IMAGINATION DRIVES US

Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

Akera in Soul Red Metallic.

MAZDA CX-5
AN SUV, BUT NOT AS YOU KNOW IT

It's a level of performance you just don't expect from an SUV. Mazda CX-5 gives you sporty responses and nimble handling, yet breakthrough SKYACTIV TECHNOLOGY also achieves amazing fuel economy. It adds to driving enjoyment with cleverly integrated online connectivity, and heightens confidence with the advanced safety of i-ACTIVSENSE. All of this and you also have stylish and dynamic design, resulting in a uniquely athletic SUV.

Akera in Soul Red Metallic.

GET READY TO SEE THE SUV DIFFERENTLY

Mazda CX-5 is an SUV created from a different perspective. Sculpted, commanding and dynamic, it's been shaped without compromise. It's the result of our design direction, 'KODO – Soul of Motion'. The powerful, athletic cues of KODO capture the muscular beauty of an animal springing into motion. The energetic leap of a cheetah is reflected in Mazda CX-5. With elegant lines, graceful details and a well-planted footprint, it stands proudly apart from other SUVs.

魂動

KODO : SOUL of MOTION

Akera in pure white leather trim!

YOU'RE IN A GREAT SPACE

Carefully considered design orientates everything around you. Impressive attention to detail means it always feels special. Mazda CX-5 positions controls and information to help you stay focused on the road ahead. The elegant, uncluttered atmosphere makes the sense of space and comfort even stronger. Distinct trim colours and textures feature in each model and are complemented by metallic highlights. GT and Akera add further stylish accents and superb premium leather!

Want to stay linked to your world while you're on the road? MZD Connect gives you social media feeds and a range of other online content on a central screen. It also covers satellite navigation, reversing camera and system settings.

SINCE WHEN DID AN SUV DRIVE LIKE THIS?

Drive Mazda CX-5 and you'll never go back to an ordinary SUV. SKYACTIV TECHNOLOGY results in reduced weight, which helps to unleash agility more in keeping with a sports car. Enjoy it in front-wheel drive, or gripping all-wheel drive. SKYACTIV-G petrol engines give you responsive, smooth power from 2.0 or 2.5 litres. With SKYACTIV-D you've got punchy turbo diesel thrust from 2.2 litres. For the complete SUV experience, i-ACTIV AWD cleverly monitors road surfaces and driver intentions to deliver maximum torque, grip and economy. Whichever you choose, fuel economy is exceptional. In both automatic and manual transmissions gear shifts are seamless and swift. It all comes together with remarkable refinement, thanks to a luxurious ride and a body that moves efficiently through the air.

SKYACTIV TECHNOLOGY PERFORMANCE LIKE YOU'VE NEVER KNOWN

At Mazda, we're passionate about driving enjoyment, but we're also committed to reducing the environmental impact of our cars. We're meeting this challenge with a groundbreaking approach – that we call SKYACTIV TECHNOLOGY. Put simply, we've re-engineered every aspect of Mazda CX-5 to unleash greater efficiency and more driving enjoyment than any SUV has ever offered. Fuel economy is enhanced by our clever i-stop system. It turns off the engine when you come to a stop, keeping it positioned for virtually instant restart when you are ready to move away.

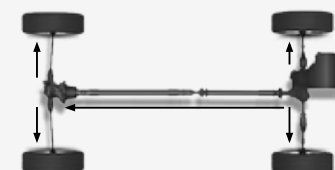

SKYACTIV-G 2.0 & 2.5L PETROL ENGINE

A fundamental rethink of the internal combustion engine releases more performance from less fuel. Precise multi-hole direct injection minimises fuel use. A unique piston design achieves more efficient combustion to boost power and lower emissions. A major reduction of internal friction liberates extra power, while a free-breathing 4-2-1 exhaust layout enhances efficiency. The 2.0 litre 4-cylinder engine delivers a sporty 114kW of power and 200Nm of torque, using only 6.4 litres of fuel every 100km². The muscular 2.5 litre engine punches out 138kW and 250Nm, yet uses just 7.4 litres of fuel per 100km².

SKYACTIV-D 2.2L DIESEL ENGINE

A far lower compression ratio than conventional diesels allows for lighter internal components. This reduces friction and inertia for higher-revving, more exciting power – right up to 5,500rpm. Multi-hole piezo injectors and variable valve lift optimise engine breathing and economy. The 2.2 litre 4-cylinder engine produces 129kW and a muscular 420Nm of torque, using just 5.7 litres of fuel per 100km². With a two-stage turbocharger maximising efficiency, the SKYACTIV-D engine meets strict Euro stage IV emissions standards without requiring expensive after treatment of exhaust gases.

i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM

We've introduced an intelligent on-demand system that actively distributes torque under electronic control. i-ACTIV AWD uses information from 27 different sensors to predict changes in driving conditions. This includes road surface, weather, driver intentions and more, to deliver optimum torque and vehicle control at the required time. All of this while realising excellent fuel economy. Standard on all models with the 2.5L petrol or 2.2L diesel engine.

SKYACTIV-MT MANUAL TRANSMISSION & SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

The 6-speed manual transmission delivers precise, sports-car style shifting through simplified design and a finely-honed mechanism. The 6-speed automatic transmission combines the best attributes of conventional automatic, continuously variable and dual clutch transmissions. The transmission couples directly with the engine over a far wider range than other automatics for increased fuel economy and more direct power delivery. Shifts are quick, accurate and smooth.

SKYACTIV-BODY

The application of high and ultra-high tensile steel cuts weight, yet bolsters rigidity. Front and rear suspension mounting points bond directly to the underbody to further add strength. Even the doors use special pressing methods to reduce weight without compromising strength. Despite being light, Mazda CX-5 disperses crash energy in multiple directions to achieve world-class collision performance.

SKYACTIV-CHASSIS

Every component has been re-designed to create an unrivalled sense of 'oneness' between car and driver. For nimble handling with great ride comfort, the chassis uses firmer bushings and completely revised geometry. A highly rigid front suspension cross member combines with higher-ratio electric power assist steering to quicken handling. Both front and rear cross members improve stiffness and lower weight, thanks to an innovative welding method. It all gives Mazda CX-5 agility you'd never expect in an SUV.

WHEREVER YOU GO, YOU'RE CONNECTED

When you're on the move in Mazda CX-5, your online world can move right with you. Simply link up your compatible³ smartphone and MZD Connect links you to a load of content including Facebook and Twitter feeds, radio, podcasts and more. It will even read texts and emails for you. It's all brought together on a central touch screen placed to help your eyes stay on the road. Further reducing distraction is the rotary commander, naturally falling to hand to give you control over functions. Not only that but menu choice, audio and navigation respond to voice command.

THE WAY IS CLEAR

Satellite navigation easily read on a 7-inch colour touch-screen. Features spoken street names and advanced lane guidance. Standard from Maxx Sport up.

FINGERTIP CONTROL

Multi-function commander allows effortless selection of menus and functions with minimum distraction.

BRING YOUR ONLINE WORLD

You can access a huge range of online content by linking your smartphone³ seamlessly through MZD Connect.

IT'S AN ADVANCED WAY TO GO

The latest in clever tech lets you make more enjoyable, safer progress. GT and Akera models increase your visibility to other drivers with daytime running lamps. At night they give you the superb illumination of LED headlamps. GT adds an Adaptive Front-lighting System (AFS), which angles the headlamps up to 15 degrees in the direction you're steering so more of the corner is seen. Akera models switch on Adaptive LED Headlamps (ALH) technology. Through precision control of LEDs this adapts the lighting pattern for broader low speed visibility, a high beam that limits glare for other drivers, and a raised beam height at highway speeds for extended vision. In every model you've got hands-free phone hook up and music streaming via Bluetooth®, not to mention integrated USB ports.

FORWARD LOOKING
ALH automatically adjusts individual LEDs, allowing the lighting pattern to be shaped according to the situation.
LED fog-lamps boost visibility in foggy or inclement weather conditions. Akera only.

EXTRA EYES
Side view monitor helps you avoid kerbs or obstacles while parking, showing side mirror camera image on central screen. Guide lines indicate vehicle extremities in relation to potential obstacles.
Akera only.

PERFORMANCE SPACE
Music reaches another level with premium Bose® digital audio delivering 231 watts of power through 9 speakers.
GT and Akera.

Akera in pure white leather trim.

LET'S GET COMFORTABLE

Mazda CX-5's cabin accommodates five people and their gear in roomy comfort. With the rear seats raised, the cargo area can swallow four big golf bags. Access is via an easy-opening tailgate integrating a 'Karakuri' tonneau cover. It moves in unison with the tailgate to shield against sunlight and prying eyes.

By splitting 60/40 the rear seats help accommodate large or unusually shaped cargo. Maxx Sport and up feature a highly flexible 40/20/40 arrangement. The middle seat opens up a central tunnel, enabling long items to be carried along with rear passengers. These seats create a virtually flat floor when folded and can be remotely controlled by a luggage bay lever. Naturally, Mazda CX-5's supportive seating is complemented by thoughtfully integrated storage.

THERE'S EVERY REASON TO FEEL SAFE

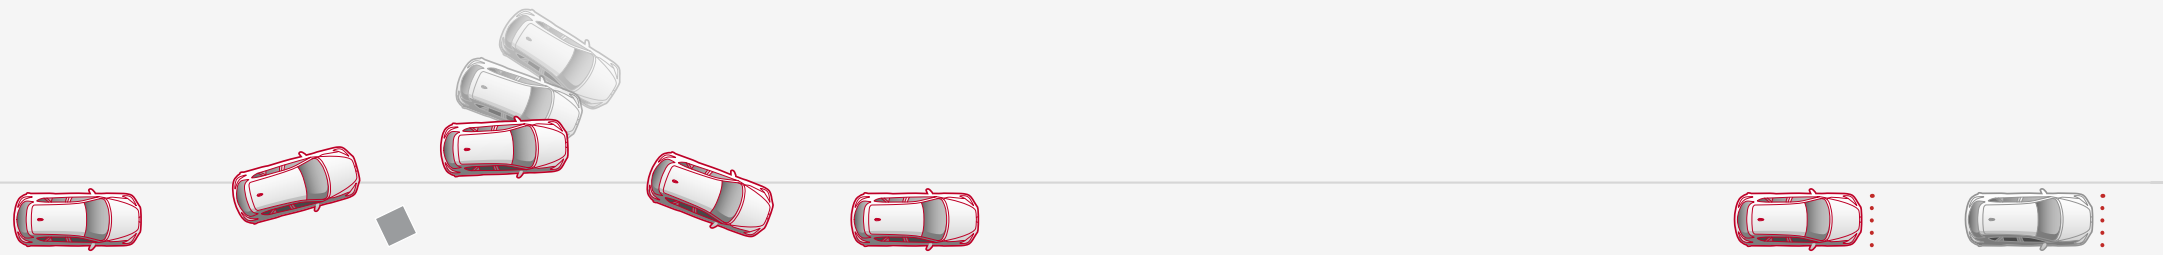

Agile handling and interior design that enhances concentration on the road mean you're well placed to respond to trouble. You've also got the best in safety to reassure you.

Mazda CX-5 features an extremely rigid body giving you world-class collision protection. Dynamic Stability Control (DSC) and SRS airbags are standard. The powerful disc brakes are equipped with ABS and Electronic Brake-force Distribution (EBD), which manages braking force according to vehicle load. Emergency Brake Assist (EBA) boosts stopping power the instant it recognises emergency braking. Screen integrated parking sensors (front and rear) feature on GT and Akera. Audible alerts are supported by on-screen graphics showing the detected object and its proximity when sensors are active.

The responsive drive of CX-5 goes hand in hand with great confidence.

Akera in Soul Red Metallic.

PREPARED FOR THE UNEXPECTED

What if an unexpected hazard suddenly arises? DSC acts instantly, braking the inner rear wheel to offset understeer (or outer front wheel to combat oversteer). The Traction Control System (TCS) also reduces torque to the driven wheels to minimise skidding. The hazard can be steered around, as control is maintained.

SUPERIOR STOPPING

Stopping distance with EBA, ABS and EBD.

Stopping distance with no assistance.

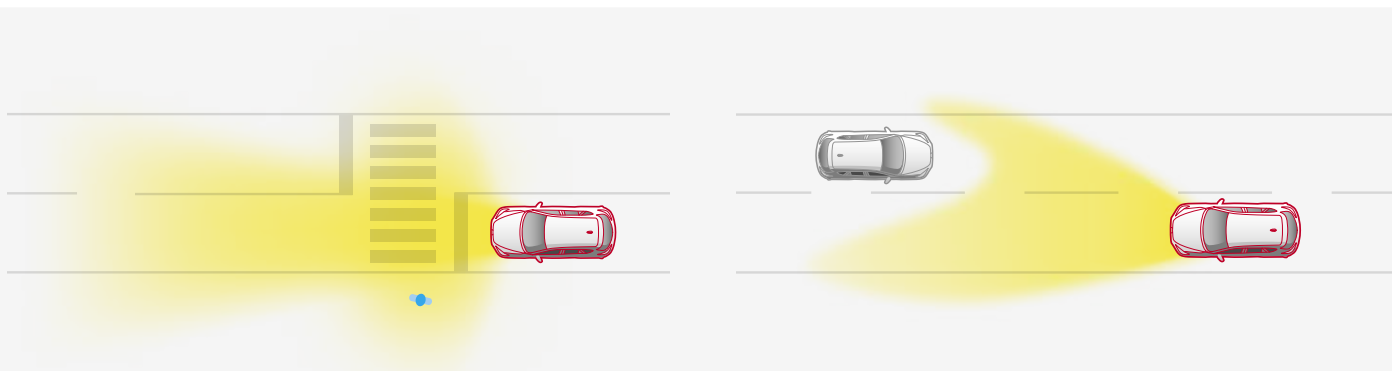

HILL LAUNCH ASSIST (HLA)

Take your foot from the brake on an incline and the brakes stay applied for about two seconds. So there's time to apply the accelerator and take-off smoothly.

i-ACTIVSENSE. SAFETY SO ADVANCED IT CAN SENSE POTENTIAL TROUBLE

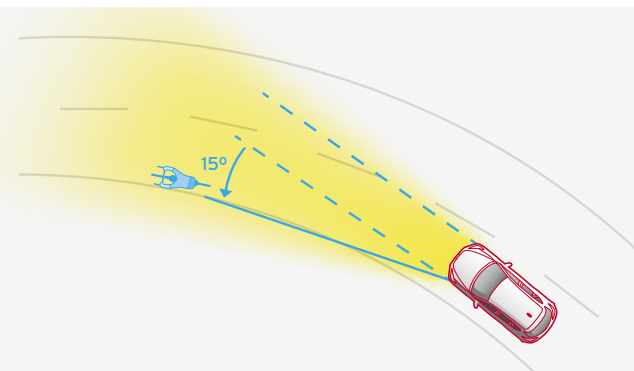

CX-5 gives you confidence-inspiring levels of safety, with Smart City Brake Support, Blind Spot Monitoring and Rear Cross Traffic alert now standard across the range. With the availability of i-ACTIVSENSE advanced safety technologies⁴, you can enjoy an even greater sense of reassurance. These intelligent systems are designed to help you recognise potential hazards, avoid collisions and minimise the severity of accidents when they can't be avoided. Employing sophisticated radar, cameras, and driver warnings, i-ACTIVSENSE literally looks out for you.

ADAPTIVE LED HEADLAMPS (ALH)

Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling oncoming drivers, and raises beam height at highway speeds to extend vision area.

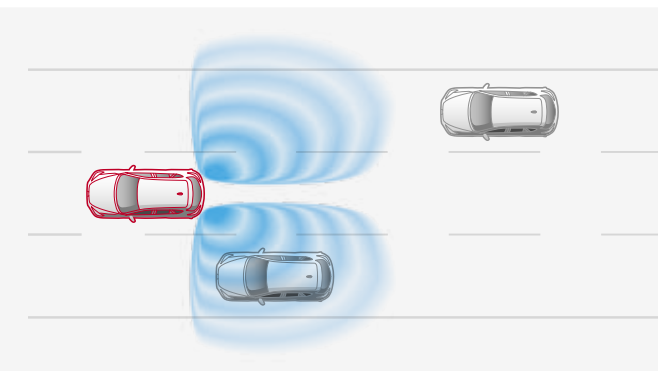

Akera only.

ADAPTIVE FRONT-LIGHTING SYSTEM (AFS)

The powerful LED headlamps swivel up to 15 degrees in the direction you're steering, revealing more of the corner.

GT only.

BLIND SPOT MONITORING (BSM)

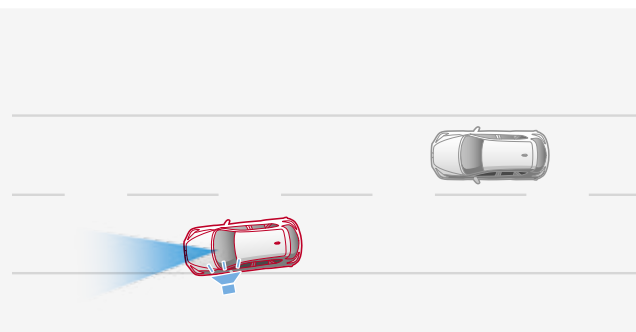

By scanning external mirrors' blind spots, radars detect any unseen vehicles to help you avoid making hazardous lane changes. LED icon on the relevant mirror is accompanied by warning beeper.

Standard across the range.

REAR CROSS TRAFFIC ALERT (RCTA)

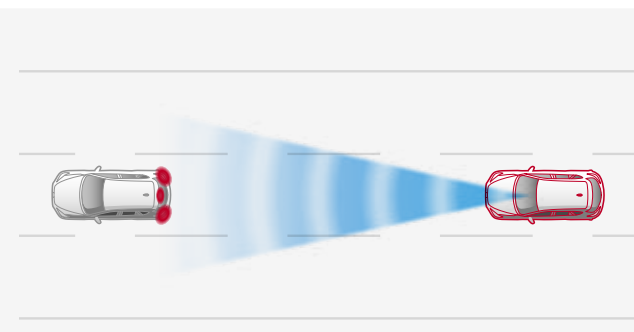

Assists you when you're reversing from a parking space, warning if a car is approaching from either side of your vehicle. The LED icon on both mirrors is accompanied by beeping alert.

LANE DEPARTURE WARNING (LDW) WITH LANE-KEEP ASSIST SYSTEM (LAS)

Using a windscreen-mounted camera to monitor road lane markings, LDW sounds an audible warning if you're about to stray from your lane. LAS will act if it determines the vehicle is going to leave its lane, by applying a degree of corrective steering. Driver Attention Alert (DAA) is also integrated. When speeds above 65km/h are sustained for longer periods, the system monitors driver inputs and provides a visual warning if it detects signs of fatigue. Also provides alert when 2 hours have elapsed.

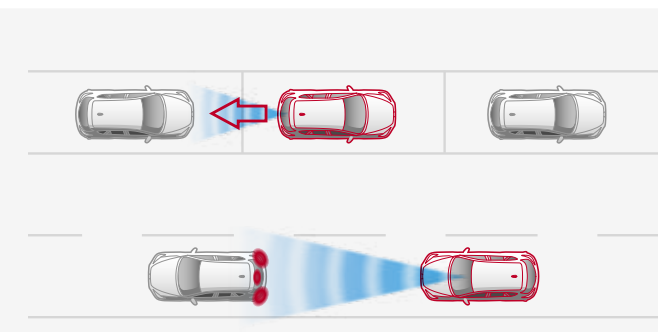

Akera only.

FORWARD OBSTRUCTION WARNING (FOW) WITH SMART BRAKE SUPPORT (SBS)

Operating at 15-145km/h the system monitors the distance to the vehicle in front and its speed. FOW senses if a collision is likely and prompts you to take evasive action via audible and visual alerts. If SBS senses a high risk of impact it applies initial pressure to the brakes, enabling faster response should you brake. If you take evasive action SBS de-activates. If no evasive action is taken, the brakes are applied automatically.

Akera only.

SMART CITY BRAKE SUPPORT [FORWARD/REVERSE] (SCBS F/R)

Helps prevent, or lessen, low-speed impacts. At forward speeds of 4-30km/h, SCBS monitors the vehicle in front to assess the possibility of a collision. If the system detects a high risk of impact it issues visual and audible warnings, while priming the brakes for faster response should the driver brake. If the driver does not brake, the brakes are applied automatically. Also works in reverse at speeds of 2-8km/h on GT and Akera.

SCBS Forward standard across the range.

Maxx in Sonic Silver Metallic.

MAXX FEATURES

- » 17 inch steel wheels with 225/65 tyres
- » Headlamps (Halogen)
- » Power mirrors (body coloured, electric folding)
- » Rear spoiler
- » Front seats with: height adjustment (driver) and seat back pockets
- » Rear seats with: 60/40 split fold backrest
- » Seat trim: Black cloth
- » Cargo area tonneau cover with 'Karakuri' up and down function
- » Cruise control
- » Rear-view mirror with auto dimming function
- » 7-inch full colour touch screen display (MZD Connect)
- » Audio system with: AM/FM tuner, single disc CD player (MP3 compatible) and 4 speakers
- » Bluetooth® hands-free phone and audio capability³
- » Internet radio integration (Pandora®, Stitcher™ and Aha™)
- » Multi-function commander control
- » Steering wheel-mounted audio controls
- » USB-audio input ports (iPod compatible)
- » Advanced keyless push-button engine start
- » Airbags SRS: front (driver and passenger), side (front) and curtain (front and rear)
- » Blind Spot Monitoring (BSM)
- » Dynamic Stability Control (DSC)
- » Emergency Stop Signal (ESS)
- » Hill Launch Assist (HLA)
- » ISOFIX child restraint anchor points and top tethers
- » Rear Cross Traffic Alert (RCTA)
- » Reverse camera
- » Smart City Brake Support Forward (SCBS-F)
- » Tyre Pressure Monitoring System (TPMS)

POWERTRAIN

SKYACTIV-G

- » 2.0 litre in-line 4 cylinder 16 valve DOHC S-VT petrol engine with i-stop
- » Drivetrain: FWD
- » Fuel consumption (combined): 6.6L/100km²
- » Max power: 114kW @ 6,000rpm
- » Max torque: 200Nm @ 4,000rpm
- » Transmission: 6-speed manual (SKYACTIV-MT) or 6-speed auto (SKYACTIV-Drive)

SKYACTIV-G

- » 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol engine with i-stop
- » Drivetrain: i-ACTIV AWD
- » Fuel consumption (combined): 7.4L/100km²
- » Max power: 138kW @ 5,700rpm
- » Max torque: 250Nm @ 4,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

ADVANCED INFOTAINMENT

Just hook up your smartphone³ to access a wide range of online content through MZD Connect.

ONE BUTTON PARK BRAKE

Electronic parking brake engages and disengages via a simple button. Warning light shows when it's applied.

PLUGGED IN

Standard USB inputs let you access music via players or storage devices, and charge compatible devices.

A QUALITY TOUCH

High quality cloth adds to the comfort offered by supportive seats.

CX-5
MAXX SPORT

Maxx Sport in Blue Reflex Mica.

MAXX SPORT FEATURES

ADDITIONAL TO MAXX

- » 17 inch alloy wheels
- » Front fog-lamps (Halogen)
- » Headlamps auto on/off function
- » Wipers (front) 2-speed with rain-sensing function
- » Rear seats with: 40/20/40 split fold backrest (flat fold) and centre fold down armrest
- » Air-conditioning (dual-zone climate control)
- » Leather wrapped: gear shift knob and steering wheel
- » Vanity mirrors (front) with illumination
- » Audio system with: 6 speakers
- » Satellite navigation

POWERTRAIN

SKYACTIV-G

- » 2.0 litre in-line 4 cylinder 16 valve DOHC S-VT petrol engine with i-stop
- » Drivetrain: FWD
- » Fuel consumption (combined): 6.6L/100km²
- » Max power: 114kW @ 6,000rpm
- » Max torque: 200Nm @ 4,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

SKYACTIV-G

- » Drivetrain: i-ACTIV AWD
- » Fuel consumption (combined): 7.4L/100km²
- » Max power: 138kW @ 5,700rpm
- » Max torque: 250Nm @ 4,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

SKYACTIV-D

- » 2.2 litre in-line 4 cylinder 16 valve DOHC intercooled turbo diesel engine with i-stop
- » Drivetrain: i-ACTIV AWD
- » Fuel consumption (combined): 5.7L/100km²
- » Max power: 129kW @ 4,500rpm
- » Max torque: 420Nm @ 2,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)

SPORTING STANCE

17-inch alloy wheels give Mazda CX-5 an even more sporting look, and enhance its outstanding handling.

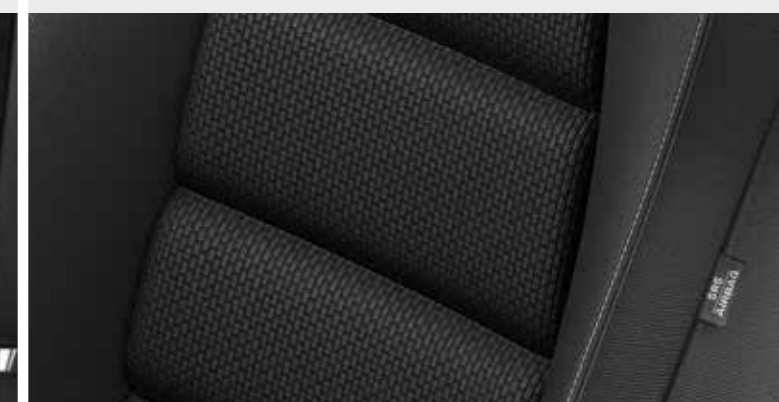

LEADS THE WAY

Satellite navigation clearly displayed on a 7-inch colour touch-screen. Features spoken street names and advanced lane guidance.

PERFECT CLIMATE

With dual-zone climate control, both driver and passenger can enjoy just the right temperature.

COMFORTABLY APPOINTED

Inviting premium cloth features superbly crafted patterns and highlight stitching.

GT in Crystal White Pearl Mica.

GT FEATURES

ADDITIONAL TO MAXX SPORT

- » 19 inch alloy wheels with 225/55 tyres
- » Daytime running lamps (LED)
- » Front fog-lamps (LED)
- » Headlamps (LED)
- » Power sliding and tilt glass sunroof
- » Tail-lamps (LED)
- » Front seats with: 2-position memory function (driver), 6-way power adjustment (passenger), 10-way power adjustment (driver) and heating function
- » Seat trim: Black or pure white leather¹
- » Premium Bose® 231 watt amplifier and 9 speakers
- » Adaptive Front-lighting System (AFS)
- » Advanced keyless entry
- » Parking sensors (front and rear)
- » Smart City Brake Support Reverse (SCBS R)

POWERTRAIN

ENJOY MAZDA CX-5 WITH CONFIDENCE

REST ASSURED – YOUR WARRANTY

The quality built into Mazda CX-5 is backed up by a 3-year, unlimited kilometre factory warranty and 6-year panel protection warranty.

MAINTAIN THAT ZOOM-ZOOM

Your Mazda CX-5 deserves the best in care. Servicing with Mazda Service Select gives your car the advantage of factory trained Service Technicians and advanced computer diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

HELP IS AT HAND – MAZDA ROADSIDE ASSISTANCE

Flat batteries, running out of fuel, flat tyres – everyone faces hiccups from time to time. When the unexpected happens, Mazda Roadside Assistance is there to keep you moving. You'll be covered 24 hours a day, 365 days a year, all round Australia. Better still, your Mazda will only be worked on by Mazda-approved technicians. Choose a Standard policy offering everything needed to get going again, or Premium with extras like accommodation, a rental car and vehicle recovery. Either can be purchased across the entire Mazda range. (Terms and conditions apply)

(GT and Akera)

*At extra cost

■ Pure white leather only available with Blue Reflex Mica, Soul Red Metallic, Meteor Grey Mica and Deep Crystal Blue Mica exterior colours.

(1) Leather interior includes some Maztex material on selected high impact surfaces. Pure white leather interior only available with selected exterior colours. (2) Combined fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven. (3) Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information. (4) i-ACTIVSENSE advanced safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to constantly monitor vehicle surroundings and conditions at all times. (5) Trip computer displays current and average fuel consumption, distance to empty and average vehicle speed. (6) Cargo room - measured with rear seats up and up to tonneau cover. (7) Cargo room - measured with rear seats folded down and up to roof. (8) Subject to State or Territory regulations.

ZOOM-ZOOM

MAKE YOUR MAZDA EVEN MORE REWARDING

Mazda CX-5 gives you SUV practicality, yet is amazingly agile and economical too. With Mazda Genuine Accessories, Mazda CX-5 ownership is even more enjoyable. They let you personalise your car, and protect your investment. What's more, they deliver superb design, quality and safety, all backed by a Mazda Genuine Warranty. Mazda Genuine Accessories give you even more Zoom-Zoom.

FEATURED HERE

Reverse parking sensors
Tow bar²

CARGO TRAY

A tailor-fitted non-slip tray that guards against scratches, dirt and water.

CARGO ORGANISER BOX

Prevent items from sliding around in the cargo area. Features moveable internal dividers, detachable lids and securable base.

MOBILE PHONE HOLDER

Safe, stylish and compatible with many popular phones, this gives drivers easy phone visibility and access. Allows portrait or landscape use.

REAR WINDOW SHADES

Protect passengers and cargo from the sun. The set covers both passenger windows.

CARGO BARRIER

Protect occupants from loose cargo during heavier braking applications with this steel mesh barrier. 60kg capacity.¹

BOOT LIP PROTECTOR

Protect your rear bumper and boot lip from scratches and scuffs during loading and unloading.

FRONT SEAT COVERS

Durable, waterproof neoprene protects against dirt and grime. Airbag compatible.

REAR SEAT COVERS

A lightweight, waterproof cover that shields the rear seats from spills, dirt, pet scratches and everyday wear and tear.

SMOKE BONNET PROTECTOR

Protect your car's paint against unwanted damage from stones and other debris.

COLLAPSIBLE SUN SCREEN

Keep your vehicle cool and protect the interior from the sun's harmful rays.

SCUFF PLATES

Stylish protection against entry scuffs and scratches.

REAR MUD GUARDS

Stop mud and road grime collecting on the rear end of your car.

FEATURED HERE

- Clear bonnet protector
- Front parking sensors
- Headlight protectors
- Roof racks
- Slimline weathershields
- 17-inch 15-spoke alloy wheels

CX-5 Grand Touring in Soul Red.

BIKE RACK (WHEEL OFF)
Makes it easy to take your bike along for the ride.

BIKE RACK (WHEEL ON)
Bring your other wheels along without having to remove one.

KAYAK HOLDER
The convenient way to transport kayaks or canoes.

CARPET FLOOR MATS

Protect your carpet with these high-quality, tailor-made floor mats. Fastening system enhances safety.

RUBBER FLOOR MATS

Heavy-duty tailor-made rubber mats give your interior durable protection.

SATELLITE NAVIGATION

Sat Nav directs you to your destination with ease. Features appear on a 7-inch display. (Maxx only)

SCREEN INTEGRATED PARKING SENSORS

Augment audible warnings with graphic display of the object detected by sensors, and its proximity. Graphic appears on a 7-inch display.

SAFETY PACK

Attract attention in an emergency situation and warn of hazards with this safety kit featuring lights, reflective vest and triangular road sign.

AUDIO RETRACTABLE LIGHTNING CABLE

Charge your iPhone, stream music and search through your playlists using your vehicle's audio controls.
