OWN A PART OF AUSTRALIAN HIGH-PERFORMANCE HISTORY

Over the last 25 years, HSV's ClubSport has become one of Australia's most revered nameplates. And to celebrate this landmark, HSV is proud to introduce the limited edition 25th Anniversary ClubSport R8.

LANDMARK LOOKS

With SV Rapier forged alloy wheels in Gloss Black, a Hyperflow Performance Rear Spoiler and distinctive Pitch Black accents, the 25th Anniversary ClubSport R8 will turn heads with looks that are as striking as they are bold. From every angle this is a car that screams high-performance. Press the start button and the 6.2 litre LS3 Generation IV alloy V8 springs to life with a sound that'll get your heart racing faster than anything playing on the 9-speaker BOSE premium audio system.

HIGH-PERFORMANCE POWER

Hit the accelerator and the roar from the Bi-Modal quad exhaust system with shadow-chrome tips lets everyone know this is an Aussie V8 with serious power and torque. A massive 340kW and 570Nm to be exact. And, to transfer all that power to the ground, the 25th Anniversary ClubSport R8 features a TR6060 Tremec 6-speed manual transmission or optional 6L80E 6-speed automatic with Active Select and Paddle-shifters. Braking is equally impressive thanks to AP Racing ventilated discs with radical forged 4-piston calipers. To ensure the driver is always in the perfect position to take advantage of everything this high-performance machine has to offer, the 25th Anniversary ClubSport R8 also features HSV Performance Seats in Onyx leather trim, an Enhanced Driver Interface and Driver Preference Dial.

LEGENDARY HERITAGE

As a testament to its legendary heritage, each vehicle is individually numbered and features unique '25th Anniversary' badges on the decklid, sill plates and centre console. This is one limited edition that offers unlimited exhilaration. But only for 108 drivers.
