## IMAGINATION DRIVES US

Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO - Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

## MAZDA CX-5. A CUT ABOVE

Mazda CX-5 has elevated the SUV to a whole new level of refinement and craftsmanship. Stunning design both inside and out, the choice of a SKYACTIV-G 2.5T turbocharged engine, impressive fuel efficiency, and the latest i-ACTIVSENSE safety all come together to deliver an SUV that truly is a cut above.

## A HIGHER STANDARD

The principles of Mazda's signature 'KODO - Soul of Motion' design philosophy have been applied to Mazda CX-5, refined, and raised once again. Every element has been designed to work in harmony while also being pleasing to the eye.

The sleek, flowing lines of the CX-5's profile are punctuated by stunning design elements, like the front grille, rear combination lamps and impressive alloy wheels.

Together they form a stylish road stance that continues to set the standard of modern SUV design.

## AN EXQUISITE LEVEL OF DETAIL

Once inside Mazda CX-5, you immediately find yourself surrounded by a standard of quality that leaves the competition well behind. Comfort, technology and a sense of sophistication greet you at every turn. The elegantly crafted cabin surrounds the driver with carefully positioned controls, while on Akera grade models, beautiful real wood trim adorns the door panels and dashboard.

A full-colour Active Driving Display means crucial driving information is always there in the driver's line of sight! From the higher, more angled centre console to the redesigned instrument panel as well as the use of space and storage across front and rear rows, Mazda CX-5 takes design to another level.

† Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

# Leather interior includes some Maztex material on selected high-impact surfaces.

## PERFORMANCE THAT EXCITES

Mazda CX-5 represents the continued evolution of Mazda's breakthrough SKYACTIV technologies, which have defined a thrilling new generation of Zoom-Zoom performance.

With four engine types, including a 2.5L turbocharged petrol option available on GT and Akeria models, you'll discover improved responsiveness and acceleration that doesn't sacrifice fuel economy.

Thanks to i-ACTIV AWD, Mazda CX-5 monitors and predicts road conditions to adjust its performance, delivering impressive real-world fuel efficiency and a superior drive every time. It's also quieter than ever before, thanks to advanced aerodynamics and specifically designed construction materials.

## SKYACTIV TECHNOLOGY RAISES THE BAR

Mazda CX-5 delivers the feeling of pure Zoom-Zoom, with efficiency that Mazda's SKYACTIV TECHNOLOGY is now famous for. With an impressive mix of power and fuel efficiency taking your driving experience to a new level. Automatic and manual transmissions have been developed to increase responsiveness, while all elements of the chassis - from brakes to suspension to steering - have been refined to provide a higher-quality ride that never compromises performance.

Mazda CX-5 features SKYACTIV-VEHICLE DYNAMICS, a series of technologies that integrates control of the engine, transmission, chassis and body to enhance the sense of oneness between car and driver that we call 'Jinba Ittai'. This all comes together to create an exceptional ride that's in a league of its own.

### SKYACTIV-G 2.0L & 2.5L PETROL ENGINE

The SKYACTIV-G engines deliver impressive fuel economy along with powerful torque at low-to-mid range speeds. This combines with linear acceleration response and an exhilaratingly powerful feel, allowing you to enjoy a quality ride in all situations. The 2.0L delivers a sporty 115kW of power and 200Nm of torque while the muscular 2.5L engine punches out 140kW and 252Nm. Cylinder Deactivation (CDA) available on 2.5L engine, shuts down cylinders 1 and 4 at low rpm, which saves fuel without sacrificing driving performance.

### SKYACTIV-D 2.2L DIESEL ENGINE

The clean-running SKYACTIV-D 2.2L engine offers outstanding torque and exhilarating performance delivered right up to high engine speeds and all the way through the RPM range. The twin-turbo engine now features a Variable Geometry Turbocharger (VGT) on the larger turbo, which allows it to spin faster at medium engine speeds and increases flow to the engine at higher speeds, resulting in 140kW of power and 450Nm of torque.

### i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM

Mazda's i-ACTIV AWD is a predictive, on-demand AWD system that anticipates front-tyre slip and applies just enough torque to the rear wheels to prevent slipping from occurring. It does this via 27 sensors, which constantly monitor the road surface, outside conditions, driver operation and vehicle condition. Analysing this information 200 times per second, the system helps ensure a stress-free drive in a wide range of conditions.

### SKYACTIV-G 2.5T TURBO ENGINE

The first turbocharged engine to join the SKYACTIV-G series, the SKYACTIV-G 2.5T delivers both outstanding low and mid-range torque with excellent fuel economy. The Dynamic Pressure Turbo system controls exhaust pulses to produce a huge 420Nm of torque and 170kW of power. Meanwhile, the Cooled Exhaust Gas Recirculation (EGR) cycles cooled exhaust gas back into the air intake system, lowering the engine's fuel consumption and improving economy.

### SKYACTIV-BODY

Mazda's SKYACTIV-BODY simultaneously achieves high levels of usually conflicting attributes such as collision safety, light weight and rigidity. The latest Computer Aided Engineering (CAE) analysis was used for efficient reinforcements, and ultra-high tensile steel has been adopted for lightness and strength. This means that rigidity is increased, reducing response delay of the body to steering operations.

### SKYACTIV-CHASSIS

Every component has been designed to create an unrivalled sense of oneness between car and driver. The steering system's structure has been optimised to achieve both excellent vibration insulation and high rigidity. The suspension has been revised, millimetre by millimetre, to achieve a gentler and higher-quality ride. This improved suspension means the braking system has also evolved to achieve shorter braking distances with outstanding performance.

Akera in Dark russet nappa leather#

## YOUR WORLD AT YOUR FINGERTIPS

Thanks to the MZD Connect infotainment system, Mazda CX-5 brings you the very latest in connectivity. With Apple CarPlay® and Android® Auto, you can effortlessly access your compatible smartphone's contacts, social media and music along with map functionality all from the large, upright touch screen.

Four USB ports\* are distributed throughout the cabin to accommodate all of your devices, while the exceptional 10-speaker Bose®† system is integrated seamlessly throughout the interior allowing you to listen to music, radio and podcasts in studio quality sound.

\* Available on Maxx Sport and above.

† Available on GT and above.

14 # Leather interior includes some Maztex material on selected high-impact surfaces.

Akera in Dark russet nappa leather.\*

## COMFORT THAT GOES BEYOND THE NORM

Mazda CX-5 comes packed full of quality touches to improve the comfort and enjoyment of driver and passengers alike. The Japanese philosophy of 'Jinba Ittai', or 'horse and rider as one' means that every element has been crafted to feel like an extension of you, from the luxurious upgraded seats to the thoughtfully designed control panel.

On the Akera grade, the driver will enjoy a heated steering wheel, while the front row gets ventilated seats that draw air away. Front and outer second row passengers also get heated seats. Second row passengers can relax with a reclining function, while the rear air-vents\* mean that everyone will ride comfortably.

A power liftgate across GT and Akera models has also been included for convenience, along with nine separate storage compartments that are also included throughout the cabin.

\* Air-vents are available on Maxx Sport and above.

# Leather interior includes some Maztex material on selected high-impact surfaces.

## SAFETY IS THE HIGHEST PRIORITY

Delivering comfort and exhilaration is what drives us, but that never comes at the expense of safety in Mazda CX-5.

Built with a rigid body cell, every grade comes equipped with SRS airbags and technology such as rear parking sensors, G-Vectoring Control Plus (GVC Plus), Dynamic Stability Control (DSC), Traction Control System (TCS), Emergency Brake Assist (EBA) and Electronic Brake-force Distribution (EBD) as standard†

You'll also enjoy peace of mind thanks to the Auto Door Lock and Electric Park Brake with Auto-Hold, again available on every grade. Hill Launch Assist (HLA) adds even more confidence, helping you take off quickly and simply when stopped on an incline.

† i-ACTIVSENSE and other safety technologies are driver-assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

Akera in Soul Red Crystal Metallic.

### BE PREPARED FOR WHAT'S AROUND THE CORNER

Unexpected hazards are a part of life. Thankfully DSC acts instantly, braking the inner rear wheel to offset understeer (or braking the outer front wheel to combat oversteer). The Traction Control System also reduces torque to the driven wheels to minimise skidding. The hazard can be steered around, as control is maintained.

### STOP WITH CONFIDENCE

Stopping distance with EBA, ABS and EBD.

Stopping distance with no assistance.

### ENJOY THE RIDE

G-Vectoring Control Plus (GVC Plus) improves steering responsiveness by offering four-wheel independent control, which provides a safe and secure ride for all passengers in every driving scenario, particularly when cornering.

## TECHNOLOGY THAT'S TOP OF THE RANGE

Mazda CX-5 comes with a suite of Mazda's most intelligent i-ACTIVSENSE advanced safety technologies as standard. These technologies help assist the driver to avoid potential hazards, or help minimise damage as a result of unavoidable impact! Mazda Radar Cruise Control (MRCC) with Stop & Go function reduces the stress of negotiating heavy stop-start traffic. It also features Traffic Sign Recognition (TSR), keeping you even more informed about speed limits and road conditions! Safety features are dependent on grade.

† i-ACTIVSENSE and other safety technologies are driver-assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

**BLIND SPOT MONITORING (BSM)**  
By scanning external mirrors' blind spots, radars detect any unseen vehicles to alert the driver of hazardous lane changes. An LED icon on the relevant mirror is accompanied by beeping alerts. Standard across the range.

**MAZDA RADAR CRUISE CONTROL (MRCC) WITH STOP & GO FUNCTION**  
MRCC automatically adjusts vehicle speed to maintain a safe distance from the car ahead. It's able to bring the car to a complete stop in traffic and take off again once the traffic moves (if the stop is less than three seconds). If a complete stop exceeds three seconds, the car waits for the other driver to initiate acceleration. Standard across the range.

**REAR CROSS TRAFFIC ALERT (RCTA)**  
RCTA assists when the driver is reversing from a parking space, by warning if a car is approaching from either side of the vehicle. The LED icon on both mirrors is accompanied by a beeping alert. Standard across the range.

**HIGH BEAM CONTROL (HBC)**  
HBC detects oncoming and preceding vehicles and automatically switches between high and low beams during night driving. This makes it easier for the driver to recognise hazards and helps avoid dazzling other drivers. Standard on Maxx to GT models.

**ADAPTIVE LED HEADLAMPS (ALH)**  
Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling other drivers and raises beam height at highway speeds to extend vision area. Akera only.

**LANE DEPARTURE WARNING (LDW)/LANE-KEEP ASSIST SYSTEM (LAS)**  
LDW uses a windscreen-mounted camera to monitor road lane markings, sounding an audible warning if the driver is about to stray from their lane. LAS will act if it determines the vehicle will leave its lane by applying a degree of corrective steering. Standard across the range.

**TRAFFIC SIGN RECOGNITION (TSR)**  
TSR detects a number of road signs which are in turn displayed on the vehicle's Active Driving Display. The types of signs that could be displayed to warn you include speed limit signs, "do not enter" signs and stop signs. Standard on Touring and above.

**SMART CITY BRAKE SUPPORT (SCBS)**  
Helps prevent, or lessen, low-speed impacts. SCBS-F monitors vehicles, pedestrians and other obstacles in front to assess the possibility of a collision at forward speeds of 4-80km/h. If the system detects a high risk of impact, it issues visual and audible warnings and primes the brakes for faster response, should the driver brake. If the driver does not brake, the brakes are applied automatically. SCBS-R detects vehicles and other obstacles in reverse at speeds of 2-8km/h. Standard across the range.

**FORWARD OBSTRUCTION WARNING (FOW)/SMART BRAKE SUPPORT (SBS)**  
Operating at 15-160km/h, FOW monitors the distance to the vehicle in front and its speed. If it senses a collision is likely, audible and visual alerts prompt the driver to take evasive action. If SBS senses a high risk of impact, it primes the brakes for faster response. If no evasive action is taken, it brakes for you. Standard across the range.

Maxx in Sonic Silver Metallic.

## MAXX FEATURES

- » 17-inch steel wheels with 225/65 tyres
- » Headlamps (LED)
- » Headlamps auto on/off
- » Wipers (front) 2-speed with rain-sensing function
- » Power mirrors (body coloured with folding function)
- » Front seats with height adjustment and seat-back pockets
- » Rear seats with reclining function and 40/20/40 split-fold backrest
- » Seat trim: Black cloth
- » 7-inch full colour touch screen display (MZD Connect)
- » Apple Carplay® and Android® Auto
- » Audio system with AM/FM tuner, Digital radio (DAB+) and 6 speakers
- » Bluetooth hands-free phone and audio capability<sup>§</sup>
- » Internet radio integration (Stitcher™ and Aha™)
- » Multi-function commander control
- » Advanced keyless push-button engine start
- » Blind Spot Monitoring (BSM)<sup>†</sup>
- » Parking sensors (rear)<sup>†</sup>
- » Rear Cross Traffic Alert (RCTA)<sup>†</sup>
- » Smart City Brake Support [Forward/Reverse] (SCBS F/R)<sup>†</sup>
- » Driver Attention Alert (DAA)<sup>†</sup>
- » High Beam Control (HBC)<sup>†</sup>
- » Lane Departure Warning (LDW)<sup>†</sup>
- » Lane-keep Assist System (LAS)<sup>†</sup>
- » Mazda Radar Cruise Control (MRCC)<sup>†</sup> with Stop & Go function<sup>‡</sup>
- » Smart Brake Support (SBS)<sup>†</sup>
- » Tyre Pressure Monitoring System (TPMS)
- » Electric parking brake with Auto Hold
- » Leather wrapped gear-shift knob and steering wheel

## POWERTRAIN

### SKYACTIV-G

- » 2.0 litre in-line 4 cylinder 16 valve DOHC S-VT petrol (SKYACTIV-G) engine with i-stop
- » Drivetrain: FWD
- » Fuel consumption (combined): 6.9L/100km\*
- » Maximum power: 115kW @ 6,000rpm
- » Maximum torque: 200Nm @ 4,000rpm

### SKYACTIV-G

- » Transmission: 6-speed manual (SKYACTIV-MT) or 6-speed auto (SKYACTIV-Drive)
- » G-Vectoring Control Plus (GVC Plus)
- » 2.5 litre in-line 4 cylinder 16 valve DOHC S-VT petrol (SKYACTIV-G) engine with i-stop
- » Drivetrain: AWD

### SKYACTIV-G

- » Fuel consumption (combined): 7.4L/100km\*
- » Maximum power: 140kW @ 6,000rpm
- » Maximum torque: 252Nm @ 4,000rpm
- » Transmission: 6-speed auto (SKYACTIV-Drive)
- » G-Vectoring Control Plus (GVC Plus)
- » Cylinder Deactivation

<sup>§</sup> Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as not all devices operate correctly. Visit [www.mazda.com.au/Bluetooth](http://www.mazda.com.au/Bluetooth) or consult your Mazda Dealer for further information.

<sup>†</sup> i-ACTIVSENSE, other safety technologies and driver-assistance features do not replace the driver's judgement, and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

\* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

<sup>‡</sup> Stop & Go function on Automatic model only.

### STAY CONNECTED

With Apple Car Play® and Android® Auto you can use your smartphone to access music, media and more, all through MZD Connect.

### STRESS-FREE CRUISING

Mazda Radar Cruise Control (MRCC) with Stop & Go function means you'll always keep a safe distance from the vehicle ahead. Perfect for stop-start traffic.

### KNOW WHAT'S BEHIND

Park your Mazda CX-5 with confidence thanks to rear parking sensors and a camera providing audio and visual guidance.

### LET IT DO THE WORK

Auto wipers and headlamps mean when sudden changes of road conditions happen, you're always prepared.

**CX-5**  
MAXX SPORT

Maxx Sport in Eternal Blue Mica.

**MAXX SPORT FEATURES**

ADDITIONAL TO MAXX

- » 17-inch alloy wheels with 225/65 tyres
- » Front fog lamps (LED)
- » Air conditioning (dual-zone climate control)
- » Rear-view mirror with auto-dimming
- » Rear seats with centre armrest storage and USB charging ports
- » Satellite navigation

§ Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as not all devices operate correctly. Visit [www.mazda.com.au/Bluetooth](http://www.mazda.com.au/Bluetooth) or consult your Mazda Dealer for further information.

## ENJOY MAZDA CX-5 WITH CONFIDENCE

### REST ASSURED – YOUR WARRANTY

The quality built into Mazda CX-5 is backed up by a 5 year, unlimited kilometre factory warranty and 6 year panel protection warranty.\*

### MAINTAIN THAT ZOOM-ZOOM

Your Mazda CX-5 deserves the best in care. Servicing with Mazda Service Select gives your car the advantage of factory trained Service Technicians and advanced computer diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

### HELP IS AT HAND – MAZDA ROADSIDE ASSISTANCE

Flat batteries, running out of fuel, flat tyres – everyone faces hiccups from time to time. When the unexpected happens, Mazda Roadside Assistance is there to keep you moving. You'll be covered 24 hours a day, 365 days a year, all round Australia. Better still, your Mazda will only be worked on by Mazda-approved technicians. Choose a Standard policy offering everything needed to get going again, or Premium with extras like accommodation, a rental car and vehicle recovery. Either can be purchased across the entire Mazda range. (Terms and conditions apply.)

\* New 5 year unlimited kilometre warranty available on all brand new vehicles purchased from 1 August 2018. For full terms and conditions please visit <https://www.mazda.com.au/owners/warranty/>

GENUINE  
ACCESSORIES*

*CX-5*

*ZOOM-ZOOM*

**MAZDA**

#### KUROI SPORTS PACK

Add even more visual impact with this streamlined, aerodynamic sports kit, featuring:

- Door mirror caps
- Front spoiler
- Rear under spoiler
- Side under spoiler

GT in Snowflake White Pearl Mica.

**TAKE YOUR MAZDA CX-5 TO THE NEXT LEVEL**

New Mazda CX-5 is simply a cut above, with stunning design, turbocharged performance and the latest technology. Now with Mazda Genuine Accessories, you can elevate the level of luxury and practicality even further. Designed to complement existing details, each piece demonstrates outstanding quality, fit and safety, and comes backed by a Genuine Mazda Warranty. So give your Mazda CX-5 a little more Zoom-Zoom with Mazda Genuine Accessories.

FEATURED HERE

- Bonnet protector (clear)
- Front mud guards
- Headlight protectors
- Roof racks
- Slimline weathershields
- 19-inch gloss black alloy wheels

Akera in Soul Red Crystal Metallic.

**KAYAK HOLDER**  
The convenient way to transport kayaks or canoes.

**UNIVERSAL CARRIER**  
This streamlined and easy-to-use carrier allows you to bring all sorts of objects along safely and securely.

**BIKE RACK (WHEEL ON)**  
Transport your bike without the inconvenience of removing a wheel.

**BIKE RACK (WHEEL OFF)**  
Make it easy to take your bike along for the ride.

#### MOBILE PHONE HOLDER

Safe, stylish and compatible with many popular phones, this gives drivers easy phone visibility and access. Allows portrait or landscape use.

#### REAR SEAT ENTERTAINMENT HOLDER FOR iPad®

Keep rear seat passengers entertained with this convenient holder for your iPad®

#### TOW BAR KIT

Designed specifically for your CX-5 with a powerful 1,800kg towing capacity (or 2,000kg for diesel and turbo models) and 150kg tow ball download capacity. Detachable tongue kit makes towbar invisible once removed.

\*When fitted with a Mazda Genuine Towing kit. Subject to State and Territory regulations.

#### BOOT LIP PROTECTOR

Protect your rear bumper and boot lip from scratches and scuffs during loading and unloading.

#### CARGO NET AND CARGO ILLUMINATION

Mazda Genuine Cargo Lighting allows for a clearer view of your vehicles load compartment with additional LED lights. The cargo net helps prevent items sliding into the second row. (Items sold separately)

#### BONNET PROTECTOR (SMOKE)

Protect your car against damage from stones and other debris.

#### FRONT PARKING SENSORS

Take the guesswork out of parking with audio alerts advising the distance between your CX-5 and objects to the front. (Maxx and Maxx Sport models only)

#### CARGO ORGANISER BOX

Prevent items from sliding around in the cargo area. Features moveable internal dividers, detachable lids and securable base.

#### CARGO TRAY

A tailor-fitted non-slip tray that guards against scratches, dirt and water.

#### RUBBER FLOOR MATS

Protect your carpet with these hard-wearing, high-quality branded floor mats. Fastening system enhances safety.

#### CARPET FLOOR MATS

Protect your carpet with these high-quality, tailor-made floor mats. Fastening system enhances safety.

#### FRONT SEAT COVERS

Durable, waterproof neoprene protects against dirt and grime. Airbag compatible.

#### REAR WINDOW SHADES

Protect passengers and cargo from the sun. The set covers both passenger windows.

#### ILLUMINATED SCUFF PLATES

Protect the inside of your doors with these practical scuff plates. Illuminated to add a stylish, personal touch.

#### WELCOME ILLUMINATION

Welcome lighting radiates soft blue illumination from both foot wells.

#### 19-INCH GLOSS BLACK ALLOY WHEELS

A new design offering a bold, strong street presence that's sure to turn heads. (GT and Akera models only)

#### 17-INCH SILVER ALLOY WHEELS

A timeless classic that complements the sleek new exterior design. (Maxx, Maxx Sport and Touring models only)

#### 17-INCH SATIN BLACK ALLOY WHEELS

Give your CX-5 a personal touch with specially designed alloys that are both bold and stylish. (Maxx, Maxx Sport and Touring models only)

#### AUDIO RETRACTABLE LIGHTNING CABLE

Charge your iPhone, stream music and search through your playlists using your vehicle's audio controls.

#### ALSO AVAILABLE

- Alloy accelerator pedal
- Alloy brake pedal
- Alloy brake & clutch pedal set
- Alloy foot rest
- Collapsible sun screen
- Rear bumper step plate
- Rear seat covers (Not compatible with Maxx models)
- Retractable AUX cable
- Retractable USB cable
- Retractable USB to micro USB
- Retractable USB to Type C cable
