PURE ELECTRIC

Mazda's new e-Skyactiv powertrain provides First-Ever Mazda MX-30 Electric with purely electric power. Our engineers envisioned a way to apply Mazda's human-centric development philosophy to the EV space, combining a 35.5kWh lithium-ion battery pack and a 107kW/271Nm electric motor into a vehicle that prioritises driver connection – an enduring Mazda value.

ENGINEERED FOR A LIFESTYLE

Sizing for the high-voltage battery was carefully considered to fit the inner-urban lifestyle, while minimising CO₂ emissions throughout its life cycle, from resource extraction through to battery disposal.

Mounted low underneath the floor for maximum driving engagement, the result is a system that can supply 224km* of vehicle range (to ADR 81/02 test, combined cycle) while being light, compact, safe and easy to charge.

Using the average Australian daily commute of 32km round-trip, the MX-30's range ensures fuss-free, silent driving over the course of a five-day working week – without the need to charge.

When it is time to plug in, both regular AC and rapid charge DC ports are packaged as a set, accessed on the right rear side of the vehicle.[^]

* Efficiency and range figures are based on ADR 81/02 test results. They are useful in comparing the efficiency of different vehicles. They may not be the efficiency or range achieved in practice. This will depend on traffic and road conditions and how the vehicle is driven.

[^] Charging rates and times can vary depending on battery temperature and other factors.

THE FUTURE OF DESIGN

An exciting new interpretation of Kodo design is the essence of beauty from simplicity. Clean lines, and minimalist curves create a warmth that is unmistakably Mazda. The sculpted headlamps, three-tone colour schemes and badging are just some of the touches that make First-Ever Mazda MX-30 as unique as you are.

OPEN YOUR MIND

One of the most unique and exciting features of First-Ever Mazda MX-30 are the freestyle doors. A remarkable feat of engineering, these doors offer easy access to both rows and provide an individual touch that few other vehicles deliver.

A SPACE TO SUSTAIN YOU

The cabin of First-Ever Mazda MX-30 has been imbued with a sense of calm and simplicity, enabling drivers and passengers to feel at one with the ride. The use of high-quality materials including cork, recycled plastic bottles and threads add an extra element of sustainable style.

The floating console is both beautifully designed and easy to access and the 12-speaker Bose® audio system features a centre speaker, satellite speakers and a subwoofer.

ROOM TO BREATHE

From the moment you sit down in First-Ever Mazda MX-30, you'll discover an exceptional use of space that includes everything you could need without feeling cluttered. At the rear there is a generous 311 litres of cargo space with a sub-trunk underneath to store smaller items. With the rear seats folded down, you'll enjoy a lot more.

TECHNOLOGY TO ENHANCE EVERY DRIVE

The technology packed into First-Ever Mazda MX-30 works in perfect harmony with you and the drive. The latest in Mazda connectivity, Mazda Connect, comes standard with an 8.8-inch widescreen display, operated by the central commander dial. A second 7-inch touch screen displays climate control and more. Apple CarPlay® and Android™ Auto[§] as well as Satellite Navigation come as standard, as does the 7-inch TFT LCD multi-information display.

[§] Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase as not all devices operate correctly. Visit www.mazda.com.au/Bluetooth or consult your Mazda Dealer for further information. Apple Car Play® is a trademark of Apple Inc., registered in the U.S. and other countries.

PEACE OF MIND IN EVERY WAY

Experiencing First-Ever Mazda MX-30 doesn't just calm the mind, it protects the body thanks to an extensive and impressive suite of advanced safety technologies† These include a range of Smart Brake Support functions that keeps eyes out in the front and rear as well as when you turn across traffic. There is also Emergency Lane Keeping with Road Keep Assist and Blind Spot Assist. The Active Driving Display shares key information cleanly in the driver's line of sight while the 10 airbags throughout the cabin, including a driver's knee airbag and far-side airbag, help keep you safe.

The addition of intuitive features like 360° View Monitor and Front Parking Sensors mean every drive can be transformed into a truly effortless one.

† Driver assist technology only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

UNIQUE COLOUR COMBINATIONS

Featuring a bold single colour, or unique three-tone combination, you can choose an exterior palette to suit your individual style.

BODY COLOURS

Arctic White

Ceramic Metallic

Polymetal Grey Metallic

Machine Grey Metallic

Jet Black Mica

Ceramic Metallic with black roof top and grey sides.

Polymetal Grey Metallic with black roof top and silver sides.

INTERIOR TRIMS

Vintage Brown Maztex with black cloth

WHEELS

18-inch bright alloy

UNDENIABLE STYLE

Sustainable is more stylish than ever with a luxurious trim that adds even more individual appeal. The bold wheels are also designed to give First-Ever Mazda MX-30 a more exciting street presence.

E35 ASTINA FEATURES

- » 18-inch alloy wheels (bright finish)
- » Exterior mirror with auto dimming function (driver side)
- » Exterior mirrors with reverse tilt down function
- » Exterior mirrors with auto folding function
- » Exterior mirrors with heating function
- » Exterior mirrors with position memory
- » Exterior mirrors with power adjustment
- » Glass sunroof with power tilt and slide
- » Headlamps (LED) with auto on/off function
- » Rear spoiler
- » Wiper (rear) with intermittent function
- » Wipers (front) 2-speed with rain-sensing function
- » 7-inch TFT LCD multi-information meter display
- » Air-conditioning (single-zone climate control) with touch-screen controls
- » Auto dimming interior rear-view mirror
- » Electric parking brake with Auto Hold
- » Front seats with heating function
- » Heated steering wheel
- » Leather-wrapped: gear shift knob and steering wheel
- » Overhead sunglass storage box
- » Power windows with auto up/down (front windows)
- » Seat trim: Vintage Brown Maztex with black cloth
- » Seats (front) with: 10-way power adjustment (driver) including lumbar adjustment (driver) and 2-position memory
- » Seats (rear) with: centre fold down armrest
- » Seats (rear) with: 60/40 split-fold backrest
- » Steering wheel with heating function
- » Tilt and telescopic adjustable steering wheel
- » Vanity mirrors (front) with illumination
- » 8.8-inch widescreen colour display (Mazda Connect)
- » Apple CarPlay® and Andoid™ Auto[§]
- » Bluetooth® (hands-free compatible)[§]
- » Bluetooth® audio (MP3 compatible)[§]
- » Bose® premium audio system with: FM tuner, DAB+ Digital Radio and 12 speakers
- » Multi-function commander control
- » Satellite navigation
- » USB input (iPod® compatible)
- » 360° View Monitor
- » Adaptive LED Headlights (ALH)
- » 10 Airbags: front (driver and passenger), side (front and rear), knee (driver), far side (driver) and curtain (front and rear)
- » Blind Spot Monitoring (BSM)[†]
- » Cruising & Traffic Support (CTS)[†]
- » Driver Attention Alert (DAA)[†]
- » Driver monitoring[†]
- » Emergency Lane Keeping with Road Keep Assist[†]
- » Emergency Lane Keeping with Blind Spot Assist[†]
- » Emergency Stop Signal (ESS)[†]
- » Forward Obstruction Warning (FOW)[†]
- » Front Cross Traffic Alert (FCTA)[†]
- » High Beam Control (HBC)[†]
- » Hill Launch Assist (HLA)[†]
- » Lane Departure Warning (LDW)[†]
- » Lane-keep Assist System (LAS)[†]
- » Mazda Radar Cruise Control (MRCC)[†] with Stop & Go
- » Parking sensors (front)
- » Parking sensors (rear)
- » Rear Cross Traffic Alert (RCTA)[†]
- » Reverse camera
- » Smart Brake Support – Rear (SBS-R)[†]
- » Smart Brake Support – Rear Crossing (SBS-RC)[†]
- » Smart Brake Support – Turn-across Traffic[†]
- » Smart Brake Support - Front (SBS-F) with pedestrian and cycle detection[†]
- » Traffic Sign Recognition (TSR)[†]
- » Tyre Pressure Monitoring System (TPMS)[†]
- » Advanced keyless entry
- » Advanced keyless push-button engine start

POWERTRAIN

- » e-Skyactiv
- » AC synchronous electric motor
- » 107 kW (max. power)
- » 271 Nm (max. torque)

[†] Driver assist technology only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times. REST ASSURED — YOUR WARRANTY

The quality built into Mazda MX-30 is backed up by a 5 year, unlimited kilometre factory warranty, 6 year panel protection warranty[#] and an 8 year or 160,000km battery warranty commencing on the date of first registration.

HELP IS AT HAND — MAZDA ROADSIDE ASSISTANCE

Mazda Premium Roadside Assistance is now included with the purchase of all new Mazda vehicles. Whether it's a flat battery, locked-in keys, accident support and flat or damaged tyres, we've got you covered, day or night, city or country. With Mazda Premium Roadside Assistance, help is always there when you need it. (Terms and conditions apply.)

MAZDA FINANCE — FINANCE, YOUR WAY

Mazda Finance offers flexible finance options to suit you or your business. You can choose from a Mazda Finance Fixed Rate Car Loan or Mazda Assured*, a loan option that enables you to enjoy a new Mazda more often. Each finance option comes with the reassurance of a Mazda Tailored Rate – an interest rate tailored to your individual circumstances.

MAINTAIN THAT ZOOM-ZOOM

Your Mazda MX-30 deserves the best in care. Servicing with Mazda Service Select gives your car the advantage of factory trained Service Technicians and advanced computer diagnostic systems. As well as maintaining your Mazda in A1 condition, you'll also be protecting your vehicle's outstanding resale value.

*Terms, conditions, fees and charges apply. Mazda Assured Guaranteed Future Value products are available to approved customers of Mazda Finance, a division of Australian Alliance Automotive Finance Pty Limited ABN 63 002 407 703, Australian Credit Licence 513747. At participating dealerships only. [#]New 5 year unlimited kilometre warranty available on all brand new vehicles purchased from 1 August 2018. For full terms and conditions please visit <https://www.mazda.com.au/owners/warranty/>

MAKE YOUR
MAZDA
EVEN MORE
REWARDING

Mazda MX-30 is an already amazing drive. With Mazda Genuine Accessories, that experience can be even better. Now you can add individuality while protecting your investment. They also add superb design, quality, and safety, along with the confidence of a Mazda warranty. Mazda Genuine Accessories let you add even more Zoom-Zoom.

Overseas model shown.

BONNET PROTECTOR

Keep your car safe from damage caused by stones and other debris. Coming soon.

HEADLIGHT PROTECTOR

The perfect way to protect your MX-30's headlights from any damage caused by dirt, stones and other flying road debris. Coming soon.

ROOF RACKS

Mazda Genuine Roof Racks are strong, light and aerodynamic, making them the perfect way to safely and securely carry loads up to 75kg.

UNIVERSAL CARRIER

Nothing gets left behind on your next adventure with the sleek universal carrier. Designed to hold up to six sets of skis, four snowboards or multiple fishing rods.

BIKE RACK (WHEEL ON)

Bring your other set of wheels along, without having to remove one.

CARGO TRAY

This tailor fitted, non-slip tray shields your luggage bay from dirt, scratches and liquids. Coming soon.

CARGO ORGANISER BOX

Stops items from sliding around in the luggage area. The cargo box features movable internal dividers, detachable lids, and a securable base.

BOOT LIP PROTECTOR

During loading and unloading, your rear bumper and boot lip will be safe from scratches and scuffs.

ILLUMINATED SCUFF PLATES

Keep entry scuffs and scratches off your door sills with these durable and stylish illuminated plates.

TOW BAR

800kg braked-towing capacity, with 80kg maximum tow ball download limit (subject to State or Territory regulations). Detachable tongue kit makes tow bar invisible once tow ball is removed. Coming soon. (Tow ball sold separately).

MUD GUARDS (FRONT)

Keep bodywork free of mud and road grime.

MUD GUARDS (REAR)

Keep the rear of your vehicle clean.

WEATHER SHIELD

Now you can leave your windows slightly open, even while it's raining, thanks to this handy shield designed to keep the fresh air in and wet out.

SPORTS PEDALS

Enhance the stylish design of your MX-30's interior with these striking, easy-grip alloy pedal covers.

FLOOR MATS

Protect your carpet with these high-quality, tailor-made branded floor mats which feature noise absorption material, making your drive even more peaceful. (Set of four)

TRAVEL CHARGING CABLE

Ensure you don't get caught out and keep your MX-30 charged on the go with this handy cable. Only available for EV models.

COLOURED KEY SHELL

The ultimate protection, tailored to your style in Gold, Aluminium or a Carbon Fibre finish.

Gold*

Aluminium*

Carbon Fibre*

*Colours may vary from final product.
