Aztek™ You've never seen anything else quite like it. As a true, multipurpose, multifunctional and multitalented vehicle, it combines the feel of a sports sedan, the ruggedness of an SUV and the comfort of a minivan. Aztek delivers "on-demand" flexibility for people and cargo. With rear seats that flip, fold and remove, Aztek offers more cargo space with the rear seats removed than Ford Explorer, Dodge Durango and Jeep Grand Cherokee*. Aztek can be equipped with unique available features like a removable console/cooler, Camping Package, DVD entertainment system, sliding rear cargo tray and Versatrak™ all-wheel drive. AWD-equipped Aztek was the first sport utility *ever* to receive a four-star rating in the rollover resistance test category by the National Highway Traffic Safety Administration (NHTSA). Aztek perfectly combines versatility, flexibility, ingenuity and personality.

¹ Manufacturer's Suggested Retail Price for GM vehicles as of 06/21/02. Tax, title, license and optional equipment are extra. ² Official EPA estimate not yet available. Estimate based on GM testing. ³ XM is available only in the 48 contiguous states. Activation fee and service subscription extra. ⁴ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Pontiac dealer for additional details. ⁵ RDS functions only when stations broadcast RDS information. ⁶ Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information. ⁷ OnStar services require vehicle electrical system and analog wireless service to be available and operating for features to function properly.
