

Genuine Accessories

Colorado and Colorado 7

THINK  HOLDEN

# Genuine Holden Accessories They've got your back.

Like the Colorado, Genuine Holden Accessories are designed to cope with the harshest conditions and not let you down.

Don't just take our word for it. See the testing in action at: [www.holden.com.au/colorado/accessories](http://www.holden.com.au/colorado/accessories)

## Seamless integration

Only Holden Genuine Accessories are integrated into the design of the Colorado from the very start. They are fully tested by engineers to ensure they fit perfectly, look great and get the job done every time.

Holden's Genuine bull bar has been styled and engineered specifically to work "as one" with your new Colorado. The bull bar has been tested in the laboratory and at the proving ground to ensure there is no adverse impact on the Colorado's complex safety systems, airflow to the vehicle's cooling system or its long term integration to the vehicle's chassis frame.

## Rigorous testing

Only Genuine Holden Accessories are tested to Holden's highest quality standards and meet or exceed all relevant Australian regulatory requirements.

Take the Crew Cab Hard Tonneau. We have tested it relentlessly at magnified levels; at below freezing temperatures to searing solar load heat tests. Not only does it look great with its fully integrated design, you know it's built with quality for long lasting toughness and durability.

## Warranty

You want your Colorado accessories to stand the test of time. That is why at Holden we go to extremes to make sure they won't fail when the going gets tough. You automatically receive a 3yr/100,000km warranty on every Genuine Holden Accessory that is fitted by your Holden Dealer prior to taking delivery of your new Colorado.

## Confidence and convenience

Proving the quality of Genuine Holden Accessories is one thing. Standing behind them long after they have left our dealerships is another.

You can purchase Genuine Holden Accessories with confidence and peace of mind, through the vast support network of Holden Dealers nationwide – ready to help you with sales, support and advice whenever you need it.

# Genuine Holden Accessories.

## Tough enough for your all-new Colorado.

**THINK  HOLDEN**

**ANCAP** Safety ★★★★★

A word about this brochure. We have tried to make this brochure as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this brochure may have been changed and/or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232 (Holden), reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden in its published sales literature, and Holden does not accept any liability for any such unauthorised action. Holden has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but Holden doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. Copyright Holden, October 2013.
