Firebird Occupant Protection and
Crash Avoidance Features

To help contribute to driving safety, each of the
following features is included in the Firebird line:

Occupant Protection

- ▶ Safety belt cinch capability for child seats.
- ▶ Manual lap/shoulder safety belts for all outboard positions.
- ▶ Driver and front passenger air bags.
- ▶ Automatic power door locks (standard on Formula and Trans Am models, available on Firebird).
- ▶ Illuminated entry (available with remote keyless entry).
- ▶ Folding front seatback locks, inertia type/manual, two-door models.
- ▶ Breakaway inside rearview mirror.
- ▶ Laminated windshield glass, urethane bonded.
- ▶ Head restraints, adjustable, front.
- ▶ Side door beams.
- ▶ Passenger-guard inside door lock handles.

A Note on Child Safety
Children generally are safer if they are
secured in a rear seat using the appropriate
child safety seats and restraints, which is why
General Motors recommends that child safety seats
be properly secured in a vehicle's rear seat. Never
place a rear-facing infant restraint in the front seat of
any vehicle equipped with an active air bag. See your
vehicle Owner's Manual and child safety seat instruc-
tions for more information. Pontiac supports the
National SAFE KIDS Campaign®, a grassroots program
dedicated to promoting child passenger safety.

Crash Avoidance

- ▶ Anti-lock braking system, four-wheel.
- ▶ Brake/transmission shift interlock.
- ▶ Available Traction Control.
- ▶ Automatic daytime running lamps with automatic exterior lamp control.
- ▶ Side marker lamps.
- ▶ Fog lamps.
- ▶ Halogen headlamps.
- ▶ Backup lamps.
- ▶ Directional signal control.

- ▶ Available steering wheel radio controls.
- ▶ Inside day/night rearview mirror.
- ▶ Outside rearview mirrors.
- ▶ Center high-mounted stop lamp.
- ▶ Maintenance-free battery.
- ▶ Low-glare finish – inside windshield moldings, wiper arms and blades, metallic steering wheel surfaces, inside rearview mirror frame and bracket.
- ▶ Tires with built-in tread wear indicators.
- ▶ Front and rear disc brakes.

Security

- ▶ Visible vehicle identification number.
- ▶ Laser-etched VIN plate.
- ▶ Theft-deterrent steering column lock.
- ▶ PASS-Key II theft-deterrent system.
- ▶ Remote inside hood release.
- ▶ Available audible theft-deterrent system.
- ▶ Remote deck lid release.
- ▶ Available remote keyless entry.

And now, a word about...

This Catalog:
We've tried to make this catalog comprehensive
and factual. We must reserve the right, however,
to make changes at any time, without notice, in the
information contained in this catalog. Since some
information may have been updated since the time
of printing, please check with your Pontiac dealer
for complete details. Pontiac reserves the right to
lengthen or shorten the model year for any product
for any reason, or to start and end model years at
different times.

Engines:

Firebird models are equipped with engines produced
by different operating units of GM, its subsidiaries or
suppliers to GM worldwide.

Updated Service Information:

Pontiac regularly sends its dealers useful service
bulletins about Pontiac products. Pontiac monitors
product performance in this field. We then prepare
bulletins for servicing our products better. Now you
can get these bulletins too. Ask your dealer. To
obtain ordering information, call toll-free 18005514123.

The Assembly of Firebird:

Firebird and its components are assembled or pro-
duced by different operating units of General Motors,
its subsidiaries or suppliers to GM worldwide. We
sometimes find it necessary to produce Firebirds
with different or differently sourced components than
originally scheduled. Since some options may be
unavailable when your vehicle is assembled, we
suggest you verify that your vehicle includes the
equipment you ordered, or if there are changes, that
they are acceptable to you.

Warranty Protection:

Firebird's 3-year/36,000-mile (whichever comes first)
no-deductible bumper-to-bumper limited warranty cov-
ers repairs, including labor and parts, to correct any
defects in material or workmanship occurring during
the warranty period. The complete vehicle is covered,
except for adjustments and normal maintenance.

Corrosion Protection:

Firebird is designed and built to resist corrosion.
All body and sheet metal components are warranted
against rust-through corrosion for 6 years or 100,000
miles, whichever comes first. Application of addition-
al rust-inhibiting materials is not required under the
corrosion coverage and none is recommended. See
your Pontiac dealer for terms of these limited war-
ranties.

PONTIAC, THE PONTIAC EMBLEM, GENERAL MOTORS, THE GM EMBLEM, ETR,
FIREBIRD and THE PONTIAC CARES EMBLEM are registered trademarks, WS6,
FORMULA and DRIVING EXCITEMENT are trademarks and PONTIAC CARES
