

TO NEW DIMENSIONS.

boot, the two-way boot luggage net helps prevent small, remain secure in transit. in total comfort.

Inside Statesman's 541 litre
Even with long or awkward
Conveniently located in front loads on board, Statesman's of the rear passenger seat rear centre fold-down 'ski' cushion, this handy storage damage to valuable cargo by hatch leaves ample room for pocket is just one of the clever ensuring that items, large or two rear passengers to travel small item storage solutions in the Holden Statesman.

Standard velour trim available in both Anthracite (above) or Light Shale.

HOLDEN CAPRICE SERIES II IS LUXURY

MOTORING IN ITS PUREST FORM.

A PERFECT BLEND OF SIMPLE,

SOPHISTICATED DESIGN, CLASSIC GOOD

LOOKS AND AN UNAPOLOGETIC DASH

OF ATTITUDE.

New Caprice Series II is a car endowed with the performance, the prestige and the presence of a classic thoroughbred. Outside, higher levels of formal elegance can be seen with new alloy wheels enhancing the car's confident classic lines.

THE CAPACITY TO RELAX
IS THE ULTIMATE INDULGENCE.
HOLDEN CAPRICE SERIES II
UNASHAMEDLY TAKES COMFORT
TO THE HIGHEST LEVEL, IMMERSING
BOTH DRIVER AND PASSENGERS
IN LUXURY, THEN ADDS
FURTHER REFINEMENTS.

Long, sleek and sensuous, the rear compartment of the Holden Caprice Series II has been designed to elevate passenger space and comfort to unprecedented levels. Every detail has been considered, every desire anticipated, every indulgence granted.

Caprice Series II gives rear passengers the last word in cabin comfort. The rear overhead console switches not only adjust climate control temperature and fan speed, but also radio, cassette and CD.

Caprice Series II's elegant plush pile carpeted floor mats are embossed with their own stylish and distinctive emblem.

Digital Signal Processing

A 10 disc CD changer is located in the boot. This enables you to drive further on your favourite music without having to stop and change discs.

WITH TECHNOLOGY'S LATEST ADVANCES AT YOUR FINGERTIPS, FROM THE MOMENT YOU TAKE THE WHEEL OF THE HOLDEN CAPRICE YOU ASSUME YOUR RIGHTFUL PLACE: IN TOTAL CONTROL OF THE DRIVING EXPERIENCE.

From the stylish cockpit, to the fully automated driver's seat with memory settings for three, and superbly upholstered leather seating, every detail of the lavish interior proclaims Caprice Series II's rightful status as Australia's most innovative

prestigious touring car.

Steering wheel audio controls access the entire sound system with fingertip precision - without taking your eyes off the road, or your hands off the wheel.

Intelligent design has created an intelligent car. Able to recognise a long list of preferences for two separate drivers, Caprice Series II's Priority Keys also store the settings for the position of the driver's seat and external mirrors. The full list of Priority Key features creates, arguably, the world's best recognition of the owner by a car.

Caprice's electrochromatic

rear vision mirror

Left hand side mirror dips when you select reverse to reveal the kerb and other lowlevel obstacles. Both exterior mirrors are also heated to clear morning dew.

Conveniently located at the base of the driver's seat, memory buttons can be programmed for the individual preferences of three different drivers. And this is in addition to settings for Priority Key holders!

STATESMAN, AND CAPRICE, SERIES II:

THE EXPRESSION OF REAL POWER,

THE EMBODIMENT OF FREEDOM.

EXACTLY WHAT YOU'D EXPECT FROM

THE QUINTESSENTIAL DRIVER'S CAR.

Holden's trio of dynamic engines represents freedom. Freedom of choice. Freedom of movement. The ultimate freedom to conquer the extreme conditions thrown up by Australia's vast terrain and challenging climate. The simple freedom to negotiate inner urban congestion with ease and efficiency.

5.7 LITRE GENERATION III ALLOY V8

This lightweight engine delivers 225kW of power and 460Nm of torque. The lower weight means softer, more supple front suspension for a smoother ride. Less weight in the front end allows more precise steering response which translates to more agile handling.

The one piece induction system, made from composite materials, delivers a smoother airflow and superior breathing, while the inlet manifold has superior air flow for performance and fuel economy.

SUPERCHARGED 3.8 LITRE V6

This outstanding 6 cylinder power base, available only in the Statesman, provides 171kW of power, and 375km of torque. Smooth progressive power, and substantial torque across the rev range makes the engine responsive and easy to drive. The Eaton M90 Supercharger is a crankshaft driven air pump that compresses more air into the cylinders than a naturally aspirated engine.

More air, and more fuel, gives the performance levels of a much larger engine. It is, without doubt, elite technology, shared with the likes of Aston Martin, Mercedes and Jaguar.

ECOTEC 3.8 LITRE V6

This Ve engine is compact and light, providing excellent ride and handling, while delivering 152kW of power and 305km of torque. Friction reduction techniques used on moving parts, especially pistons, rings and valve train, sophisticated engine management, a diecast inlet manifold, for improved air flow, and a stainless steel long life exhaust all combine to provide high power with outstanding fuel efficiency.

DESIGNED TO LET YOU CONFIDENTLY HANDLE THE UNEXPECTED: SUPERIOR DESIGN. SOPHISTICATED ENGINEERING AND THE LATEST TECHNOLOGICAL ADVANCES FREE THE DRIVER TO CONCENTRATE ON THE ROAD AHEAD.

The comprehensive world-class safety package, integrated into Statesman and Caprice Series II. provides more than just protection. 'Twilight sentinel' automatically switches headlamps on at twilight. Variable, intermittent, roadspeed sensitive wipers clear rain faster as the car speeds up. A wide stance on the road provides stable cornering and minimal body roll. Rear wheel drive, like BMW, Jaguar and Mercedes' large cars, gives the driver the best possible combination of ride and handling.

Control-Link IRS adds safety when deceleration is needed to negotiate a challenging bend. The suspension is tuned to take a slightly tighter cornering line for the driver, using the Control-Link to hold the tail in check with powerful rear grip.

New Control-Link Independent Rear Suspension has been introduced to provide more control without sacrificing comfort. Control-Link Independent Rear Suspension gives all the traction of IRS with precise tracking and wheel control, helping tame a challenging corner by holding the tail in check, helping the driver smoothly negotiate the turn intended. This enhances good driving, forgives some over exuberance, and adds active safety.

The Bosch 4-channel Anti-lock

constantly monitors for wheel

in maintaining steering control. even under full braking, to

enhance overall driving safety.

lock-up, ensuring peak

Braking System, with speed sensors on each wheel,

Suspension and advanced Traction

Control, Statesman Series II gives

you the control you demand.

Holden's Traction Control (TC) utilises Antilock Braking System (ABS) technology to help prevent loss of traction when accelerating on tram tracks, wet roads, snow and ice, or on 'split surfaces' such as when one wheel is on the gravel shoulder of a bitumen road.

When an unavoidable emergency occurs, this easily accessible warning triangle provides an added safety feature for both you and other drivers. The Caprice even provides gloves, a handy mat, and cleaning cloth.

efficiency of braking. ABS assists

Vehicle shown fitted with optional rear spoiler.

BOTH STATESMAN, AND CAPRICE. SERIES II PROVIDE REASSURING LEVELS OF PROTECTION PROTECTION IN THE EVENT OF REAL EMERGENCIES AND IN UNEXPECTED OR CONFRONTING SITUATIONS

The remote control key engages and releases door deadlocks for maximum security at the push of a button. The key can selectively unlock just the driver's door to help prevent an intruder entering elsewhere. It can also open the boot. which is especially useful when you have your hands full. Both Statesman, and Caprice, Series II offer the most advanced safety technology available, Both cars have comprehensive occupant safety packages which are testament to Holden's continuing commitment to providing world class safety innovations.

The remote key operates tail lamps, headlamps or parking lamps as preferred, to show the location of your car in the dark. It also operates the interior lighting so you can check the cabin before entering.

Full size driver and front passenger airbags inflate within milliseconds to help reduce the risk of serious facial and internal injuries in the event of a frontal collision

Holden's unique two-stage side impact airbags first help pyrotechnic front seatbelt protect the chest, then the neck and head in the event of a side-on collision. Each airbag is in the front seat bolster for optimum positioning regardless of

seat position or angle.

In the event of a collision. pre-tensioners rapidly retract to help prevent occupants sliding under the belt or being thrown forward.

Standard on Caprice Series II, and optional on Statesman Series II. Holden Assist is an interactive primary security system, it does more than send for roadside assistance. It adds a whole new dimension to the words 'Holden Customer Care'.

If you lock your keys in your car. Once the identity of the owner has been validated Holden Assist can unlock your car remotely by sending an electronic signal.

If your battery is low. The system will automatically send an alert. Holden Assist will attempt to contact you.

If you need roadside assistance. Press the "Holden Assist" button for help to be sent.

In an emergency. Press the red SOS button to contact the National Emergency Response Centre (NERC™). Staff will attempt to make voice contact, locate your position and contact emergency services if needed.

In the event of a crash. The system will automatically contact the NERC™ that an airbag has deployed. The operator will contact the vehicle and attempt to make contact with the occupants. If there is no response, or if requested, emergency services will be notified.

If someone tries to gain unauthorized entry.

The system will automatically contact Holden Assist, and the operator will establish voice contact. If the person in the car is unable to be identified as the owner, the Police will be alerted.

If your car is stolen. Holden Assist is able to locate and track your stolen car. Once located, Holden Assist will then notify the Police. Then,

AN UNRIVALLED FEELING OF SECURITY. INTRODUCING HOLDEN ASSIST. THE WORLD'S MOST ADVANCED SATELLITE CAR MONITORING SYSTEM PROVIDES A FEELING OF SECURITY AND IS ONLY AVAILABLE IN SOME OF THE WORLD'S MOST PRESTIGIOUS CARS.

GETTING PERSONAL WITH YOUR HOLDEN

Vehicle fitted with Holden By Design spoiler and 17" x 8" 'H' series alloy wheels.

Vehicle fitted with Holden By Design spoiler and 17" x 8" 'X' series alloy wheels.

HOLDEN BY DESIGN

Your car is a reflection of your personality. You're not like anyone else. Why should your car look the same as anyone else's? And that's what Holden By Design is all about. Added to that is the knowledge that Holden By Design personalised enhancements are factory and carry comprehensive 3 year or 100,000km warranty. The combinations are The choice, yours.

HOLDEN ACCESSORIES

Our specially designed range of accessories will ensure your New Statesman or Caprice is just as you want it. From giving your car a personal touch to practical considerations such as tow bars, our accessories have been designed to complement your car, and make the most of your drive.

Don't let stone chips and scratches detract from the superb paint finish. This durable protection for rear seat acrylic custom design can be easily removed for cleaning.

Tinted acrylic sunguard provides excellent heat

Let the fresh air in and keep the wind and rain out with this full sized Weathershield.

Holden By Design's tailored sunroof is electronically

Integrated into the fascia design, these fully moulded mudflaps are both practical and stylish.

Holden roof bars let you carry luggage and sporting equipment without sacrificing interior space.

Holden's range of tow bars have been specifically designed and tested. See your Retailer to get the right bar for your needs.

Help keep your Holden in its original condition with these fully tailored, high quality long console. A universal phone pile carpet floor mats, now with a anti-slip backing.

A new style of platform that avoids drilling holes in the holder is also available.

A nord about this catalogue. We have tred to make the catalogue as compelement and factual as possible. However, since the time of printing some of the information poil find here may be considered to the catalogue of the catalo

THE SMARTEST WAY TO OWN A NEW HOLDEN

Smart choices.

A smart way to get into a new Holden is by talking to Holden Financial Services. A wide range of options is on offer and you can select the terms, conditions and pricing structure to best suit your lifestyle. The SmartChoices range offers affordable, flexible, low monthly repayments' and the security of a guaranteed minimum buyback price. For more information contact your Holden Retailer or call Holden Customer Assistance on 1800 033 349

SmartCare.

Holden offers a range of competitively priced insurance products that provide tailor-made protection. The SmartCare comprehensive policy offers new car replacement, agreed value and a genine Holden Approved parts guarantee plus a range of additional premium benefits. For more information see your local Holden Retailer.

The Holden MasterCard.

With the Holden MasterCard, 5% of every dollar you spend on credit purchases goes toward your rebate on a new Holden. You can redeem a maximum core rebate of \$3000 on any new Holden.4 Use your Holden MasterCard at exclusive Holden MasterCard Bonus Partners and you'll receive an extra 1% bonus rebate that you can earn. You'll also pay no annual card fee in the first year, get up to 45 days interest free on credit card purchases, and a competitive rate of interest.5 To apply, visit any Westpac/ Challenge Bank/Bank of Melbourne branch, your local Holden Retailer or call the Holden MasterCard 24-hour customer line on 1300 650 696

The package wouldn't be complete without extra peace of mind.

We're with you all the way.

Holden drivers are backed by the most comprehensive customer care package on the road. With over 300 retailers and 900 Roadside Assistance centres nationwide, few other cars in Australia are supported with the level of customer care offered to Holden owners.

3 year or 100,000km New Vehicle Warranty.

Your peace of mind, guaranteed.
Every Holden comes with a 3 year or 100,000km New Vehicle Warranty, whichever comes first. This factory backed bumper to bumper warranty covers everything including the engine, transmission, clutch, interior and exterior components.

An extended New Vehicle Warranty is able to be purchased. For more details, contact Holden Customer Assistance on 1800 033 349 or your Holden Retailer.

3 year/24 hour Roadside Assistance.

Go anywhere, anytime, with complete confidence. Holden Roadside Assistance, one of Australia's most comprehensive assistance packages, is complimentary for 3 years or 100,000km, whichever comes first.²

In the event of the unexpected happening, from your keys being locked in the car to mechanical and accident advice, you can get in touch with our 24 hour hotline, 365 days of the year, by calling the toll-free number 1800

Holden Statesman and Caprice receive

Assist Ultra which includes accommodation, alternative transport, rental car, assistance in case of accident, theft and medical emergency and Australia-wide vehicle recovery.

This service is delivered by Assist Australia and the combined resources of the Australian motoring organisations.

A decidedly different level of service.

Retailer support when you need it, where you need it.

With retailers strategically located nationwide, the Holden Service Network is the largest in the country. Our service centres are staffed by a team of trained technicians who have access to regular factory training, bringing them up to speed on the latest technology.

If you want to know more about the extensive benefits of Holden ownership, contact Holden Customer Assistance on 1800 033 349, Monday - Friday, 8am - 6pm. EST.

The Holden Luxury Edge®

Holden Statesman and Caprice have the added security of our Holden Luxury Edge program.

This program provides 12 months or 20,000km free service, whichever comes first. This means the first three services or 1,500km, 10,000km and 20,000km are all free provided they fall within the 12 month period. Services include all labour and parts (except oil) as per the owner's handbook and exclude non-scheduled service work or repairs.
