TRAILBLAZER  LIKE A ROCK

CHEVY.COM OR 1-800-950-CHEV

TrailBlazer LTZ in Black/Light Pewter Metallic Two-Tone. Some optional equipment shown.

Strength times two. When your ambitions take you beyond the ordinary, it helps to have a strong, capable SUV. Like the five-passenger Chevy™ TrailBlazer® and the longer, seven-passenger TrailBlazer EXT.® But no matter which model you choose, you'll enjoy knowing that TrailBlazer models have unsurpassed standard horsepower in their class\* — plus the enduring strength of hydroformed steel side rails. When you consider just how capable both TrailBlazer and TrailBlazer EXT are, everything else just seems kind of weak. Chevy TrailBlazer. From the family of Chevy Trucks — the most dependable, longest-lasting trucks on the road.†

TrailBlazer EXT LT interior shown with optional equipment.

A factory-installed DVD system is available for select TrailBlazer models.

The North Face Edition Chevy TrailBlazer 4x4 (interim availability).

\*Based on latest available competitive data. Excludes other GM vehicles.

†Dependability based on longevity: 1981–July 2001 full-line light-duty truck company registrations. Excludes other GM divisions.

<sup>1</sup> Manufacturer's Suggested Retail Price. Includes DFC. Tax, title, license and optional equipment are extra. <sup>2</sup> Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. <sup>3</sup> Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information. <sup>4</sup> OnStar services require electrical system and analog wireless service to be available and operating for features to function properly. Visit onstar.com or call 1-888-ONSTAR-7 (1-888-667-8277) for system information and details. <sup>5</sup> The North Face Edition is only available in these colors. <sup>6</sup> Not available on TrailBlazer LS model; available as an extra-cost option on other models.
