Audi e-tron | e-tron Sportback Australian Specifications

	e-tron 50	e-tron 55	e-tron Sportback 50	e-tron Sportback 55
<b>Technical data</b>				
Engine type	Lithium-ion battery	Lithium-ion battery	Lithium-ion battery	Lithium-ion battery
Battery energy content (kWh)	71	95	71	95
Power (kW)	230	300 (in boost mode)	230	300 (in boost mode)
Torque (Nm/rpm)	540	664 (in boost mode)	540	664 (in boost mode)
Driveline	quattro	quattro	quattro	quattro
Transmission	Two-stage planetary gearbox with single gear	Two-stage planetary gearbox with single gear	Two-stage planetary gearbox with single gear	Two-stage planetary gearbox with single gear
Acceleration (sec) 0-100 km/h	6.8	5.7 (in boost mode)	6.8	5.7 (in boost mode)
Weight				
▶ Unladen weight in kg <sup>1</sup>	2,445	2,555	2,445	2,555
▶ Maximum towing weight (braked) in kg	1,800	1,800	1,800	1,800
▶ Maximum ball weight kg	180	180	180	180
▶ Maximum gross combined weight in kg	3,040	3,150	3,040	3,150
Consumption kWh/100 km <sup>#</sup>	23.6 <sup>#</sup>	22.0 <sup>#</sup>	23.2 <sup>Δ</sup>	22.7 <sup>Δ</sup>
▶ CO <sub>2</sub> emissions grams per km	0	0	0	0
<b>e-tron features</b>				
Compact e-tron charging system – consisting of a control unit and 4.5m Type 2, Mode 2 charging cable with a domestic and industrial plug. LEDs on the control unit indicate the level of charge	●	●	●	●
Battery energy recuperation – 3 stages enable to adapt recuperation to preferred setting, each stage having a different level of deceleration for recovering different amounts of energy	●	●	●	●
Lithium-ion battery: 400 Volts, 71 kWh	●	—	●	—
Lithium-ion battery: 400 Volts, 95 kWh	—	●	—	●
Charging port on drivers side AC / DC and 2nd charging port on passenger side AC	●	●	●	●
Plug: Type 2 / CCS (up to AC 11 kW / DC 150 kW)	●	●	●	●
Charging cable for Australian Standard domestic socket	●	●	●	●
Charging cable for public charging stations	●	●	●	●
Six year Chargefox public charging subscription <sup>8</sup>	●	●	●	●
Six year Audi scheduled servicing	●	●	●	●
Six year Audi roadside assistance	●	●	●	●
<b>Safety</b>				
Front airbags for driver and passenger, side airbags for front and rear side passengers, head level curtain airbag for front and rear	●	●	●	●
Attention assist – provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing	●	●	●	●
Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist	●	●	●	●
Tyre pressure monitoring system – status of air pressure and temperatures of tyres are displayed in the MMI system	●	●	●	●
First aid kit and warning triangle	●	●	●	●
Seatbelt reminders for all passengers; illuminated seat buckles	●	●	●	●

● = Standard | ◻ = Optional equipment | — = Not available | NCO = No cost option

<sup>#</sup> Fuel consumption, CO<sub>2</sub> emission data, energy consumption and range figures as applicable to the e-tron are derived from laboratory testing in accordance with ADR81/02. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

<sup>#</sup> Figures are calculated on the basis of 20 inch wheels.

<sup>Δ</sup> Figures are calculated on the basis of 21 inch wheels.

## Packages

	Option Code	e-tron 50	e-tron 55	e-tron Sportback 50	e-tron Sportback 55
<b>Premium plus package (e-tron)</b>					
<ul style="list-style-type: none"> <li>▶ 21" alloy wheels in 15-spoke design, contrasting grey, partly polished</li> <li>▶ Matrix LED headlights with dynamic indicators including innovative and unique lighting design</li> <li>▶ Virtual exterior mirrors – aerodynamically exterior mounted cameras transmit images directly to the OLED touchscreen, includes kerb view, intersection view and motorway view</li> <li>▶ Privacy glass for rear and rear side windows</li> <li>▶ Head up display</li> <li>▶ Bang &amp; Olufsen 3D Sound System – 16 speakers, 15-channel amplifier, total of 705 watts of power</li> <li>▶ Electric steering column adjustment with automatic entry and exit function and memory</li> <li>▶ 4-zone climate control – separately adjustable temperature and air distribution settings for left and right-hand sides at front and rear with rear touchscreen display</li> <li>▶ Colour interior lighting package – 30 selectable colours, 6 colour profiles</li> </ul>	WA2	□	□	–	–

## Standard equipment and options

	Option Code	e-tron 50	e-tron 55	e-tron Sportback 50	e-tron Sportback 55
<b>Assistance systems</b>					
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring <sup>2</sup>		●	●	●	●
Adaptive drive assist including adaptive cruise control with Stop&Go, distance indicator, traffic jam assist and lane guidance assist <sup>2</sup>		●	●	●	●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration <sup>2</sup>		●	●	●	●
Audi side assist – blind spot warning system <sup>2</sup>		●	●	●	●
Park assist with parking system plus assists driver by taking over steering, maneuvering, braking and gear shifting; features acoustic signals with virtual lane display <sup>2</sup>		●	●	●	●
Audi pre-sense front with Autonomous Emergency Braking – provides collision mitigation from 5 km/h up to 85 km/h (pedestrians and cyclists) and up to 250 km/h (vehicles) <sup>2</sup>		●	●	●	●
Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows and sunroof where the risk of a collision is detected from the rear		●	●	●	●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action <sup>2</sup>		●	●	●	●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents <sup>2</sup>		●	●	●	●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects. A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h <sup>2</sup>		●	●	●	●
Exit warning system – detects vehicles and cyclists when opening doors; providing a warning light and initiating a slight delay in door opening <sup>2</sup>		●	●	●	●
Light and rain sensor – automatic control of lights-on function and windscreen wipers		●	●	●	●
Predictive efficiency assistant <sup>2</sup>		●	●	●	●
Turn assist – monitors oncoming traffic when turning right at low speeds <sup>2</sup>		●	●	●	●
Provision for trailer towing hitch		●	●	●	●
<b>Exterior features</b>					
Panoramic glass sunroof	3FU	□	□	□	□
Privacy glass – dark tinted rear and rear side windows	QL5	Included in Premium plus package	Included in Premium plus package	Included in Premium plus package	Included in Premium plus package
Bumpers in full paint finish		●	●	●	●
S line bumpers (front and rear) in full paint finish, radiator grille in titanium black with vertical slats in matt aluminium silver, blade in the front spoiler and air intakes in platinum grey matt		–	–	●	●
High gloss package with exterior window slot trims in anodised aluminium including B and C-pillar trims in gloss black		●	●	●	●
Roof rails in aluminium	3S1	●	●	□	□
Roof rails in black ( <i>forces Titanium black exterior styling package</i> )	3S2	NCO	NCO	□	□
Titanium black exterior styling package – accents on the Audi Singleframe, trim strips on the side windows, the side door inserts and the front and rear bumpers in black; exterior mirror housing in high-gloss black and roof rails in black ( <i>roof rails optionally available on e-tron Sportback</i> )	4ZD	□	□	□	□
Convenience key, full keyless entry and start		●	●	●	●
Electric rear tailgate with programmable opening height and gesture control		●	●	●	●
Exterior mirrors; heated, folding and auto dimming with memory; kerb-side function on the passenger side; includes heated washer jets		●	●	●	●
LED headlights with rear dynamic indicators, daytime running lights, dipped beam, high beam assist, position light, indicator, all-weather light and automatic-dynamic headlight range control and headlight washing system		●	●	●	●
Matrix LED headlights with front and rear dynamic indicators; daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, synthetic cornering light, automatic-dynamic headlight range control, dynamic light design and headlight washing system		Included in Premium plus package	Included in Premium plus package	Included in Premium plus package	Included in Premium plus package

● = Standard | ◻ = Optional equipment | – = Not available | NCO = No cost option

Please note that this is a preliminary specification sheet and the information contained within it can change without notice prior to launch of the vehicle. This should only be used as an ordering guide only.

- # Fuel consumption, CO<sub>2</sub> emission data, energy consumption and range figures (as applicable to the vehicle in question) are derived from laboratory testing in accordance with ADR81/02. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.
- † The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit [www.audi.com.au/audi-connect-plus-terms-of-service](http://www.audi.com.au/audi-connect-plus-terms-of-service) for more information. Additional information about our privacy practices and procedures is contained in our Privacy Policy located at: [www.audi.com.au/audi-connect-plus-privacy-policy](http://www.audi.com.au/audi-connect-plus-privacy-policy)
- 1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.
- 2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.
- 3 Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Audi Service Request are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.
- 4 Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.
- 5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.
- 6 Digital radio reception coverage dependent on vehicle location.
- 7 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.
- 8 Chargefox Rapid and Ultra-rapid charging stations only, some exclusions apply. Please visit [chargefox.com.au](http://chargefox.com.au) and the Chargefox app for eligible rapid and ultra-rapid charging locations and terms of use.

Vehicle pictured is an overseas e-tron Sportback 55 quattro with optional equipment.
