

i30.

# Exceptional standards.

We have one goal - to be Australia's most loved car company.

And to get there, we're driven by a simple philosophy that life's most incredible moments shouldn't be reserved for a select few, and everyone should be able to experience an exciting and enjoyable drive.

So, how do we make that happen? We start by pushing our own boundaries, by making premium the new standard. And by engineering the most enjoyable ride possible.

Take the i30, one of Australia's most awarded small cars.<sup>†</sup> Most companies would have sat back, put the awards on the mantle and called that success. But we saw this as an opportunity to make this car even better. We reinvented it, delivering a stronger, lighter, stylish, more intelligent car.

You can be sure we've put it through its paces. With an extensive local development program, the i30 is perfectly suited to Australian conditions. European styling, Korean engineering and Australian testing - a global contribution to this local hero.

<sup>†</sup>Australia's most awarded small car: Best Small Car under \$35,000 in 2015, 2013, 2012 and 2010. Best Mid-Sized Car under \$30,000 in 2009. Best Mid-Sized Car under \$28,000 in 2008.

# Australia, in our DNA.

We're one of the biggest car manufacturers in the world - and one of the fastest growing global car brands.

We're also the only car company in the world producing its own steel, because we know the best steel makes for the strongest cars.

That's why we source the majority of our high quality iron ore from right here, in Australia's backyard. So now, when you buy a new Hyundai, you know you're driving a car that's directly connected to home.

# Relax, we'll take it from here.

There's a reason why our iCare program has won awards.† We built iCare around one simple, innovative idea. That comprehensive on-the-road care should come standard with every car - not just as an "optional extra".

Our five-year, unlimited kilometre warranty<sup>▲</sup> means you've got the freedom to go ahead and drive without having to keep an eye on the odometer.

When you look at our 'Lifetime Service Plan'<sup>^</sup> the benefits speak for themselves. Regular servicing (at a set price) by factory-trained Hyundai Technicians will help keep your Hyundai in peak condition, giving you peace of mind today, and into the future.

And since every new Hyundai is built to the highest standards, we've got the confidence to offer comprehensive customer service without exception - or as we like to say, amazing as standard. And that includes 24/7 Roadside support\* for ten years when you service with us.

iCare

<sup>†</sup>Australia's most awarded small car: Best Small Car under \$35,000 in 2015, 2013, 2012 and 2010. Best Mid-Sized Car under \$30,000 in 2009. Best Mid-Sized Car under \$28,000 in 2008. <sup>▲</sup>5 year/unlimited Km warranty: Applies to new passenger vehicles used for private/domestic purposes. Excludes vehicles used at any time for "commercial application" as defined in the vehicle warranty policy, for which a 5 year/130,000km (whichever occurs first) warranty applies. Refer to full warranty terms & conditions for details and exclusions. <sup>^</sup>Lifetime Service Plan: For the benefit of Hyundai owners, Hyundai provides online quotes which specify the maximum price applicable for a vehicle's next scheduled maintenance service at a participating authorised Hyundai dealer and using genuine Hyundai parts (where required). Online quotes are available at [hyundai.com.au](http://hyundai.com.au), apply for a stated effective period only and may change after that effective period without notice. Standard scheduled maintenance services are of limited scope. The benefit of online quotes is available for all Hyundai's, for their lifetime. <sup>\*</sup>Roadside Support Plan: Complimentary 12 months Roadside Support when you purchase a new Hyundai passenger vehicle (excluding rental buyers). Further Roadside Support extensions are available, each for 12 months from the date of a scheduled maintenance service at a participating authorised Hyundai dealer (unless vehicle is more than 108 months (9 years) from the original new car sale date, in which case entitlement to Roadside Support ends when vehicle reaches 120 months (10 years) from original new car sale date). <sup>\*</sup>SatNav Update Plan: Maximum number of 9 updates delivered on an annual cycle which must be undertaken within 10 years of the vehicle's purchase. Complimentary map updates only apply if the vehicle completes a scheduled service at a participating Hyundai dealer.

# Safety first, and always.

Safety should never be an afterthought, or an added extra. Which is why we won't settle for anything less than 7 airbags and a 5-star ANCAP rating.

The i30 has also been fitted with some of the most advanced safety features available, and the 53% ultra-high tensile steel chassis is a revelation. It uses almost twice as much ultra-high tensile steel as the previous model, boosting rigidity by 17%, making it the strongest i30 ever, without compromising on performance.

The Elite, Premium, SR (DCT only) and SR Premium variants also feature a suite of intelligent safety technologies - Hyundai SmartSense<sup>†</sup>.

Hyundai SmartSense<sup>†</sup> technologies all have one thing in common - they've been developed to help alert you to (and avoid) any dangers around you.

From braking or reducing speed to maintain a safe distance from vehicles ahead, to helping you stay aware of what's happening in your blind spots, Hyundai SmartSense<sup>†</sup> provides peace of mind for you, and for us.

Rear view camera

7 airbags

<sup>†</sup>Hyundai SmartSense: not available on Active or manual SR variants. Safety features are not a substitute for attentive driving.

**Lane Keeping Assist System (LKAS)**  
Uses the front camera to detect lanes and helps prevent the vehicle from steering off the lane.

**Blind Spot Detection (BSD)**  
Alerts the driver about vehicles in blind spots or vehicles approaching the back side of your car at high speeds.

**Autonomous Emergency Braking (AEB)**  
Alerts the driver and automatically applies the brakes when suddenly obstructed by vehicles or pedestrians. The **Forward Collision Warning** will alert you of approaching objects and potential collisions.

**Smart Cruise Control (SCC)**  
Automatically maintains speed and distance from the car ahead. Car comes to a complete stop and restarts in 3 seconds once the car in front departs.

# Stunning to see. Thrilling to drive.

There's no denying it, the i30 looks good, thanks to its striking lines, headlights and cascading front grille.

But it's also a thrill to drive. Its performance is a testament to the work our designers and engineers put in every day in order to deliver a more enjoyable ride. And to put it simply, it's fun.

The i30 offers a choice of powerful engines, and three transmission options, 6-Speed Manual, 6-Speed Automatic or 7-speed Dual Clutch.

When you add all of this together, you'll find the i30 delivers a fuel-efficient ride\*, so comfortable you'd be forgiven for thinking you were on the track. It's smart too – gripping corners, responding to your slightest commands.

We've taken Hyundai's commitment to research and development one step further too, rigorously testing and optimising the i30 for Australian roads, thanks to our extensive local tuning program.

By recruiting the finest engineers and designers, and investing billions of dollars each year, we've made a firm commitment to the future of motoring in Australia and overseas.

Real world fuel consumption will vary depending on a combination of driving habits, the condition of the vehicle, and other factors such as road, traffic and weather conditions. ADR 81/02 test results are meant for comparison purposes only.

# Beauty, on the inside.

The i30 is turning heads, in more ways than one.

When you see how far the reinvented i30 has come, you begin to realise how serious we are about offering premium as standard.

And you'll notice the difference the minute you get behind the wheel.

Take the full-length panoramic glass sunroof\* for example. It gives you that extra look of luxury, connecting you with the outside from within.

Our multimedia system with touch screen technology has been designed specifically for the i30, while heated and ventilated front seats,<sup>▲</sup> dual zone climate control<sup>^</sup> and leather appointed interior<sup>†</sup> completes the styling giving the i30 an impressive edge over its competitors.

Heated and ventilated front seats<sup>▲</sup>

Panoramic glass sunroof\*

Dual zone climate control<sup>^</sup>

<sup>▲</sup>Heated and Ventilated Front Seats: only available on Premium and SR Premium variants. \*Panoramic Glass Sunroof: only available on Premium and SR Premium variants, and optional on Elite and SR variants. ^Dual Zone Climate Control: not available on Active variants. †Leather Appointed Interior: not available on Active variants.

# Forward thinking.

The i30 understands your desire to stay connected, which is why we have seamlessly integrated smartphones into the car.

Once your journey is underway, Apple CarPlay™ and Android Auto™▲ lets you safely play music, make calls or get directions on the easy to use 8-inch touchscreen, which comes with Sat Nav as standard. While wireless smartphone charging\* means you'll stay connected long after you get out of the car.

The i30 also recognises you (and your proximity smart key)\* before you get in. And once you're behind the wheel you still don't need to take your keys out, thanks to the push button start.▲

Requires Qi compatible devices or accessory cover. \*Proximity Smart Key: not available on Active variants. †Electronic parking brake: not available on Active and SR (manual) variants. \*Push button start: not available on Active variants.

# SR. Performance unleashed.

You'll notice a difference the moment you get inside the i30 SR.

The sports steering wheel, gear knob, red stitched seats\* and interior trim let you know you're about to drive a car that needs to be unleashed.

And speaking of unleashed, we've added paddle shifters\* on the steering wheel so you'll feel completely connected to the engine, gearbox, and the road.

Our sport-tuned, independent multi-link rear suspension was developed specifically for Australian roads and delivers vastly improved handling for hugging corners.

The SR variants offer larger front brakes meaning improved stopping power, helping you prepare for corners. While the SR's 150kw turbo charged engine will dare you to put your foot down as you come out of the bend. If you do, you'll notice an immediate response.

The i30 SR takes fun (and premium) to the next level.

Images shown feature SR and SR Premium variants. Colours shown are indicative only and may vary due to the printing process. \*Sports steering wheel: available on SR and SR Premium variants only. Gear knob: available on SR and SR Premium variants only. Red stitched seats: available on SR and SR Premium variants only. Paddle shifters: only available with Dual Clutch transmission.

# Variants.

Life is about choice – so we've created five different i30 variants that'll let you take to the road the way you want to.

## Active.

### Engine and transmission

2.0 litre petrol (manual & auto)  
1.6 litre diesel (manual & DCT)

### i30 Active

#### Key specifications:

#### Safety

- Electronic stability control (ESC) including: Anti-Lock Braking System, Brake Assist System, Electronic Brakeforce Distribution, Hill-start Assist Control, Traction Control System and Vehicle Stability Management
- 7 airbags
- Rear park assist sensors
- Rear view camera
- Tyre pressure monitoring system

#### Interior and technology

- 8" touchscreen with Sat Nav, Apple Carplay\* & Android Auto compatibility
- Bluetooth connectivity\*
- AUX/USB input with iPod compatibility
- Cloth seats
- LED daytime running lamps
- 16" alloy wheels
- Rear fog lamps
- Automatic dusk sensing headlamps with escort and welcome function

8" touchscreen with Sat Nav

16" alloy wheels

Rear view camera

LED daytime running lights

## Elite.

### Engine and transmission

1.6 litre turbo diesel (DCT)

### i30 Elite

#### Key specifications above Active:

#### Safety

- Hyundai SmartSense▼ including:
  - Autonomous Emergency Braking
  - Blind Spot Detection
  - Driver Attention Alert
  - Forward Collision Warning
  - Lane Change Assist
  - Lane Keeping Assist System
  - Rear Cross Traffic Alert
  - Smart Cruise Control

#### Interior and technology

- Electronic parking brake
- Wireless charging▲
- Dual zone climate control with auto defog
- Dual level boot floor
- Smart key with push button start^
- Leather seats†, steering wheel & gear knob
- Exterior and technology
- Rain sensing wipers
- 17" alloy wheels

# Style, your way.

Your new Hyundai should stand out. And because the i30 is intelligent, stylish and bold, we've developed an interior and exterior colour range that emphasises these qualities.

After all, everyone's different. From the colour of the paint, to the shade of the trim - this is your opportunity to complement your personality. This is the time to fit the i30 right into your every day life.
