

HYUNDAI | NEW THINKING.
NEW POSSIBILITIES.

iMax Series II

Hello.

Welcome to Hyundai.

If you're new to us, we'd like to introduce you to a company which has become the world's fastest growing automotive brand.

We are obsessed with making visionary cars that are great to own and fun to drive. Our focus on the latest technology, the best safety features, and the highest quality engineering is the reason why so many people now choose Hyundai.

Each new Hyundai vehicle is the product of new thinking – of looking afresh and questioning the way things have been done in the past. And from new thinking comes new possibilities.

Enjoy the drive.

A lasting relationship with Hyundai iCare.

Owning a car should be an enjoyable, stress-free experience with service that doesn't end in the showroom. That's why every new Hyundai comes with iCare. For years now, Hyundai has been the market leader in customer care and after sales support. To put it simply, we're with you for the road ahead.

A warranty that goes the distance

Five years. Unlimited kilometres.¹ It's a warranty idea we pioneered, and shows the belief we have in the manufacturing, quality, control, and design that's gone into your vehicle.

No unpleasant service cost surprises

With our Lifetime Service Plan², you'll always know the price of your next service before you pull into the service centre.

Should the unexpected happen, we'll be there

It's unlikely you'll run into problems while on the road. But if you do, it's nice to know that with our 24/7 Roadside Support Plan³ there's always someone on standby to get you up and running again.

iMax Series II people mover shown in Timeless Black

1. **5 year/unlimited km warranty:** Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for "commercial application" as defined in the vehicle warranty policy, for which a 5 year/160,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions.

2. **Lifetime Service Plan:** For the benefit of Hyundai owners, Hyundai provides online quotes, which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai Dealer and using genuine Hyundai parts (where required). Online quotes are available at www.hyundai.com.au and apply for a stated effective period only and may change without notice after that effective period. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai vehicles for their lifetime.

3. **Roadside Support Plan:** Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai Dealer (unless vehicle is more than 108 months [9 years] from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months [10 years] from original new car sale date).

iMax Series II

Live large

Combining business efficiency with lifestyle practicality, the stylish iMax Series II offers exceptional seating flexibility for 8 people plus cargo, in a prestigious designed people mover.

A dynamic two tone exterior with 16" alloy wheels and a fully-equipped elegant cabin are complemented by world-class safety features and performance, making iMax Series II the optimal choice for business or family leisure mobility. You can also select from a range of Hyundai Genuine Accessories to customise your iMax Series II.

Space to the max...The iMax Series II.

The iMax Series II boasts inspired styling and dynamic refinement in a feature-packed people mover.

Space

Live
Large

The iMax Series II features a roomy interior that readily adapts to suit a variety of business and recreational purposes. The versatile seating configuration features a sliding centre row and accommodates the driver and up to 7 passengers in spacious comfort, whilst retaining a generous rear cargo area or luggage space.

Comfort & Convenience

The sleek appearance of the iMax Series II is matched by its sheer spaciousness, quality finishes and thoughtful inclusions. Two sliding side doors for passenger entry and exit plus a rear lift gate to the cargo/luggage area means the vehicle is easily accessible from all angles.

Drivers will appreciate the ergonomic design of the cabin, including thoughtful touches like an overhead console, tilt steering column, and front power mirrors and windows – with a one-touch auto function on the driver's side. Front fog lamps and keyless entry, with separate lock and unlock buttons on the folding key, also offer convenience and peace-of-mind.

Drivers will appreciate the ergonomic design and thoughtful touches

The iMax Series II now offers you the latest in automotive technology – including a 7" touchscreen audio system with iPod® compatibility,^ reverse camera and Siri® Eyes Free (iOS) & Google Now (Android) voice activation. Front passengers will enjoy climate-controlled air conditioning, along with a handy glovebox cooler. While second and third-row passengers can make use of dedicated A/C controls, with roof-mounted rear ventilation.

iPod® and Siri® are registered trademarks of Apple Inc., registered in the US and other countries. ^iPod® and connection lead not included.

From the rigid chassis and Electronic Stability Control (ESC) to the airbag system and child seat anchor points (second row seats), the array of active and passive safety features in the iMax Series II further demonstrate Hyundai's commitment to the protection of every vehicle occupant and their cargo at all times.

Performance & Economy

Whether you choose the petrol or high-output turbo Diesel engine, the iMax Series II delivers outstanding rear wheel drive performance with excellent fuel economy.

Macpherson Strut front suspension provides superb handling, while the space-saving multi-link rear coil spring suspension improves both ride and rigidity, and creates additional luggage space.

The 4 channel Anti-skid Braking System (ABS) acts on front and rear discs with a 10" booster for exceptional stopping power; and the Electronic Stability Control (ESC) with Traction Control System (TCS) monitors engine response and helps control wheel slippage in hazardous braking situations.

The 2.4 petrol engine with 4-speed automatic transmission and the choice between 6-speed manual or the gutsy 5-speed automatic 2.5 Diesel engine deliver outstanding power and torque, while advanced technology ensures thrifty fuel consumption and long-haul reliability.

2.4 MPi petrol

- Power = 127kW
- Torque = 224Nm
- Fuel Economy = 10.6 litres* per 100kms
- Sequential multi-point fuel injection (MPi) with a tuned intake system

2.5 CRDi turbo Diesel

- Power = 100kW (manual), 125kW (auto)
- Torque = 343Nm (manual), 441Nm (auto)
- Fuel Economy = 8.1 litres* per 100kms (manual), 9 litres* per 100kms (auto)
- Common Rail Direct injection (CRDi) Diesel fuel delivery system with Variable Geometry Turbocharger (VGT) on automatic transmission or Wastegate Turbocharger (WGT) on manual

2.4 MPi petrol

2.5 CRDi turbo Diesel

*Australian Design Rule 81/02 static laboratory combined average city & highway cycle test. Fuel consumption will vary depending on a combination of driving habits and the condition of the vehicle.
