre is available Monday to Friday between 8:30am and 7pm (AEST). Feel free to call our Genesis Customer Care Centre on 1800 121 600 if you have any questions.

www.myhyundai.com.au

*For more details about the full iCare service offering, as well as full terms and conditions, exclusions and eligibility details visit www.hyundai.com.au/icareterms

Hyundai Genesis 5 Year / 75,000km Inclusive Service Plan: Applies to new Genesis models, private and nominated small business customers only, for the first 5 years / 75,000km, whichever comes first. Vehicles sold to rental, government, not-for-profit and fleet customers are not eligible. Eligible vehicles are entitled to free standard scheduled maintenance (i.e. logbook) services at participating authorised Hyundai dealers. Free scheduled maintenance services must be redeemed within specified service windows and are of limited scope. *Lifetime Service Plan: For the benefit of Hyundai oners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at www.hyundai.com.au, apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles for their lifetime. "5 year/unlimited km warranty: 5 year unlimited km warranty only applies to new passenger vehicles used for private/domestic purposes. Vehicles used at any time for 'commercial application', as defined in the vehicle warranty policy are excluded. Refer to full warranty terms & conditions for details and exclusions. 'Satlav Update Plan: Only applies to new vehicles with factory-fitted satellite navigation. Maximum number of 2 updates, delivered on an annual cycle and must be undertaken within 3 years of the vehicle's initial purchase. Complimentary map updates only apply if the vehicle completes a scheduled service at a participating Hyundai dealer. *Ohyundai Genesis Roadside Support Plan offer applies to all new Hyundai Genesis vehicles sold from 1 November 2014. Complimentary 60 months (5 years) Roadside Support Plan when you purchase a new Hyundai Genesis vehicle. A further maximum 60 months (5 x 12 months) exte

† All Hyundai Genuine Accessories are subject to warranty conditions. See your nearest Hyundai dealer or visit our website at www.hyundai.com.au for full warranty terms and usage recommendations. Accessories pictured are all sold separatelu at an additional cost.

	Steering	,

Electrically adjusted driver's seat (12 way) including 4 way lumbar support

Heated front seats

Smart Boot (hands-free opening)

Electrically adjusted front passenger seat (12 way) including 4 way lumbar support

Rear armrest console controls for audio, front passenger seat position and rear electric sunshade (including heated outboard rear seat controls for Ultimate Pack)

Occupant Comfort & Convenience
Rain sensing wipers
Electric folding side mirrors with Auto function
Steering wheel mounted paddle shifters
One touch turn signal (3, 5 & 7 flashes)
Front and rear power windows with one touch window up and down function on all
windows incorporating anti-pinching safety feature
Cruise control with steering wheel mounted controls
Rear seat centre fold-down armrest
Heated external mirrors
Rear Windshield Electric Sunshade
Solar glass
Trip computer with digital speedometer, instant and average fuel consumption, distance to empty, trip distance, average speed, elapsed time readout & service interval reminder
Drive Mode with four stage adjustable setting (Normal, Eco, Sport & Snow)
Ambient temperature and digital clock display
Front sunvisors with vanity mirrors
Portable ash tray
2 x 12V Max. 180W power outlets in front centre console storage unit
1 x 12V Max. 180W power outlet in rear centre armrest
4 roof grip handles
4 coat hooks in rear
Exterior Styling
Satin Chrome effect front radiator grille surround and inserts
Satin Chrome effect insert in front lower bumper
Satin Chrome effect insert in exterior door handles and lower waistline
Satin Chrome effect door frame and belt line molding
Dual exhaust tips with chrome coating
Interior Styling Leather appointed† interior
Premium steering wheel, gear knob & dash cluster hood
Patterned Aluminium front and rear console and centre fascia panels
Alloy look inserts in: air vents levers & centre vent surrounds, audio unit & dials, climate
control unit & dials, steering wheel insert & logo, gear lever knob & surround, wiper & light
stalks, seat switches, window switch panels, glovebox release handle, roof grab handles,
overhead consoles & lights, vanity mirror lights, front storage compartment & cupholder covers, rear cupholder cover and speaker grilles
Alloy look interior door handles
Alloy look steering wheel paddle shifters
Alloy look Start/Stop button and surround
Dashboard / door inserts in matte aluminium effect
Dashboard / door inserts in Ebony Stripe wood effect (Black Interior)
Cloth headlining, pillar trims, sunvisors and rear parcel shelf
Stainless steel door scuff plates with "Genesis" Etching
(Illuminated front scuff plates on Ultimate Pack)
Lighting
Exterior Lighting High Intensity Discharge (HID) Bi–Xenon headlamps with washer system and auto–levelling
Smart High Beam (SHB)
Static Bending Lights
LED Daytime Running Lamps (DRL)
LED positioning lamps
LED type rear combination lamps with bulb turn signal and reverse light
LED high mount stop lamp (HMSL)
LED number plate lamps
LED side repeater lamps integrated into side mirrors
LED puddle lamps (Genesis logo illumination) in side mirrors with LED courtesy lamps in
door handles
Safety reflectors in rear bumper
Interior Lighting
4.2" Colour TFT-LCD display in Supervision instrument cluster
LED front room lamp with integrated LED map lamps for front passengers
LED rear centre room lamp with integrated LED map lamps for rear passengers
LED ambient lighting for front overhead console (including rear overhead console on "Genesis")
LED illuminated vanity mirrors
LED mood lamp for front centre console
LED illuminated centre console storage compartments
LED Illuminated glove box compartment
LED illuminated rear centre armrest storage compartment
LED front footwell lighting
LED cargo area lamps

Door courtesy lamps – front & rear (red) Illuminated ignition Start/Stop button, USB/AUX ports & all interior switches Interior light fade-out delay Dual zone climate control with auto defog function Rear centre console cooling / heating vents with independent rear temperature control Rear floor heating ducts Cabin air filter Rear heated glass Storage Solutions Ski-port in centre rear seat Front seat back pockets Front and rear door map pockets Dual cup holders in centre console with retractable cover Dual cup holders in rear centre arm rest (retractable) Deluxe centre console with removable storage tray and two storage compartments Lockable felt lined glove box compartment with pen holder and opening damper Rear centre armrest storage compartment Retractable sunglasses compartment with lining Ticket holders on front sunvisors (2 on driver's side) Under floor storage recess in cargo area Cargo net with 4 flat mounting points in cargo area Retractable bag hook in cargo area

GENESIS WITH ULTIMATE PACK

Includes all standard features plus below.

Interior Lighting

 $19 \times 8.5 \text{J}$ (front) & $19 \times 9.0 \text{J}$ (rear) alloy wheels in dark grey multi spoke design

245/40 R19 (front) & 275/35 R19 (rear) Dunlop tyres

Temporary Space Saver alloy spare wheel with T135/70 R19 tyre

Active Safety

Sensory Surround Safety™ including;

Blind Spot Detection (BSD)

Lane Change Assist (LCA)

Rear Cross Traffic Alert (RCTA)

Head-Up Display (HUD)

360° View Camera System – 4 cameras (front, sides & rear) integrated into 9.2" monitor with dynamic guide lines

CO₂ Sensor – in cabin

Features

Electro-chromatic Mirrors (ECM) – auto-dimming side mirrors

Occupant Comfort & Convenience

Electrically adjusted driver's seat (16 way) including 4 way lumbar support,

Integrated Memory System (IMS) – 2 position: including driver's seat, steering wheel and outside mirror position, cluster brightness & HUD brightness and position

seat base extension and side bolster adjustment

Driver controls for front passenger seat (slide & recline)

Air ventilated front seats

Heated rear seats (outboard seats)

Panorama glass roof with electric sunshade

Sound Proof Acoustic Laminated Glass

Power Tilt & Telescopic Steering wheel adjustment with Integrated Memory System (IMS)

Power Door Latch (soft close)

Power Boot (open and close)

Auto dipping side mirrors (with reverse gear selection)

Rear Door Curtains (Manual Type)

Interior Styling

Premium Leather appointed † interior (including leather appointed † front centre console and contrasting colour piping on seats)

Dashboard / door inserts in Oak Stripe wood effect (Beige Interior)

Lighting

Exterior Lighting

LED front fog lamps

Interior Lighting

7" Colour TFT-LCD display in Supervision instrument cluster

LED rear outboard map lamps

Interior Ventilation

Dual zone climate control with auto defog function and separate mode control

Cluster ionizer (CleanAir function)
