

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and/or is available at extra cost. Further, Holden Ltd. reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Retailer has details, and before ordering, you should ask them to bring you up to date. No Holden Retailer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden Ltd. A.B.N. 84 006 893 232 in its published sales literature, and Holden doesn't accept any liability for any such unauthorised action. Holden Ltd. has authorised Retailers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Retailers carry adequate stocks of service parts, but Holden Ltd. doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden Ltd. that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. HOLDEN ASTRA

Astra has been engineered to give you a dynamic driving experience. With unprecedented levels of style and performance, Astra is a car that must be driven to be believed. The seductive blend of European styling and sophisticated engineering, plus the features available on the Astra City, CD, SRi, the all new SXi, SRi Turbo and CDX have continually made it an award winner. Head-turning good looks, superb performance capabilities and truly dynamic handling all deliver a winning combination in what is a genuine driver's car.

With a class-leading level of safety, the Astra handles almost any road condition with confidence. Every Astra comes standard with LOTUS-TUNED SUSPENSION and 4-wheel disc brakes. Control is further enhanced, on certain models, through a perfectly balanced combination of a 4-channel ANTI-LOCK BRAKING SYSTEM (ABS), ELECTRONIC TRACTION CONTROL and ELECTRONIC STABILITY PROGRAM (ESP). ABS prevents the wheels locking up, allowing you to steer while braking heavily in slippery conditions. ELECTRONIC TRACTION CONTROL automatically senses and minimises wheel spin. ESP recognises critical driving situations via several sensors and helps the driver retain control over the vehicle by regulating engine torque and applying the brakes of individual wheels. In the event of a moderate frontal collision, PYROTECHNIC SEAT BELT PRE-TENSIONERS take up seat belt slack early, minimising forward motion. ANTI-SUBMARINING RAMPS under the seats counter the body's natural downward motion, keeping the body in position and maximising the efficiency of the seat belts while

SEAT BELT FORCE LIMITERS serve to reduce the risk of injury to the torso. Should a serious frontal collision occur, the DRIVER AND PASSENGER AIRBAGS instantly activate, reducing the likelihood of serious injury. Whilst side impact airbags reduce the likelihood of injury in a serious side impact collision. FULL SIZE CURTAIN AIRBAGS, covering virtually the entire window area, inflate in less than 30 milliseconds and help protect both the front and rear passengers from the effects of a serious side impact while also shielding them from any shattering glass. The PEDAL RELEASE SYSTEM automatically drops the pedals away from the driver, helping to minimise injuries to the lower limbs. In a rear end collision, the ACTIVE HEAD RESTRAINTS on the front seats move upwards and forwards to meet the head as it moves back, helping reduce whiplash. So when it comes to getting the best out of your Astra, you can have the full confidence that you are protected by some of the most advanced safety features available. Check the specifications & features pages for full details on what is standard on each of the Astra models.

CONFIDENCE

Raise your expectations. Astra City, with its distinctive lines, confident road-hugging stance and dynamic 1.8 litre engine, takes driving to a higher level. Astra City is available as a classic 4-door sedan or as a versatile 5-door hatch. Both come with CD player, 6-speaker Blaupunkt sound system, interior chrome door handles, central locking, full multi-function display, plus driver and front passenger airbags. The optional 4-speed auto gives you the choice of economy, sport or winter mode, so you can adjust your Astra City to suit your own unique style.

ASTRA CITY

The dynamic new SXi brings an even sportier edge to the Astra range. With a sleek 3-door profile, the Astra SXi delivers a potent combination of urban style and superb performance that has made it a true class leader. In addition to the Astra City features, the SXi adds a rear spoiler, 15" alloy wheels, front power windows and a leather steering wheel with radio remote controls. An alluring combination of Astra's class-leading performance and a stunning sporty look.

ASTRA SXi

The brilliant Astra CD has been engineered for total driving enjoyment. Both the 4-door sedan and the 5-door hatch take the superb Astra characteristics and add further enhancements. The CD retains the distinctive Astra style, but includes added refinements such as striking 15" alloys to make the driving experience even more gripping.

ASTRA CD

The Astra CD also offers the driver true fingertip control. To maximise the driving experience the CD has been designed with remote audio controls conveniently located on the leather steering wheel. You'll also find power windows (with an express up/down feature on all four windows), cruise control and electric remote control mirrors. To further distinguish the CD, the cabin features a rich velour trim and three rear head restraints.

ASTRA CDX

The ultimate Astra luxury experience. The CDX is available as a 4-door sedan or as a 5-door hatch. In addition to the features found in the CD, you will also find front foglamps and 16" alloy wheels, a luxurious cabin interior with an electronic climate control air conditioning system, leather trim offset by a stunning woodgrain console and gearshift knob, heated front sports seats, plus black instrument dials with chrome rings. The driver has the added assurance of ABS, Traction Control, driver and front passenger side impact and curtain airbags, and active head restraints that assist in reducing whiplash. The CDX also includes trip computer, dark tinted headlamps and tail lamps and adjustable lumbar support in the front seats.

ASTRA SRi

Astra SRi doesn't just look like it means business; it is the business. The 16" alloys, front foglamps, rear wing spoiler, front skirt and sports front seats barely hint at the exhilaration the SRi is capable of delivering, thanks to an enthusiastic 2.2 litre engine, sports suspension, ABS and Traction Control.

ASTRA SRi TURBO

The Astra SRi Turbo. A car designed specifically to be enjoyed. To the max. Available in a 5-speed manual transmission for the true driver. Beneath the bonnet lies an incredibly responsive turbo charged 2.0 litre, 147 kW engine capable of producing 250 Nm of torque between 1950 and 5600rpm. To this we have added Lotus-tuned sports suspension, ABS, Traction Control and an Electronic Stability Program ensuring the SRi Turbo delivers truly outstanding performance, ride and handling. From a driver's perspective, it's the culmination of the Astra experience with a distinctive 'turbo look'. A stunning 3-door profile with sports body kit featuring a distinctive rear spoiler, sports front and rear bumpers and side skirts, 17" alloy wheels, polished stainless steel exhaust extension, front foglamps, dark tint on both the headlamps and tail lamps and body coloured door handles and body side mouldings. The SRi Turbo truly is a car packaged to deliver punch and panache.

While the drive and handling are breathtaking, so, too, is the interior. A silver finished console, white instrument dials with chrome rings and grey surround, aluminium gear stick knob and alloy pedals give the SRi Turbo a true sense of the performance it is more than capable of delivering. The driver and passengers will find themselves in a luxury sports interior featuring leather upholstery, heated front sports seats and a distinctive, perforated leather sports steering wheel. At your fingertips you'll find air conditioning, cruise control, trip computer, a CD player with six premium speakers and power windows.

ASTRA CONVERTIBLE

A sensational combination of dynamic looks, all weather reliability and genuine 4-seater practicality. Developed in partnership with Bertone, the convertible is further proof of Holden's continuing commitment to providing an outstanding driving experience. The Astra Convertible comes with an electrically operated remote control roof, electronic climate control air conditioning for comfort, a thrilling 2.2 litre 16 valve engine, plus ABS, side impact airbags and an Electronic Stability Program for total driving confidence. For the ultimate convertible experience, there is the Astra Convertible Turbo that delivers a spine tingling 147 kW of power and 250 Nm of torque between 1950 and 5600rpm. For the full story, ask your Holden Retailer for an Astra Convertible brochure or call 1800 033 349.

ACCESSORISE

You've seen the big picture, now let's have a look at the finer details. Astra gives you a wide choice of accessories that further refine that unique Astra experience. Accessories to give you greater driving comfort, to help protect your investment or simply to make life easier. For trouble-free holiday touring, or added load capabilities, there's a towing package and roof bars. For added comfort, consider a Blaupunkt 6-stacker CD or sheepskin front seat inserts. And, to help keep your Astra looking good, alloy wheels, mudflaps, contoured floor mats, a weather-shield, even headlamp and bonnet protectors.

HOLDEN ASTRA BY DESIGN

Stamp your personality on the road by individualising your Astra with these personal touches from Holden By Design (HBD). Sports body kit, alloy wheels and rear spoiler all complement Astra's ultra responsive steering and Lotus-tuned suspension. Designed to let you develop your own driving style, HBD personalised enhancements are factory fitted and carry Holden's comprehensive 3-year or 100,000km warranty.

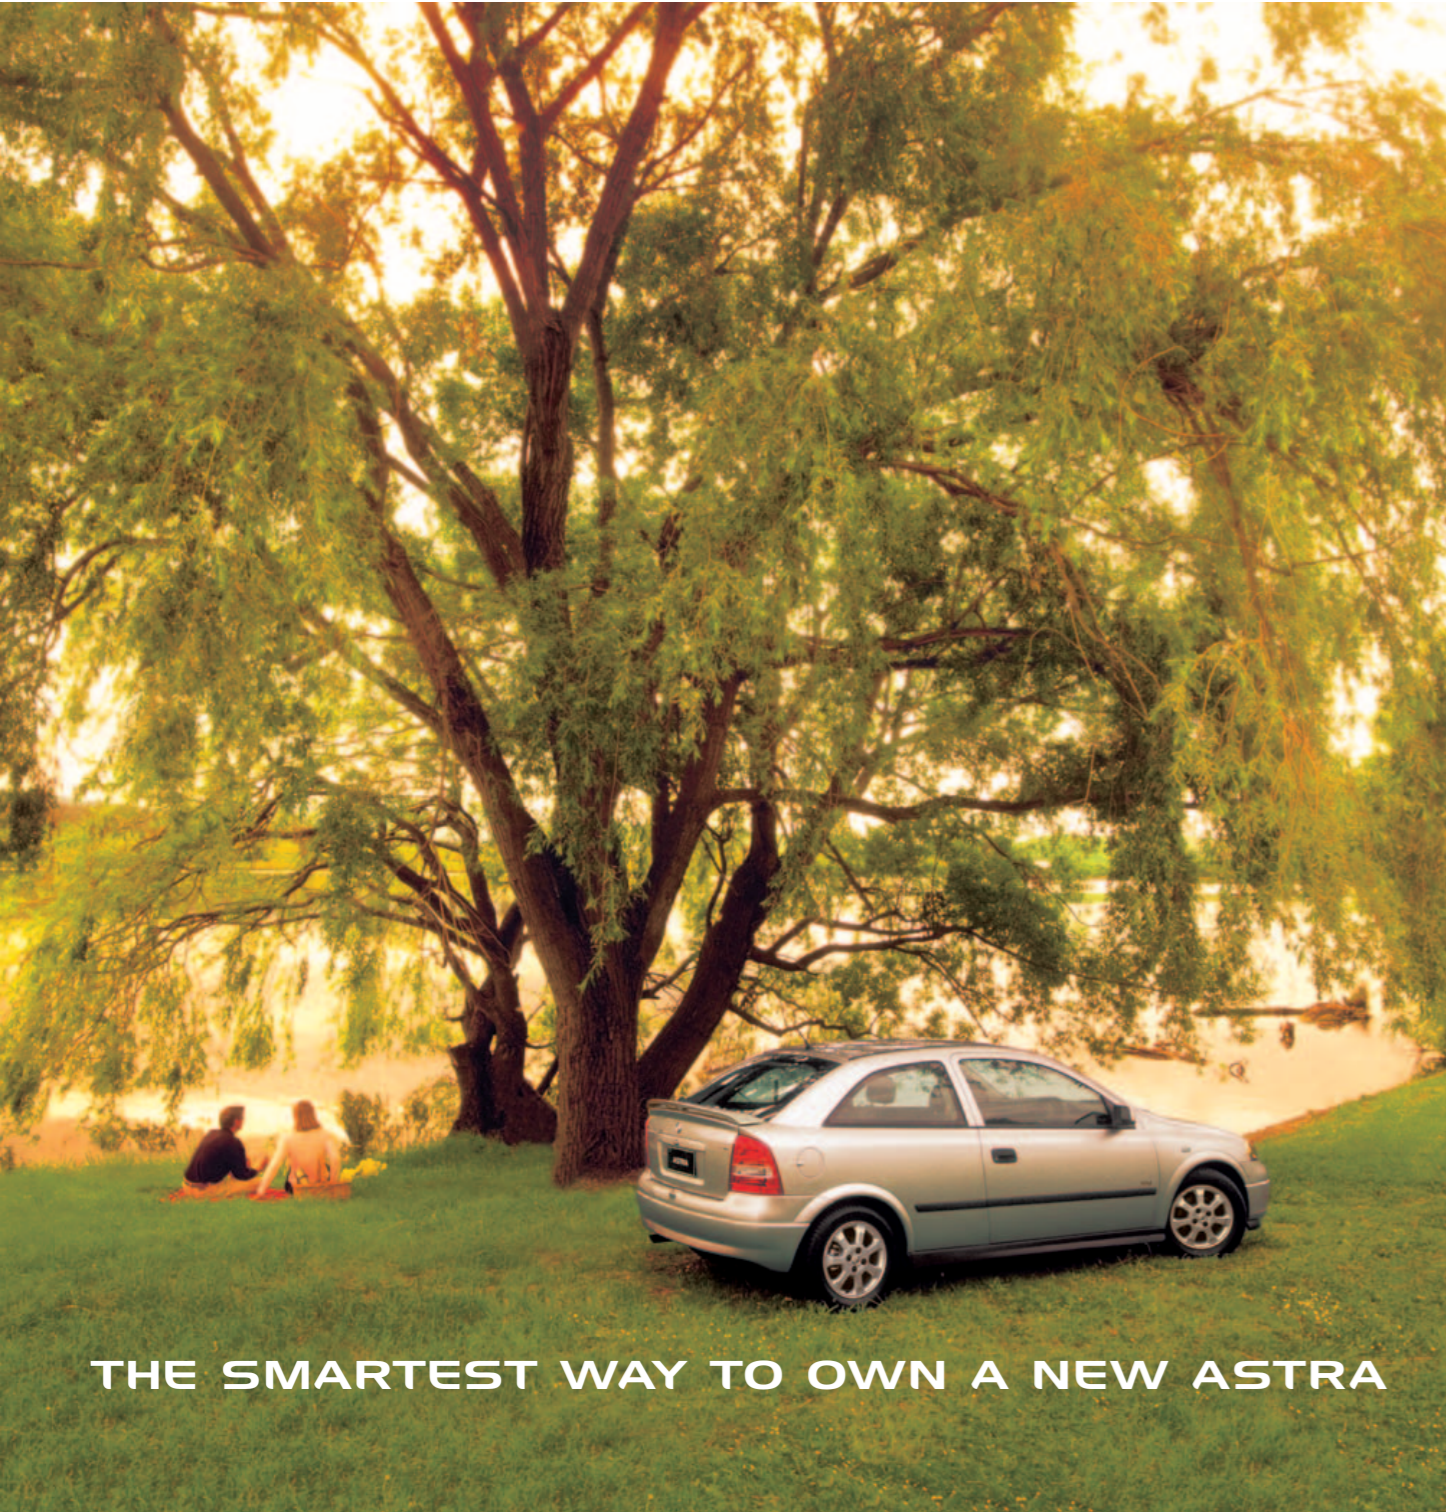

A Astra City sedan fitted with Holden By Design Sports body kit, 16"x 6.0" alloy wheels and rear spoiler.

B Astra SXi fitted with 16"x 6.0" alloy wheels and chrome exhaust extension.

C Astra CD 5-door hatch fitted with Holden By Design Sports body kit, 16"x 6.0" alloy wheels and rear spoiler.

D Astra SRi fitted with Holden By Design Sports body kit.

THE SMARTEST WAY TO OWN A NEW ASTRA

The Astra range gives you the confidence to drive. Holden adds to that a sense of security with Holden SmartChoices.

SMARTCHOICES.

A smart way to get into a new Holden is by talking to Holden Financial Services. A wide range of options is on offer and you can select the terms, conditions and pricing structure to best suit your lifestyle. The SmartChoices range offers affordable, flexible, low monthly repayments¹ and the security of a guaranteed minimum buyback price.² For more information contact your Holden Retailer or call Holden Customer Assistance on 1800 033 349.

SMARTCARE.

Holden offers a range of competitively priced insurance products that provide tailor-made protection. The SmartCare comprehensive policy offers new car replacement, agreed value and a Holden Approved parts guarantee plus a range of additional premium benefits.³ For more information see your local Holden Retailer or call the Holden SmartCare Hotline on 1800 060 094.

THE HOLDEN MASTERCARD.

With the Holden MasterCard, 5% of every dollar you spend

on credit purchases goes toward your rebate on a new Holden.⁴ You can redeem a maximum core rebate of \$3000 on any new Holden.⁴ Use your Holden MasterCard at exclusive Holden MasterCard Bonus Partners and you'll receive an extra 1% bonus rebate. Holden Retailers are Bonus Partners. When you make a credit purchase at a Holden Retailer you'll earn a 2% bonus rebate.⁵ You'll also pay no annual fee in the first year, get up to 45 days interest free on credit card purchases, and a competitive rate of interest.⁶ To apply, visit any Westpac / Challenge Bank / Bank of Melbourne branch, your local Holden Retailer or call the Holden MasterCard 24-hour customer line on 1300 650 696.

THE PACKAGE WOULDN'T BE COMPLETE WITHOUT EXTRA PEACE OF MIND.

WE'RE WITH YOU ALL THE WAY.

Holden drivers are backed by one of the most comprehensive customer care packages on the road. With over 300 Retailers and 900 Roadside Assistance centres nationwide, few cars in Australia enjoy the level of customer care offered to Holden owners.

3-YEAR OR 100,000KM NEW VEHICLE WARRANTY.

Your peace of mind, guaranteed. Every Holden comes with a 3-year or 100,000km New Vehicle Warranty,⁷ whichever comes first. This factory backed warranty covers items including the engine, transmission, interior and exterior components.

A Holden Extended Warranty is able to be purchased. For more details, contact Holden Customer Assistance on 1800 033 349 or your Holden Retailer.

3-YEAR/24-HOUR ROADSIDE ASSISTANCE.

Go anywhere, anytime, with complete confidence. Holden Roadside Assistance, one of Australia's most comprehensive assistance packages, is complimentary for 3 years.⁸

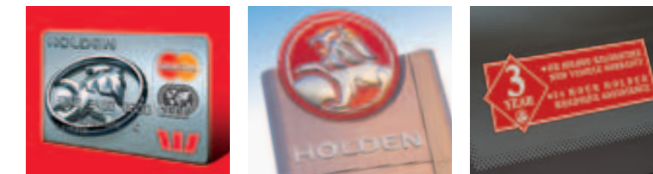

In the event of the unexpected happening, from your keys being locked in the car to mechanical and accident advice, you are able to get in touch with our 24-hour hotline, 365 days of the year, by calling the toll-free number 1800 817 100.

This service is delivered by Assist Australia and the combined resources of the Australian motoring organisations.

A DECIDEDLY DIFFERENT LEVEL OF SERVICE.

Retailer support when you need it, where you need it. With Retailers strategically located nationwide, the Holden Service Network is one of the largest in the country. Our service centres are staffed by a team of trained technicians who have access to regular factory training, bringing them up to speed on the latest technology.

If you want to know more about the extensive benefits of Holden ownership, contact Holden Customer Assistance on 1800 033 349, Monday–Friday, 8am–7pm and Saturday 9am–1pm EST.

1. Fees and charges apply. For the annual percentage rate applicable to you contact your local Holden Retailer. Subject to credit approval and current terms and conditions. 2. Conditions apply. A disposal fee of \$385 (incl GST) applies plus charges for excess wear and tear or excess kilometres may also apply. For full terms and conditions, please refer to relevant policies at your Holden Retailer. 3. Refer to the policy wording for specific terms, conditions and exclusions. 4. Earning and redemption of rebate is subject to the Holden MasterCard Rebate Program Rules. A maximum of \$3000 in the form of Holden MasterCard 'core' rebate (plus any additional 'bonus' rebate accumulated via the partner program) accrued over a maximum of 5 years may be applied per eligible vehicle purchased. Vehicle sales for which a fleet allowance is paid are not eligible for Holden MasterCard rebate. 5. At participating Retailers only. Credit card purchases of new or used vehicles are not eligible for the 2% bonus rebate at Holden Retailers. 6. The interest-free period applies where the card account is fully paid by the due date each month. 7. Refer to your owner's handbook or see your Holden Retailer for full terms and conditions and exclusions. 8. Roadside Assistance may not be available in some rural areas. Refer to your Holden Roadside Assistance booklet or see your Holden Retailer for terms and conditions.

CHOICES

Dynamic, European influenced, stylish; words that apply as much to Astra as they do to the range of colours it's available in. Even the seat trim has been tailored to the specific Astra models.

		7.8 [36.2]	8.0 [35.3]	9.0 [31.3] (PULP)	9.0 [31.3] (PULP)	8.5 [33.2] (PULP)
	Highway	5.6 [50.4]	5.6 [50.4]	5.8 [48.7] (PULP)	5.6 [50.4] (PULP)	6.2 [45.6] (PULP)
PETROL TANK (L)	52					
BRAKES	4 wheel disc brakes. Front ventilated.					
	Larger front disc					
ANTI-LOCK BRAKING SYSTEM (ABS)	Option on CD Standard on CDX		Standard			
	4-channel.					
TRACTION CONTROL	Option on CD Standard on CDX		Standard			
	When sensors detect imminent driving wheel spin, engine torque is reduced. If one wheel is about to spin, braking is applied to transfer torque to wheel with better traction.					

	1.8 ECOTEC ENGINE		2.2 ECOTEC ENGINE		2.0 TURBO ENGINE
ELECTRONIC STABILITY PROGRAM (ESP)	Via several sensors, ESP recognises critical driving situations and helps the driver retain control over the vehicle by regulating engine torque and applying the brakes of individual wheels.				
SUSPENSION	Front	Independent. MacPherson strut. Gas pressure dampers. Coil springs. Stabiliser bar.			
	Rear	Compound torsion beam & twin trailing arms. Progressive rate miniblock double conical coil springs. Gas pressure dampers.			
STEERING	Electro-hydraulic power rack & pinion steering.				
TRACK (mm)	Front	City 1484	CD, CDX, SXi & SRi 1464	SRi Turbo 1467	
	Rear	City 1472	CD, CDX, SXi & SRi 1452	SRi Turbo 1456	
TURN CIRCLE (m)	10.3 kerb to kerb.			10.9 kerb to kerb.	
WHEELBASE (mm)	2606				
DIMENSIONS (mm)	Sedan	Length	Width	Height	
		4252	1709	1425

CARGO VOLUME (L)	Sedan	Rear seat up (to top of seat back) 460 Rear seat down (to top of seat back) 890 Rear seat down (to roof) 1230			
	Hatch	Rear seat up (to top of seat back) 380 Rear seat down (to top of seat back) 710 Rear seat down (to roof) 1180			
KERB WEIGHT (Est. kg)	SXi 1144 CDX 1209	City 1145 SRi 1233	CD 1166 SRi Turbo 1282		
TOWING (kg)	595. Braked trailer 1000. See your Holden Retailer for details.				
SERVICE	1500km (at no cost) inspection, then every 15,000km or 12 months, whichever comes first. Holden Retailer 'Tech 2' computerised analysis available for engine management system. Spark plug replacement every 60,000km. Cartridgeless paper oil filter. Audible disc pad replacement warning.				

*Fuel consumption figures based on AS2877 tests. These figures are provided to assist you in comparing the fuel consumption of Astra with other vehicles. The actual fuel consumption will depend, however, on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use.
