ALL-NEW  
**SPORTAGE**

The Power to Surprise

Platinum model shown

## Say hello to all-new design

The All-New Sportage brings a modern, progressive design approach to the medium SUV segment. Underneath the stunning styling, you'll discover an all-new platform and handling package that's tuned in Australia, by Australian engineers. Inside, a completely redesigned cabin, choice of petrol or diesel engines across the range and Kia's latest technologies can be found.

Platinum model shown

## Say hello to all-new style

Style has always been second nature to the Sportage. Taut, strong body creases define the front and sides surfaces of the vehicle. Its heightened belt-line lends to a dynamic, always on-the-go stance, even when sitting still. This added sense of sophistication is sure to leave an impression on admirers and passers-by.

The All-New Sportage's headlights are now separated from its grille, resulting in a more modern, premium look.

Platinum model shown

## Say hello to GT-line

The All-New Sportage Platinum introduces Kia's sporty GT-line treatment. Striking ice-cube LED fog lights adorn its front, ensuring all drivers are aware of your position in adverse conditions. The front and rear bumpers feature satin silver scuff plates, adding a touch of sportiness to its sleek design. You'll find GT-line badging on the flat-bottomed steering wheel and on the rear tailgate.

Twin rear exhaust tips, satin silver exterior highlights and quad-LED fog lights add to the sportiness of the All-New Sportage platinum.

Platinum model shown

# Say hello to premium finishes

Once inside the cabin of the All-New Sportage, you'll be greeted with the design, quality and style you've come to expect from Kia. A soft touch dashboard trim, large 7.0" LCD screen and purposeful storage spaces feature on all models. There's even an option for grey two-tone leather trim\* on Platinum models, which further adds to the aura of sophistication.

Diamond-shaped perforations feature on the two-tone interior option<sup>^</sup> for the All-New Sportage Platinum.  
<sup>^</sup> Grey two-tone leather is exclusively available as a no cost option on platinum models with selected exterior colours: Snow White Pearl, Sparkling Silver Mercury Blue, Cherry Black.  
\* Leather trim may include some leather like materials on selected high impact surfaces.

Platinum model shown

# Say hello to technology

The All-New Sportage features plenty of advanced safety and technology features. It'll park itself in both reverse and parallel parking situations thanks to Smart Park Assist<sup>^</sup>. It's hands-free smart power tailgate will automatically open after standing in front of it for three seconds<sup>#</sup>. It can also charge a compatible mobile phone wirelessly\* via the charging pad in the centre console. But that's not all. You'll find a reverse camera and rear parking sensors across the range

<sup>^</sup> Smart Park Assist System available only on platinum model.  
\* Phone device must be wireless charging compatible to work with on board wireless charging. Platinum model only.  
<sup>#</sup> Hands-free smart power tailgate available only on platinum model.

Let natural light flow through the cabin with a Panoramic sunroof. (Platinum model only)

# Intuitive Features

## Hands-free Smart Power Tailgate

Simply stand behind of the rear tailgate for three seconds with the vehicle's smart key for the powered Smart Tailgate to automatically open - perfect for when your hands are full (Platinum models only)

## Smart Park Assist System (SPAS)

When Smart Park Assist is active, the system will monitor and scan both reverse and parallel parking spaces. Once the space is confirmed as the correct size via the vehicles on board radar systems, the vehicle will park itself by applying steering inputs whilst the driver monitors the brakes and accelerator. (Platinum models only)

## Heated and Ventilated Front Seats

Both heated and ventilated seats with three stages of operation provide the driver and passenger with extra comfort in all seasons. (Platinum model only)

## Panoramic Sunroof

A full glass panoramic sunroof with tilt + slide and electric blind adds an airy, light-filled feel to the cabin. (Platinum model only)

## Wireless Phone Charging (Qi)

Simply place your phone with wireless charging compatible phone in the centre console storage tray for it to charge wirelessly (Platinum model only)

Wireless charging compatible with phones featuring Qi technology or adapter.

## 7" Touch Screen Infotainment with Navigation

The All-New Sportage features a 7-inch touch screen infotainment system with Bluetooth connectivity\* across the range. SLi and Platinum models also feature satellite navigation as standard.

\* Not all devices will be compatible with the vehicle's Bluetooth system.

## Efficient Engines

### 2.0 Litre Petrol MPI engine

A frugal yet powerful 114kW 2.0 Litre petrol engine is featured on petrol Si and SLi models.

Two Wheel Drive Si and SLi only

### 2.4 Litre Petrol GDI engine

Our latest 135kW 2.4 Litre direct-injection (GDI) engine is featured on petrol Platinum all-wheel drive models.

All Wheel Drive Platinum only

### 2.0 Litre Diesel CRDI engine

Available across the range is a 2.0 Litre diesel CRDI engine coupled to an all-wheel drive system.

Available across the range with All Wheel Drive

# Advanced Safety

## Lane Departure Warning System (LDWS)

A camera mounted on top of the windshield recognises the lane in which the vehicle is currently travelling in, and alerts the driver if the vehicle exits without the use of a turn signal. (Platinum model only)

## Blind Spot Detection with Lane Change Assist. (BSD with LCA)

This system uses sensors to identify vehicles approaching from behind, and then alerts the driver through visual alerts on the side mirror. (Platinum model only)

## Autonomous Emergency Braking\* (AEB)

Autonomous Emergency Braking (AEB) continuously scans the road ahead, and will apply the brakes if it detects a vehicle approaching the front of the vehicle. (Platinum model only)

## Rear Cross Traffic Alert (RCTA)

The Rear Cross Traffic Alert System alerts the driver of any cars crossing the path behind the vehicle during reversing situations. (Platinum only)

\* Autonomous Emergency Braking (AEB) is only a supplemental system and it does not replace the need for the driver to apply the vehicle's brakes and exercise care and attention. For more information about Kia's AEB system, please see your local Kia dealer or refer to your Kia vehicle's owner's manual.
