Introducing the Limited Edition Holden Commodore Equipe – Sedan and Wagon.

On the outside, the distinctive styling of alloy wheels, blue side and bumper mouldings, a chrome exhaust and the unique

“Equipe” bubble badging suggest that there is much more to this car. And once inside, the added comfort of air conditioning, four power windows, power antenna, cruise control and unique seat trim confirm it – the new

Holden Commodore Equipe is indeed a very special edition. And should you choose the

Wagon model, you'll find that it also comes fully equipped with roof racks.
