

# Q7 e-tron

Audi Q7 e-tron Australian Specifications

## Q7 e-tron

Technical Data	
Engine type	V6 diesel engine with common rail injection system and turbo-charging
Capacity (cc)	2,967
Power (kW/rpm)	190 / 3,250 – 4,500
Torque (Nm/rpm)	600 / 1,250 – 3,000
Electrical power (kW)	94
Electrical torque (Nm)	350
Combined system power (kW)	275
Combined system power (Nm)	700
Driveline	quattro
Transmission	8-speed tiptronic
Acceleration (sec) 0-60km/h – electric	6.5
Top speed (km/h) – electric	135
Acceleration (sec) 0-100km/h – hybrid	6.2
Top speed (km/h) – hybrid	230
Electric range <sup>1</sup> (km)	56 <sup>#</sup>
Battery type	17.3 kWh lithium-ion battery system
Charging times <sup>2</sup>	
Industrial socket (400V/16A)	Approximately 2.5 hours
Industrial socket (230V/16A)	Approximately 5 hours
Household socket (230V/10A)	Approximately 10 hours
Unladen weight in kg <sup>3</sup>	2,520
Gross weight in kg	3,185
Maximum towing weight (braked) in kg	3,500 <sup>^</sup>
Maximum ball weight in kg	350
Fuel consumption (combined)	
▶ Litres per 100km	1.9 <sup>#</sup>
▶ CO <sub>2</sub> emissions grams per km	49 <sup>#</sup>
Safety	
Active bonnet	●
Airbags for driver and front passenger, side airbags; seat-mounted for front and rear passengers and head level curtain airbag system for front and rear passengers	●
Antilock Braking System (ABS), Electronic Brake Force Distribution (EBD), Electronic Stabilisation Control (ESC), Anti-Slip Regulation (ASR), and Electronic Differential Lock (EDL)	●
Audi pre-sense city with Autonomous Emergency Braking (AEB) and pedestrian detection – detects impending collisions at up to 85km/h	●
Electromechanical parking brake	●
Electromechanical power steering	●
Seat belt reminder for all passengers	●

● = Standard | □ = Optional equipment | NCO = No cost option

# Combined figure based on ADR 81/02 (weighted combined averages of electric only and diesel only modes). Figure is derived from laboratory testing. Figure calculated on the basis of 19 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features (e.g. air conditioning) and accessories (including wheel size) fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

<sup>^</sup> Maximum gross combined weight must not exceed 5,740 kg.

## Packages

Option Code

Q7 e-tron

### Assistance package

- ▶ Adaptive cruise control with Stop&Go including Audi pre-sense front and traffic jam assist
- ▶ Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration
- ▶ Collision avoidance assist – provides additional support to the driver with supporting steering torque in critical situations where the driver initiates evasive action
- ▶ Turn assist – monitors oncoming traffic when turning right at low speeds

●

### Technik package

- ▶ Audi phone box light – supports wireless charging via the “Qi” standard for compatible smartphones and smartphone covers
- ▶ Bose 3D Surround Sound System, 19 loudspeakers including 3D Sound loudspeaker, centre speaker and subwoofer and a 15-channel amplifier with a total output of 558 Watts
- ▶ Head-up display – in colour with speed, navigation and assistance information
- ▶ Rear seat entertainment preparation (enables fitment of Audi Genuine Accessory Rear Seat Entertainment)

## Standard Equipment and Options

Option Code

Q7 e-tron

### Wheels and Suspension

19" alloy wheels in 5-arm-Aero design

●

20" alloy wheels in 5-arm-Aero design

CE6

□

Adaptive air suspension – infinitely variable damping system with variable ride height and dampening depending on drive select mode

●

Anti-theft wheel bolts

●

Tow bar<sup>4</sup> (Tow bar tongue kit required; to be purchased separately)

1D1

□

Tyre pressure monitoring system

●

Tyre repair kit

●

● = Standard | □ = Optional equipment | NCO = No cost option

## Standard Equipment and Options

	Option Code	Q7 e-tron
<b>Assistance Systems</b>		
360 degree camera – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring		●
Adaptive cruise control with Stop&Go function including Audi pre-sense front and traffic jam assist		●
Audi active lane assist – when activated helps the driver stay in lane by gentle corrective steering intervention and through steering vibration		●
Audi drive select – allows the selection of 7 driving modes (6 modes for 160 kW; additional lift / offroad mode with air suspension)		●
Audi side assist including Audi pre-sense rear, exit warning and rear cross traffic alert		●
Head-up display – in colour with speed, navigation and assistance information		Included in Technik package
Hill descent control		●
Hold assist – holds the vehicle on gradients indefinitely to enable smooth driving		●
Park assist – helps to steer the vehicle into a parallel or perpendicular parking space		●
Parking system plus, front and rear with reversing camera		●
<b>Exterior Features</b>		
Exterior mirrors electrically adjustable, folding, automatically dimming with memory function and kerb-side function on passenger's side		●
Full body paint finish		●
LED headlights including LED daytime running lights, all-weather lights, turning lights, motorway light function and LED rear lights with dynamic indicators		●
Audi Matrix LED headlights including LED daytime running lights, dynamic front and rear indicators, all-weather lights, turning lights, motorway light function and LED rear lights – includes headlight washer system	PXC	□
Light and rain sensor		●
Panoramic glass roof	3FU	□
<b>Paint Finishes<sup>^</sup></b>		
 Carrara white	NCO	
 Night black	NCO	
 Floret silver, metallic	□	
 Glacier white, metallic		□
 Orca black, metallic		□
 Samurai grey, metallic		□

● = Standard | □ = Optional equipment | NCO = No cost option

<sup>^</sup> Actual colour may vary from sample due to printing process, paint finish prices are not dependent on the model.

## Standard Equipment and Options

	Option Code	Q7 e-tron
<b>Seating and Upholstery</b>		
Individual contour seats upholstered in Valcona leather with heated and ventilated front seats	PS8	□
Front seats, electrically adjustable with electric lumbar support and memory function for driver's seat		●
Front heated seats		●
Sport front seats upholstered in Valcona leather	Q1D	□
Standard seats upholstered in Cricket leather		●
<b>Inlays</b>		
Inlays in brushed aluminium, Sono / anodised paint finish, anthracite		●
Inlays in high gloss black / oak, grey	5MC	□
<b>Interior Features</b>		
3-zone deluxe automatic air conditioning		●
Ambient lighting package including ambient lighting for the centre console, contour lighting for the centre console, illuminated door sill trims front and rear; 30 selectable colours and 5 colour profiles		●
Auto dimming interior mirror		●
Convenience key, full keyless entry and start - includes sensor controlled luggage compartment release		●
Leather covered multifunctional sports steering wheel in 3-spoke design with shift paddles		●
LED interior lighting		●
Rail system with load-securing kit	3GN	□

● = Standard | □ = Optional equipment | NCO = No cost option

## Standard Equipment and Options

	Option Code	Q7 e-tron
<b>Infotainment</b>		
Audi connect including in car Wi-Fi hotspot and Google services (requires data plan) <sup>5</sup>		●
Audi music interface including Audi smartphone interface – connects Apple or Android devices via USB to access approved apps via the MMI interface		●
Audi phone box light <sup>6</sup>		Included in Technik package
Audi sound system, 10 loudspeakers, 6-channel amplifier, with a total output of 180 watts		●
Audi virtual cockpit		●
Bose 3D Sound System, 19 loudspeakers including 3D Sound loudspeaker, centre speaker and subwoofer, 15-channel amplifier with a total output of 558 watts		Included in Technik package
Bang & Olufsen 3D Advanced Sound System, 23 loudspeakers including 3D Sound loudspeaker, centre speaker and subwoofer, 23-channel amplifier with a total output of 1,920 watts	8RF	□
Bluetooth interface with music streaming <sup>6</sup>		●
DAB+ Digital radio <sup>7</sup>		●
Rear seat entertainment preparation – for Genuine Accessory Rear Seat Entertainment – Audi Entertainment Mobile		Included in Technik package
<b>MMI navigation plus<sup>8</sup> with MMI touch including:</b>		
▶ Navigation system with 8.3 inch high resolution colour display including 3D maps		
▶ Integrated voice control with natural language voice input		
▶ MMI free text search with intelligent destination suggestions		
▶ MMI touch control panel including handwriting recognition and touch to move and zoom around maps		
▶ 8 programmable favourites buttons		●
▶ 5 navigation map updates (at 6 monthly intervals)		
▶ Live traffic update <sup>9</sup>		
▶ 2 SDXC card readers and 10 GB flash memory for media storage		
▶ MMI radio and single CD/DVD player		

● = Standard | □ = Optional equipment | NCO = No cost option

# Combined figure based on ADR 81/02 (weighted combined averages of electric only and diesel only modes). Figure is derived from laboratory testing. Figure calculated on the basis of 19 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features (e.g. air conditioning) and accessories (including wheel size) fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1 Combined figure based on ADR 81/02 (pure electric range). Figure is derived from laboratory testing. Figure calculated on the basis of 19 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features (eg air conditioning) and accessories (including wheel size) fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

2 Charging times based off use with industrial sockets (400V/16A & 230V/16A) and household socket (230V/10A) and may vary depending on factors including but not limited to: electricity supply, state of charge and environmental conditions.

3 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of EU Directive 1230/2012. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

4 Tow bar tongue kit required to be purchased via Audi Genuine Accessories.

5 Audi connect functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

6 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility and functionality.

7 Digital radio reception coverage dependent on vehicle location.

8 MMI Navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

9 SUNA™ live traffic update service is only available in selected metropolitan areas. It operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to [www.sunattraffic.com.au](http://www.sunattraffic.com.au) for details.

Vehicle pictured is a Q7 e-tron 3.0 TDI quattro overseas model with optional equipment.
